

## Department of Fine Arts Advisory Board

The Advisory Board is an informal group of alumni and friends who have been willing to lend their knowledge, advice and expertise to the ongoing efforts of our program. They have been invaluable to helping the Department of Fine Arts address critical learning skills for the 21st Century. If you would like to know more about the Advisory Board, contact [sumnerc@winthrop.edu](mailto:sumnerc@winthrop.edu).
