University Level Competencies Private Instruction in applied music meets Competency 4 of the ULCs: Winthrop graduates communicate effectively. Winthrop University graduates communicate in a manner appropriate to the subject, occasion, and audience. They create texts, including but not limited to written, oral, and visual presentations - that convey content effectively. Mindful of their voice and the impact of their communication, Winthrop graduates successfully express and exchange ideas. Please evaluate the student's success in meeting this ULC.
