Graduate Catalog

Winthrop University
Rock Hill, South Carolina
Volume 100

Effective August 16, 2016 through August 15, 2017
Purpose of Catalog
The purpose of this catalog is to present detailed information regarding Winthrop’s graduate curricula and to provide a general description of its various academic units. The information and educational requirements represent a flexible program that may be altered where such alterations are thought to be in the mutual interest of the university and its students. The provisions of the catalog do not constitute any offer of a contract which may be accepted by students through registration and enrollment in the university. The university reserves the right to change without notice any fee, provision, offering, or requirement in this catalog and to determine whether a student has satisfactorily met requirements for admission or graduation. The most current program requirements are posted on our website: www.winthrop.edu/graduateschool.

Student Responsibility
Each academic unit establishes requirements that must be met prior to a degree being granted. It is important that the student become familiar with these requirements and complete them within the prescribed deadlines. Advisors, department heads, and deans are available to offer assistance, but the ultimate responsibility rests with the student.

Winthrop University offers equal opportunity in its employment, admissions, and educational activities.

Accreditation
Winthrop University is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award baccalaureate, masters, and specialist degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404-679-4500 for questions about the accreditation of Winthrop University. Please do not contact the Commission with other questions unless there is evidence that appears to support Winthrop’s significant non-compliance with the Commission’s requirements or standards.

Winthrop University Calendar 2016 - 2017

Fall Semester 2016

August 22, Monday, 3 p.m. Convocation and Blue Line

August 22, Monday, 5 p.m. Fall classes begin

August 26, Friday Last day of Fall semester registration; last day to register course as audit

September 15, Thursday Last day to apply for December 2016 graduation without fee penalty

October 3, Monday Programs of Study due in Records and Registration

October 14-17, Friday - Monday Fall Break; no classes

October 19, Wednesday Advising for Spring 2017 begins

October 21, Friday Last day to withdraw from a full-semester fall class. An N grade will be assigned. No class withdrawals will be permitted after this date except by extenuating circumstances.

November 2, Wednesday Registration for Spring 2017 begins

November 22, Tuesday Results of Comprehensive Examinations, Portfolios and Recitals due to Records and Registration

November 22, Tuesday Theses due to the Graduate School office

November 23-November 27, Wednesday-Sunday Thanksgiving Break; no classes (offices closed Nov. 24-25)

December 5, Monday Last day of Fall classes

December 6, Tuesday Study Day

December 7-13, Wednesday-Tuesday Final Examinations

December 14, Wednesday Incomplete grades and transfer credit due in Records and Registration

December 17, Saturday, 11 a.m. Commencement for Summer and Fall 2016 graduates

December 14-January 8 Holiday Break (offices closed December 24 – January 2)
Spring Semester 2017

January 9, Monday Spring 2017 classes begin

January 13, Friday Last day of Spring semester registration; last day to register course as audit

January 16, Monday Martin Luther King Jr. Holiday; no classes, offices closed

February 1, Wednesday Last day to apply for Spring or Summer 2017 graduation without fee penalty

February 20, Monday Programs of Study due in Records and Registration for May 2017 graduation

March 8, Wednesday Last day to withdraw from a full semester spring class. An N grade will be assigned. No class withdrawals will be permitted after this date except by extenuating circumstances.

March 13 - 17, Monday-Friday Spring Break (offices closed March 17)

April 12, Wednesday Results of Comprehensive Examinations, Portfolios and Recitals due to Records and Registration for Spring graduation

April 12, Wednesday Theses due to the Graduate School office

April 24, Monday Last day of Spring courses

April 25, Tuesday Study Day

April 26-May 2, Wednesday-Tuesday Final examinations

May 3, Wednesday Incomplete grades and transfer credit due in Records and Registration for May graduates

May 4, Thursday, 7 p.m. Graduate Commencement

Summer Session 2017

May 15-June 2 Session A Maymester

May 29, Memorial Day Holiday; no classes, offices closed

June 5-August 4 Session B
June 5-July 6 Session C

June 26, Monday Programs of Study due to Records and Registration for August graduates

July 4, Independence Day Holiday; no classes, offices closed

July 10-August 9 Session D

July 19, Wednesday Results of Comprehensive Examinations, Portfolios and Recitals due in Records and Registration for August graduates

July 19, Wednesday Theses due to the Graduate School office

August 10, Thursday Incomplete grades and transfer credit due in Records and Registration

December 16, Saturday, 11 a.m. Commencement for Summer and Fall 2017 graduates

Winthrop University courses are scheduled throughout the day and evening beginning at 8 a.m. and ending at 9:15 p.m. Many of the courses offered in the evening are graduate professional courses. Students are encouraged to refer to the current semester's online Schedule of Courses (www.winthrop.edu/recandreg/default.aspx?id=7540) for additional information.

Summer Session

Winthrop University’s summer session is composed of an intensive 3-week Maymester, two 4.5-week terms, and a 9-week term that allow students to take advantage of many summer opportunities. The summer program reflects the same educational goals as those of the regular academic year. Winthrop summer terms also provide special advantages in allowing both current and new students an opportunity to accelerate their work toward a degree or to pursue academic directions they have been unable to explore during the regular school year. Due to weekend formats and graduate cohorts, other terms are offered. For more information, please refer to www.winthrop.edu/summer.
GRADUATE ADMISSIONS

Admissions Policy

Winthrop University admits all qualified applicants and offers equal educational opportunities regardless of race, color, sex, age, national origin, religion, or disability. Applicants are admitted on the basis of the probability of their success in completing the requirements for graduation.

Admissions Classifications

Graduate Degree-Seeking Applicants
Applicants to graduate degree programs may be admitted to the Graduate School under two classifications: full admission or provisional admission.

Full Admission
Applicants are fully admitted to a graduate program based on the probability of their success in completing the requirements for graduation. Full admission indicates that the student meets all admissions standards of the Graduate School and the individual graduate program.

Provisional Admission
Applicants are provisionally admitted to a graduate program when their application suggests a reasonable probability of success but falls below standards for full admission in no more than one of the following ways:

- Previous academic record is weak.
- Prerequisite coursework is limited or insufficient.
- Applicant’s previous program of study is not directly related to the intended graduate program.
- Other requirements unique to individual graduate program.

A student may take up to 12 graduate hours as a provisionally admitted student. Upon successful completion of coursework as a provisionally admitted student, the student will be fully admitted to the program by the Graduate School. If the provisionally admitted student receives a B- or lower for any course within his or her first 12 graduate hours, the student is dismissed from graduate study.

Full admission may be granted after fewer than 12 hours based on the provisionally admitted student’s strong academic performance and the recommendation of the graduate program director. A course in which the provisional student chooses to withdraw before the withdrawal deadline will not be included in this 12-hour limit. A provisional student who chooses to
withdraw from a course within his or her first 12 hours may not be eligible for financial aid the following semester, because a student seeking financial aid must be enrolled in at least six semester hours. Students provisionally admitted to cohort graduate programs requiring more than 12 hours in a specific sequence must receive a B or higher in all courses.

A provisional student dismissed from graduate study may apply for readmission after 4 academic terms but is no longer eligible for provisional admission. The student may apply for admission to a different graduate program after two academic terms following dismissal.

Provisionally admitted students are eligible to apply for and receive graduate assistantships and receive the same financial aid benefits as fully admitted students.

International students who do not meet English Language Proficiency requirements are ineligible for provisional admission.

**Graduate Non-Degree-Seeking Applicants**

Students may apply for admission with GN (graduate non-degree) status. Admission as a graduate non-degree student in no way guarantees subsequent admission into a graduate degree program. Students classified as graduate non-degree who later elect to pursue a degree program must have their credentials evaluated for admission to the program. GN students who will later seek admission to a graduate degree program may take no more than 12 semester hours of graduate credit at Winthrop prior to being admitted to a graduate degree program. Should the student subsequently be admitted to a degree program, a maximum of 12 semester hours of graduate non-degree credit may be applied toward the degree.

Courses taken while a student is classified as graduate non-degree may not be applied toward a degree program in the College of Business Administration.

Students admitted as non-degree are not eligible for financial aid or to hold graduate assistantships.

**Admission Requirements – Graduate Certificate and Degree Seeking Applicants**

1. **Application:** Each applicant must submit a completed application with the appropriate non-refundable application fee. Apply online through the Graduate School website: [www.winthrop.edu/graduateschool](http://www.winthrop.edu/graduateschool). Applications for admission must be received by the specified deadline for the desired program and entry term.

2. **Residency Form:** All applicants who claim South Carolina residency for tuition and fee purposes are required to complete a residency form (this is included as part of the online application). Additional information may be requested if further clarification is needed.

3. **Official Transcripts:** Applicants must submit official transcripts (sent directly to the Graduate School, Winthrop University from the issuing institution) for all institutions
attended for undergraduate and graduate work. Degrees or coursework completed at an institution that does not hold accreditation from the commission on colleges of a regional accreditation agency will be evaluated on an individual basis.

4. Standardized Test Scores: An adequate score on an appropriate standardized test (GMAT, GRE, MAT, PRAXIS, etc.) is required for admission to most graduate degree programs. The appropriate test for each degree program is listed with the program description. (See “Degree Requirements” section.) Scores must be sent by the testing program directly to the Graduate School, Winthrop University.

5. Preparation: Applicants should have demonstrated adequate academic preparation in their proposed area of study. Those with deficiencies in academic preparation may be required to take additional work to strengthen their backgrounds. Specific graduate programs may have other requirements, such as letters of recommendation, additional test scores, professional experience, an audition, a personal interview, or educational background beyond the bachelor’s degree, etc. Additional admission requirements for specific programs are listed in the “Degree Requirements” section.

6. Approval for Admission: Each applicant for admission to a graduate certificate or degree program must have the admission recommendation of his or her intended graduate program and academic college before receiving final admission from the Graduate School. Although admission documents are submitted originally to the Graduate School, all credentials are reviewed by the individual graduate program and academic college where the initial admission decision is made. (See “Notification of Admission.”)

Application Deadlines
Unless otherwise stated below, application deadlines for United States citizens and residents are as follows:

<table>
<thead>
<tr>
<th>Date</th>
<th>Semester</th>
</tr>
</thead>
<tbody>
<tr>
<td>July 15</td>
<td>Fall semester</td>
</tr>
<tr>
<td>December 1</td>
<td>Spring semester</td>
</tr>
<tr>
<td>May 15</td>
<td>Summer session</td>
</tr>
</tbody>
</table>

To ensure complete review of applications, students are encouraged to submit applications and credentials well before the posted deadlines.

Applications for admission and supporting credentials for prospective international students must be received by April 15 or September 15 for registration in the fall or spring semester, respectively. Thus, international applicants living outside the United States should complete the required standardized tests at least three months prior to April 15 or September 15, as appropriate.
<table>

<td>Application review begins February 1 and continues until all seats are full. If seats remain available, applications will be received through April 30 for May admission and June 15 for August admission.</td>
</tr>
</tbody>
</table>

**Admission Requirements – Non-Degree Applicants**

1. Application: Each applicant must submit a completed application with the appropriate non-refundable application fee. Apply online through the Graduate School website: [www.winthrop.edu/graduateschool](http://www.winthrop.edu/graduateschool).

2. Residency Form: All applicants who claim South Carolina residency for tuition and fee purposes are required to complete a residency form (included in the online application). Additional information may be requested if further clarification is needed.

3. Official Transcripts: Applicants must submit official transcripts (sent directly to the Graduate School, Winthrop University from the issuing institution) indicating completion of a baccalaureate degree or a copy of a South Carolina Class III Teaching Certificate or its equivalent from another state. Degrees or coursework completed at an institution that does not hold accreditation from the commission on colleges of a regional accreditation agency will be evaluated on an individual basis.

Admission as a graduate non-degree student in no way guarantees subsequent admission into a graduate degree program. Students classified as graduate non-degree who later elect to pursue a degree program must have their credentials evaluated for admission to the program.

**Admission Requirements - Transient Applicants**

Graduate students at other regionally accredited institutions wishing to enroll in a graduate course at Winthrop for transfer back to their home institutions are assigned transient graduate
non-degree (GN) status. These students are admitted if they are eligible to continue as graduate students in good standing in their home institutions and on the written approval of the graduate dean of those institutions.

1. Application: Transient applicants must submit a graduate transient form and the appropriate non-refundable application fee.

2. Residency Form: All applicants who claim South Carolina residency for tuition and fee purposes are required to complete a residency form. Additional information may be requested if further clarification is needed.

3. The Statement of Authorization: The statement of authorization from the applicant’s home institution must be completed on the graduate transient application form.

Transient graduate students may enroll only in those courses for which they have received approval from the dean of the college at Winthrop offering the course(s). Students will be responsible for presenting documentation that course prerequisites have been met.

Transient graduate students will not be changed to regular status without meeting regular admission requirements through the Graduate School.

Admission Requirements - International Applicants

1. Application: All international graduate applicants must submit an online application with the appropriate non-refundable application fee. Apply online at www.winthrop.edu/graduateschool. Applications must be completed by April 15 or September 15 for registration in the fall or spring semester, respectively.

Applicants MUST have all official test scores and course evaluations sent DIRECTLY from the issuing institution or agency. We will not accept these documents from the applicant.

2. Transcript Evaluations: Applicants are required to have international coursework evaluated by an independent evaluation service. You may choose any education evaluation service that is a member of the National Association of Credential Evaluation Services (NACES). Once an evaluation has been completed, please request that an official copy be mailed to: The Graduate School at Winthrop University, 211 Tillman Hall, Rock Hill, SC 29733, USA. Official copies of transcript evaluation must be sent directly to the Graduate School from the issuing agency; we will not accept evaluations from applicants.

3. Official U.S. Transcripts: If any undergraduate or graduate coursework was completed in the U.S., those official transcripts must be sent directly to the Graduate School from the issuing institution(s). We will not accept transcripts from applicants.
4. English Language Proficiency: All international graduate applicants must present an official TOEFL score of at least 550 on the paper-based test or 79 on the internet based test, an IELTS score of at least 6 (6.5 for the MBA program), or successful completion of level 112 of the Intensive English for Academic Purposes Program from an English Language School (ELS) center. Applicants who take the TOEFL or IELTS must have the official score report sent to the Graduate School directly from the testing service. Applicants who complete the ELS program must have an official Certificate of Completion and Academic Report sent to the Graduate School from the ELS center.

5. Standardized Test Scores: An adequate score on an appropriate standardized test (GMAT, GRE, MAT, PRAXIS, etc.) is required for admission to most graduate degree programs. The appropriate test for each degree program is listed with the program description. (See “Degree Requirements” section.) Scores must be sent by the testing program directly to the Graduate School, Winthrop University.

6. Program-Specific Requirements: Specific graduate programs may have other requirements, such as letters of recommendation, additional test scores, professional experience, an audition, a personal interview, or educational background beyond the bachelor’s degree, etc. Additional admission requirements for specific programs are listed in the “Degree Requirements” section.

7. Preparation: Applicants should have demonstrated adequate academic preparation in their proposed area of study. Those with deficiencies in academic preparation may be required to take additional work to strengthen their backgrounds.

8. Approval for Admission: Each applicant for admission to a graduate certificate or degree program must have the admission recommendation of his or her intended graduate program and academic college before receiving final admission from The Graduate School. Although admission documents are submitted originally to the Graduate School, all credentials are reviewed by the individual graduate program and academic college where the initial admission decision is made. (See “Notification of Admission.”)

Additional Documents Required After Admittance:
Financial and Bank Statement: A certified financial statement indicating the applicant’s ability to pay for expenses incurred as a student and an original/official bank statement no more than six months old at the time of registration must be submitted to the International Center in order to obtain the I-20 Visa. In certain cases, advance payment of tuition and fees may be required.

Health Insurance and Immunization Form: Because all medical and dental treatment in the USA is private and very expensive, it is very important that everyone has insurance. Winthrop University requires all international students, and their dependents, to maintain health insurance. The Winthrop University Student Health Insurance Plan (“Health Plan”) insures the
student against major expenses accompanying an accident, illness or hospitalization. Information regarding purchasing insurance is available from Health Services and the International Center during the International Student Orientation. All international students are required to submit an immunization form, with complete immunization records, to Health Services prior to registering for classes.

Admission Requirements - International Non-Degree Applicants

1. Application: All international graduate applicants must submit an application with the appropriate non-refundable application fee. The online application is available at www.winthrop.edu/graduateschool. Applications must be completed by April 15 or September 15 for registration in the fall or spring semester, respectively.

2. Transcript Evaluations: Applicants are required to have international coursework evaluated by an independent evaluation service. You may choose any education evaluation service that is a member of the National Association of Credential Evaluation Services (NACES). Once an evaluation has been completed, please request that an official copy be mailed to: The Graduate School at Winthrop University, 211 Tillman Hall, Rock Hill, SC 29733, USA. Official copies of transcript evaluation must be sent directly to the Graduate School from the issuing agency; we will not accept evaluations from applicants.

3. Official U.S. Transcripts: If any undergraduate or graduate coursework was completed in the U.S., those official transcripts must be sent directly to the Graduate School from the issuing institution(s). We will not accept transcripts from applicants.

4. English Language Proficiency: All international graduate applicants must present an official TOEFL score of at least 550 on the paper-based test or 79 on the internet based test, an IELTS score of at least 6 (6.5 for the MBA program), or successful completion of level 112 of the Intensive English for Academic Purposes Program from an English Language School (ELS) center. Applicants who take the TOEFL or IELTS must have the official score report sent to the Graduate School directly from the testing service. Applicants who complete the ELS program must have an official Certificate of Completion and Academic Report sent to the Graduate School from the ELS center.

Additional Documents Required after Admittance:

Financial and Bank Statement: A certified financial statement indicating the applicant’s ability to pay for expenses incurred as a student and an original/official bank statement no more than six months old at the time of registration must be submitted to the International Center in order to obtain the I-20 Visa. In certain cases, advance payment of tuition and fees may be required. Health Insurance and Medical Form: Because all medical and dental treatment in the USA is private and very expensive, it is very important that everyone has insurance.
Winthrop University requires all international students, and their dependents, to maintain health insurance. Winthrop University Student Health Insurance Plan ("Health Plan") insures the student against major expenses accompanying an accident, illness or hospitalization. Information regarding purchasing insurance is available from Health Services and the International Center during the International Student Orientation. All international students are required to submit a medical form, with complete immunization records, to Health Services prior to registering for classes.

**Graduate Non-Degree Status:**
Admission as a graduate non-degree student in no way guarantees subsequent admission into a graduate degree program. Students classified as graduate non-degree who later elect to pursue a degree program must have their credentials evaluated for admission to the program. GN students who are seeking admission to a graduate degree program may take no more than 12 semester hours of graduate credit at Winthrop prior to being admitted to a graduate degree program. Should the student subsequently be admitted to a degree program, a maximum of 12 semester hours of graduate non-degree credit may be applied toward the degree.

**Courses taken while a student is classified as graduate non-degree may not be applied toward a degree program in the College of Business Administration.** The College of Business Administration restricts this category to transient students enrolled in other graduate programs, to students holding graduate business degrees and to students taking courses to satisfy professional obligations such as teacher certification requirements. Graduate non-degree students may enroll only in those courses for which they have received approval from the dean of the college at Winthrop offering the course(s). Students will be responsible for presenting documentation that course prerequisites have been met. Graduate non-degree students will not be changed to regular status without meeting regular admission requirements through the Graduate School.

**Note: International students admitted as graduate non-degree are not eligible for financial assistance, graduate assistantships or scholarships.**

**Disposition of Application Materials**
Credentials or supporting materials submitted for admission to the Graduate School become the property of the University and are not returned. Copies will not be provided to a third party outside the University even at the applicant's request. Copies may be provided to appropriate offices at the University in the interest of academic matters or financial awards relative to the applicant.

**Mandatory Immunization Requirements**
Winthrop University requires all students born on or after January 1, 1957 to provide proof of immunity to **Measles (Rubeola)**, **German Measles (Rubella)** and **Mumps**. Two valid doses of MMR (or the equivalent) or blood titers showing immunity are required. All students must have a **Tetanus** vaccination within the last ten years. The **Meningococcal** vaccine requirement can be completed with one meningitis vaccine or the signed waiver on page 2 of the Immunization Form. All students must complete the **Tuberculosis** Screening
Questionnaire on page 2 of the Immunization Form. Age, medical, and religious exemptions are allowed by law. Students attending a class that meets for 2 weeks or less are exempt from the immunization requirements. All required immunizations are available at Health Services for a minimal fee.

The immunization form is available in Health and Counseling Services and on their website at http://www.winthrop.edu/hcs/default.aspx?id=22982. The completed form should be sent to Health Services, Winthrop University, 217 Crawford Bldg., Rock Hill, SC 29733.

All medical information is confidential and does not affect a student’s admission status.

Notification of Admission
After a student’s application and credentials are reviewed by the appropriate graduate program and academic college, the Graduate School informs the applicant of the final University admission decision. Students are admitted to graduate study as graduate degree students (G) or graduate non-degree students (GN). Students who are awarded G status are fully or provisionally admitted to the program for which they have made application. Students awarded GN status are not considered degree candidates and, therefore, are not admitted to any program.

Readmissions
Any Winthrop graduate student who has withdrawn from the University for any reason, has been academically dismissed, or was not registered for courses the previous semester is required to apply for readmission through the Graduate School. The Application for Readmission Fee is $50.

Graduate students who enrolled in GSTC 600, 601, 602, or 603 the previous semester may register for courses and continue their program of study the following semester without applying for readmission (see “Continuous Enrollment” under Academic Regulations).

Official transcripts from all institutions attended during a student’s absence from the University must be submitted when applying for readmission.

Credentials of graduate students applying after an absence of 12 months or more are reviewed for readmission under the current catalog.

Students seeking readmission into the same graduate degree program after an absence of one to five years may be excused from the admission criteria of current catalog if the academic unit deems such a waiver is appropriate. The student is, however, required to complete the graduation requirements in effect at the time of readmission.

Graduate students who have been absent for five calendar years or longer are subject to admission policies which apply to first time applicants:

1. All admission credentials must be evaluated against current admission criteria;

2. Any special permissions, waivers, substitutions or other dispensations previously granted by Winthrop are void; and
3. All credit hours previously earned at Winthrop, including credit by examination, are re-evaluated against current criteria.

**Senior Citizens**
Under the provisions of Section 59-111-320 of the South Carolina Code of Laws, state supported colleges and universities are authorized to permit legal residents of South Carolina who have attained the age of 60 to attend classes for credit or noncredit purposes on a space available basis without the required payment of tuition, if these persons meet admission and other standards deemed appropriate by the college or university. Exemption must be requested at time of registration. Senior citizens participating in this program will be permitted to register for classes when the semester begins, and can only enroll in classes where there are open seats available.

A senior citizen is responsible for paying any lab fees, book purchases and/or other course fees.

**Testing Information**
For information regarding the following tests, visit their respective websites:
Graduate Record Examination (GRE): [www.takethegre.com](http://www.takethegre.com)
Graduate Management Test (GMAT): [www.mba.com](http://www.mba.com)
International English Language Testing System (IELTS): [www.ielts.org](http://www.ielts.org)
Miller Analogies Test (MAT): [www.milleranalogies.com](http://www.milleranalogies.com)
Test of English as a Foreign Language (TOEFL): [www.ets.org/toefl](http://www.ets.org/toefl)
FEES

The 2016-2017 fees listed below are subject to change by action of the Winthrop Board of Trustees. For more information regarding fees go to the Cashiers Office website at: www.winthrop.edu/cashiers.

