

**PROHIBITION OF TEXT MESSAGING AND EMAILING
WHILE DRIVING DURING OFFICAL FEDERAL
GRANT BUSINESS**

Federal grant recipients, sub recipients, and their grant personnel are prohibited from text messaging while driving a government owned vehicle, or while driving their own privately owned vehicle during official grant business, or from using government supplied electronic equipment to text message or email when driving.

Recipients must comply with these conditions under Executive Order 13513 “Federal Leadership on Reducing Text Messaging While Driving” (10/1/2009).

Therefore, all Winthrop McNair program staff, Scholars, alumni, Mentors, or chaperones are prohibited from texting while driving any vehicle funded, authorized, or otherwise supported by the program. Before traveling on Winthrop McNair program business, you must sign and date your signature below to indicate that you agree to comply with these conditions. Your signature obligates you to comply with this no-texting-while-driving policy from this day forward.
