

Fall Freshmen to Sophomore Retention Rate by College

First time freshmen retention from fall 2019 to fall 2020 increased in all colleges with the exception of the College of Arts and Sciences, however, variations by year are slight and as a result unstable. Five year averages are more reliable indicators of retention by college.

Table of First Time Freshmen Fall 2019 to Fall 2020 Retention by Major (this is not retention in the major, rather it is the percentage of students who began their freshmen year in the fall of 2019 and were retained at the institution for fall of 2019).