All tuition guarantee bonds are held in the Risk Management Office at Winthrop University and are accessible upon request.

Tuition Policy for Out-of-State Graduate Students

Graduate students qualifying for any of the following exceptions shall pay the same fees as in-state graduate students:

1. Graduate assistants/associates;
2. Graduate students holding fellowships;
3. Graduate students with academic scholarships in an amount sufficient to receive a waiver.
4. Graduate students participating in the Academic Common Market; or
5. Graduate students from the member counties in the Charlotte Regional Partnership*, an economic development organization.

*Effective July 1, 1999, Winthrop University was authorized by state law to offer graduate-level in-state tuition to residents of the member counties of the Charlotte Regional Partnership, up to existing academic capacity. The South Carolina counties of York, Chester, Lancaster, and Chesterfield are joined in this partnership by the North Carolina counties of Mecklenburg, Gaston, Alexander, Anson, Cabarrus, Catawba, Cleveland, Iredell, Lincoln, Rowan, Stanly, and Union. Potential enrollees who are residents of any of these counties should request further details about this policy from the Graduate School at Winthrop University 800/411-7041 or 803/323-2204.

Miscellaneous Fees and Expenses

Application Fee. A non-refundable application fee of $50 must accompany each new application to the University. The application fee must be paid in United States currency. The application for admission and the application fee will be valid for one calendar year from the applicant’s original entry date. Should the student not matriculate during that year, a new application and new application fee will be required.

Application for Readmission Fee. A non-refundable fee of $50 must accompany each application for readmission.

Change of Program Application Fee. A non-refundable fee of $25 must accompany each change of program application. This applies to students currently enrolled and in good
academic standing who want to be considered for admission to a different graduate program. This does not refer to changes of concentrations within one degree program.

**Continuous Enrollment Fees.** Upon admission to a graduate program, students are required to maintain continuous enrollment at Winthrop University until the conclusion of his or her academic program. Continuous enrollment is maintained by registering for regular coursework or a zero credit-hour GSTC course (see “Continuous Enrollment” under Academic Regulations). Fees for GSTC courses are as follows: GSTC 600 ($25); GSTC 601 ($100); GSTC 602 ($200); GSTC 603 ($300).

**Graduation Fee.** A $50 graduation fee will be charged to a student’s account when he or she applies for graduation. Additional late fees will be charged for graduation applications submitted after the deadlines.

**Commencement Costs.** All students participating in the commencement exercises must wear appropriate academic regalia, which is available through the Winthrop University bookstore. The charge for a cap, gown and hood and for other commencement expenses is approximately $100 for advanced degree candidates.

**Laboratory Fees.** A laboratory fee is charged for courses in which specialized equipment and consumable supplies are used.

**Parking Permit Fee.** Motor vehicles parked on Winthrop University property must display a valid parking permit. Students can apply for a parking permit by registering online using a student Wingspan account or by registering at Campus Police, Good Building, 526 Myrtle Drive. When a vehicle is registered with Campus Police, the cost of the parking permit is automatically charged to your faculty, staff, or student university account.

**Textbooks and Materials Cost.** The cost of textbooks and materials is not included in the regularly assessed fees and varies with the requirements of specific courses. Textbooks and materials are available on a cash basis from Winthrop University's bookstore.

**Thesis Binding Fee.** A binding fee of $32 per thesis copy must be paid at the time the thesis is submitted to the Graduate School.

**Fee Payment Schedule**
Fee payments are due in the Cashier’s Office, 22 Tillman Hall, on or before the dates and times specified in Wingspan and on the Winthrop University Cashier’s website at http://www.winthrop.edu/cashiers/default.aspx?id=4383. All checks and money orders should be made payable to Winthrop University and may be mailed to the Cashier’s Office, 22 Tillman Hall, Winthrop University, Rock Hill, South Carolina 29733. Please include legal name of student and identification number on all correspondence.

The following other payment options are available electronically at https://wingspan.winthrop.edu or http://winthrop.edu/cashiers/:

- Electronic check with no transaction fee
• Credit card payments with a 2.75 percent transaction fee.

Winthrop University reserves the right to cancel student registrations for all courses unless the student has made satisfactory payment arrangements by the fee payment deadline. Cancellation occurs to allow University advisors and other students to know which classes are available to new or transferring students. Students who have satisfactory payment arrangements will not be dropped.

Students whose accepted financial aid is equal to or greater than their fees by the fee payment deadline will have their classes protected automatically as a courtesy to allow time for financial aid funds to be disbursed to the student’s account. However, protecting a student’s schedule is not a guarantee of funds and does not relieve students of the obligation to pay. Students must complete all required steps for completion and disbursement of their financial aid. If a student does not complete the financial aid process, or is found to be ineligible for financial aid, or incurs charges after the deadline that are in excess of his/her financial aid, he/she will be responsible for paying the full account balance by the next published payment due date.

**Payment Plan**

Winthrop University is pleased to offer students a payment plan to budget the cost of the current semester's academic fees, room and board. The Winthrop Payment Plan (WPP) is offered exclusively by the University and replaces all other deferred plans. The WPP is offered as a service, allowing the students to budget their educational and related costs over the period of a semester. The plan is optional -- students may still elect to make full payments by the stated deadlines. The University will accept any advance payments the student may wish to prepay as a credit to the bill, reducing the amount to be paid using the four-payment plan.

**Eligibility.** All students in good financial standing with the University are eligible to enroll. Students who have not paid their bills on a timely basis may lose the right to participate.

**Included Costs.** All current academic fees, lab fees, room and board costs, cafe cash, and other required fees may be included in the WPP. Please note: any fees or charges for the semester that were added after the payment plan was established will be recalculated into the remaining payments of the payment plan.

**Billing.** The WPP requires an initial payment by the stated deadline for fee payment. The remaining balance is payable to the University in regular installments (approximately every 30 days). Students will receive an email reminder approximately 2 weeks before each due date, in addition to an automated payment reminder from the WPP. The WPP is interest free; however, the University assesses an administrative fee of $30 each for the fall and spring semesters to offset the additional cost of record keeping and billing and late fees of $25 will be assessed on delinquent monthly payments.
Financial Aid. Financial aid received and awarded (excluding Federal Work Study) through Winthrop may be used toward computing the amount budgeted through the plan. This aid should be shown on the initial semester billing. Aid other than that shown on the billing cannot be deducted without first receiving a DISCLOSURE STATEMENT FROM YOUR LENDER or a copy of the award letter if there is an outside scholarship award. You must send a copy of the disclosure statement or award letter to the Cashiers Office.

Notes: The University will assess a delinquent charge of $25 for each month the amount due is not received as scheduled. Furthermore, the University reserves the right to assign your delinquent account to a collection agency and you will be responsible for all associated collection costs. Checks returned by the bank will be subject to a returned check fee of $30 in addition to the delinquent charge.

Enrolling. You must enroll in the WPP online via the “Account Summary and Payments” link in Wingspan. Please direct WPP questions to the Cashier’s Office in 22 Tillman Hall, cashiersoffice@winthrop.edu or telephone 803/323-2167.

Past Due Indebtedness
Students are expected to keep their University accounts current. Students with past due accounts are not allowed to obtain transcripts, grade reports or diplomas, or to enroll for additional coursework. The University reserves the right to cancel enrollment of a student with a past due account. The enrollment cancellation does not relieve the student of the incurred debt.

Under the provisions of Sections 12-54-50 and 12-53-20 of the South Carolina Code of Laws, the South Carolina Department of Revenue is authorized to garnish wages from debtors and/or seize tax refunds otherwise due to taxpayers who have delinquent debts with Winthrop.

If an account becomes delinquent, the University reserves the right to assign the account to a collection agency, and the student will be responsible for all associated collection costs.

Returned Check Policy
A personal check given in payment of University expenses that is subsequently returned by the bank unpaid immediately creates indebtedness to the University.

Once the Cashier’s Office has been notified by the bank of a returned check, an email is sent to the issuer of the check. The issuer of the check will have three (3) days from the date of this letter to redeem the check by paying the full amount of the check, plus a returned check penalty equal to the maximum amount permitted by law (SC Code of Laws, section 34-11-70). Payment of a dishonored check must be made by cash, cashier’s check, money order, or credit card.

If a returned check remains unpaid, collections efforts will be followed as allowed by the Code of Laws of South Carolina Section 34-11-70.
A student with a total of three returned checks will be placed on the “Cash Only” basis for the remainder of his/her enrollment.

**Fee Adjustments for Withdrawals**

Students admitted and registered for courses at Winthrop University are financially responsible for fees and charges associated with those courses. When a student withdraws from one or more courses, a refund may be due or a repayment owed in accordance with institutional guidelines. Students receiving Title IV Federal Funds, which have been applied against their charges, may also be subject to the Federal Refund/ Repayment Guidelines: Section 668.123.

**Academic Fee Adjustments.** For all students, except those receiving Title IV Federal Funds, academic fees will be prorated on the basis of the following schedule:

<table>
<thead>
<tr>
<th>Official Withdrawal Date*</th>
<th>Percentage of Academic Fee Adjustment</th>
</tr>
</thead>
<tbody>
<tr>
<td>Before end of 1st week of classes</td>
<td>100 %</td>
</tr>
<tr>
<td>Before end of 2nd week of classes</td>
<td>75 %</td>
</tr>
<tr>
<td>Before end of 3rd week of classes</td>
<td>50 %</td>
</tr>
<tr>
<td>Before end of 4th week of classes</td>
<td>25 %</td>
</tr>
</tbody>
</table>

*The week for academic fee adjustments begins with the 1st day of classes scheduled for the term.

**Housing and Meal Adjustments.** Housing and Meal Adjustments are determined in the Residence Life Office. For more information, contact the Residence Life Office at 803/323-2223.

**FINANCIAL ASSISTANCE**

At Winthrop University, we believe higher education should not be a privilege reserved only for those who can afford it. The Office of Financial Aid is committed to helping Winthrop students find appropriate ways to finance their education.

Fully-admitted and provisionally-admitted degree-seeking applicants may be considered for a graduate assistantship, graduate associateship, Winthrop Graduate Scholarship as well as a number of other scholarships. Fully-admitted and provisionally-admitted degree-seeking students may also apply for the Children of Faculty and Staff Scholarship if their parent works for Winthrop University. Non-degree students are ineligible to receive financial awards.

Applicants for graduate assistantships and associateships should demonstrate skills and/or experience in the area of expertise for which they will have responsibility. Applicants for
Winthrop Graduate Scholarships should demonstrate ability or promise of academic excellence. Need of financial assistance may be considered for Winthrop Graduate Scholarships and the Yu and Pai-Chih Beh Scholarship. Graduate Assistantships and Winthrop Graduate Scholarships are awarded by the specific graduate program and academic college.

There are separate financial award applications for graduate assistantships and scholarships, and students must fill out the appropriate form for each award. Applications may be found online at the Graduate School website. The graduate director for each college will coordinate the review process for financial awards and submit nominations to the Graduate Scholarship Committee for final review and endorsement. The committee will submit the name of the award recipients to the Graduate School Office. Award notifications will be issued by the Graduate School in conjunction with the Office of Financial Aid.

The Graduate Directors will forward the Application of Graduate Assistantships and Winthrop Graduate Scholarships to the appropriate department for consideration. Nominations for those awards will be submitted by the academic departments to the Graduate School Office.

**Graduate Assistantships**

Graduate assistantships provide a form of financial assistance available to qualified graduate students. Students who are awarded graduate assistantships are required to work on campus, and in return receive a stipend and tuition grant. The exact dollar amount of the stipend and tuition grant may vary and will depend on a number of factors. Graduate assistants are paid in equal installments via payroll and a tuition grant awarded by the Office of Financial aid to be credited toward tuition charges. The amount of the stipend and tuition grant will be indicated on the “Graduate Assistant Wage Agreement.”

Graduate assistantships are available in many of the academic departments and colleges offering graduate work. Application forms may be obtained from the Graduate School website. The completed applications are submitted directly to the Graduate Director in the student’s college and to any other department in which the applicant wishes to apply.

A limited number of non-academic graduate assistantships may be available in several areas. Students interested in working in these areas should contact the Graduate School or visit the Assistantship web site at: www.winthrop.edu/graduateschool/assistantships.

**Graduate Associateships**

Departments and divisions across campus may also offer many graduate associateships to graduate degree-seeking students who demonstrate abilities appropriate to the work positions. The exact amount of the stipend and tuition waiver will vary and depends on a number of factors.

A graduate associate is an FLSA non-exempt employee who will receive an hourly wage. He or she may also receive a tuition grant awarded by the Office of Financial Aid to be credited toward tuition charges. Graduate associates must submit a timesheet via their Wingspan accounts for the hours worked. The hourly wage and tuition grant will be indicated on the “Graduate Associate Wage Agreement.”
Graduate associateships are available across campus, including the Division of Student Life, which may offer positions in Residence Life, Career and Civic Engagement, Student Affairs, and Counseling and Health Services. There are some limited variations in Residence Life with the graduate associate holding the title of Residence Director. For positions in Student Life, review the position descriptions and contact information at www.winthrop.edu/student-life/default.aspx?id=5989.

Terms and Responsibilities for Graduate Assistants and Associates
Graduate assistantships and associateships are awarded to students who are admitted to graduate degree programs and are registered for a minimum of 9 credit hours. To retain a graduate assistantship and associateship, the student must maintain academic eligibility and may not be on academic probation. Non-degree students may not hold graduate assistantships or associateships. Graduate assistantships and associateships generally require 20 hours of service per week.

Graduate assistants and associates should not begin working until the “Graduate Assistant Wage Agreement” or “Graduate Associate Wage Agreement” has been approved by the Office of Human Resources. Additional tuition charges beyond the 9 credit-hour load, lab fees and other charges must be paid by the student.

Graduate assistants and associates seeking to take more than 12 hours must have the permission of the academic dean. The only exception to the minimum course load (9 credit hours) is when the student needs a smaller number of hours to complete the degree program. The recipient must be registered for a full time course load prior to signing the “Graduate Assistant Employment and Wage Agreement.” Students may hold only one full assistantship or associateship.

Students enrolled for student teaching are ineligible to serve as a graduate assistant or associate that semester.

Tuition and Fees for Graduate Assistants and Graduate Associates
Students are responsible for tuition and fee payments. As an added benefit, the fee deadline for graduate assistants and associates is modified. The fee payment deadlines for assistants and associates are as follows: Fall semester payment deadline, October 1; Spring semester payment deadline, February 1.

Tuition and fees may be paid by:
1. Cash, check, or credit card payment – contact the Cashier’s Office at cashiersoffice@winthrop.edu or 803/323-2167;
2. Pre-arranged “3-Payment Plan” unique for graduate assistants and associates – contact the Student Financial Services Office at sfs@winthrop.edu or 803/323-2165 before the semester fee deadline;
3. Financial aid awards (e.g. student loans), which the student must arrange with the Office of Financial Aid before the start of the academic term – contact the Financial Aid Office at finaid@winthrop.edu or 803/323-2189.
Financial Assistance through Federal Student Loans

Students who wish to apply for federal student loans should complete the Free Application for Federal Student Aid (FAFSA) and list Winthrop University (code number 003456) as a recipient. FAFSA’s should be completed online at www.fafsa.ed.gov. Students who wish to receive aid for fall semester should submit the FAFSA by May 1. (September 1 for spring semester applicants and March 1 for summer session applicants.) All awards of need-based financial aid through federal student loans are made annually, and students must reapply each academic year in order to be considered for assistance. The Office of Financial Aid is located in Sykes House, 638 Oakland Avenue, 803/323-2189. Students interested in applying for a South Carolina Teacher's Loan should contact the Office of Financial Aid directly. Note: Students who are admitted as non-degree students are ineligible to receive financial aid.

Other Sources of Financial Assistance

Veteran Benefits. Winthrop is approved by the State Approving Section, South Carolina State Department of Education, for training of eligible veterans, disabled veterans, and children of deceased or disabled veterans. Contact the Veterans Administration Regional Office, 1801 Assembly Street, Columbia, SC 29201 for information and necessary forms. The veteran or other eligible person should contact Winthrop's Veteran Benefits Office, at least 45 days before the beginning of the semester in which the student plans to enter the University.

Children of disabled or deceased veterans may receive additional assistance in payment of tuition and fees. For information regarding eligibility and applications, contact the State Approving Section, South Carolina State Department of Education, Rutledge Office Building, Columbia, South Carolina 29201. To receive veteran's benefits, veterans and other eligible persons must read and sign a "Veterans Compliance Agreement" (available from Winthrop's Veteran Benefits Coordinator), indicating understanding of the agreement and willingness to comply with the procedures and regulations. These regulations require the Veteran Benefits Coordinator to be informed immediately of the number of semester hours in which the student is enrolled each term, changes in enrollment and changes in the chosen degree program. For more information contact Winthrop's Veteran Benefits Office, 126 Tillman Hall, 803/323-3691, va@winthrop.edu or visit the Winthrop's Veteran Benefits Office website at http://www2.winthrop.edu/va/.
Academic Regulatory

Academic Eligibility

Probation
Once a student has been fully admitted with graduate degree status (G) or with graduate non-degree status (GN), he or she is expected to maintain an acceptable cumulative grade-point average. A student whose cumulative grade-point average falls below 2.85 during the first 18 hours of coursework is placed on academic probation. A student who has earned more than 18 hours and who fails to maintain a grade-point average of 3.0 is placed on probation.

A student may take up to nine graduate hours while on academic probation. If the grade-point average does not rise to the minimum acceptable standard based on the number of hours earned within the first nine hours of being placed on probation, the student is dismissed from graduate study. A course in which the student chooses to withdraw before the withdrawal deadline will not be included in this nine-hour limit. A student on probation who chooses to withdraw from a course may not be eligible for financial aid the following semester because a student seeking financial aid must be enrolled in at least six semester hours. Students on probation in cohort programs requiring more than nine hours a semester must raise their grade-point average to the minimum acceptable standard by the end of that semester. If a student repeats one or two courses while on academic probation, the new grade replaces the original grade in the calculation of the grade-point average.

Grade-point averages calculated for removal of probationary status are based on all graduate courses taken at Winthrop University, not on selected courses. All course work used to restore the grade-point average to the minimum acceptable standard based on the number of hours earned must be completed at Winthrop. Credit earned at any other institution while the student is on academic probation or is ineligible to enroll at Winthrop cannot be applied to any degree at Winthrop University.

Dismissal
Students who have been dismissed because of academic ineligibility may reapply for graduate admission (see “Application for Readmission Fee”). The following policies apply to graduate non-degree and graduate degree students applying to the same or a new graduate program after academic dismissal. Students wishing to be readmitted following a dismissal must wait at least one year before applying. (One year is defined as two semesters or one semester and one summer session.) During this period, they are ineligible for admission to any program at Winthrop University.

When students reapply following dismissal, they are responsible for assembling all credentials required for readmission by the appropriate academic unit. Students’ credentials are evaluated and the admission decision is made by the academic unit. These credentials must include a transcript of all work at Winthrop University prior to the dismissal.

Students who are readmitted after dismissal are readmitted on academic probation. Students who are readmitted to the same program area after dismissal must repeat enough courses in which they previously received grades below B in order to raise their cumulative grade-point
average to the minimum acceptable standard. A student may repeat these courses regardless of prior repetition attempts. However, a cumulative grade-point average below 3.0 after readmission will result in immediate dismissal. In addition, the graduate program to which a student is seeking readmission after academic dismissal may have additional course requirements.

Students changing degree programs or areas of concentration may petition for academic forgiveness if the courses in which they made a grade below a B are not required in the new program or area of concentration. Additional consideration may be made for academic forgiveness in the event of verifiable and documented extenuating circumstances. However, a cumulative grade-point average below 3.0 after readmission will result in immediate dismissal. In addition, the graduate program to which a student is seeking readmission after academic dismissal may have additional course requirements.

**Petitions**

Any graduate student may appeal for variations in university-wide graduate policies and regulations by submitting a petition, written by the student, to the Graduate Petitions Committee through the Office of Records and Registration. Instructions for a petition and the petition form can be found on the Graduate School website. Petitions must be typed and signed by the student. Signatures from the student’s advisor, department chair, and dean or graduate director are also required. Petitioners are encouraged to attach a letter of recommendation from their advisor; however, letters of recommendation are optional. The Office of Records and Registration will forward the petition and all accompanying documentation to the Graduate Petitions Committee. The student and advisor will be notified of the decision once it is made.

Appeals of the decision of the Graduate Petitions Committee may be made to the Dean of the Graduate School.

**Fluency in English**

A grievance policy exists in cases where a student claims that a faculty member’s fluency in English is not adequate to conduct a course. Students may consult department or deans’ offices or the Office of Academic Affairs to obtain the full text of the policy and grievance procedures.

**Advisement**

Academic advisement at Winthrop is viewed by both faculty and students as an integral part of the learning process. The primary role of the academic advisor is to assist the student in planning a course of study which leads to the desired degree.

A graduate student who has been newly admitted to a degree program in a particular discipline is assigned an advisor in the college offering that degree. Generally, the advisor assignment is not changed unless the student changes degree programs. Prior to registration for each term, the student is required to contact the academic advisor to obtain assistance in planning the particular courses to be taken.
Classification of Students

Graduate Degree Student. This classification status, also referred to as “graduate” (G), is awarded to students fully-admitted or provisionally-admitted for graduate study leading toward a graduate credential – a graduate certificate or advanced degree.

For a master’s degree or graduate certificate program, the student’s undergraduate record must demonstrate adequate preparation in the chosen program at regionally accredited institutions and scholarship potential as measured by undergraduate grades, scores on standardized tests, and other relevant criteria.

For a specialist’s degree, the student’s graduate and undergraduate record must demonstrate adequate preparation in the chosen program at regionally accredited institutions, and the overall master’s grade-point average must be at least 3.0 on a 4.0 scale.

Standardized test scores (GMAT, GRE, MAT, PRAXIS, etc., as appropriate to the discipline) are required for admission to most graduate programs.

Consult the program listing in the “Degree Requirements” section for additional admission requirements for specific programs. Further information is available from the graduate directors in the individual colleges.

Graduate Non-Degree Student. This classification status is assigned to students who are not in a degree program at Winthrop University but wish to fulfill professional obligations or to pursue personal goals. Students admitted to graduate non-degree (GN) status might be transients, those who seek to satisfy certification requirements, or individuals who have extensive entrance requirement deficiencies for the degree program for which they have applied. Students admitted to graduate non-degree status must meet the general requirements for admission to graduate studies at Winthrop University, which include having received a baccalaureate degree from a regionally accredited institution. Degrees or coursework completed at an institution that does not hold accreditation from the commission on colleges of a regional accreditation agency will be evaluated on an individual basis.

Courses taken while a student is classified as graduate non-degree may not be applied toward a degree program in the College of Business Administration. The College of Business Administration restricts this category to transient students enrolled in other graduate programs, to students holding graduate business degrees and to students taking courses to satisfy professional obligations such as teacher certification requirements.

Admission as a graduate non-degree student in no way guarantees subsequent admission into a graduate degree program. Students classified as GN who later elect to pursue a degree program must have their credentials evaluated for admission to the program they wish to pursue.

GN students who are seeking admission to a graduate degree program may take no more than 12 semester hours of graduate credit at Winthrop prior to being fully admitted to a graduate degree program. Should the student subsequently be admitted to a degree program, a
maximum of 12 semester hours of graduate non-degree credit may be applied toward the
degree. Students enrolled in graduate non-degree status are subject to the same academic
eligibility requirements as graduate-degree seeking students.

