

FACULTY

Named Chairs **\$1,000,000 and above**

In addition to the salary supplement provided for the incumbent, income from these funds provides additional support for a professor's teaching and research, including but not limited to equipment, library resources, academic leaves, research assistants, and travel.

Named Distinguished Professorships **\$500,000 to \$999,999**

In addition to the salary supplement provided for the incumbent, income from these funds provides additional support for a professor's teaching and research and for library resources.

Named Faculty Development Funds **\$250,000 to \$499,999**

Income from these funds support the work of faculty members as they develop courses, strengthen teaching, and engage in research and other professional activities.

Named Visiting Professorships **\$250,000 to \$499,999**

Income from these funds enables the University to bring outstanding visitors to teach, do research, and be available as resources for the whole University community.

Named Term Professorships **\$100,000 to \$249,999**

Income from these funds provides supplemental salary support plus funds for work by the incumbent in support of teaching and research. Recipients of endowed term professorships are named to these positions for a period normally not exceeding five years.

LECTURESHIPS

Named Lectureships **\$25,000 and above**

Income from these funds supports expenses associated with special guest lectures.

FELLOWSHIPS

Presidential Fellowships **\$150,000 and above**

Income from these funds supports outstanding students in graduate or professional school programs. Income may be used for tuition, living expenses, and other special expenses incurred in the course of graduate or professional study.

Named Fellowships **\$100,000 to \$149,999**

Income from these funds supports awards to students in graduate or professional school programs and is used to assist with expenses incurred in the programs of study.

LIBRARY

Named Library or Book Funds

\$25,000 and above

Income from these funds supports acquisitions of books and other materials in a particular field or may be used at the discretion of the chief librarian.

SPECIAL FUNDS

Named Endowment Funds

\$15,000 and above

Income from these funds provides unrestricted or restricted support to particular programs or departments. This category does not apply to scholarships.

Non-endowed funds may also be established for special situations. Monies for such funds are expended upon receipt and are not placed in endowments. These funds terminate when all the resources are spent.
