Tax Record (Transcript)

You can get various Form 1040-series transcript types online or by mail. If you need your prior year **Adjusted Gross Income (AGI)** to e-file, choose the **tax return transcript** type when making your request. If you only need to find out how much you owe or verify payments you made within the last 18 months, you can [view your tax account](#).

The method you used to file your tax return, e-file or paper, and whether you had a balance due, affects your current year transcript availability. **Note:** If you need a photocopy of your return, you must use Form 4506.