NOTE: Students admitted as graduate non-degree may not be eligible for financial
aid.

Accelerated Academic Programs

Winthrop offers a select number of “accelerated” programs that allow students to earn both an
undergraduate and graduate degree in an accelerated time frame. A student in an
“accelerated” program may be able to complete both degrees within five years.

Combined and “4 + 1” Programs of Study

Combined and “4 + 1” programs are specialized and coordinated accelerated programs of
study allowing students to complete their undergraduate and graduate degrees in 5 years for
a specific program of study. Consult undergraduate and graduate catalogs for a list of
approved combined and 4+1 programs.

An undergraduate student pursuing a combined or 4+1 program may take graduate
coursework (500-level only) for the program while still an undergraduate student.
Undergraduate students intending to pursue a combined or “4+1” program must submit an
Intent to Pursue Combined or 4 + 1 Degree Program form to signal intent and must complete
program specific review processes no later than the fall of their senior year. Such processes
are program specific, and students should contact the graduate director or program director as
early as possible during their undergraduate curriculum to ensure they have adequate time to
meet all review expectations and are eligible to enroll in graduate work as required by the
program of study.

Full Admission to Graduate School

In order to be fully admitted to the Graduate School, students must meet all graduate program
admission requirements as described in the graduate catalog. Students pursuing a combined
or “4 + 1” program will not be fully admitted to the graduate school until all undergraduate
degree requirements are met for his or her respective undergraduate degree. Completion of
the Intent to Pursue Combined or 4 + 1 Degree Program form and undergraduate review
processes is not a guarantee of admission to the Graduate School.

Maximum of 9 Credit Hours May Be Used for both Undergraduate and Graduate
Degrees

Students enrolled in an identified combined or “4 + 1” program are permitted to use up to 9
credits of 500-level coursework to fulfill both undergraduate and graduate degree
requirements. Eligible coursework is determined by the program and indicated in the program
of study. For courses to be applied to both programs, students must:

1. have successfully completed 75 credit hours before taking each graduate course;
2. have successfully completed the program specific review process for undergraduates;
3. complete graduate-level coursework in each 500-level courses; and
4. earn a grade of B or better. Courses in which the student earns a B- or lower will not be counted towards the student’s graduate degree requirements.

Awarding of Degrees in Combined and 4 + 1 Programs
Students pursuing combined or 4+1 programs will receive their undergraduate degree within one semester after completing all undergraduate requirements and at least one semester before the graduate degree is awarded. The time allowable between undergraduate and graduate degrees may vary by program. Students should consult the graduate catalog and contact the graduate school for specific admission requirements.

Continuous Enrollment
Once admitted to a graduate program at Winthrop University, a student is expected to maintain continuous enrollment until the conclusion of his or her academic program. All work toward the degree must be completed within the 6-year period immediately prior to the conferring of the degree. Continuous enrollment is maintained by registering for regular coursework or one of the following depending on the student’s circumstances. Continuous enrollment does not refer to summer term, unless explicitly required by the specific graduate program.

Prior to completion of all coursework - GSTC 600
If a graduate student “stops out” and chooses not to take courses during a given semester, the student may enroll in GSTC 600 so as to continue having access to his or her Winthrop email account, the Dacus Library, the West Center, and other campus resources. This will also allow the program and university to notify the student of important changes or events related to their graduate degree. The student who enrolls in GSTC 600 may register for normal coursework the subsequent semester with no further admission requirements. Students may enroll in GSTC 600 up to a maximum of two consecutive semesters. Enrolling in GSTC 600 may occur only with the approval of the student’s graduate program director and Dean of the Graduate School. The fee for enrolling in GSTC 600 is $25.

If a student “stops out” and does not enroll in GSTC 600, and later wishes to enroll, he or she is required to complete an “Application for Readmission” form and submit the required readmission fee for their application materials and coursework to be reevaluated by the graduate program for admission. The student is not automatically guaranteed readmission into the program.

After completion of all coursework - GSTC 601, 602, or 603
Students completing a thesis or final research project as part of their graduate program of study, and who have already completed their course work requirements, are to enroll in GSTC 601 (GSTC 602 and GSTC 603 in subsequent semesters). This course registration allows the student maintain continuous enrollment and to continue to work with his or her thesis committee or research faculty without enrolling in a full credit hour course. Enrolling in GSTC 601, GSTC 602, or GSTC 603 may occur only with the approval of the student’s graduate program director and Dean of the Graduate School. The fee for GSTC 601 is $100; GSTC 602,
$200, and GSTC 603, $300. Additional material fees may be charged by specific graduate programs.

**Graduate Credit for Winthrop University Seniors**

Winthrop seniors with an overall grade-point average at Winthrop of 3.0 or better may be permitted to take courses numbered 500-599 for graduate credit during their final semester of undergraduate work, provided the total course load (undergraduate and graduate) for that semester does not exceed 16 semester hours. The student may receive graduate credit for these courses only if the requirements for the baccalaureate degree are satisfactorily completed by the end of that same semester.

Senior business students in their final term may take one 600-level business class if the student meets the following conditions:

1. Admitted to the Winthrop MBA program;
2. Limited to one 600-level accounting course;
3. A 3.0 undergraduate grade-point average; and
4. Limited to maximum load of 16 semester hours.

Undergraduate students who wish to take courses for graduate credit must receive specific approval from the academic dean of the college in which they are majoring. Approval applications are available in the Records and Registration office, 126 Tillman.

**Educational Records**

**Privacy of Education Records**

Winthrop University policy regarding access to student records (such as grades, grade-point averages, and class rank) is governed by the Family Educational Rights and Privacy Act of 1974 as amended, commonly known as FERPA or “The Buckley Amendment.” Under this law, students have the right to inspect and challenge the accuracy of information contained in their Winthrop educational record.

Also, these regulations restrict Winthrop to the release of certain records only to the student (current or former) and to certain other authorized school and government personnel, except with the student’s prior written consent to release the records to another specified person. Without this consent, Winthrop cannot release a student’s records even to parents, spouses, or family members except in one instance. Parents or guardians of a student may be given access to certain of the student’s records, if the parents or guardians sign a statement in the Office of Records and Registration and provide proof that they have claimed the student as a dependent on their last federal income tax return.

The Family Education Rights and Privacy Act does allow the University to release the following information (not considered private records) unless the student requests this information to be withheld: student’s name, address, telephone number, email address, date of birth, enrollment status (full- or part-time), dates of attendance, date of graduation, major and minor fields of study, degrees and awards received, date of admission, whether or not currently enrolled,
classification, most recent previous educational institution attended, eligibility for honor societies, participation in officially recognized activities and sports, weight, and height of members of athletic teams, and other similar information. Photographic, video, or electronic images of students taken and maintained by the University also are considered directory information. Any student not wanting this information released must make a written request to the Registrar.

In accordance with South Carolina law, the University does not sell or give away lists which are in unpublished or computerized form to any outside agency, individual, or business for commercial solicitation purposes. Questions concerning Winthrop’s policy for release of academic information should be directed to the Office of Records and Registration, 126 Tillman Hall.

**Transcripts**

A permanent record of each student’s courses, credits and grades earned is maintained in the Records Office. Transcripts are provided upon written request from the student to the Office of Records and Registration, 126 Tillman Hall. Courses are posted to the transcript at the close of each semester or summer session. Transcripts are withheld from those students and former students who have unpaid accounts with the University.

**Grading System**

Grades for courses taken for graduate credit are recorded as follows:

- **A** Excellent (4 quality points per semester hour)
- **A-** (3.67 quality points per semester hour)
- **B+** (3.33 quality points per semester hour)
- **B** Satisfactory (3 quality points per semester hour)
- **B-** (2.67 quality points per semester hour)
- **C+** (2.33 quality points per semester hour)
- **C** Passing (2 quality points per semester hour)
- **F** Failure
- **N** No Grade, indicating the student withdrew from the course
- **AU** Audit
- **S** Satisfactory: S indicates satisfactory achievement (equivalent to B or above) on a course taken on satisfactory/unsatisfactory basis.
- **U** Unsatisfactory: U indicates unsatisfactory achievement (equivalent to C or below) on a course taken on a satisfactory/unsatisfactory basis.
- **I** Incomplete: I must be used only as a prefix to a grade. Assigning an incomplete to a student in a course taken for graduate credit indicates that, for valid reason, the course has not been completed and that the instructor reserves the right to raise the grade if the incomplete work is finalized within one year or by an earlier date specified by the instructor. The grade to which I is prefixed is not used in computing the student’s grade-point average until the prefix is removed and indicates the grade earned if no further work is performed. It is the grade in the course unless and until changed by the instructor.

*S/U is awarded only in those courses so designated.*
Grade Appeals
Students and faculty members should try to resolve grade problems informally. If no satisfactory solution is reached, the student has 30 Winthrop business days from the issuance of a grade report in which to initiate a formal written grade appeal to the appropriate department chair. After that time, the grade report is final and becomes a part of the student's permanent academic record. If the student initiates a formal written grade appeal, the department chair will address the case in writing. The student may appeal the chair’s decision to the dean in writing. The dean will provide a decision in writing to the student within 30 Winthrop business days of receiving the appeal. For additional information please see the Winthrop University Policy Repository at www2.winthrop.edu/public/policy.

Grade Reports
At the end of each semester and summer session, students may access their final grades via Wingspan at https://wingspan.winthrop.edu. Copies of grades may be printed from Wingspan or be obtained from the Office of Records and Registration. All errors found on a grade report must be reported to the Office of Records and Registration. If no error is reported within 30 days of issuance, it is assumed the report is correct and each entry becomes a part of the student’s permanent record.

Graduate Audit Policy
Graduate students may audit a course, on a space available basis, with the permission of the instructor of the course and the graduate director of the academic unit in which the course is offered. The graduate director will consult with other faculty as necessary. An auditor is not required to participate in any examinations or graded course assignments. Participation in class activities and the class attendance policy is at the discretion of the instructor.

A student may not register for a course on an audit basis until the week classes begin. The last day of registration for the semester is the last day a student may elect to audit a course.

Quality Points and Grade-Point Average: To remain in good academic standing, a student must maintain a certain standard of excellence. This standard is fixed by the quality-point system. The grade received on a course determines the number of quality points earned per semester hour. Total quality points for a course are calculated by multiplying hours earned by the point value for the grade earned.

Semester Grade-Point Average: The semester grade-point average (GPA) is calculated by dividing quality points earned that semester by hours taken on a letter-grade basis during that semester.

Cumulative Grade-Point Average: The cumulative grade-point average (GPA) is calculated by dividing total quality points by GPA (quality hours). GPA hours are all hours of credit taken at Winthrop on a letter-grade basis. Credits earned by examinations, credits transferred from other institutions, and credits for courses taken on a satisfactory/unsatisfactory basis are not used in computing a student’s cumulative grade-point average. Courses failed at Winthrop University cannot be replaced by transfer coursework.
Earned Hours Taken: The sum of the total hours for which the student has been enrolled at Winthrop plus all hours accepted by Winthrop as transfer credit.

GPA (Quality) Hours Taken: All hours of credit taken at Winthrop on a regular letter grade basis. All courses are counted in the semester summary of the semester in which they are taken and in the cumulative summary.

Cumulative Hours Earned: All hours of credit completed at Winthrop University with grades of A(-), B(+/-), C(+/-), or S; all accepted transferred credits and all credits by examination. All courses are counted in the semester summary of the semester in which they are taken and in the cumulative summary.

Quality Points: Semester hours earned times the value of the grade: A=4, A-=3.67, B+=3.33, B=3, B-=2.67, C+=2.33, C=2, C-=1.67, F=0. All courses are counted in the semester summary of the semester in which they have been taken and in the cumulative summary.

Hazardous Weather Conditions

Students should register their cell or landline phone number for emergency notification at http://www2.winthrop.edu/emergency. Your registered number will be used by the University for critical notifications in the event of emergencies, critical weather, or unplanned university closings.

It is the practice of Winthrop University to carry out its primary responsibility of providing instruction for students during regularly scheduled hours, except in cases when extreme weather conditions make roads unsafe for travel. While Winthrop feels a responsibility to meet scheduled classes and maintain office support for those classes whenever possible, the University places the highest priority on the safety of its students, faculty and staff.

If scheduled classes and activities of the University have been changed due to unsafe road and traveling conditions, the University notifies the local media outlets in areas where Winthrop students and employees live. Students should check their university e-mail or the university website, www.winthrop.edu for the most up-to-date information related to class and office schedules. Should you not have access to e-mail, the Web, or other information, call the campus alert line, 803/323-2222.

Registration

Registration takes place on designated days prior to the beginning of each semester. In the summer session, registration for each of the summer terms occurs over an extended period and ends on the first day of classes for each individual term. Students are encouraged to register early each semester. Consultation with an advisor prior to registration is required for all degree-seeking students. In addition, the mandatory immunization requirements must be met prior to registration. Please refer to the Mandatory Immunization Requirements on the web for complete information.

Registration is incomplete until all fees have been paid. For specific registration information, consult the Office of Records and Registration website at: www.winthrop.edu/recandreg.
Class Attendance Policies
Although instructors keep accurate records of attendance for administrative purposes, students’ grades are based on their academic performance, not on attendance. Students should understand they are responsible for the academic consequences of absence.

Instructors of courses are obligated to provide make-up opportunities only for students who are absent with adequate cause. The instructor will be responsible for judging the adequacy of cause for absence.

Course Load
Regular Semester. A graduate student who is enrolled in 9 or more semester hours of graduate work in a regular semester is classified as full-time; a normal course load is 9-12 semester hours of graduate work. A graduate student may register for more than 12 semester hours of graduate course work in a regular semester only with the approval of the academic dean. An overload form may be obtained from the Office of Records and Registration or online at: http://www.winthrop.edu/recandreg. The recommended maximum course load for a student holding a full graduate assistantship is 9 semester hours of graduate work per semester.

Summer Session. A graduate student may enroll for one graduate-level course in Maymester (a short term held in May prior to the regular summer session.) In a 5-or 6-week term (or the two terms concurrently) a graduate student may enroll for 7 semester hours of graduate work. During the 10-week term, a graduate student may enroll for 12 semester hours. Exceptions to the above loads must be approved by the student’s dean. An overload form may be obtained from the Office of Records and Registration.

Changes in Enrollment
Changes in enrollment or class schedule must be made before the end of the designated registration change period. Such changes include dropping or adding courses, electing undergraduate credit for 500-level courses and, where permissible, changing number of credits to be earned in a course. Dropping and adding courses may be done online in Wingspan through the designated drop/add period. Other changes require approval of advisor or department chair.

Final Examinations
The times and places of final examinations are officially scheduled by the Master Schedule Coordinator. Legitimate exam conflicts are defined as follows: more than one scheduled exam per period; more than two examinations scheduled per day; or more than three examinations scheduled in any four consecutive periods. A student with a legitimate conflict should work directly with his/her instructor to resolve the conflict. It is the student’s responsibility to initiate the resolution of any conflicts. Personal conflicts such as travel plans and work schedules do not warrant a change in examination times.

The form of the final examination is determined by the instructor. The length, however, may not exceed two and one-half hours.
In 600-level courses, the class meets during the examination week. However, it is left to the discretion of the instructor as to whether the two and one-half examination period is spent in an examination or in other class activities considered to be more useful. In 500-level courses, graduate students, at the discretion of the instructor, follow the same procedures as undergraduate students with regard to final examinations.

**Repeating Courses**
A graduate student is allowed to repeat a maximum of two courses in which he or she has been assigned a grade below B. A given course may be repeated once. Whenever a course is repeated, no additional hours attempted accrue, and the new grade replaces the previous grade in computing the grade-point average. However, the record of the first attempt will remain a part of the student’s permanent record.

Certain courses at Winthrop University may be taken more than one time for additional academic credit, for example, special topic classes in which the course number remains the same but the course title differs. A list of these courses may be obtained from the appropriate graduate program director.

**Withdrawal from Courses**
Students are expected to follow the courses of study selected at the beginning of the semester or summer term. There may be instance, however, when the student wishes to withdraw from a course. The decision to withdraw from a course is the student’s alone, but consultation with the advisor or academic dean and with the instructor is encouraged.

Forms for withdrawing from courses after the end of the registration period are available in the Office of Records and Registration. If withdrawal is completed during the first 60% of the instructional days of a particular course, the grade of N is assigned, indicating that no credit is awarded. Withdrawal from a course may not occur after 60% of the instructional days of the course have been completed, unless documented extenuating circumstances should warrant withdrawal from the course with the assignment of an N grade. Documented extenuating circumstances include the following: death of an immediate family member, traumatic and unforeseen circumstances which are considered beyond a student’s control; prolonged emotional instability, physical injury or illness which has resulted in the student’s inability to complete academic responsibilities; or a change in nonacademic employment beyond the student’s control. Documentation of such circumstances must be definitive and must be presented along with a request for withdrawal with the assignment of an N grade to the Registrar or his or her designee no later than the last of classes for the course in question.

**Withdrawal from Winthrop University**
Students who find it necessary to discontinue their college work during a semester or summer session should officially withdraw from the University. Students who wish to initiate the withdrawal process should go to the Office of Records and Registration, 126 Tillman Hall or the appropriate graduate director.

A student who withdraws before the course withdrawal date of the semester receives grades of N for all courses. If the student stops attending after the withdrawal date of the semester, the student receives grades of F, U, or I as the individual instructors deem appropriate. A
Student may withdraw after the course withdrawal deadline with documented extenuating circumstances. Such circumstances include the following: death of an immediate family member; traumatic and unforeseen circumstances, which are considered beyond a student’s control; prolonged emotional instability, physical injury or illness which has resulted in the student’s inability to complete academic responsibilities; or a change in nonacademic employment beyond the student’s control. Documentation of such circumstances must be definitive and must be presented along with a request for withdrawal with the assignment of an N grade to the Registrar or his or her designee no later than the last day of classes for the semester in question. Failure to withdraw officially may seriously affect a student’s eligibility for future readmission or for transfer to another institution.

Student Conduct

General Student Responsibility
Each academic unit establishes requirements that must be met prior to a degree being granted. It is important that the student become familiar with these requirements and complete them within the prescribed deadlines. Advisors, department heads and deans are available to offer assistance, but the ultimate responsibility rests with the student.

Student Conduct Code
Academic institutions exist for the transmission of knowledge, the pursuit of truth, the development of students and the general well-being of society. Free inquiry and free expression are indispensable to the attainment of these goals. As members of the academic community, students should be encouraged to develop the capacity for critical judgment and to engage in a sustained and independent search for truth.

Freedom of the individual may be defined as the right to act or speak, as long as it does not adversely affect the rights of others. Believing in this concept, Winthrop University protects freedom of action and freedom of speech for both students and employees, so long as it is not of an inflammatory or demeaning nature and does not interfere with the students’ living and study conditions, and the administration of institutional affairs. It constitutes a disruptive act for any member of the Winthrop community to engage in any conduct which would substantially obstruct, interfere with or impair instruction, research, administration, authorized use of University facilities, the rights and privileges of other members of the University community, or disciplinary proceedings. Moreover, Winthrop University is committed to improving the quality of student life by promoting a diversified educational and cultural experience for all its students. Therefore, racist conduct or other acts of bigotry are not tolerated.

Rights and freedoms imply duties and responsibilities. A student who exercises his or her rights as a private citizen—whether individually or as a member of a group—must assume full responsibility for his or her actions. All students and employees of Winthrop must abide by local, state and federal laws and with all published University policies and regulations. Violations of laws and regulations subject the perpetrator to disciplinary action by the University and/or the appropriate civil or criminal court.

Responsibility for good conducts rests with students as adult individuals. Student organizations
have similar responsibility for maintaining good conduct among their members and guests and at activities they sponsor. All members of the University community are expected to use reasonable judgment in their daily campus life and to show due concern for the welfare and rights of others.

Students who violate University policies, rules and regulations are subject to expulsion or lesser sanctions. A complete outline of obligations and the disciplinary process is contained in the Student Conduct Code in the Student Handbook, found online at http://www.winthrop.edu/uploadedFiles/studentconduct/StudentHandbook.pdf.

**Academic Discipline**

Infractions of academic discipline are dealt with in accordance with the Student Academic Misconduct Policy which is contained in the Student Handbook. Academic misconduct includes but is not limited to providing or receiving assistance in manner not authorized by the professor in the creation of work to be submitted for academic evaluation including papers, projects and examinations; presenting, as one’s own, the ideas or words of another for academic evaluation without proper acknowledgement; doing unauthorized academic work for which another person is to receive credit or be evaluated; and presenting the same or substantially the same papers or projects in two or more courses without the explicit permission of the professors involved. In addition, academic misconduct involves attempting to influence one’s academic evaluation by means other than academic achievement or merit. More explicit definitions of academic misconduct specific to certain academic disciplines may be promulgated by academic departments and schools.

Winthrop holds its graduate students to the highest standard of academic and professional responsibilities. Because of these high standards, and due to specific accreditation requirements for many of our graduate programs, students found responsible for academic misconduct may be dismissed from the graduate program in which they are enrolled. Students dismissed from a graduate program because of academic misconduct may apply for admission to a different graduate program after a period of two years. All documentation related to the prior academic misconduct will become part of the subsequent application. More information regarding the judicial process related to academic misconduct at the graduate level is in the Student Handbook.

**Sexual Harassment**

It is the policy of Winthrop University that sexual harassment by its employees or students against other employees or students shall not be condoned. The University is committed to maintaining a workplace and a campus environment that are free of such harassment and will enforce Federal guidelines as they relate to sexual harassment.

Sexual harassment may include explicit sexual propositions, sexual innuendo, suggestive comments, sexually-oriented “kidding” or “teasing,” practical jokes,“ jokes about gender-specific traits, foul or obscene language or gestures, display of foul or obscene printed or visual material, and physical contact such as hugging, patting, pinching or brushing against another’s body.
With respect to employment, unwelcome sexual advances, requests for sexual favors and other offensive physical, verbal or visual conduct based on sex constitute sexual harassment when: (1) submission to such conduct is made either explicitly or implicitly a term or condition of an individual’s employment; (2) submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or (3) such conduct has the purpose or effect of unreasonably interfering with the individual’s work performance or creating an intimidating, hostile or offensive work environment.

A student who believes she or he has been subject to harassment by an employee should immediately contact either the Dean of Students in 246 DiGiorgio Center, extension #4503; or the Associate Vice President for Human Resources in 303 Tillman, extension #2273. Every effort will be made to maintain confidentiality about complaints and terms of resolution; however, confidentiality cannot be guaranteed.

If a student believes that he or she is being harassed by another student, please refer to the Section IV, Prohibited Conduct, items C. and D. of the Student Conduct Code in the Student Handbook.

Services for Students with Disabilities

The Office of Accessibility staff works to provide reasonable classroom, residence hall, and campus accommodations for students with documented disabilities. Accommodations are reasonable adjustments that help ensure students have equal access to their education. Students who need accommodations are responsible for providing appropriate, current documentation of their disability and for scheduling an intake appointment with our professional staff. For more information about services and accommodations, call 803/323-3290 or visit www.winthrop.edu/disabilities.

Student Identification Cards

Winthrop student identification cards are issued by the Technology Services Office in Tillman Room 15 upon a student’s admission. The first ID card is free; replacement ID cards are $10 each. All students are required to have an identification card. ID cards are non-transferable and must be presented to appropriate university officials upon request. ID cards are necessary to gain entry into the library. The Technology Services Office is open Monday - Thursday 8 a.m. until 6:30p.m., Fridays until 5p.m. During the summer schedule the office is open Monday – Thursday 8a.m. until 5:30p.m., Fridays until 5p.m. For more information concerning ID cards, visit http://www.winthrop.edu/technology/default.aspx?id=29655 or contact the Technology Services Office at 803/323-2400 or helpdesk@winthrop.edu.

