Summer Session

Winthrop University's summer session is composed of an intensive 3-week Maymester, two 4 1/2-week terms and a 9-week term that allows students to take advantage of many summer opportunities. The summer program reflects the same educational goals as those of the regular academic year. Winthrop summer terms also provide special advantages in allowing both current and new students an opportunity to accelerate their work toward a degree or to pursue academic directions they have been unable to explore during the regular school year. Due to weekend formats and graduate cohorts, other terms are offered. For more information, please refer to: www.winthrop.edu/summersession.
