**Special Circumstances Request - Dependent
2021-2022**

Student's Name _____

Winthrop ID Number _____

Special consideration is generally given only for those circumstances described below because many adjustments are already considered in the calculation from the FAFSA. Typically, the only additional type of financial aid the student may be eligible to receive is the federal Pell Grant. Graduate and second degree undergraduate students are not eligible to receive the federal Pell Grant. The reduction in expected family contribution may create more federal Subsidized Loan eligibility, thus reducing the amount of the Unsubsidized Stafford Loan.

Please Note

- Deadline to submit request: March 1, 2022
- **Complete Step One, Step Two, and Step Three of this form.**
- Processing time for the *Special Circumstances Request* takes approximately 4 weeks. Submission of the *Special Circumstances Request* in no way guarantees an adjustment to the student's financial aid and does not waive payment deadline dates. We recommend that the student complete all current award requirements and accept any financial aid the student wishes to use to pay his/her bill.