Teacher Certification Requirements

Requirements for teacher certification set by the South Carolina State Department of Education or other agencies may or may not be the same as degree requirements shown in this catalog. Students desiring certification should consult with the appropriate agency early in their programs to determine any certification requirements. Questions concerning certification should be addressed to Student Academic Services, College of Education, 144 Withers/WTS.
DEGREE REQUIREMENTS

The master’s degree programs offered at Winthrop University require the successful completion of 30-60 semester hours of approved graduate level work. The specialist’s degree in school psychology requires the completion of 72 semester hours (36 hours above the master’s degree.)

All students must have an Application for Graduation and a Program of Study on file to be considered as a candidate for a degree.

Choice of Catalog and Time Limit

A degree-seeking graduate student may obtain a degree in accordance with the requirements set forth in the catalog in force at the time the student completes the first graduate level course at Winthrop which counts toward the degree. The student may elect to obtain a degree in accordance with the requirements of any catalog issued after the initial admission, provided the student completed a graduate level course in the current program at Winthrop at the time the catalog was issued and has not subsequently been absent from active enrollment in the program for a continuous period of 12 months or more.

When a student has been absent from active enrollment in his/her graduate program for a period of 12 months or more, he/she must fulfill the graduation requirements of the catalog in force at the time of the student’s next (or subsequent) completion of a graduate level course in the current program at Winthrop.

A student who changes graduate degree programs may choose a catalog no earlier than the one in effect at the time of official admission into the new program (if the student is enrolled at the time), or the catalog under which the student next enrolls. The catalog chosen must be one under which the student completes a graduate level course at Winthrop, which counts toward the degree.

In all cases, a student is restricted in choice to the requirements of one specific catalog and must graduate within a period of 6 years from the date the catalog was issued to claim the rights of that catalog. All work to be counted on the degree, including transfer work, must be completed within the 6-year period immediately prior to the conferring of the degree.

If any course required in the catalog specified is not offered after the student specifying the catalog has accumulated 18 semester hours, the University reserves the right to substitute another course. In all cases, if a course has been officially dropped from the course offerings, the University must provide a substitute course.

Comprehensive Examinations

Students pursuing a degree program requiring a comprehensive examination should contact their advisor to obtain specific exam information and to schedule the exam. Results of comprehensive examinations are due in Records and Registration no later than two weeks prior to the final examination period of the term the student has applied to graduate.
Courses Open to Graduate Students Only
At least one half of the total semester hours submitted for an advanced degree must be in courses open to graduate students only. Courses numbered 600-699 are advanced courses open only to graduate students for graduate credit.

Courses numbered 500-599 are advanced courses primarily for juniors, seniors and graduate students. Graduate students are automatically enrolled for graduate credit in courses numbered 500-599 unless undergraduate credit is requested at registration (or no later than the close of the registration change period). Juniors and seniors are automatically enrolled for undergraduate credit in courses numbered 500-599. Students enrolled in 500-level courses for graduate credit are expected to complete additional appropriate requirements.

Change of Degree Program
A graduate student may change from one degree program to another if he or she meets the criteria for admission to the new program and is accepted by the new department. The student must submit an online program change application and non-refundable $25 application fee. All application materials must be submitted to the Graduate School office. The Graduate School then forwards all credentials to the new department for an admission decision. The student is notified of the decision by the Graduate School.

Application for Graduation
All candidates for graduation must complete the application for graduation available at http://www.winthrop.edu/uploadedFiles/recandreg/gradapp_graduate.pdf.

Completed applications must be received in the Office of Records and Registration, 126 Tillman, by:

- February 1st for May and August graduation
- September 15th for December graduation

Graduation filing fees:

- Graduation fee $50
- $50 PLUS Late fee $10 after first established deadline. This late fee is due for Fall applications submitted after September 15 and for Spring applications submitted after February 1.
- $50 PLUS Late fee $20 after second established deadline during semester of anticipated graduation. This late fee is due for Fall applications submitted after October 15 and for Spring applications submitted after March 1.

Students are not required to enclose payment with the graduation application; the graduation fee will be charged to the student account.
Application for Graduate Certificate Completion

All candidates for certificate completion must complete the application available at www.winthrop.edu/uploadedFiles/recandreg/Grad-certif-of-completion-app.pdf.

Because graduate certificate recipients do not participate in graduate commencement exercises, students must submit the “Application for Graduate Certificate Completion” to the Office of Records and Registration, 126 Tillman, no later than the last day of classes during their final semester of coursework for the graduate certificate program.

Graduate Certificate Completion Fee is $25.

Students are not required to enclose payment with the graduate certificate completion application; the fee will be charged to the student account.

Awarding of Degrees and Commencement Exercises

Degrees are awarded three times a year, at the end of each semester and at the end of the summer session.

Commencement exercises are held twice a year, in December and in May. The program for the December commencement lists the names of all students who completed degrees during the preceding summer session, as well as those who completed degrees during the first regular semester. The program for the May commencement lists the names of those students who completed degrees during the second regular semester. Graduate certificate recipients do not participate in graduate commencement exercises.

Commencement Participation Policy

Only those graduate students who have completed all their degree requirements as outlined in the Graduate Catalog will be permitted to participate in commencement ceremonies. No exceptions will be made for any students who have not completed all their degree requirements. Graduate certificate recipients do not participate in graduate commencement exercises.

Grade-point average Required for Graduation

A final grade-point average of at least 3.0 in graduate work taken at Winthrop is required for all graduate degrees and certificates. The final grade-point average is based on hours and quality points earned for courses taken on a letter grade basis at Winthrop which are necessary for meeting the degree requirements.

Continuous Enrollment

All candidates for graduate degrees and certificates must be enrolled in course work during the semester in which they intend to graduate. Enrollment is maintained by registering for regular course work or one of the following depending on the student’s circumstances:

- Prior to completion of all coursework - GSTC 600
- After completion of all coursework - GSTC 601, 602, or 603
Students completing a thesis or final research project as part of their graduate program of study, and who have already completed their course work requirements, are to enroll in GSTC 601 (GSTC 602 and GSTC 603 in subsequent semesters). This course registration allows the student to maintain enrollment and continue to work with his or her thesis committee or research faculty without enrolling in a full credit hour course.

Although the GSTC courses do not carry any degree credit, registration in one of these courses ensures that the graduate student is actively enrolled in course work during the semester he/she intends to graduate.

**Individually-Directed Courses**

With approval from the instructor, the department chairperson and the dean of the college, a graduate student may take a course as an individually directed course (IDC). No more than 6 semester hours of IDC may be counted toward a graduate degree.

**Program of Study**

Upon being admitted to a degree program with graduate degree status (G), students are expected to confer with their assigned advisors to become acquainted with specific college or departmental regulations. Each student must meet with their advisor to plan a program of study leading toward the degree. The program of study should be submitted to Records and Registration by the time the student applies to graduate.

The individual program of study must fulfill all the requirements of the appropriate degree program as published in the catalog. The year of the catalog being followed must be indicated on the program of study form.

Program of study forms are available in the office of the advisor or the graduate program director. The completed form must be signed by the student, the advisor, the program coordinator (where applicable), the department chairman (where applicable) and the graduate director of the college. The graduate director submits the approved program of study to Records and Registration where it is verified for adherence to catalog requirements. The program of study is not considered to be official until the signature of an authorized person in Records and Registration is affixed.

The original copy of the program of study remains on file in Records and Registration, where it is used in determining completion of all degree requirements. Copies are distributed to the student, advisor and graduate director. It is the student’s responsibility to follow the approved program of study. Changes in the program must receive the same approvals as the original program.

**Second Master’s Degree**

A student who has completed one master’s degree at Winthrop University or another accredited university may, upon recommendation of the advisor, and approval of the program director, college graduate director and dean of the Graduate School present a maximum of nine semester hours or thirty percent of the degree program, whichever is greater toward a second master’s degree. Culminating experiences such as thesis, research, or capstone hours are not eligible.
Thesis

Each candidate for a master’s degree with a program requiring a thesis should normally enroll for thesis credit during the final two semesters of the degree program. The thesis must be prepared under the direction of a major advisor according to the Instructions for the Preparation of a Thesis, which may be obtained online at http://www.winthrop.edu/uploadedFiles/graduateschool/applicationforms/ThesisGuidelines.pdf. Credit is not granted until the thesis has been completed and approved by the candidate’s advisory committee, the dean of the college and the dean of the Graduate School. The time and place for defense of the thesis and the title of the thesis should be announced in advance with the defense open to the campus community.

One copy of the thesis in final form and approved by the student’s advisory committee must be submitted to the Graduate School at least two weeks prior to the final examination period. Before receiving final approval of the dean of the Graduate School, the student must review and sign the “Student Agreement for Public Access of Thesis,” which is available on the Graduate School webpage or in the Graduate School Office.

Transfer Credit Policy

Winthrop may credit toward a graduate degree 9 semester hours of graduate work from another accredited graduate institution upon recommendation of the appropriate advisor and academic dean. (An additional 3 semester hours may be transferred, at the discretion of the advisor and academic dean.) Students in the Master of Science in Human Nutrition program are limited to a maximum of six hours of transfer credit. Transfer of credit must be approved in writing by the student’s advisor and academic dean for inclusion in the student’s official program of study; and the course level is verified in Records and Registration. After a student has entered a graduate program at Winthrop, permission from the student’s advisor and academic dean is required prior to enrolling in the transfer course(s). Approval to Transfer Graduate Credit forms are available online at www.winthrop.edu/graduateschool/forms. Official copies of transcripts must be submitted and evaluated before any transfer credit may be officially accepted. Certain courses submitted for transfer may not be considered equivalent to specified requirements although course titles may be the same.

A graduate student may not transfer credit taken at another institution while he or she is on academic probation at Winthrop or is ineligible to return to Winthrop. Credit earned at another institution by a graduate student in good standing may be transferred if:

1. A grade of B or better has been earned in the course; or
2. A grade of S is earned; the granting institution is regionally accredited and would allow the course to be used in one of its graduate degrees.

Transfer credits are not used in computing the student’s cumulative grade-point average. However, they are included in the calculation to determine honors. Transfer credits do not appear on a Winthrop University transcript until the graduate student has achieved graduate degree status and the courses appear on an approved program of studies leading toward that degree.
Extension courses offered by accredited graduate institutions are subject to approval of the student’s advisor and academic dean. Correspondence courses are not accepted for graduate credit. Transfer credit is subject to all Catalog regulations pertaining to graduate degree courses, including the 6 year time limit.

It is the student’s responsibility to have an official transcript of the transfer credits forwarded to Records and Registration, 126 Tillman Hall, Winthrop University, Rock Hill, SC 29733, no later than four days prior to the expected graduation date. Transfer credits taken during the final semester of a program may delay graduation and certification approval until official transcripts have been received in Records and Registration. Transcripts of all work taken when a student is absent from Winthrop must be submitted when the student reapplyes to Winthrop.
ACADEMIC PROGRAMS

The College of Arts and Sciences

Dean: Dr. Karen Kedrowski
Director of Graduate Studies: Dr. Gregory Oakes 803/323-2160

Admission as a graduate degree student in the College of Arts and Sciences requires a student’s undergraduate record to show adequate preparation for graduate work in the chosen program and an overall undergraduate grade-point average of at least 3.0 on a 4.0 scale, unless otherwise noted. If the quality of a student’s undergraduate work is less than that required, admission may be granted on the basis of scores on either the General Test of the Graduate Record Examinations or the Common Examination or a Specialty Area Test of the PRAXIS Examination or Miller Analogies Test. Applicants should contact graduate program directors for information about additional or alternative admission requirements.

Liberal Arts
Master of Liberal Arts
Graduate Program Director: Dr. Siobhan Brownson, 803-323-4572, mla@winthrop.edu

The Master of Liberal Arts Program provides learners with the unique ability to pursue a highly customized interdisciplinary graduate degree program, developed according to their own interests, while building broad analytical and problem solving skills that reach across the boundaries of academic disciplines and beyond the structured format of traditional graduate degree programs. The program is designed for mature learners who seek intellectual stimulation within a broad framework of studies, mid-career adults who wish to expand and enhance their knowledge and skills, and recent university graduates who desire an innovative curriculum for building and deepening their reading, writing, and communicative abilities. The MLA degree is based on “The Search for Order,” a theme that explores rational, intuitive, and empirical ways of knowing and learning. This approach, central to graduate liberal education across the country, is evident through the program at Winthrop.

Admission Requirements. Admission to the program requires a baccalaureate degree, an essay, and an interview with the program director.

Potential applicants should first contact the program director at 803-323-4572 or mla@winthrop.edu to discuss their interest prior to the application process. Program admission requires a baccalaureate degree, an additional essay (see below), and an interview with the program director (in some circumstances an inquiry and interview may precede the actual application process). Although the entire application is reviewed when making admission decisions, a minimum GPA of 3.0 during the undergraduate career is preferred.
Applications should be submitted to the Graduate School office. Complete applications consist of the following:

- A completed application for graduate admission
- Official transcripts from all post-secondary institutions attended (transcripts must be sent directly to the Graduate School from issuing institutions)
- Essay describing why the applicant wishes to enter the program. Visit the MLA web page (www.winthrop.edu/mla) or call the MLA office at 803/323-4572 for details.
- While not required, reference letters from professional and/or academic sources are recommended.

These materials are reviewed by the MLA admissions committee which makes its recommendation to the MLA program director. When an applicant is approved by the committee, the director arranges for a personal interview with the candidate. A final decision regarding admission is reached after the interview. The Graduate Record Exam (GRE) is not required at the present time for admission. For more information and application materials, call the MLA office at 803/323-4572, mla@winthrop.edu, or write to 109 Bancroft Hall, Winthrop University, Rock Hill, SC 29733.

**Program Requirements.**

The Master of Liberal Arts degree requires completion of 33 semester hours of approved graduate level courses as indicated below, at least half of which must be 600-level courses. Twelve hours are in four courses designed for the program. Three of these courses are interdisciplinary colloquia developed on the “Search for Order” theme. The fourth required course, to be taken at the end of the program, is an individual project on a topic of interest to the student. The remaining seven courses (21 hours) are elective graduate courses in liberal arts and science disciplines selected by the student upon consultation with the director. Elective courses must be selected from at least two different course designators.

**Master of Liberal Arts with a concentration in Political and Civic Engagement**

**Admission Requirements.** Admission to the program requires a baccalaureate degree, an essay, and an interview with the program director. Although the entire application is reviewed when making admission decisions, a minimum GPA of 3.0 during the undergraduate career is preferred.
Applications should be submitted to the Graduate School (contact by phone 803-323-2204 or via email at gradschool@winthrop.edu). Completed applications will include:

- Application for Graduate Admission
- Official transcripts (sent directly to Winthrop University from the issuing institution from all post-secondary education institutions); and
- Essay describing why the applicant wishes to enter the program. Visit the MLA web page (www.winthrop.edu/mla) or call the MLA office at 803/323-4572 for details.
- While not required, reference letters from professional and/or academic sources are recommended.

After credentials are reviewed by the MLA admissions committee, the program director will contact the applicant to schedule an interview. Additional information about the program and the admission process can be obtained from Dr. Siobhan Brownson, Director of the MLA Program, 109 Bancroft Hall, Winthrop University, Rock Hill, SC 29733, 803/323-4572.

**Program Requirements.** The Master of Liberal Arts degree requires completion of 33 semester hours of approved graduate-level courses as indicated below, at least half of which must be 600-level courses. Twelve hours are in four courses designed for the program. Three of these courses are interdisciplinary colloquia developed on the theme, “The Search for Order.” These courses explore this search by examining how order is brought to our world through empirical, rational and intuitive means. The fourth required course, to be taken at the end of the program, is an individual project on a topic of interest to the student. The remaining seven courses (21 hours) are elective graduate courses in liberal arts and science disciplines selected by the student upon consultation with the director. Elective courses must be chosen from at least two different course designators.

The concentration in political and civic engagement consists of 12 hours of approved courses (see list that follows), of which at least 6 hours must be at the 600-level. In addition, the Capstone Colloquium (LART 604) must focus on a topic or theme directly related to the concentration and must be done with a faculty director with expertise in the chosen area.

<table>

<td><strong>Total Semester Hours</strong></td>
<td><strong>33</strong></td>
</tr>
</tbody>
</table>

Notes:
- 500-level course credit earned as an undergraduate at Winthrop University cannot be applied to this concentration and cannot be re-taken for graduate credit.
• Registration for GSTC 600, Continuing Graduate Studies, may be required if LART 604 is not completed within the semester for which it is registered. Check with the program director.

*Courses within the Concentration:

The following Political Science (PLSC) courses may be applied to the Concentration in Political and Civic Engagement: 506, 507, 512, 514, 515, 551, 553. In addition, all 600-level Political Science courses may be applied to the Concentration in Political and Civic Engagement. These courses are offered on a regular and rotating basis. MLA students enrolling in the Concentration in Political and Civic Engagement may enroll in 500-level Political Science courses that are not listed above. These courses will be considered electives.

Master of Science in Biology
Graduate Program Director: Dr. Janice Chism, 803/323-2111 ext.6429

Admission Requirements. In addition to the general requirements for admission to graduate study at Winthrop, admission to the program for the Master of Science degree in biology requires the applicant to:
1. Successfully complete an undergraduate major in biology or its equivalent, and one year of general chemistry.

2. Submit two letters of recommendation to the Graduate School.

3. Submit a statement of Personal and Professional Goals. Indicate whether admission is sought under the thesis or non-thesis option.

4. Submit official scores on the General Test of the Graduate Record Examination to the Graduate School. Eligibility for admission to the program is based on the following point scale:

<table>
<thead>
<tr>
<th>Grade-point average</th>
<th>Points</th>
<th>GRE-Verbal Score Percentile</th>
<th>Points</th>
<th>GRE-Quantitative Score Percentile</th>
<th>Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>3.76-4.00</td>
<td>8</td>
<td>80% or above</td>
<td>7</td>
<td>85% or above</td>
<td>7</td>
</tr>
<tr>
<td>3.51-3.75</td>

Compute the points from each of the three areas listed in the previous table and apply the total to the following scale:

<table>
<thead>
<tr>
<th>Eligibility Score</th>
<th>Status</th>
</tr>
</thead>
<tbody>
<tr>
<td>12-22</td>
<td>Eligible for interview, then admit or deny</td>
</tr>
<tr>
<td>4-11</td>
<td>Admission denied</td>
</tr>
</tbody>
</table>

Applicants with admission scores between 12 and 22 will be contacted by Dr. Janice Chism, Director of Graduate Studies, Department of Biology, Winthrop University, Rock Hill, SC, 29733, 803/323-2111, ext. 6429 to schedule an interview. The final admission decision is at the discretion of the Biology Department.

The Graduate Admissions Committee also considers GRE Writing and Biology Subject Exam scores when making admissions decisions and advising new students.

Applicants should submit all admission credentials to the Graduate School office by **April 15 for fall admission.** After the Biology Department reviews the materials, the applicant will be notified in writing by the Graduate School Office of the admission decision.
The Master of Science degree in Biology requires the completion of at least 30 semester hours of approved graduate-level courses. At least half the work presented for the degree must be 600-level courses. At least 24 semester hours of these courses must be in biology.

Each graduate student in biology, before receiving the Master of Science degree, must attend a minimum of five departmental seminar programs. Attendance does not carry course credit.

**Program Requirements With Thesis.** Each student must complete 30 semester hours of course work including a thesis. Each student has an advisory committee of three faculty members, including a principal advisor who directs and approves thesis research and writing. The thesis is defended before the advisory committee, and a seminar presentation is given to the entire faculty.

Kelly L. Richardson

**Assistant Professors**
Leslie W. Bickford

**Master of Arts in English**

**Graduate Program Director: Dr. Jo Koster, 803/323-4557**

**Admission Requirements.** Admission to the program for the Master of Arts degree in English requires the successful completion of 24 semester hours of approved courses in English, such as a major figures course, a period course, and a course in advanced composition or its equivalent at the undergraduate or graduate level, in addition to the general requirements for admission to graduate study at Winthrop. Applicants are expected to have a GPA of 3.0 or better in all English courses and an overall GPA of at least 2.8 on a four-point scale.

In addition to the general admission requirements to graduate study at Winthrop, applicants should submit scores of 150 or higher on the verbal section and 3.5 or higher on the analytic writing section of the General Test of the Graduate Record Examination. GRE scores more than five years old will not be considered. In lieu of the GRE, applicants may submit scores not
more than five years old of at least 160/200 on the PRAXIS 0041 or 150 on the PRAXIS 0049/5049, or scores not more than five years old of at least 380 on the Miller Analogies Test.

Students wishing to be considered for assistantships or scholarships in the Department should also submit two letters of recommendation, a writing sample consisting of an original critical paper on a literary or rhetorical/composition subject of at least ten double-spaced typed pages. This paper should be accompanied by a professor’s note that the paper being submitted was turned in by the student for the professor’s course and is, to the professor’s knowledge, free of plagiarism. Applicants who cannot provide such a sample or obtain such a note should consult the Graduate Program Director for alternatives. These materials should be sent directly to the Graduate Program Director, Dr. Jo Koster (kosterj@winthrop.edu).

**Program Requirements With Thesis.** The Master of Arts degree in English with thesis requires the completion of at least 36 hours of approved graduate level courses, including 6 semester hours of thesis. At least half the work presented for the degree must be 600-level courses. Students wishing to elect this option must apply for the approval of the English Graduate Committee after they have completed nine hours in the program; they may not register for ENGL 695 until that approval is granted. Students may not register for ENGL 696 if they have an incomplete grade in ENGL 695.

Immediately upon entering the graduate program, the student should develop, with the assigned advisor, an individual course of study which meets the requirements for the degree and the student’s objectives.

To be eligible for graduation, a student must fulfill all course requirements, submit the required assessment portfolio, and perform satisfactorily on a final comprehensive examination.

**Program Requirements With Thesis—Concentration in Rhetoric and Composition.**

The Master of Arts degree in English with a Concentration in Rhetoric and Composition with thesis requires the completion of at least 36 hours of approved graduate level courses, including 6 semester hours of thesis. At least half the work presented for the degree must be 600-level courses. Students wishing to elect this option must apply for the approval of the English Graduate Committee after they have completed nine hours in the program; they may not register for ENGL 695 until that approval is granted. Students may not register for ENGL 696 if they have an incomplete grade in ENGL 695.

Immediately upon entering the graduate program, the student should develop, with the assigned advisor, an individual course of study which meets the requirements for the degree and the student’s objectives.

History

Graduate Faculty

Professors
Gregory S. Crider
Jason H. Silverman
J. Edward Lee
Virginia Williams

Associate Professors
L. Andrew Doyle
David Pretty

Assistant Professors
Greg Bell
Chia-Lan Chang

Master of Arts in History
Graduate Program Director: Dr. Edward Lee, 803/323-4844

Admission Requirements. Preference for admission to the program for the Master of Arts in History will be given to candidates who have completed at least 18 semester hours of undergraduate coursework in history, earned a minimum overall GPA of 3.0 and a GPA of 3.2 in history courses, and submitted a score of 150 or higher on the verbal section of the Graduate Records Examination. Should the admissions committee determine that additional items are required for review, they may require at least two letters of recommendation and a formal writing sample. Admission for candidates with fewer hours in history and/or lower GRE scores will be considered on a case-by-case basis.

