

WINTHROP UNIVERSITY
Satisfactory Academic Progress (SAP)

Academic Action Plan – Graduate Students

This form can only be used for students seeking a graduate degree who are submitting a SAP appeal.

Student's Name _____ **Winthrop ID Number** _____

TERM _____ (e.g. fall 2026)

This student was referred to me by the Office of Financial Aid to develop an Academic Action Plan (AAP) after not meeting Satisfactory Academic Progress (SAP) standards. Graduate students are considered to be meeting SAP if they maintain a 67% course completion rate and continue to meet the academic requirements set by the School of Graduate, Continuing, and Online Education.

This Academic Action Plan is a joint effort between the advisor and the student. To support the student's academic progress in the upcoming term, I propose the following action items as part of the AAP:

Required:

- Complete at least 70% of the credit hours attempted in the term
- Maintain a GPA required by the School of Graduate, Continuing, and Online Education for continued enrollment.

Advisor Strategies for a Successful Term:

By signing this AAP, we are confirming that the student and advisor are aware and in agreement with the action items listed above. The student understands that not completing the terms of this AAP will result in the loss of financial aid in future terms.
