Suspension Policy

Donna Nelson reported for the ad-hoc committee. The Committee finalized its study and presented the following recommendations:

Based on our study, the committee recommends that Winthrop's suspension policy remain unchanged. We secondly recommend that the registrar include the language of the above options within the letter itself sent to the student, highlight those options for petition, and enclose a copy of the university's options as stated in the catalog. We finally recommend that the Committee on Undergraduate Petitions continue its policy to consider carefully student petitions that either 1) document extenuating circumstances, or 2) demonstrate mature consideration and a clearly thought out plan from a student who asks for permission to apply credits earned at another institution during a suspension period to his or her Winthrop degree.

The Council discussed the three recommendations and the role of suspension. After discussion, the recommendations were approved.