Exit Requirements. To be eligible for graduation, the student must perform satisfactorily on a comprehensive examination administered by the department.

Program Requirements With Thesis. The Master of Arts degree in history with thesis requires the completion of at least 33 hours of approved graduate-level courses including a thesis. At least half the work presented for the degree must be 600-level courses.

If the student has not taken HIST 300 or its equivalent prior to admission, he or she must take it in the first semester of graduate study. In exceptional circumstances, a student may demonstrate research and writing skills at a level that meets the approval of the chair and graduate director and receiving their approval.

Students wishing to pursue the thesis option must obtain the permission of a committee comprised of the department chair, graduate director, and an additional faculty member.
Immediately upon entering the graduate program, the student should develop with the assigned advisor an individual course of study which meets the requirements for the degree and the student’s objectives.

Human Nutrition

Graduate Faculty

Professors
R. Carlton Bessinger

Master of Science in Human Nutrition
Graduate Program Director: Dr. Carlton Bessinger, 803/323-4553

Admission Requirements. Admission as a graduate degree student in human nutrition requires the applicant to show adequate undergraduate preparation for graduate work in the chosen program and to have a satisfactory grade-point average.

A combined score of 286 or higher (minimum of 146 on verbal and 140 on quantitative) on the Graduate Record Examination is preferred. Admission is competitive. Each graduate applicant must also complete an entrance conference with the director of the program or his/her designee.

Required Program. The Master of Science degree in human nutrition requires the completion of at least 30 hours of approved graduate level courses. At least half the work presented for the degree must be 600-level courses. No more than six hours from another graduate school may be transferred. No more than six hours from the Winthrop University Dietetic Internship may be applied to MS degree program in human nutrition. If six hours of Winthrop University Dietetic Internship are applied to the MS degree program, no hours may be transferred from another graduate school.

A Master of Science degree option is available which incorporates the Accreditation Council in Nutrition and Dietetics (ACEND) accredited Dietetic Internship. No more than six hours of internship credit may be applied to the Master of Science degree in human nutrition. Contact information is The Accreditation Council for Education in Nutrition and Dietetics of the Academy of Nutrition and Dietetics, 120 South Riverside Plaza, Suite 2000, Chicago, IL 60606, 312/899-4817.

Application requirements are available on the dietetic internship website, www.winthrop.edu/nutrition. Internship application materials, application checklist and information on the early acceptance option are available on the same website and from the Department of Human Nutrition, 302 Dalton Hall, 803/323-2101. You may contact the Dietetic Internship Director, Ms. Stephanie Nielsen at neilsens@winthrop.edu for additional information.

Prior to registration, applicants must complete ACEND didactic program in dietetics (DPD) requirements. Acceptance into the internship is contingent upon academic standing, receiving a DPD Verification Statement from an ACEND accredited institution, Graduate Record Examination scores, references, and personal interview. Please see the website, http://www.winthrop.edu/cas/nutrition/default.aspx?id=21483 for more information.

### Graduate Certificate Program – Dietetic Internship

Students completing the Winthrop University, Department of Human Nutrition, post baccalaureate Dietetic Internship Certificate Program receive a Verification Statement and are eligible to take the Registration Examination for Dietitians administered by the Commission on
Dietetic Registration. In addition, they will accrue 12 semester hours of graduate credit; six hours of which may be applied to the M.S. degree program in Human Nutrition offered by the department. The Dietetic Internship has been granted continued accreditation by the Accreditation Council for Education in Nutrition and Dietetics (ACEND) of the Academy of Nutrition and Dietetics. ACEND is a specialized accrediting body recognized by the United States Department of Education. The address and phone number of ACEND are: 120 South Riverside Plaza, Suite 2000, Chicago, IL 60606-6995, (312) 899-4876.

The program combines theoretical and practical experiences that enable future dietetic professionals the opportunity to expand their knowledge and ability to excel in such areas of dietetics as medical nutrition therapy, public/community health nutrition, corporate wellness programs, sports nutrition, and school foodservice.

The Dietetic Internship program admits students only once per year, for fall semester.

Admission Requirements
Students are required to have a baccalaureate degree conferred by a regionally accredited college or university and hold an ACEND didactic program in dietetics (DPD) Verification Statement before they enter the Dietetic Internship program. Applying for this program is a two-step process:

1. Applicants must apply through Dietetic Internship Centralized Application Services (DICAS) at https://portal.dicas.org/. Application requirements are available on the dietetic internship website: www.winthrop.edu/cas/nutrition/default.aspx?id=21483. Internship application materials, application checklist and information on the early acceptance option are also available on this website and from the Department of Human Nutrition, 302 Dalton Hall, 803/323-2101. Interns who successfully complete will receive a Verification Statement and be eligible to take the Registration Examination for Dietitians administered by the Commission on Dietetic Registration.

2. Interns who are accepted by DICAS and matched with Winthrop University will be contacted and instructed to apply for admission to Winthrop's Dietetic Internship Certificate Program through the graduate school’s online application as soon as possible. Application requirements include the online graduate school application, copy of GRE scores, and official transcript(s) sent directly to Winthrop from the issuing institution(s).

Acceptance into the program is highly competitive. Selection criteria are based on the strength of the undergraduate academic record, relevant work experience in the field of dietetics, letters of recommendation, volunteer and other experiences, personal interview, and scores on the GRE. The selection committee, composed of professionals in the field of dietetics and faculty members, evaluates the applications, interviews the candidates, and ranks them accordingly.
DIETETIC INTERNSHIP COURSES* required in the program include the following:

**NUTR 528 (3).** Dietetic Internship I: Nutrition Therapy Inpatient/Acute Care. ACEND accredited dietetic internship.

**NUTR 529 (3).** Dietetic Internship II: Outpatient Nutrition Therapy, Education, Wellness, and Consultation. ACEND accredited dietetic internship.

**NUTR 530 (3).** Dietetic Internship III: Food and Nutrition Management. ACEND accredited dietetic internship.

**NUTR 531 (3).** Dietetic Internship IV: Professional Development in Dietetics. ACEND accredited dietetic internship.

*Dietetic Interns complete NUTR 528 and 529 in the fall and NUTR 530 and 531 in the spring. Six hours of course work may be counted toward the M.S. degree in Human Nutrition; in addition, interns may take NUTR 604, which may be applied toward the MS degree requirements.

Master of Science in School Psychology
Specialist in School Psychology
Graduate Program Director: Dr. Joseph S. Prus, 803/323-2117

The Winthrop School Psychology Program is a three-year, full-time graduate training sequence leading to the Specialist in School Psychology (SSP) degree. Although an interim Master of Science (MS) degree is awarded at the end of the second year, students admitted to the program are expected to complete the full three-year training program.
The Winthrop School Psychology Program is primarily designed to prepare practitioners who are competent to provide a full range of school psychological services including consultation, behavioral intervention, psychoeducational assessment, research, program planning/evaluation and counseling. Students are prepared to work with diverse clients from infancy to young adulthood, including those with low-incidence disabilities, and with families, teachers and others in the schools and community. Opportunities for working under close supervision in rural, suburban and urban settings are afforded students in the program. Although some of the School Psychology graduates subsequently pursue doctoral studies, the primary purpose of the program is the preparation of well-rounded professionals for work in public schools and related settings.

The three-year, full-time program leading to both the Master of Science (MS) and Specialist in School Psychology (SSP) degrees utilizes a highly structured, applied, competency-based approach to training. The curriculum is linked to a comprehensive set of objectives that outline knowledge, skills, and professional work characteristics needed by school psychologists in order to respond effectively to the diverse needs of individuals and systems that we ultimately serve. Program emphasis is placed on psychological and psychoeducational methods whose effectiveness has been demonstrated through behavioral research. A multi-method, multi-source approach to assessment of learning and development helps assure that students attain the competencies needed to be effective school psychologists.

The Winthrop School Psychology Program has been designed to meet national standards of quality and progresses sequentially from foundations courses to methods/practica experiences to a 1,200-hour internship. The training philosophy of the program emphasizes the importance of integrating knowledge and skills under conditions of strong supervision, support and collaboration. Completion of supervised field experience over the last two years of the program provides for closer integration of didactic and experiential components of the curriculum, more immediate application and integration of skills and strong involvement of faculty in this critical stage of training. Low student-to-faculty ratios in all methods/practica courses and weekly sessions with both faculty and credentialed field supervisors during traineeship and internship help to assure the monitoring and support needed for students to become competent professionals. Collaboration and cooperation among students are also encouraged.

The combined MS/SSP program is fully approved by the National Association of School Psychologists (NASP) and is consistent with the NASP Model for Comprehensive and Integrated School Psychological Services. Winthrop is also fully accredited by the National Council for Accreditation of Teacher Education (NCATE). Upon the attainment of a passing score on the PRAXIS II Examination in School Psychology and the recommendation of the program director, graduates of the program qualify to become Nationally Certified School Psychologists (NCSP) and can attain certification as School Psychologists in South Carolina (Level II) and other states.

The job market for school psychologists and Winthrop School Psychology graduates has been historically strong. Over the past fifteen years, most graduates seeking employment in the field have attained such employment within three months of graduation. Winthrop School Psychology alumni are employed in many states. Their preparation is evaluated very highly by
employers. Those who have pursued doctoral studies have also been very successful in gaining admission and in completing their studies.

Immediately upon entering the program, the student should develop, with the program director, an individual course of study that meets the requirements for the degree and the student’s objectives.

**Curriculum.** The curriculum is organized into four general areas: Psychological and Educational Foundations, Psychoeducational Methods, Traineeship and Internship.

**Psychological and Educational Foundations.** Coursework covers the theoretical foundations of the science of human behavior and the foundations of education. Psychological foundation areas include human learning/cognition, human development, child and adolescent psychopathology, and health psychology and behavioral medicine. Educational foundation areas include exceptional children, multicultural issues, academic intervention, and organization and operations of schools. This area includes the history and foundations of professional school psychology.

**Psychoeducational Methods.** Characterized by a competency-based approach and emphasis on data-based decision-making, coursework in this area involves the acquisition and application of professional knowledge and skills needed to function successfully as a school psychologist. Courses cover diverse models and methods of psychoeducational assessment, behavioral assessment and intervention, counseling and mental health services, research and evaluation, and consultation/indirect services to schools and families.

**Traineeship.** In conjunction with psychoeducational methods courses, students complete a two day per week, 450 hour traineeship in the schools during the second year of the program. This experience includes close supervision by both faculty and field supervisors and includes specific objectives that address school psychology competencies in such areas as assessment, counseling, behavioral assessment and intervention, and consultation.

**Internship.** During the third year, students complete a paid 1200 hour supervised internship, at least 600 hours of which must be in the schools. Internships in nearby diverse rural, suburban, and urban settings allow students to practice and integrate the full range of school psychological services under supervision of credentialed faculty and field supervisors.

Students return to the university for faculty supervision and one advanced course taken concurrently with internship each semester. Interns and trainees are required to acquire malpractice insurance coverage at their own expense.

Thus, four sequential levels of training (foundations, psychoeducational methods, traineeship and internship) are provided. All psychoeducational methods courses and most other courses are limited to no more than a 10:1 student-faculty ratio to assure that the training experience is individualized and appropriately supervised.
Admission Requirements. Admission to the program requires completion of the Application for Graduate Admission and the separate school psychology program application form (resume, statement, supplemental questionnaire) and three letters of recommendation. Admissions are normally limited to ten students per year, with study beginning in the fall semester only. Multiple admissions criteria are used, including prior grade-point average, GRE General Test scores, three letters of recommendation, educational experience, work experience and personal qualifications. Admissions to the program are quite competitive (typically about one in six or seven applicants is admitted). The admissions decisions are focused on the selection of applicants who we believe have the greatest potential to be successful school psychologists.

Prerequisites to admission are 15 hours of prior undergraduate or graduate coursework in five areas: (1) general psychology; (2) human development (child development or child psychology may be acceptable alternatives); (3) experimental psychology or research methods; (4) psychological measurements (tests and measurements or educational measurements may be acceptable alternatives); and (5) statistics. While the bulk of these prerequisite areas must be completed prior to admission to the program, one or two may be taken after an applicant is admitted. All admissions materials should be submitted by January 15 of each academic year. Late applications will be considered as openings exist. Finalists for admission are also expected to participate in a personal interview with the school psychology admissions committee.

Master of Science in School Psychology

The MS requires 36 semester hours of coursework, but the degree is awarded only at the end of the second year. The remaining hours taken during the second year and those taken during the third year, are applied toward the Specialist in School Psychology degree. An additional MS requirement is the passing of a written comprehensive exam.

Specialist in School Psychology Degree. Upon satisfactory completion of course work, internship and culminating performance assessment requirements, the SSP degree will be awarded at the end of the 72 semester hours of the training sequence. The SSP Degree requires a satisfactory performance on a portfolio of professional work completed in field placement. Additionally, students must take the ETS Praxis II Examination in School Psychology.

Cynthia Forrest
Wendy Sellers
Assistant Professors
Monique Constance-Huggins
Allison Gibson
Duane Neff

Master of Social Work
Graduate Program Director and Department Chair: Deana Morrow, 803/323-2168

The Department of Social Work offers the Master of Social Work (MSW) degree which is fully accredited by the Council on Social Work Education. Graduates are prepared to enter professional positions requiring an MSW degree and they are eligible to pursue state licensure in social work.

Curriculum Focus: The MSW Program specialization is in empowerment practice. Empowerment practice assesses the influence of multiple and interlocking personal, structural, and societal systems of power on vulnerable and oppressed populations. It incorporates the use of advanced social work theories and methodologies for assessment and intervention across systems. Empowerment practice seeks to establish and maintain systems that are responsive, through culturally relevant strategies, in helping clients increase their power to improve their current situations and quality of life.

Program Formats. The MSW program offers four different approaches for completing the degree:

1. **Full-Time Traditional Program** – This is a 60 hour program designed for students who are able to pursue full-time enrollment in graduate study over a period of two academic years beginning each August.

2. **Full-Time Advanced Standing Program** - This is a 39 hour program designed for students who have previously earned a CSWE accredited bachelor’s degree in social work. Enrollment is on a full-time basis for one calendar year beginning each May.

3. **Weekend Traditional Program** - This is a 60 hour program designed for working professionals who desire a weekend course schedule. Graduate studies consist of intensive weekend course offerings and reduced weekly required field hours. Classes meet one weekend each month. Students enroll in classes over a period of three years beginning each August.

4. **Weekend Advanced Standing Program** – This is a 39 hour program designed for working professionals who have previously earned a CSWE accredited bachelor’s degree in social work and desire a weekend course schedule. Classes meet one weekend each month. Students enroll in classes over a period of two years beginning each August.

**Admission Requirements.** A cohort admissions process is used for MSW admissions. **Review of applications begins February 1 and continues until all slots are filled.** The 60 credit hour Full-time Traditional Program and Weekend Traditional Program cohorts are admitted for August enrollment. The 39 credit hour Full-Time Advanced Standing Program cohort is admitted for May enrollment. The 39 credit hour Weekend Advanced Standing program cohort is admitted for August enrollment.
Applicants must submit a complete online application through the graduate school website. Admission is competitive and only applicants with fully completed application packets will be reviewed. For admission to the MSW degree program, an applicant must:

1. Hold a baccalaureate degree (Advanced Standing applicants must hold a baccalaureate degree from a Council on Social Work Education-accredited college or university).

2. Submit official transcripts from all colleges and universities attended. Transcripts should reflect a background in liberal arts content.

3. Have an overall undergraduate grade-point average of 3.0 on a 4.0 scale for the Advanced Standing Program. For the Full-Time Program or Weekend Program, a 3.0 on a 4.0 scale is required on the last 60 hours.

4. Submit an official test score for either the Graduate Record Examination or the Miller Analogies Test. The score will be considered within the context of the entire application.

5. Submit three professional recommendations using the MSW Recommendation form.

6. Submit a professional resume.

7. Submit a personal narrative statement (2-3 pages) addressing the following: 1) Your reasons for pursuing the MSW degree; 2) Your career goals upon completing the degree; and 3) Any previous paid or volunteer experience you may have had in the human services arena. This statement must be developed solely by the applicant with no outside assistance.

**Program Requirements.** The full-time programs are designed for those who can pursue full-time graduate study. The weekend programs are designed to meet the needs of those who are also employed while pursuing their degree. Each course in the Weekend Program requires two weekends of on-campus meeting time. The first weekend includes a Friday, Saturday, and Sunday. The second weekend, approximately one month later, includes a Saturday and Sunday. Readings and assignments will be completed prior to the first weekend, between weekends and following the second weekend.

Applicants who hold a CSWE accredited baccalaureate degree in social work may pursue the 39 semester hour Full-Time Advanced Standing Program or the Weekend Advanced Standing Program. Students admitted to the Full-Time Advanced Standing Program matriculate in May. Students admitted to the Weekend Advanced Standing Program matriculate in August.

**Academic Probation Policy - MSW Program**

A student whose cumulative grade-point average falls below 2.85 during the first 18 hours of coursework is placed on academic probation. A student who has earned more than 18 hours
and who fails to maintain a grade-point average of 3.0 is placed on probation. Because of the sequential structure of the MSW Program, MSW students placed on academic probation are allowed to enroll in the subsequent semester of course work to restore their overall grade-point average to 3.0 or higher (2.85 or higher during the first 18 hours of coursework).

In cases where students have earned a grade of F in a course(s), their progress in the Program will be suspended until they successfully repeat the course(s). If they successfully repeat the course(s), and their grade-point average is restored to 3.0 or higher, (2.85 or higher during the first 18 hours of coursework), they are then returned to good academic standing. If they successfully repeat the course(s), but their grade-point average remains below 3.0 (2.85 or higher during the first 18 hours of coursework), they may then enroll in one subsequent semester of course work to restore their overall grade-point average to 3.0 or higher (2.85 or higher during the first 18 hours of coursework). Failure to do so will result in dismissal from the Program.

No more than two courses with a grade of C or F may be repeated; a given course may be repeated only once. A graduate student may not transfer credit taken at another institution while he or she is on academic probation at Winthrop or is ineligible to return to Winthrop. Students who have been dismissed because of academic ineligibility may reapply for graduate admission. Those wishing to be considered for readmission following a dismissal must wait at least one year before applying. One year is defined as two semesters or one semester and one summer session. During this period, they are ineligible for admission to any program at Winthrop University. Applications for readmission may be found on the Forms Online page of the Graduate School website. Readmission applications are evaluated by the Admissions Committee; readmission may or may not be granted depending on the Committee’s recommendation.

Mission Statement. Our mission is to prepare students in a learning-centered environment, through effective teaching, scholarship and service, with the professional and leadership skills necessary for positions in the global marketplace, while fostering life-long learning and service to the external community.

Graduate Professional Certificate Program – Management (Social Sciences track)

The 12-hour Graduate Professional Certificate in Management will allow students from a variety of graduate disciplines the opportunity to gain professional management and business skills suitable for managerial and administrative work roles. Through skill-based learning and hands-on application, the curriculum prepares students for management positions by improving their knowledge and awareness of professional management duties, increasing opportunities for advancement, strengthening necessary communication skills for today’s advanced society, and developing a big-picture view of professional management.

The Certificate Program includes the following required courses:

Admission Requirements
Enrollment is open only to post-baccalaureate students who meet admission requirements to the Winthrop MBA programs (based on undergraduate GPA and GMAT or GRE score) and to active, degree-seeking graduate students in good standing at Winthrop University.

Master of Business Administration Degree

Winthrop University offers the Master of Business Administration degree in two formats: the evening MBA program and the evening MBA/Accounting emphasis program. The Master of Business Administration degree program is accredited by The Association to Advance Collegiate Schools of Business (AACSB). AACSB is a specialized accrediting body recognized by the Council on Recognized Postsecondary Accreditation (CORPA).

Students from a diverse range of educational and cultural backgrounds participate in and enhance the educational experience. Nationally accredited, the program is taught by a faculty committed to excellence in teaching and research.
**MBA Evening Program.** The evening MBA is a program of 36 semester hours of required graduate courses. The curriculum includes the MBA core of 27 hours and 9 hours of elective courses. Up to 4 hours of prerequisites may be required, depending upon the individual student’s preparation.

**Admission Requirements.** The applicant for admission to the MBA program must show high promise of success in post graduate business study as measured by undergraduate grades, a minimum score of 400 on the Graduate Management Admissions Test (GMAT) or GRE equivalent and other relevant criteria. An applicant whose native language is not English must present a score of at least 550 on the TOEFL or a 6.5 on the IELTS.

**Prerequisite Requirements:** Completion of the prerequisite course with a grade of “C” or better, or a grade of “C” or better in similar undergraduate courses and an undergraduate degree completed within three years of enrollment in the MBA program, or successful completion of an approved test.

</tr>
<tr>
<td>BADM 694</td>
<td>Internship in Business Administration**</td>
<td>3</td>
</tr>
</tbody>
</table>

* The project must have a marketing analytics component approved by the Department Chair.
**The internship must contain an analytics component and also be approved by the Department Chair.

Applicants will be required to meet the same admission and prerequisite requirements as the traditional program.

**MBA-Strategic Leadership Concentration**

The general MBA program is a 36 graduate hour program, including 9 hours of electives. For the MBA/Strategic Leadership Concentration, 5 years of professional work experience is required, and then a student must enroll in nine (9) hours of electives as follows:

<table>
<thead>
<tr>
<th>MBA-Strategic Leadership Required Program</th>
<th>Semester Hours</th>
</tr>
</thead>
<tbody>
<tr>
<td>MGMT 675</td>
<td>Leadership Dynamics</td>
</tr>
<tr>
<td>MGMT 622</td>

<td></td>
<td></td>
</tr>
<tr>
<td>BADM 633</td>
<td>International Business Culture</td>
<td></td>
</tr>
</tbody>
</table>

Applicants will be required to meet the same admission and prerequisite requirements as the traditional program, and must submit a resume’.

**MBA-International Concentration.**

The general MBA program is a 36 graduate hour program, including nine semester hours of electives. For the MBA/International, a student must enroll the nine hours of electives as follows:

<table>
<thead>
<tr>
<th>MBA-International Required Program</th>
<th>Semester Hours</th>
</tr>
</thead>
<tbody>
<tr>
<td>BADM 600</td>
<td>International Field Experience</td>
</tr>
</tbody>
</table>

Choose two courses from the following:

<tr>
<td>MGMT 529</td>
<td>International Management</td>
<td>3</td>
</tr>
<tr>
<td>MKTG 581</td>
<td>Marketing for Global Competitiveness</td>
<td>3</td>
</tr>
<tr>
<td>BADM 633</td>
<td>International Business Culture</td>
<td>3</td>
</tr>
</tbody>
</table>
Applicants will be required to meet the same admission and prerequisite requirements as the traditional program.

---

**MBA-Accounting - Evening Program**

The Master of Business Administration/Accounting Emphasis program provides graduate business education of high quality. The MBA/Accounting program prepares students to assume responsible positions as leaders and team members in the dynamic and varied organizations of the twenty-first century. To this end, the program promotes the following objectives: accountability, adaptability, creative thinking, teamwork, communication, and accounting expertise.

Students from a variety of educational, managerial and professional backgrounds participate in and enhance the educational experience. Nationally accredited, the program is taught by a faculty committed to excellence in teaching and research.

