

H. FINANCIAL AID

Aid Awarded to Enrolled Undergraduates
 Enter total dollar amounts awarded to enrolled full-time and less-than-full-time degree-seeking undergraduates (using the same cohort reported in CDS Question B1 - total degree-seeking undergraduates) in the following categories. (Note: If the data being reported are final figures for the 2010-2011 academic year (see the next item below), use the 2010-2011 academic year's CDS Question B1 cohort.) Include aid awarded to international students (i.e., those not qualifying for federal aid). Aid that is non-need-based but that was used to meet need should be reported in the need-based aid column. (For a suggested order of precedence in assigning categories of aid to cover need, see the entry for "non-need-based scholarship or grant aid" on the last page of the definitions section.)
