Deploy a Test or Survey

Overview

This tutorial will explain how to Deploy a Test or Survey. After you Create a Test or Survey, the Test or Survey remains unavailable until you Deploy it by adding a link to it in a Content Area or Learning Module.

Quick Steps

Content Area/Learning Module > Assessments > Test/Survey > Add an Existing Test/Survey > Submit > Set Options > Submit

Step 1

Navigate to the Content Area or Learning Module where you want to Deploy a Test or Survey, hover over Assessments on the Action Bar, and select the appropriate option [1].
Step 2

On the Create Test (or Survey) page, in the Add Test section, select a completed Test or Survey from the Add an Existing Test (or Survey) list.

Step 3

Click the Submit button.

![Submit Button](image)

Step 4

The Test or Survey Options page will open. You can manage the availability and display options for the Test (or Survey) from this page.

Refer to the Test or Survey Options page for a detailed explanation of the test options.
Step 5

Click the Submit button.

Step 6

A link for the test or survey will be added to the bottom of the Content Area or Learning Module.