The evening MBA with an Accounting emphasis is a program of 33 semester hours of required graduate courses. Depending upon the individual student's preparation, prerequisites may be required.

**Admission Requirements.** The applicant for admission to the MBA/Accounting emphasis program must show high promise of success in post-graduate business study as measured by undergraduate grades, scores on the GMAT or GRE and other relevant criteria.

An applicant whose native language is not English must present a score of at least 550 on the TOEFL or a 6.5 on the IELTS.

Students desiring to participate in the MBA/Accounting emphasis program who do not have a bachelor’s degree in business administration from an AACSB accredited college or university or who have not had appropriate undergraduate training in business administration, accounting or economics may be required to complete certain prerequisite courses including the following:

<table>
<thead>
<tr>

MBA/Accounting Emphasis Prerequisite Courses | Semester Hours
--- | ---
ACCT 351 Business Law for Accountants | 3
Or
BADM 250 Legal and Ethical Environment of Business** | 3
FINC 311 Principles of Finance | 3
Or
FINC 670 Introduction to Finance (1)** | 1

Students are required to include the following undergraduate courses as prerequisites or the 600-level course as a part of their MBA program:

MBA/Accounting Emphasis Prerequisite Courses | Semester Hours
--- | ---
MGMT 355 Business Communications | 3
Or
MGMT 680 Organizational Leadership & Communications | 3
QMTH 205 Applied Statistics I | 3
QMTH 210 Business Analytics | 3
Or
QMTH 680 Statistical Methods and Business Research (1.5) and MGMT 681 Business and Society (1.5) | 1.5
MGMT 683 Sustainable Operations or MGMT 326 | 3

*Students must have a grade of C or better in each of the program prerequisite courses.

The MBA/Accounting emphasis requires the following courses:

Required Program | Semester Hours
--- | ---
ACCT 606 Advanced Financial Accounting | 3
ACCT 607 Tax Research | 3
ACCT 609 Advanced Auditing | 3
ACCT 610 Advanced Managerial Accounting | 3
FINC 680 Financial Policy Management | 3
MGMT 682 Organizational Behavior/Organizational Development | 3
MGMT 684 Strategic and International Issues in Management | 3
600-level BADM, FINC, MGMT, MKTG, QMTH | 6
500-600 level ECON, FINC, MGMT, MKTG, QMTH, BADM | 3
500-600 level ACCT | 3
Successful completion of ACCT 616, 617, 618 and 619* | 0
Total Semester Hours | 33

* ACCT 616-619 are zero credit courses graded on a credit/no credit basis that do not contribute hours toward degree completion. Successful completion of these courses is required before the MBA/Accounting Emphasis degree is awarded. These courses are preparation for the different sections of the CPA Examination. Students should enroll in a minimum of one of
these courses every semester until all four parts of the simulated CPA exam are passed. Students may substitute actual CPA examination scores for a simulated CPA exam score if the actual exam has been taken and passed.

**ECON 670 and FINC 670 are both one credit courses which may not qualify for the CPA exam requirements. BADM 250 may not qualify for the CPA exam requirements.**

Note: Registration for GSTC 600, Continuing Graduate Studies, may be required. Check with advisor.

This program applies to students entering under the five year program. It does not apply to transfers, non-business majors and current Winthrop accounting option students. Each student’s academic background will be evaluated and a plan of study developed.

Course substitutions may be made if appropriate. The course of study must include 24 semester hours at the 600-level.

Mission Statement

The Richard W. Riley College of Education is dedicated to the highest ideals of teaching, scholarship and service. The College meets this mission through the preparation of
professionals who are committed to the betterment of society through a lifelong quest for excellence in learning, leadership, stewardship and the communication of ideas.

**Educator as Leader**  
**A Conceptual Framework for the Advanced Education Programs**

The conceptual framework for advanced education programs builds on the skills developed in undergraduate programs or through professional experiences and is organized around three concepts: 1) Leadership, 2) Scholarship and 3) Stewardship. One’s knowledge of these concepts and one’s ability to perform effectively in these areas are measured through a series of learning outcomes. These learning outcomes build upon candidates’ existing and emerging knowledge base and lead to an advanced understanding of their respective program areas. These learning outcomes are also designed to maintain relevance and adherence to professional, state, national and institutional standards.

While *Educator as Leader* is the overarching theme of all programs, the term “educator” has been expanded at the advanced level to include a broader population of professionals including but not limited to teachers, school administrators, psychologists, health professionals, counselors and coaches. These educational leaders have a central role in helping all students reach their potential through learning experiences in school and other professional environments.

**Leadership**

**Learning Outcomes:**

The advanced educational leader:

1. examines educational policy and demonstrates a familiarity with how such policy is developed and implemented.

2. evaluates oneself as an educational leader through knowledge, reflection and professional discourse.

3. analyzes contemporary issues, reforms and renewal strategies and applies an understanding of these to one’s profession.

4. applies technology to professional roles and functions.

5. promotes an appreciation and understanding of diversity in families and society.

6. demonstrates the ability to apply problem-solving strategies in diverse situations-e.g., conflict resolution, program development.

7. applies current theories to enhance individual learning of others and promote professional development.
8. demonstrates skills and commitment needed to communicate effectively with students, professional colleagues, families and community leaders.

9. values collaboration with colleagues, families and the larger professional community.

10. advocates for the development of individuals to their full potential.

**Scholarship**

Learning Outcomes:

The advanced educational leader:

1. demonstrates an understanding of research terminology, concepts and practices as presented in the professional literature.

2. analyzes, synthesizes, interprets and disseminates current and historical research and practices.

3. integrates knowledge and practice derived from professional research into various professional settings to enhance individual growth.

4. generates research questions that focus on extending current thought and theory and interprets and applies results of research.

5. generates research questions that focus on the application of content knowledge and methodologies.

6. demonstrates an understanding of a variety of research methodologies, measurements, analysis procedures, and interpretation/communication of results.

7. selects and applies appropriate methodologies to answer research questions.

8. appreciates the value of using research to inform practice.

9. uses technology resources to collect, analyze, synthesize and evaluate information and data.

10. models lifelong learning.

11. enhances specific knowledge in content areas.

**Stewardship**

Learning Outcomes:

The advanced educational leader:
1. appreciates and articulates the ethical implications surrounding contemporary educational issues.

2. analyzes how antecedents (previous events) contribute to current issues.

3. understands the interrelationships among issues related to society, schooling, the organization and administration of schools and professional organizations.

4. advocates full and appropriate access to public education and human services for people with special needs and their families.

5. examines and makes appropriate professional decisions based on an advanced understanding of ethics and laws.

6. demonstrates the ability to construct a supportive, well-managed, motivational learning environment that promotes equal access to education for people from diverse cultural backgrounds.

7. develops school curricula and/or educational interventions based on contemporary theories of learning and development, applicable technology, collaborative discourse and evaluation.

8. works toward solutions to key educational issues that are founded on contemporary research, public policy and best practice.

9. evaluates, clarifies and refines personal philosophy of professional practice.

10. links personal philosophy and professional practice to historical, legal, social, philosophical, and psychological foundations and developments in the profession.

11. cares for and related to students, families and the larger learning community.

The Richard W. Riley College of Education offers graduate programs leading to the Master of Science degree in sport and fitness administration; the Master of Education degrees in educational leadership, curriculum and instruction, counseling and development, literacy, middle level education and special education; and the Master of Arts in Teaching secondary and K-12, and the Master of Arts in Teaching, One-Year Option. The secondary/K-12 Master of Arts in Teaching degree is an initial certification program in art, biology, chemistry, English, mathematics, music, physical education, Spanish and social studies. The MAT One-Year Option offers an initial certification program in art, biology, chemistry, English, French, math, social studies, and Spanish.

Graduate study leading to certification is also available for the following professional areas: school counselor (elementary and secondary), principal (elementary and secondary), literacy teacher and literacy coach. School psychologist (levels I and II) certification programs are offered by the Department of Psychology in the College of Arts and Sciences.
An applicant for admission to a graduate program in the Richard W. Riley College of Education must meet the admission requirements of that program in addition to the general requirements for admission to graduate study. (Specific entrance requirements are listed under the individual programs in the Education Degree Programs section.) Admission to programs in the Richard W. Riley College of Education is competitive.

**Practicum Courses.** In order to enroll in a graduate practicum course in the Richard W. Riley College of Education, a graduate candidate must have:

1. Completed a minimum of six hours graduate course work at Winthrop within the program area of the practicum;

2. Completed specific prerequisites for the practicum; and

3. Maintained continued good standing in the program (minimum of 3.0 grade-point average).

Placements in schools for teacher education field experiences, practica, and internships will be within a 60 mile radius of the University campus. Travel to and from placements is the student’s responsibility; the student must assume liability for any required travel.

In addition, various courses may require participation in a pre-and post-semester orientation that follows the school district calendar.

**Certification.** All candidates seeking initial or advanced certification should note that satisfactory completion of the appropriate Specialty Area test of PRAXIS examination must be completed prior to being certified by the South Carolina Department of Education. Candidates should check for specific PRAXIS requirements related to their respective degrees with the Chair of the Department. At least half of the total semester hours submitted for the advanced degree must be 600-level courses.

**Note:** Completion of a degree also does not guarantee advanced teacher licensure in North Carolina public schools. Candidates should contact their local school administrative offices and the North Carolina Department of Public Instruction regarding specific advanced licensure requirements in their program area. Similarly, completion of the M.Ed. degree in Educational Leadership does not guarantee school administrator licensure in North Carolina. Students should check with local school administrative offices and the NC Department of Public Instruction regarding specific NC school administrative licensure requirements.

**Accreditations.** The Richard W. Riley College of Education is proud of its accreditations and affiliations. The Teacher Education Program at Winthrop University is accredited by the National Council for Accreditation of Teacher Education (NCATE)/Council for the Accreditation of Educator Preparation (CAEP) at the graduate level for its Master of Science, Master of Education and the Master of Arts in Teaching degrees. All teacher education programs are approved by the South Carolina State Board of Education and all programs are fully accredited by their specialized professional association. Recognition by these agencies affords graduate
candidates who complete teacher preparation at Winthrop University the opportunity to apply for reciprocal certification with the majority of states in the nation.

**NOTE:** The College of Education faculty are continuously reviewing and revising curricula to meet the needs of contemporary schools. Students applying to Winthrop should be alert to curricular changes as they occur and how those changes impact their programs.

Counseling, Leadership and Educational Studies

**Master of Arts in Teaching**
**Graduate Program Coordinator: Lisa Harris, 803/323-2588**

The Master of Arts in Teaching (MAT) is designed to prepare individuals who are seeking initial certification to be a classroom teacher. Graduate candidates may pick one of the following areas of certification at the high school level: biology, chemistry, English, mathematics, or social studies; or graduate candidates may pick one of the following areas for certification in grades K-12: art, music, physical education, or Spanish.

**Initial Teacher Preparation Unit Standards Framework**

**Preamble**

Initial teacher preparation at Winthrop University is built around the central belief that teachers must be able to demonstrate knowledge, skills, and dispositions that produce learners prepared for 21st century challenges within the context of a free and democratic society. Through field-focused learning in school partnership settings, candidates demonstrate evolving skills in the domains of diverse needs of learners, learning environment, technology, assessment, instruction and learner engagement, literacy, and professional learning and ethical practice. These domains are embedded throughout an integrated series of classroom and field experiences involving core and discipline-specific curricula, grounded in evidence-based practice and professional standards, and designed to support teacher candidates as they learn about themselves, individual learners, classrooms, and the American school system.
Expectations for Candidate Professional Dispositions

I. Fairness

The teacher candidate assumes responsibility for the learning of all students in the classroom in a caring, nondiscriminatory, and equitable manner and persists in effective learning for all students.

II. Integrity

The teacher candidate demonstrates a recognition of and adherence to the moral, legal, and ethical principles of the University and the profession.

III. Communication

The teacher candidate interacts in ways that convey respect and sensitivity.

IV. Commitment

The teacher candidate embraces the complexity of work through reflective practice and professional growth.

Unit Standards and Elements

US1. Diverse Needs of Learners

The teacher candidate plans and implements differentiated instructional strategies for diverse learners (including, but not limited to, English language learners, learners who are living in poverty, learners with disabilities, gifted and talented learners, and other exceptional needs in general education settings) to achieve learning outcomes.

US2. Learning Environment

The teacher candidate creates a positive, safe, and caring environment that promotes learning through active engagement and respect for individual differences.

US3. Technology

The teacher candidate plans and implements meaningful learning opportunities that engage learners in the ethical and appropriate use of technology to meet learning outcomes.

US4. Assessment

The teacher candidate designs, selects, and implements multiple assessments and systematically uses data to make instructional decisions that support, monitor, and promote learning.
US5. Instruction and Learner Engagement

The teacher candidate uses developmental and pedagogical content knowledge to independently and collaboratively plan and implement learning experiences that are relevant, appropriately challenging, and aligned with curriculum goals and standards.

US6. Literacy

The teacher candidate implements essential components of literacy instruction (reading, writing, listening, speaking, viewing, and visual representation) within the discipline(s) to enhance opportunities for learning.

US7. Professional Learning and Ethical Practice

The teacher candidate participates in ongoing professional learning and critical reflection, upholds ethical and legal standards, and articulates the impact of social, legal, and political contexts on American schooling.

To ensure knowledge of content, MAT teacher candidates are required to achieve the South Carolina passing score on the PRAXIS II Specialty Area Examination prior to the internship semester. Candidates for the MAT in Spanish and French must achieve a passing score on the PRAXIS II Specialty Area Examination prior to admission to the program. In addition, successful graduates must obtain a satisfactory score on the PRAXIS II Principles of Learning and Teaching before earning teacher certification.

MAT teacher candidates must demonstrate dispositions that reflect the highest standards of the profession as they relate to students, their families, and their communities. The Richard W. Riley College of Education has established appropriate criteria for professional dispositions in the following areas: professional commitment; communication skills; interpersonal skills; classroom personality; emotional make-up; and academic integrity. Further information about the criteria is distributed to teacher candidates in a dispositions booklet.

The MAT curriculum covers a variety of subjects from professional core courses to courses specific to the graduate candidate’s content area. Acquired competencies emphasized in this program will enable graduates to assume leadership roles in their classrooms, departments and schools. Through a dual advisement system that includes content and education faculty, transcripts will be evaluated and a program of study will be developed for each student. Additional course work may be required to address deficiencies in the content area.

Admission Requirements. Graduate candidates who hold a baccalaureate degree from an accredited college or university in the content field where certification is sought or who have completed a baccalaureate degree which includes content area course work equivalent to the undergraduate certification requirements at Winthrop University for certification in the specified content field may enroll in the MAT degree program. Graduate candidates who do not meet all undergraduate certification requirements will be required to complete additional course work. Admission requirements for graduate degree status include:
1. An undergraduate GPA of 3.0;

2. Submit an official GRE or Miller Analogies Test score report; and

3. Applicants to the MAT degree in Spanish must submit the South Carolina passing score on the PRAXIS II Specialty Area Examination AND evidence of having scored at the level of advanced low or higher on the ACTFL Oral Proficiency Interview.

**Master of Arts in Teaching Test Score Requirements**

A graduate candidate should earn a preferred score of 151 on the verbal portion of the GRE and a preferred score of 153 on the quantitative portion of the GRE and have a preferred combined score on these portions of the GRE of 304. A graduate candidate taking the Miller Analogies Test (MAT) should have a preferred score of 392.

**Admission to Teacher Education.** During the semester the graduate candidate will complete a total of 12 hours of graduate coursework; graduate candidates must be formally admitted to the Teacher Education Program. For admission graduate candidates are required to have completed no fewer than 6 hours of required education courses and at least 3 hours of content coursework. For formal admission to teacher education, the graduate candidate must:

1. Achieve a cumulative 3.0 grade-point average in graduate coursework;

2. Complete an application requesting formal admission to teacher education that includes an analysis of learning thus far in the MAT Program;

3. Complete a minimum of 25 hours of supervised Youth Experience with students within the age range of the certification level sought, e.g. grades K-12 or 9-12;

4. Submit a program of study that indicates the planned semester for MAT internship.

Graduate candidates may not complete more than 18 hours of graduate coursework without full admission to Teacher Education. When criteria have been met, the graduate candidate will receive a signed certificate of formal admission. A Teacher Education program fee of $250 will be billed to the candidate upon acceptance. Additional requirements may be referenced in the Teacher Education Handbook and the Internship Handbook.

**Admission to the Internship.** Graduate candidates must be formally admitted no later than one full semester prior to student teaching. Applications are due September 15 for the spring internship and January 15 for the fall internship.

All MAT candidates seeking to complete the Internship stage of the Teacher Education Program must meet the following requirements before being allowed to enroll in EDUC 690 School Internship and EDUC 695 Capstone:

1. Submission of an internship application to Student Academic Services;
2. Minimum cumulative GPA of 3.0 for coursework completed at Winthrop;
3. Completion of all required courses as specified by faculty in the major;
4. Documentation of passage of PRAXIS II examinations in the content area of certification;
5. Competency review indicating satisfactory completion of the Field Experience Midterm and Final Evaluations and, if appropriate, a satisfactory review of Teacher Education Profession Dispositions and Skills forms;
6. Completed disclosure statement regarding criminal or unethical conduct.
7. Signed recommendations from:
   - Faculty Adviser
   - Department Chair in the candidate’s major and/or Program Area designee.

**NOTE:** Before beginning full-time internship in the state of South Carolina, a teacher education candidate must obtain a clear fingerprint/FBI check.

**Traditional MAT**

*Competencies in this course may be covered in content area courses; graduate candidates should confer with their advisor before enrolling for this course.

*** Each area of specialization has completely different content area preparation. Each individual teacher candidate will have different required content area preparation based on what requirements have been satisfied at the undergraduate or graduate level prior to acceptance into the MAT program. Transcripts will be reviewed by the program areas and content area course deficiencies will be addressed by requiring students to take content area courses at the graduate or undergraduate level.

**Program Completion.** To complete the program, graduate candidates must meet the following criteria: (a) successful completion of a minimum of 36 semester hours of graduate coursework; (b) successful completion of all required coursework; (c) maintenance of a minimum grade-point average of 3.00; (d) successful completion of all field experiences and internships and the capstone course; and (e) completion of the Praxis II series examination in the graduate candidate's area of specialty (passing score required).

At the end of the internship semester, a program area committee completes a competency review of each intern's performance and recommends exit from the program. Exit criteria include the following: (a) passing scores on midterm and final internship evaluations and rubrics for internship work sample; (b) satisfactory review of any Professional Dispositions and Skills Forms; and (c) a minimum grade-point average of 3.0.

The following signatures will be on the recommendation for exit from the program:

1. Program area designee
2. Department chair in major
3. Chair, Department of Counseling Leadership and Educational Studies
4. EDUC 695 Faculty member
5. University supervisor
6. Mentor-teacher from the final internship (optional). (If there is a discrepancy, the mentor-teacher may be asked to sign the recommendation also.)

A signed recommendation for exit from the program is required in addition to items specified for program completion in the Graduate Catalog.

A passing score at the Acceptable level or above is required for the Internship Work Sample.
MAT, One-Year Option

This full-time MAT program allows students to earn a Master's degree and teaching certification in one year (three semesters: summer, fall and spring). The one-year option is designed exclusively for recent graduates with a bachelor’s degree in the fields of art, biology, chemistry, dance, English, French, math, social studies, Spanish, and theatre.

**MAT, One-Year Option Content Areas**

<table>
<thead>
<tr>
<th>Art (K-12)</th>

<th>English</th>
<th>French (K-12)</th>
<th>Mathematics</th>
<th>Social Studies</th>
<th>Spanish (K-12)</th>
<th>Theatre (K-12)</th>
</tr>
</thead>
</table>

**Admission Requirements.** Applicants to the MAT, One-Year Option program must hold a baccalaureate degree from an accredited college or university and must have completed that degree within one year of beginning the program. Additional admission requirements include:

1. undergraduate major in art, biology, chemistry, dance, English, French, history, mathematics, political science, psychology, Spanish, or theatre;
2. minimum 3.0 undergraduate GPA;
3. passing score on PRAXIS II content area exam;
4. submit official undergraduate transcript(s) for review to confirm all content requirements have been completed;
5. meet all additional requirements based on the content area (details below).

Please note that an Educational Studies minor will be required for admission for Summer 2018. Applicants for Summer 2017 are encouraged to take courses in the Educational Studies minor to reduce coursework during the program. Consult your academic advisor for more details. Applicants for summer 2018 will need to complete the educational studies minor. Consult the “minors” section of the current undergraduate catalog (page 140) for more details.

Applicants who do not meet these eligibility guidelines are welcomed and encouraged to apply to our traditional Master of Arts in Teaching program.

**Additional Admission Requirements for Specialization in K-12 Art**

This option includes education and art education courses leading up to the internship year. Required studio and/or art history courses not previously taken will need to be integrated into this program or taken prior to enrolling.

1. Must hold a baccalaureate degree, BFA or BA, from an accredited college or university;
2. Undergraduate major in art;
3. 9 hours of art education courses, taken in sequence: ARTE 348 in spring of sophomore or junior year, ARTE 528 in fall of junior or senior year, and ARTE 548 in spring of junior or senior year. Take these in place of studio or art history electives.
4. 3 hours non-western art history;
5. Passed Praxis II: ART CONTENT & ANALYSIS;

Applicants who do not meet these eligibility guidelines are welcomed and encouraged to apply to our traditional Master of Arts in Teaching.

Additional Admission Requirements for Specialization in 9-12 Biology

1. General admission requirements: Transcript evaluation of content requirements; One year time limitation – must begin program within one year of graduation; and 3.0 GPA, no Praxis I unless already attempted and not passed.
2. Pass the required PRAXIS II Content examination (visit www.ets.org/praxis for details)
3. Hold a degree in Biology that includes courses in the following areas:
   a. 24 hours in Biology to include exposure to all of the following areas: Basic Principles of Biology, Botany, Zoology, Microbiology, Genetics, Anatomy, Physiology, Ecology/Environmental Biology, and Evolution
   b. Scientific Processes or statistics course with emphasis on scientific research
   c. 6 to 8 hours in Chemistry
   d. 6 to 8 hours in Physics
   e. 3 to 4 hours in Geology
   f. 6 to 8 hours in mathematics
   g. At least 50% of the courses include associated laboratory experiences

Additional Admission Requirements for Specialization in 9-12 Chemistry

1. General admission requirements: Transcript evaluation of content requirements; One year time limitation – must begin program within one year of graduate; and 3.0 GPA, no Praxis I unless already attempted and not passed
2. Pass the required PRAXIS II Content examination (visit www.ets.org/praxis for details)
3. Hold a degree in Chemistry, Biochemistry or an equivalent program that includes courses in the following areas:
   a. 30 hours in chemistry to include exposure to all of the following: analytical chemistry, organic chemistry, physics, biochemistry, and inorganic chemistry;
   b. A lecture and lab experience in four of the five main areas of chemistry listed in (a);
   c. Three to four hours in biology (must include topics in molecular biology, bioenergetics, and ecology);
   d. Three to four hours in physics (must include topics in at least six of the following areas: energy, stellar evolution, properties and functions of waves, properties and functions of motions, properties and functions of forces, electricity, and magnetism);
   e. Three to four hours in geology/earth science (must include topics in geochemistry, cycles of matter, and energetic of earth systems); and
f. Six to eight hours in mathematics (must include coursework in calculus and statistics*).
   *the statistics requirement can be met through a scientific/research experience housed within the program.

