Motorcoach Transportation for Winthrop University Lacrosse Team.

Vendor must provide a **Type A – “Motor Coach”**. The standards of service prescribed herein are a minimum and are predicated upon reasonable and adequate advance notice to the carrier of service of services to be performed. In emergency situations, carriers will endeavor to comply with the prescribed standards as circumstances permit.

The vendor is responsible for transportation must provide driver consistency. This means that the drivers must become familiar with the drop-off and pick-up locations at arenas, know how to navigate game-day traffic, and know how to connect with campus police for escorts. Additionally, the drivers must exhibit professionalism, integrity, and safety measures. They must have team travel experience and be responsible for stopping at restaurants, picking up food, and occasionally making return trips to a hotel, school, or restaurant for a forgotten item. Winthrop reserves the right to request new driver if not satisfied with their performance.

Temperature control. In areas and during seasons where required for the comfort of passengers, buses must be equipped with air conditioning and heating units. The interior temperature of the coach must be so controlled as to always ensure passenger comfort regardless of seasonal weather conditions.

Cleanliness and serviceability of equipment. Prior to the departure of buses from their garaging point, they must be serviced as to be in proper operating condition, with the interior and exterior thoroughly cleaned.

Clean and sanitized headrest prior to each trip.

Lighting. Buses must be equipped with adequate lighting to serve the needs of the individual passenger.

Non-smoking. No smoking must be permitted on the motor coach during travel.

Specifics travel times will be confirmed after award.
