February 18, 2005  
Tillman 308, 2:00 p.m.

- I. Approval of the January 14, 2005 minutes. See attached.
- II. Chair's remarks. Frank Pullano
- III. VPAA's remarks. Dr. Tom Moore
- IV. Committee Reports
  - a. Committee on Undergraduate Instruction: Jo Koster
  - b. General Education: William Seyfried

The English department has renumbered Engl 302 to Engl 507 ("The History and Development of Modern English") and thus requested that Engl 302 be dropped from the list of courses that satisfy the historical perspective component of Gen Ed and that Engl 507 be added to the list of courses that satisfy the history component of Gen Ed.

Anthropology has requested that a new course (Anth 220, "Introduction to Archaeology") satisfy the natural science component of Gen Ed. The chairs of Biology and Chemistry-Physics-Geology both support this proposal.

- V. Old Business
  - Discussion of the 36 hour rule for Bachelor of Arts degrees. Report from Karen Jones.
- VI. New Business
- VII. Announcements
- VIII. Adjournment
