Accessing Financial Aid Information via Wingspan

OFFICE OF FINANCIAL AID
WINTHROP UNIVERSITY

Students who receive email award notifications may view, accept, or decline aid on Wingspan. Students should accept or decline aid within 30 days of the notice of award.

You must have a Winthrop email account to access Wingspan. If you have not created a Winthrop email account, you may do so by clicking on Need an account? from the Wingspan home page (http://wingspan.winthrop.edu).

Once you have logged in to Wingspan, use the following steps to access your financial aid award:

- Click on Financial Aid tab
- Click on Award
- Click on Award for Aid Year
- Select Award Year 2014-2015 from the drop down box
- Read all information carefully. Select the Terms and Conditions tab. If you have been awarded a program administered by the state of South Carolina, you may have to agree to the terms and conditions of the award before you can access the Accept Award Offer tab. If you are unable to agree to the terms and conditions, please contact the Office of Financial Aid.
- Click on the Accept Award Offer tab to view and accept/decline your award.

Wingspan may also be used to access documents required to finalize the processing of your financial aid award. Should you receive an email notification that documents are needed by the Office of Financial Aid, log in to Wingspan following the steps outlined above and click on Eligibility (rather than Award). A list of the required documents and links to additional information will be found on that page. Submit all requested information and forms within 14 days of the request.

Should you have any questions or concerns, please email us at finaid@winthrop.edu or call our office at (803) 323-2189.