**Additional Admission Requirements for Specialization in K-12 Dance**

1. General admission requirements: Transcript evaluation of content requirements; One year time limitation – must begin program within one year of graduation; and 3.0 GPA.
2. A graduate candidate should earn a preferred score of 151 on the verbal portion of the GRE and a preferred score of 153 on the quantitative portion of the GRE and have a preferred combined score on these portions of the GRE of 304. A graduate candidate taking the Miller Analogies Test (MAT) should have a preferred score of 392.

**Additional Admission Requirements for Specialization in 9-12 English**

1. General admission requirements: Transcript evaluation of content requirements; One year time limitation – must begin program within one year of graduation; and 3.0 GPA, no Praxis I unless already attempted and not passed.
2. Pass the required PRAXIS II Content examination (visit www.ets.org/praxis for details)
3. Hold a degree in English that includes courses in the following areas:
   a. 6 hours in Composition and Rhetoric
   b. 3 hours Composition and Rhetoric above 299-level with emphasis in theory and pedagogy
   c. Development of Modern English and Modern English Grammar (may be covered in one or more courses)
   d. 3 hours in each of the following areas of literature: British, American, World, and Adolescent
   e. 3 hours of additional coursework in literature
   f. Literary Criticism

**Additional Admission Requirements for Specialization in 9-12 Mathematics**

1. General admission requirements: Transcript evaluation of content requirements; One year time limitation – must begin program within one year of graduation; and 3.0 GPA, no Praxis I unless already attempted and not passed.
2. Pass the required PRAXIS II Content examination (visit www.ets.org/praxis for details)
3. Hold a degree in mathematics that includes courses in the following areas:
   a. Modern or abstract algebra
   b. Advanced Algebra Course (matrix or linear)
   c. 9 to 12 hour Calculus Sequence (not applied calculus)
   d. Advanced Geometry Course
   e. Applied Statistics Course
   f. 6 hours of additional mathematics numbered above the 299-level
Additional Admission Requirements for Specialization in K-12 Modern Languages (French or Spanish)

1. General admission requirements: Transcript evaluation of content requirements; One year time limitation – must begin program within one year of graduation; and 3.0 GPA, no Praxis I unless already attempted and not passed.
2. Pass the required PRAXIS II Content examination (visit www.ets.org/praxis for details)
3. Hold a degree in the appropriate language* that includes 24 credits in the appropriate language all above the six-hour introductory level.
4. Submit evidence of having scored at the level of advanced low or higher on the ACTFL Oral Proficiency Interview.

#Applicants who speak French or Spanish as their first language must present an undergraduate degree from an accredited university in the subject area they wish to teach. If the area of specialization is not in the proposed area of certification, applicants are advised to apply to the traditional MAT program offered at Winthrop.

Additional Admission Requirements for Specialization in 9-12 Social Studies

1. General admission requirements: Transcript evaluation of content requirements; One year time limitation – must begin program within one year of graduation; and 3.0 GPA, no Praxis I unless already attempted and not passed.
2. Pass the required PRAXIS II Content examination (visit www.ets.org/praxis for details)
3. Hold a degree in one of the following: History, Political Science/Government, Psychology, Sociology, Anthropology, Geography, or Economics that includes courses in the following:
   a. At least 18 hours above the 299-level in the social science fields
   b. Coursework in the following areas: US History, European History, World History (non-US and Non-European), Psychology, Sociology, Economics, Political science/government (to include US government), Geography, and Anthropology*

*Exposure to coursework in all areas (some above the 299-level) will be necessary to pass the state licensure tests and to meet the content expectations of the National Council for Social Studies teacher preparation standards. Candidates without comprehensive experiences will be referred to the traditional MAT program for additional coursework.

Admission to Teacher Education

For formal admission to teacher education, the graduate candidate must:
1. Pass first competency review at the end of summer C session;
2. Complete 25 hours youth experience by the end of June;
3. Submit a complete application to the Teacher Education Program by July 1;
4. Maintain 3.0 GPA; admission to Teacher Education occurs immediately after Summer session
5. Complete application for Field Experience and Internship in Summer D session
Admission to Internship
For formal admission, the graduate candidate must:
1. Achieve a minimum 3.0 grade-point average in graduate coursework;
2. Complete a successful competency review at end of fall semester.

NOTE: Before beginning full-time internship in the state of South Carolina, a teacher education candidate must obtain a clear fingerprint/FBI check.

*This course is required for secondary certification only. Students seeking K-12 certification (art, music, theatre, dance) are not required to take this course. Applicants are strongly encouraged to take this course at the undergraduate level before admission to the MAT, One-Year Option. Students not required to take this course will take 6 hours of electives.

** Students who have not taken Educational Psychology, Educational Assessment, and Content Area Reading and Writing at the undergraduate level will be required to take these courses as a part of the MAT One-Year program.

Certain courses may require participation in a pre- and post-semester orientation that follows the school district calendar. Contact the course instructor for specific requirements.

Master of Education in Educational Leadership
Graduate Program Coordinator: Walter Hart, 803/323-4710

Graduate study in educational leadership leads to a Master of Education (MEd) degree in educational leadership. This MEd program prepares graduate candidates to work as elementary and secondary school principals.
Admission Requirements. Applicants for admission to the Master of Education program in Educational Leadership must hold a bachelor's degree from an accredited college or university and must meet the following requirements to be eligible for consideration:

1. Submit the Application for Graduate Admission including a statement of goals;

2. Submit a copy of your current South Carolina State Department of Education Class III Professional Certificate or the equivalent from another state;

3. Have an undergraduate grade-point average of 3.0 on a 4.0 scale; OR Submit an official GRE score of 151 on the Verbal Reasoning section and 153 on the Quantitative Reasoning section, or an official score of 392 or above on the Miller Analogies Test (MAT).

4. Two letter of recommendation - you will be required to provide the names and email addresses of your current principal and district level administrator in the online admissions application. These two individuals will then receive an email asking them to complete the online recommendation form.

5. Complete a pre-entrance assessment based on the 7 standards of the National Board for Educational Administration. (Interview, presentation and writing sample).

Note: The first five admission items must be submitted before receiving the pre-entrance assessment information.

Pre-entrance interviews will be conducted once the application materials are received. The admissions committee considers all the requirements previously listed when making the admissions decisions. Applicants will receive notification of the Admissions Committee's decision from the Graduate School Office by mid-May. Admission to the Educational Leadership program is competitive. New admission classes will not exceed 25 candidates.

Graduate candidates who are admitted to the program may begin their core classes (EDUC 640 – Educational Research, Design and Analysis, EDUC 670 – Schooling in American Society, EDUC 681 – Advanced Educational Psychology) in the summer.

The MEd in Educational Leadership is offered in a cohort fashion with sequenced specialty studies being offered six to nine hours per semester. A candidate who drops out of the program will have to wait a full year to re-enroll on a space available basis.

**Total Semester Hours: 42**

To be eligible to graduate, a graduate candidate must satisfactorily complete all courses, field experience requirements, and a cumulative assessment which demonstrates that the candidate has successfully demonstrated proficiency in standards recommended by the specialized professional association for those preparing to become principals. An Educational Leadership committee must certify that the candidate has passed the cumulative assessment.

To be recommended for certification, the candidate must receive the required score (as determined by the South Carolina State Department of Education) on the Educational Administration Specialty Test of the PRAXIS Examination.

Transition Points for Master of Education in Educational Leadership:

I. Entrance to the Program
   - Admission screening
   - Professional dispositions self-assessment completed in first graduate course

II. Midpoint Assessment (12+ hours, prior to first internship)
   - Program of Study filed
   - 3.0 or higher cumulative GPA
   - Professional Dispositions review conference
   - Minimum score on a key assessment as specified by EDLD faculty

III. Exit from the program (42 hours)
   - 3.0 or higher cumulative GPA
   - Final review of Professional Dispositions
• Review of Internship I, II and III (EDLD 621, EDLD 622, and EDLD 623) evaluations (candidates must have at least a 3.0 cumulative GPA in these internships)

• Satisfactory score on comprehensive evaluation

Master of Education in Counseling and Development
Graduate Program Coordinator: Jennifer Jordan, 803/323-2456

Mission Statement. The mission of the Counseling and Development Program at Winthrop University is to provide an intellectually stimulating and supportive environment for the professional development of school and clinical mental health counselors who are committed to the skill sets and best practice in their roles as clinicians, advocates, and consultants. The program strives to prepare culturally competent, culturally sensitive, and ethical counselors to work effectively in a technological and pluralistic society. The faculty designs and delivers academic and clinical experiences for all our students in ways that recognize, respect, and value the diversity of students’ backgrounds, characteristics, beliefs, and abilities.

General Information. The Master of Education degree (M.Ed.) in Counseling and Development provides dynamic curricula for students interested in meeting the educational requirements for licensure as Licensed Professional Counselors (LPC) or licensure or certification as a School Counselor. Students choose a concentration in clinical mental health counseling (CMHC) or school counseling (SC); both concentrations are fully accredited by the Council for Accreditation of Counseling and Related Educational Programs (CACREP). The program is offered in a cohort format typically completed in two years. The structured program includes classroom, laboratory, and field-based education and training. The coursework includes a designated program of study for each concentration consisting of:

- Clinical Mental Health Counseling (60 semester hours)
- School Counseling (60 semester hours)

Master of Education Degree: Clinical Mental Health Counseling Concentration.
A clinical mental health counselor focuses on working with people to address the personal, familial, and social issues that interfere with their ability to cultivate healthy and productive lives. Clinical mental health counselors work in diverse settings such as: mental health, substance abuse, employee assistance programs, college counseling and career planning, and private practice settings. Upon receiving the M.Ed. in Counseling & Development, students will meet course requirements for eligibility to take the National Counselor Exam (NCE) to become a National Board Certified Counselor (NCC) and to make application for the Licensed Professional Counselor Intern (LPC-I) license in most states. To fully obtain licensure as a Licensed Professional Counselor one must practice for a minimum of two years post masters under the supervision of a Licensed Professional Counselor Supervisor.

Program Name Change. Effective fall 2010, the Community Counseling program changed the program title to the Clinical Mental Health Counseling program. The Clinical Mental Health Counseling program is accredited by the Council for Accreditation of Counseling and Related Programs (CACREP). The accreditation runs through October 31, 2016. (Note: The Clinical
Mental Health Counseling program is currently accredited under the 2001 standards for Community Counseling programs as a Community Counseling program. The CACREP 2009 standards combine the Community Counseling and Mental Health Counseling standards into standards for Clinical Mental Counseling programs. The counseling program intends to seek accreditation for this program as a Clinical Mental Health Counseling program when it comes up for reaccreditation, per CACREP guidelines). This change in title does not affect our CACREP accreditation status.

**Master of Education Degree: School Counseling Concentration.**
The school counseling program prepares graduates to meet the growing needs in P-12 students. Today’s professional school counselor provides effective psychological and behavioral interventions to support academic, career, and personal/social environments. The school counseling program prepares graduates to work as counselors in public and private P-12 school settings. Students satisfactorily completing the School Counseling concentration requirements and receiving a passing score on the PRAXIS specialty examination will be eligible for licensure or certification as a school counselor.

**Accreditation.** The Council for Accreditation of Counseling and Related Educational Programs (CACREP), a specialized accrediting body recognized by the Council for Higher Education Accreditation (CHEA), has conferred accreditation to the following program areas in Clinical Mental Health Counseling (formerly called Community Counseling) and School Counseling. Since accreditation is a voluntary endeavor, the accreditation of our programs demonstrates our commitment to provide rigorous and high quality training to students.

**Admission Requirements.**
- A bachelor’s degree from an accredited college or university
- Official transcript(s) of all college credit
- A preferred undergraduate grade-point average of 3.0 on a 4.0 scale
- Official Test scores
  - Graduate Record Examination score of 146 preferred on the Verbal Reasoning section and 140 preferred on the Quantitative Reasoning section, or
  - Miller Analogies Test (scale score of 392 preferred)
- Three recommendations
- Resume
- A brief statement of purpose articulating your reasons for pursuing a master’s in counseling and why you are a good fit for the field of counseling (1-2 pages)
- Background check (must be completed before an offer of admission can be extended)*
- On-campus interview (*Interviews will typically be conducted on the second Friday after the deadline. You must attend the interview to be considered for admission, so please save the date. The program coordinator will contact applicants who are invited for the interview with specific dates, times and locations.)*

* Before being fully admitted into the CSDV program you must complete a background check through SR&I at your expense. To begin background check, visit [http://www.srandi.com/](http://www.srandi.com/) and follow these instructions:
  1. Click “Get Started” at the top of the page
  2. Under ‘For New Request’ click the “Student” link
3. Complete all the required field which are indicated by an asterisk (*)
   - State (South Carolina)
   - College or School Name (Winthrop University)
   - College Program (CSL – Counseling)
   (The Program Year Classification and Student ID are optional fields)
4. Click “Next Step 2: About You”
5. Complete the Authorization for Release of Information
6. Sign and continue to make payment

Results of the background check must be available to the admissions committee prior to proceeding to the next step of the application process.

The Counseling and Development program at Winthrop University requires criminal background checks on all applicants recommended for admission. The purposes of such requirements include:

1. Assuring the public’s continuing trust in the counseling profession regarding the safety and well-being of clients;

2. To identify accepted applicants who have a criminal history that may preclude them from participating in clinical training programs, including but not limited to, care of clients in vulnerable populations; and

3. Putting applicants with a criminal history on notice that there may be an issue with respective licensing boards regarding the impact of the criminal history on their ability to obtain professional licensure.

Omission of required information, including failure to provide consent for the background check, or submitting false or misleading information by an individual in any communication with the counseling program may result in withdrawal of conditional acceptance. The program will respect the laws of the state of South Carolina or other state laws with regard to an individual having a sealed juvenile record and having no obligation to reveal records within the juvenile court system.

A final decision with regard to admission will be made only after careful review of factors including but not limited to:

1. The seriousness, circumstances, and frequency of the offense(s);

2. The relationship between the duties to be performed as part of the educational program and the offense(s);

3. The length of time that has passed since the offense(s);

4. Evidence of successful rehabilitation; and

5. The accuracy of any information provided by the applicant.
January 15 is the application deadline for summer admission. April 1 is the deadline for fall admission. All admission materials must be received by the Graduate School office on or before these dates.

Admission to the Counseling and Development Program is competitive. Promising applicants are invited for a group interview with the Counseling and Development Admissions Committee. The Admissions Committee considers all the requirements previously listed when making the admission recommendations, educational intentions, and interpersonal style, cognitive complexity, and ethical reasoning. Successful applicants will be notified of acceptance by the Dean of the Graduate School.

Transition Points
The three transition points within the counseling program are listed below and summarize the relationship with CACREP's curricular experiences and the graduate conceptual framework.

Phase I: Admission to the Counseling Program
- Admission screening
- Admission interview
- Admission
- Preliminary Program of Study

Phase II: Admission to Field Placement
- Program of study completed and filed
- Academic performance in good standing
- Professional fitness review conference

Phase III: Exit from the Program
- 3.0 or higher cumulative GPA
- Successful completion of the Internship Portfolio
- Verification of completed special project
- Satisfactory score on the comprehensive exam
- Exit survey

________________________________________
Graduate Certificate in School Counseling
Graduate Program Coordinator: Jennifer Jordan, 803/323-2456

This program is for candidates who hold a master’s degree in Community or Clinical Mental Health Counseling and wish to pursue certification as a school counselor. Upon completion of the program you will be recommended for a school counseling license in both South Carolina and North Carolina.

**Admission Requirements.** Applicants to the Certificate program must have graduated from a CACREP accredited program or one that follows the CACREP curriculum within the last 10 years. Applicants must also:

- Have transcript reviewed by the Winthrop Counseling Program faculty
- Participate in a personal interview with the counseling faculty
- Submit a video of a counseling session for review
- Background Check

**Program Requirements**

Upon acceptance to the program students must create a plan of study. A minimum of 12-21 hours of coursework are required in addition to the coursework already completed during your master's degree. Requirements for program completion include:

- Twelve required hours of coursework:
  - CSDV 613 Foundations and Ethical Issues in School Counseling
  - CSDV 615S School Counseling Program Planning, Consultation & Supervision
  - CSDV 611 School Counseling Internship I
  - CSDV 612 School Counseling Internship II
- The following 3-9 credit hours are required if not previous taken during the master's degree:
  - CSDV 622 Counseling Children and Adolescents
Graduate Certificate in Middle Level Education
Graduate Program Coordinator: Kelly M. Costner, 803/323-2478

Note: This program is currently only available to residents of South Carolina.

The 12-hour graduate professional certificate in Middle Level education will allow professional educators to gain pedagogical skills specifically focused on working with middle level students while providing the required add-on courses for middle level certification for those who meet the 15-hour content course and content exam requirements as outlined by the S.C. State Department of Education. Additionally, it will provide inservice teachers with the new S.C. DoE requirement of 3 hours in Content Area Reading & Writing in ML/SEC mandated by the Read to Succeed initiative (eff. 2016). This certificate program is appropriate for K-12, early childhood, elementary, and secondary educators seeking middle level add-on certification. The program provides students with the opportunity to expand their knowledge of effective strategies for working with young adolescents as advocated by the Association for Middle Level Education (AMLE).

Enrollment is open to:

1. Certified K-12 Educators with a current license who meet the admission requirements below, and
2. Current students in good standing enrolled in the MEd Curriculum & Instruction, MEd Special Education, or MEd Literacy programs at Winthrop University.

Admission Requirements. To be considered for admission to the Certificate program, applicants must submit the following:

Certificate-only seeking students:
- Online Graduate School application
- Copy of current South Carolina State Department of Education Class III Professional Certificate or the equivalent from another state.
- Official transcripts (sent directly to Winthrop University from the issuing institution) for evaluation.
- Minimum 3.0 undergraduate GPA OR an official score report for either one of the following tests:
  - The General Test of the Graduate Record Examination (GRE). Preferred GRE scores are 151 on the verbal reasoning section and 153 on the quantitative section.
OR

- The Miller Analogies Test (MAT). Preferred MAT score is 392.

Actively enrolled, degree-seeking Winthrop graduate students:
- Online Graduate School application

Courses in the program are not sequential; therefore, once students have met the admission criteria, they may enroll in the courses during any semester in which they are being offered.

Required Program

MLED 600 – Philosophy, Organization, and Curriculum of the Middle School (3)
MLED 610 – Early Adolescence in Contemporary Society (3)
MLED 630 – Pedagogy and Assessment in the Middle School (3)
READ 645 – Content Area Reading & Writing in ML/SEC (3)

Total: 12 Credit Hours

Each of these courses will be offered in an online delivery format on a fixed rotation.

---------------------------------------------

Master of Education in Middle Level Education
Graduate Program Coordinator: Kelly M. Costner, 803/323-2478

We are not currently admitting new students into the MEd in Middle Level Education program.

The Master of Education in middle level education is designed to provide the necessary young adolescent pedagogy and subject matter content needed by licensed teachers to be effective educators in middle grades. Courses emphasize the characteristics of middle age children, varying instructional strategies necessary to teach this age group and current content being taught in middle schools. Graduates of the M.Ed. in middle level education will be prepared to be curriculum and instructional leaders in contemporary middle schools.

Admission Requirements. Admission to the MEd in middle level education requires the applicant to:

1. Have an undergraduate grade-point average of minimum 3.0 on a 4.0 scale OR submit an official Graduate Record Exam (GRE) score or an official Miller Analogies Test (MAT) score. Preferred GRE scores are 151 on the Verbal Reasoning section and 153 on the Quantitative Reasoning section. A preferred score for the MAT is 392. (Applicants who have already taken other graduate level standardized tests such as the GMAT, as part of admission requirements to other programs may submit those scores for consideration in
lieu of the GRE or MAT score. Preferred scores for admission will be 21 verbal and 27 quantitative on the GMAT.)

2. Submit a verified copy of a current South Carolina State Department of Education Class III Certificate or the equivalent from another state.

3. Submit official transcripts (sent directly to Winthrop University from the issuing institution) for evaluation. Additional undergraduate course work may be required to strengthen the applicant’s academic credentials; and

4. Present two letters of recommendation to include a recommendation from the applicant’s current principal, assistant principal or other supervisor/professional educator.

**Total Semester Hours: 36-39**

*Degree candidates will select courses, with approval from their advisors, from one or more of the following areas: language arts, mathematics, science and social studies. The number of hours is flexible to reflect Association for Middle Level Education/NCATE-Approved Guidelines which stipulate that programs must meet the curricular needs of graduate candidates with varied professional backgrounds and experiences.

Candidates will be required to meet performance measures as specified below:

**Midpoint Assessment**

1. Program of Study filed,
2. 3.0 or higher cumulative GPA,
3. Successful completion of key assessment from EDCI 630,
4. Review of professional dispositions.

**Exit from the Program**

105
1. 3.0 or higher cumulative GPA,
2. Successful completion of a culminating portfolio,
3. Successful completion of key assessment from EDCI 690, and
4. Final review of professional dispositions.

Master of Education in Special Education Intervention
Graduate Program Coordinator: Brad Witzel, 803/323-2453

The Master of Education in special education intervention prepares the educational leader to build, lead, and participate in a response to intervention program and to coordinate and deliver evidence-supported interventions in the areas of behavior, literacy, and numeracy.

1. Applicants for admission to the Master of Education degree program in special education intervention must hold a bachelor's degree from an accredited college or university and must meet the following requirements to be eligible for consideration:

2. Submit the Application for Graduate Admission including a statement of professional goals;

3. Submit a copy of your current South Carolina State Department of Education Class III Professional Certificate or the equivalent from another state;

4. Have an undergraduate grade point average of 3.0 on a 4.0 scale; OR submit an official GRE score of 151 on the verbal reasoning section and 153 on the quantitative reasoning section, or an official score of 392 or above on the Miller Analogies Test (MAT).

During the program, candidates will be required to meet performance measures as specified below:

Entry to Capstone or Thesis
1. 3.0 or higher cumulative GPA,
2. Minimum grade of B in all SPED courses,
3. Minimum score of Target or higher on at least two key assessments as specified by SPED-Intervention faculty; and
4. Review of professional dispositions.

Exit from the Program (36 hours)
1. 3.0 or higher cumulative GPA
2. Review of professional dispositions; and
3. Artifact from SPED 694 or SPED 695 at the score Target or higher.

**Total Semester Hours: 36**

Graduate candidates seeking an endorsement or certification in special education should consult with an advisor.

To be recommended for certification, each graduate candidate must obtain at least the minimum score required by the South Carolina Department of Education on the appropriate Specialty Area Test of the PRAXIS Examination and complete the required courses as defined by the South Carolina Department of Education.

---

**Curriculum and Pedagogy**

**Master of Education in Curriculum and Instruction (ECED, SCED, ED TECH, and Teaching and Learning Specialization)**

**Graduate Program Coordinator: Crystal Glover, 803/323-4937**

The Master of Education in Curriculum and Instruction (M.Ed. C&I) is designed to meet the advanced educational needs of teachers in contemporary schools. The program has four options (graduate candidates choose one), is aligned in part with the National Board of Professional Teaching Standards, and addresses the critical issue of accountability in educational settings.
Candidates in the MEd in Curriculum and Instruction will have multiple clinical experiences and application is expected throughout the program. Access to a public school classroom is required.

**Admission Requirements.** To be eligible for admission to the Master of Education degree program in Curriculum and Instruction with graduate status, the applicant must submit the following criteria:

1. Copy of current South Carolina State Department of Education Class III Professional Certificate or the equivalent from another state. Applicants without the above certificate, including but not limited to international applicants and applicants to the educational technology option should submit documentation (e.g. letter from an administrator, transcript, etc.) indicating previous preparation and/or experience as a classroom teacher. (Note: Students will need access to a classroom setting for many classes in this program. The MEd in C&I is not a certification program.)

