Minutes from Apr 25, 2014 GFA Meeting Approved and Passed

IV. Report from the Acting President, Provost and Vice President of Academic Affairs   Debra Boyd

Dr. Boyd welcomed and greeted the graduate faculty in attendance. Opened the floor for questions. Question from GFA members:
1. The University participated in the Great Colleges to Work For Survey, are the results going be disseminated? Dr Boyd response, yes, should be disseminated in 2-3 weeks.

V. Report from the Graduate Council      Melissa Carsten

Announced three new graduate faculty: Dr. Guy Reel, Dr. Amanda L. Hiner, Dr. Duane Neff.

- Graduate Council 2014 Priorities

The four priorities of Graduate council this year are

1. Graduate Faculty Governance Bylaws – need to be reviewed and updated.
2. Electronic Voting – pilot tested last year. Will not eliminate face-to-face meetings but may be an important tool to improve efficiency. Here is proposed bylaws statement concerning electronic voting:

   “Curriculum action requiring a vote from the Graduate Faculty Assembly may be placed on an electronic forum for members to review and recommend for further discussion. Curriculum placed on the electronic forum may be voted on electronically if no recommendation for further discussion is registered within 7 days of initial posting to the online forum. Any recommendation for further discussion would cause the curriculum item to be placed on the agenda of the next GFA meeting where the matter would be discussed and voted on by members.”

Question was raised about the difference between questions seeking clarification and request for further discussion.

Question was raised how to handle 500-level questions. Suggestion to include the word only before a vote was made.

Motion made, seconded and passed for this item to be place on the agenda for discussion at the next GFA meeting.
3. Electronic Thesis – Winthrop University in the process of acquiring the software Digital Commons. This new software will allow electronic review and publication of theses.

4. Curriculum Action Process – the revised process seems to be moving fluidly.

- **Curriculum Action required**

  Motion from Graduate Council to approve two program modifications – please refer to the curriculum management system for justification and explanations.

  **Modify Master of Arts in ENGLISH Program With Thesis—Concentration in Rhetoric and Composition to**

  1. **Change the foreign language requirement from 9 hours to 6 hours.**
  2. **Allow a research substitution, such as programming languages or statistics for the foreign language proficiency.**

  Justification: Brings the foreign language proficiency requirement for graduation in line with our peer and competitor institutions, and is in line with trends reported by ADE departments. Allowing proficiency in research methods as a possible substitution will aid students conducting research in pedagogical, rhetorical, and new media areas; the evidence for such proficiency will be evaluated by the Departmental Graduate Committee for acceptability.

  Question was asked if this modification applies to all three tracks. If passed it will. No further discussion and motion passed.

  **Modify the Master of Arts in Arts Administration to add 1 year of professional work experience to the admission criteria.**

  Justification: The program receives many applications from candidates who are just finishing Bachelor degrees and have no experience in non-profit arts organizations. The additional requirements will help to screen out those unqualified candidates.

  Question asked if this is already happening. Response: This has been program’s unofficial policy.

  No further discussion and modification passed.