2. Minimum 3.0 undergraduate GPA OR a preferred official score of 151 on the Verbal Reasoning section and 153 on the Quantitative Reasoning section (post August 2011 exam) or a combined score of 900 or above (pre August 2011 exam) on the General Test of the Graduate Record Examination, or an official score of 392 on the Miller Analogies Test,

3. Statement of professional goals; and

4. Two letters of recommendation, at least one from a professional educator who has observed the applicant teach. Letters should reflect work with children and address the applicant’s leadership potential.

Candidates will be required to meet performance measures as specified below:

**Midpoint Assessment (18 hours)**

1. Program of Study filed,
2. 3.0 or higher cumulative GPA,
3. EDCI 635 data project satisfactorily completed; and
4. Successful review of professional dispositions.

**Exit from the Program (36 hours)**

1. 3.0 or higher cumulative GPA,
2. EDCI 637 (or 695) satisfactorily completed,
3. EDUC 650 or 651 Content Technology Project,
4. EDCI 636 Research Synthesis Project
5. Successful review of professional dispositions.

Graduate Professional Certificate Program – Learning Technologies
Graduate Program Coordinator: Marshall Jones, 803/323-2151

Note: This program is currently only available to residents of South Carolina.

This 12-hour graduate certificate allows students and professional educators to gain specialized skills needed to manage technology in teaching and learning. Through the appropriate skill-based learning and hands-on technology application, students will learn the theories and skills that are used in the evaluation, adoption, and diffusion of technologies that can solve problems of human learning. Students will learn both the appropriate use of current technologies and the skills to engage in environmental scanning to be able to prepare for future technologies. Additionally, professional educators working in corporate training offices and higher education institutions will learn to use and manage technology in their specific organizations. This program is appropriate for K-12 educators, school administrators, corporate trainers, faculty and staff working in higher education, or any person working in an education related field.

The entire program is offered online through a combination of synchronous and asynchronous online learning

Enrollment is open to:
1. Currently admitted Winthrop graduate degree-seeking students in good standing, and
2. Professionals who hold a baccalaureate degree and meet the admission requirements below.

Admission Requirements. To be considered for admission to the Certificate program, applicants must submit the following:

Certificate-only seeking students:

Our graduate certificate program does not require an education background but a bachelor’s degree is required for admissions. Certificate seeking students must meet the Master of Education in Curriculum and Instruction Admission Requirements (NOTE: letters of reference are not required for the certificate program) and complete the online graduate school application. Educators working in a K-12 environment should submit evidence of their current certification area (e.g. teaching or administrative license). Educators working outside of K-12 environments should submit a statement of their interest in the program and a description of their current or desired professional setting.

NOTE: Currently, admission to the certificate in Learning Technology is only available to residents of South Carolina.

- Online Graduate School application
• Copy of current teaching license if a K-12 certified educator. Applicants who are not certified teachers must submit a statement of their interest in the program and a description of their current or desired professional setting.
• Official transcripts (sent directly to Winthrop University from the issuing institution) for evaluation.
• Minimum 3.0 undergraduate GPA OR an official score report for either one of the following tests:
  • The General Test of the Graduate Record Examination (GRE). Preferred GRE scores are 151 on the verbal reasoning section and 153 on the quantitative section (post August 2011) or a combined score of 900 (pre August 2011 exam).
  OR
  • The Miller Analogies Test (MAT). Preferred MAT score is 392.

Actively enrolled, degree-seeking Winthrop graduate students:
Complete the online graduate school application. Select the Certificate in Learning Technologies as the program you wish to apply to. Contact the Graduate School office at 803/323-2204 or gradschool@winthrop.edu to request a promo code in order to submit your online application without incurring the $50 application fee.

Required Program

EDUC 641: Tools of the Educational Technologist (3 hours)
EDUC 643: Educational Technology Planning and Evaluation (3 hours)
EDUC 651: Connecting Curriculum and Technology (3 hours)

Choose either:

EDUC 650: Teaching and Learning with the Internet (3 hours). (Recommended for corporate training, educational administration and higher education).

EDUC 644: Strategies for Effective Application of Assistive Technology to Promote Learning (3 hours). (Recommended for K-12 educators.)

Total: 12 semester hours

Master of Education in Literacy
Graduate Program Coordinator: Kavin Ming, 803/323-4756

The Master of Education degree in literacy is designed to prepare the certified classroom teacher for literacy teaching and/or literacy coaching. Graduates of this program will meet South Carolina course requirements for certification as a literacy teacher and/or literacy coach.
NOTE:
1. To receive state certification as a literacy teacher, **two years** of successful teaching experience are required.

2. To receive state certification as a literacy coach, **five years** of successful teaching experience are required.

3. Candidates who complete the program without teaching experience will not receive certification in either area until they can document successful teaching experience as outlined in numbers 1 and 2 above.

In addition, graduates must have satisfactory scores on required PRAXIS examination(s). The M.Ed. in Literacy is offered in a cohort model, starting each summer, with a sequence of specialty studies offered each semester. A candidate who drops out of the cohort may have to wait a full year to reenroll.

**Admission Requirements.** Applicants for admission to the Master of Education degree in literacy must hold a bachelor’s degree from an accredited college or university, and should meet the following requirements to be eligible for admission:

1. Have completed a course in Children’s/Adolescent Literature (e.g., READ 290);
2. Satisfactory completion of a writing sample as prescribed by the M.Ed. program director;
3. Submit a copy of your current South Carolina Department of Education Class III Professional Certificate or the equivalent from another state;
4. Submit official transcripts of all undergraduate work reflecting a preferred minimum undergraduate grade-point average of 3.0 on a 4.0 scale. Official transcripts should be sent directly to Winthrop University from the issuing institution(s);
5. Submit an official GRE score of 151 on the Verbal Reasoning section and 153 on the Quantitative Reasoning section. In addition, submit official scores for the writing portion of the GRE (minimum score of 3.5). A Miller Analogies Test score of 392 or higher is also acceptable.
6. Present two letters of recommendation from professional references that relate to your professional goals;

**Program Entrance**
- Purchase LiveText at the Winthrop University Bookworm or online;
- Complete professional dispositions online, via LiveText, by the middle of the first fall semester. For details see: www.livetext.com
- Submit proof of International Reading Association (IRA) membership each year throughout the program.

**Transition One: Foundations (Minimum of 6 hours)**
- 3.0 or better in READ 605. A passing score of B or better is required for the final paper and presentation;
Transition Two: Midpoint (Minimum of 18 hours)
- 3.0 or higher cumulative GPA;
- Program of study filed;
- Successful professional disposition review conference;
- Passing score on the PRAXIS II Teaching Reading.

Transition Point: Endpoint (Minimum of 24 hours)
- 3.0 or higher cumulative GPA;
- Successful professional disposition review conference.

Exit from Program: (Minimum of 36 hours)
- 3.0 or higher cumulative GPA;
- Successful completion of final two practica (which include a successful disposition review conference by the literacy faculty, a positive disposition review by the supervising teacher or school administrator, and a final competency evaluation);
- Successful Capstone Project

Physical Education, Sport, and Human Performance
113
**Graduate Certificate – Current Trends in Physical Education & Health**

**Program Coordinator:** Dan Drane, 803/323-2123

**Note: Pending CHE approval.**

This 12-hour graduate professional certificate – Current Trends in Physical Education & Health - allows professional physical educators to obtain the special skills needed for supervising and analyzing teaching in physical education and health through online classes taught during the summer months. This program is appropriate for K-12 physical education/health teachers in public or private schools, school administrators, curriculum coaches, athletic coaches, and faculty and staff working in higher education with an interest in learning about current best practices for teaching and supervising physical education.

The entire program is offered online through a combination of synchronous and asynchronous online learning.

Enrollment is open to:
1. Currently admitted Winthrop graduate degree-seeking students in good standing, and
2. Professionals who graduated from a NASPE/NCATE-accredited (now Shape America/CAEP-accredited) baccalaureate program and meet the admission requirements below.

**Admission Requirements.** To be considered for admission to the Certificate program, applicants must submit the following:

Certificate-only seeking students:
- Online Graduate School application
- Copy of current teaching license if a K-12 certified educator. Applicants who are not certified teachers must submit a statement of their interest in the program and a description of their current or desired professional setting.
- Official transcripts (sent directly to Winthrop University from the issuing institution) for evaluation.
- Minimum 3.0 undergraduate GPA OR an official score report for either one of the following tests:
  - The General Test of the Graduate Record Examination (GRE). Preferred GRE scores are 151 on the verbal reasoning section and 153 on the quantitative section.
  - The Miller Analogies Test (MAT). Preferred MAT score is 392.

Actively enrolled, degree-seeking Winthrop graduate students:
- Online Graduate School application
Master of Science in Sport and Fitness Administration
Graduate Program Coordinator: Seth Jenny, 803/323-4828

The Master of Science in sport and fitness administration provides advanced degree seeking students with a quality sport and fitness administration education. The program prepares students to assume leadership positions in various sport and fitness venues in both facility and personnel management and program development. Graduates are prepared to direct sport and fitness programs in the private and public sectors. The program consists of core courses that provide students with a background in administration, research design and analysis, and current issues and trends in sport and fitness. All students are required to complete a practicum experience in sport or fitness administration along with a research project or thesis. Electives may be selected to meet the needs of graduate candidate's interest in sport or fitness administration. A maximum of nine (9) semester hours of graduate work may be transferred from another accredited institution.

Admission Requirements: In the addition to the general requirements for admission to graduate study at Winthrop, the applicant must:

- Submit a verified copy of a score on the Miller Analogies Test (preferred score of 392 or above) OR a preferred score of 146 on the Verbal Reasoning section and 140 on the Quantitative Reasoning section on the General Test of the Graduate Record Examination.

The College of Visual and Performing Arts

Dean: David Wohl
Graduate Director: Andrew Vorder Bruegge, 803/323-4850

The College of Visual and Performing Arts offers graduate programs in the following areas: the Master of Arts in arts administration, Graduate Certificate in Arts Administration, the Master of Music in conducting, the Master of Music in performance, the Master of Music Education and the Master of Fine Arts in Studio Art. Prospective students should contact the appropriate graduate program advisor for specific program information.

The College of Visual and Performing Arts is one of only seventeen university arts programs in the nation accredited in all the arts domains and the only comprehensive collegiate arts program nationally accredited in all the arts in the State of South Carolina, public or private. The College offers undergraduate and graduate degrees that meet rigorous professional standards. Our programs are accredited nationally by the National Association of Schools of Art and Design (NASAD), National Association of Schools of Music (NASM), the National Association of Schools of Dance (NASD), the National Association of Schools of Theatre (NAST), the Council for the Accreditation of Educator Preparation (CAEP), and the Southern Association of Colleges and Schools (SACS).

Students desiring initial certification in music or art at the graduate level may apply for admission to the Master of Arts in Teaching (MAT) degree program administered by the Richard W. Riley College of Education. Please refer to the College of Education section of this catalog for complete information.

Master of Fine Arts in Studio Art  
Graduate Program Advisor: Tom Stanley, 803/323-2653

The MFA program at Winthrop University develops and nurtures the artist’s voice. Winthrop’s Department of Fine Arts engages artists who can navigate ideas of the contemporary world. The MFA in Studio Art program demands focused research in traditional, interdisciplinary or emerging practices in visual and conceptual art.

Admission Requirements. All applicants to the Master of Fine Arts program must submit a digital portfolio representing the applicant’s studio artwork.

Materials and applications are due by March 1 for the fall semester or September 1 for the spring semester. Final admissions decisions cannot be made until all information has been received.

To be considered for admission to the graduate program, the applicant must:

1. Have an overall undergraduate grade-point average of 3.0 or better on a 4.0 scale;

2. Submit a written statement of purpose reflective of applicant’s creative goals in the intended area of study. As writing and communication skills are vital to a candidate’s success, this is an important component of the application. The statement should indicate how the applicant envisions his or her work developing and why it is important to pursue a graduate degree;

3. Submit a resume;

4. Have three original letters of recommendation submitted directly from art and design professionals;

5. Submit on CD/DVD containing up to 20 digital images, saved in jpeg format and named using the following convention: “lastname_01.jpg.” Images should be optimized for screen media (72 dpi) and be no larger than 2 MB each. Please also provide a corresponding printed image checklist consisting of titles, date, medium, description and small thumbnail for each work included in the portfolio. Of the 20 images, five images should demonstrate foundational competency in drawing; five should demonstrate foundational competency in area of specialization; and the remaining images should demonstrate what the candidate considers to be his or her best work. All items must be submitted directly to the Graduate School Office.

6. Arrange and participate in an admission interview with the MFA advisor and appropriate Fine Arts faculty.
A limited number of graduate assistantships and other awards are available for qualified applicants. Also, a limited number of graduate teaching positions may be available for qualified graduate students after they have completed 18 semester graduate hours.

Students are required to complete at least 60 semester hours of approved graduate-level work. At least half the work presented for the degree must be 600-level courses.

With approval of MFA advisor prior to end or the first semester, MFA students select a major professor; with the completion of 9 to 12 graduate credit hours from Winthrop, students must form a Graduate Committee and apply for Candidacy with Committee review of work; and at the end of 18 hours students must apply for Approval of Thesis Proposal together with a Candidacy exhibition and statement.

Note: Registration for GSTC 600, Continuing Graduate Studies, may be required. Check with advisor.

*A thesis project is required for the MFA degree in Studio Art, creative in content and including a written thesis statement that can be retained by the University. Upon completion of the thesis, students must pass an oral examination (to be completed at least two weeks prior to final examinations).

**Documented exhibition is required of every candidate for the MFA degree in fine arts.

**Master of Arts in Arts Administration**

**Graduate Program Advisor:** Andrew Vorder Bruegge, 803-323-4850

This graduate degree program is for individuals with experience in arts organizations who seek to enhance their effectiveness and increase their career opportunities as arts administration professionals. The emphasis of the degree is on leadership in not-for-profit arts organizations.
with special focus on the visual arts, dance, music, theatre, museum, cultural institution, and performing arts administration.

The 36-hour degree program consists of 18 weekend sessions (18 credit hours), research and practicum work (12 credit hours), and two one week-long summer institutes (6 credit hours) that are spread out over two years of half-time enrollment in the fall, spring, and summer. Classes meet on three weekends in the fall, three weekends in the spring, and three weekends along with one full week in the summer.

Winthrop University is a member of the Association of Arts Administration Educators (AAAE), the international professional organization that promotes standards of education in arts administration.

Mission Statement. The Master of Arts in Arts Administration program combines current theoretical study, and academic research, as well as applied practice to prepare reflective leaders to work with professional skill, creative initiative, and humane integrity in non-profit arts environments.

Admission Requirements. In addition to meeting Winthrop University general admission requirements for all graduate students, the applicant for admission to this program must show high promise of success in graduate study in arts administration as demonstrated by an essay, interview and documentation of work experience in the field. Ideal candidates come to the program with superior undergraduate achievement in an arts discipline, applied professional work in the non-profit arts environment, and an aspiration to advance to a leadership role in the field. The applied experience with a non-profit arts organization is essential for success in the program, because students will draw upon their work experience as context for the concepts, theories, knowledge, and materials presented in the curriculum. Moreover, students are expected to put their learning into practice in their professional lives.

Specifically, applicants should:

1. Hold a baccalaureate degree in an arts or business management discipline;

2. Have an overall undergraduate grade-point average of 3.0 on a 4.0 scale;

3. Have at least one year of professional work experience in a non-profit arts/cultural environment;

4. Submit an essay describing their background in a non-profit arts/cultural environment and their reasons for pursuing this degree program;

5. Submit a current curriculum vitae; and

6. Submit two letters of recommendation. Recommendations from arts and/or academic professionals who can speak about the applicant’s involvement in the non-profit arts field and the applicant’s academic research/writing skills are preferred.
Review of applications will begin on February 15 for Fall semester admission. Complete applications submitted on or before February 15 will receive priority consideration for admission. Complete applications received after that date will be reviewed and considered as space in the cohort permits.

All materials should be sent to the Graduate School, 211 Tillman Hall, Winthrop University, Rock Hill, SC 29733. Final admission decisions cannot be made until all information has been received. After credentials are reviewed, the program director will contact the applicant to schedule an interview. Interviews will be conducted between March 15 and April 30.

An applicant whose native language is not English must demonstrate proficiency (see “Graduate Admission for International Students”). Students desiring to participate in this degree program who do not have a bachelor’s degree in an arts or business management discipline may demonstrate life and work experience as prerequisite for admission.

Graduate Certificate in Arts Administration
Program Advisor: Andrew Vorder Bruegge, 803-323-4850

This low-residency certificate program is designed for individuals with fundamental, entry-level experience in non-profit arts organizations who seek to begin careers or enhance their
effectiveness as arts administration professionals. This certificate is ideal for individuals who want advanced credentials and professional connections without the larger time commitment and academic requirements of a master's degree. The weekend and online delivery allows students to develop their professional skills without compromising their family and career obligations.

The eighteen credit hour certificate program includes eighteen weekend sessions, spread out over two years of part-time enrollment. Classes meet on three weekends in the fall, three weekends in the spring, and three weekends in the summer. In the weeks between each module, students and faculty members connect online to develop assignments, share ideas, and reflect upon assigned readings. Course content includes: leadership and governance, marketing, sustainability, legal and ethical issues, as well as finance/budgeting. Certificate students have full access to all the university’s resources while they are enrolled in courses.

**Mission Statement.** The Graduate Certificate in Arts Administration program combines current theoretical study and applied practice to prepare reflective leaders to work in non-profit arts and culture environments.

**Admission Requirements.** In addition to meeting Winthrop University general admission requirements for all graduate students, applicants for admission must show high promise of success in graduate study in arts administration as demonstrated by an essay, documentation of education, and documentation of work experience in the arts or cultural environment. Ideal candidates come to the program with superior undergraduate achievement in an arts discipline, applied professional work in the non-profit arts environment, and an aspiration to advance to a leadership role in the field. The applied experience with a non-profit arts organization is essential for success in the program, because students will draw upon their work experience as context for the concepts, theories, knowledge, and materials presented in the curriculum. Moreover, students are expected to put their learning into practice in their professional lives.

Specifically applicants should:

1. Hold a baccalaureate degree from an accredited institution;
2. Have an overall undergraduate grade-point average of 3.0 on a 4.0 scale;
3. Have at least one year of work experience (professional or volunteer) in a non-profit arts/cultural environment;
4. Submit an essay describing their background in a non-profit arts/cultural environment and their reasons for pursuing this degree program;
5. Submit a current *curriculum vitae*; and
6. Submit two letters of recommendation. Recommendations from arts and/or academic professionals are preferred.

All materials should be sent to the Graduate School, 211 Tillman Hall, Winthrop University, Rock Hill, SC 29733. Final admission decisions cannot be made until all information has been received. Once students are admitted to this certificate program, they may begin their studies at the start of the next new course in the calendar.
An applicant whose native language is not English must demonstrate proficiency (see “Graduate Admission for International Students”).

**Admission to the MA Degree Program after the Certificate.** Upon successful completion of six hours, Graduate Certificate students may apply for admission to the Master of Arts in Arts Administration degree program. If accepted, all credits earned toward the graduate certificate will be applied to the degree program. All students enrolled in the MAAA degree program from the beginning will receive a Graduate Certificate in Arts Administration upon completion of the 18 credits shown below. They will then continue towards completion of the master’s degree.

Mark Lewis
Donald M. Rogers, Chair and Graduate Program Director
Admission Requirements for all graduate Music degrees. In addition to meeting Winthrop University general admission requirements for all graduate students, the applicant for admission to a graduate program in music should:

1. Have an overall undergraduate grade-point average of 3.0 on a 4.0 scale.

2. Submit an acceptable score on the verbal and quantitative sections of the General Test of the Graduate Record Examination, the Miller Analogies Test (MAT), or the PRAXIS II Examination in music education;

3. Take entrance diagnostic examinations in music theory and music history/literature. Applicants must demonstrate at least baccalaureate-level competence in music theory and music history/literature.

   Results of these examinations will be used to plan an appropriate program of studies for the student. In order to address any deficiencies, a student may be required to enroll in courses which will not count toward their graduate degree;

4. Perform an applied entrance audition on the major instrument. Students who do not pass the applied entrance audition will study at the undergraduate level. Graduate-level study must be attained by the end of the first semester.

5. Successfully complete a writing sample as prescribed by the graduate program director. Contact the graduate program director for additional information.

The applied entrance audition and all entrance examinations should be taken prior to the semester of initial enrollment in the graduate program. Auditions and examinations are scheduled in January, May and August of each academic year. Students will not be fully admitted until the audition and examinations have been completed.

Prospective students should contact Dr. Donald Rogers, 803/323-2255, or by email at rogersd@winthrop.edu to confirm their intent to perform the audition and take the diagnostic entrance examinations.

Additional entrance requirements for specific degree programs may be found under each degree section.

Comprehensive Examinations. Graduate students must pass written and oral comprehensive examinations covering all aspects of their graduate program. These examinations are to be scheduled at least four weeks prior to graduation. Students may not attempt the comprehensive examinations more than three times.

Graduate Assistantships. Graduate assistantships are available to full-time graduate students with full admission status in the following areas: accompanying, choral, instrumental, music theory, percussion, Music Library, music technology, and music education.
Assistantships may not be available in all areas every semester. For more information, contact the Graduate Program Director in Music.

Master of Music in Conducting
Choral or Wind Instrumental Track
Graduate Program Advisor: Donald M. Rogers, 803/323-2255

Admission Requirements. In addition to the general admission requirements for all graduate degrees in music, the Master of Music degree in conducting requires that all applicants hold a baccalaureate degree with a major in performance or music education from an accredited institution.

The candidate must also perform an entrance audition in conducting to be arranged through the appropriate conducting faculty. The audition should consist of standard repertory and include representative works from various historical periods and styles. Students not accepted for graduate level study should register for undergraduate credit for one semester before re-auditioning for the graduate program.

Applicants for both choral and wind instrumental emphases should also possess: a keyboard proficiency equal to that required of an undergraduate degree in performance or music education and a proficiency in a major instrument required of graduates in the appropriate undergraduate degree program (choral - piano, organ, or voice; instrumental - wind instrument or percussion).

Applicants for the choral emphasis should also possess a diction proficiency in liturgical Latin and either French, German or Italian.

**Total Semester Hours: 34**

At least one-half of the work presented for a graduate music degree must be in course work at the 600 level. Registration for GSTC 600 (Continuing Graduate Studies) may be required. Check with advisor.

**Comprehensive Examinations.** At least two weeks prior to final examinations, music graduate students must pass written and oral examinations covering all aspects of their graduate program. Students may not attempt the comprehensive examinations more than three times.

**Performance Requirements for Graduation.** At the culmination of applied study and near the end of the degree program, at least two weeks prior to final examinations, the student will present a full conducting recital as part of the degree requirements. Students meeting degree performance requirements must be enrolled for applied music study in the semester or term in which the recital is given.

---

**Master of Music in Performance**

**Graduate Program Advisor: Donald M. Rogers, 803/323-2255**

**Admission Requirements.** In addition to the general admission requirements for all graduate degrees in music, the Master of Music degree in performance requires that all applicants hold a baccalaureate degree with a major in performance, or its equivalent, from an accredited institution.
