Purpose

The purpose of this catalog is to provide a general description of Winthrop University and its various academic units and to present detailed information regarding the undergraduate curricula which are offered. Inasmuch as the educational process necessitates change, the information and educational requirements in this catalog represent a flexible program which may be altered where such alterations are thought to be in the mutual interest of the University and its students.

The provisions of the catalog do not constitute any offer of a contract which may be accepted by students through registration and enrollment in the University. The University reserves the right to change without notice any fee, provision, offering or requirement in this catalog and to determine whether a student has satisfactorily met its requirements for admission or graduation.

Student Responsibility

All academic units establish certain academic requirements that must be met before a degree is granted. Advisors, department heads, and deans are available to help the student understand and arrange to meet these requirements, but the student is responsible for fulfilling them. If, at the end of a student's course of study, the requirements for graduation have not been satisfied, the degree will not be granted. For this reason, it is important for each student to acquaint himself or herself with all academic requirements throughout his or her college career and to be responsible for completing all such requirements within prescribed deadlines and time limits.

Winthrop University offers equal opportunity in its employment, admissions, and educational activities.

INTRODUCTION

History

In 1886, Superintendent of Schools David Bancroft Johnson founded Winthrop University in Columbia, South Carolina, as a training school for teachers. With the backing and support of The Honorable Robert C. Winthrop, Chairman of the Peabody Educational Fund, the Winthrop Training School was established and began operations on November 15, 1886. Seventeen students were enrolled in the school that was housed in the chapel of the then defunct Presbyterian Theological Seminary.

In 1887, through the efforts of Governor John P. Richardson, the Legislature granted a charter to the school and provided scholarships for one student from each of the 34 counties in the state. At the urging of President Johnson and with the support of Governor Benjamin Ryan Tillman, Winthrop became a state-supported institution in 1891, and the name was changed to “The South Carolina Industrial and Winthrop Normal College.” In 1893, the college became known as “The Winthrop Normal and Industrial College of South Carolina” and the decision was made to move the college to Rock Hill.

On October 2, 1895, Winthrop opened its doors in Rock Hill with 300 students and 20 instructors. The college grew to become one of the largest women’s colleges in the country. The name was changed to “Winthrop College, The South Carolina College for Women” in 1920. As early as 1955, the Board of Trustees went on record as favoring co-education. Complete co-education was not achieved until 1974 when legislation changed the name to “Winthrop College” and men were admitted on a residential basis. In keeping with Winthrop’s function as a comprehensive institution, in 1992 the name was changed to “Winthrop University.”

Mission Statement

Building on its origins as a women’s college and its history as a teacher preparation institution, Winthrop University has broadened its mission and has achieved national recognition as a competitive and distinctive, public, residential comprehensive teaching institution that aspires to be among the very best institutions of its type in the nation.

The university provides personalized and challenging undergraduate, graduate and continuing professional education programs of national caliber within a context dedicated to public service to the state of South Carolina. All eligible bachelor’s, master’s and specialist degrees in the liberal arts and sciences, education, business and the visual and performing arts are nationally accredited.

Winthrop enrolls an achievement-oriented, culturally diverse and socially responsible student body of 6,100 students and will remain a medium-sized comprehensive teaching university of between 5,000 and 7,000 students for the foreseeable future. The University recruits South Carolina’s best students as well as highly qualified students from beyond the state whose presence adds diversity and enrichment to the campus and state. Winthrop prides itself on being an institution of choice for groups traditionally under-represented on the college campus.

Winthrop’s historic campus, located in a growing city within a major metropolitan area, provides a contemporary and supportive environment that promotes student learning and development. Winthrop has a diverse faculty and professional staff of national caliber and supports their work as effective teachers, scholars, researchers, practitioners and creative artists. Through this talented group, Winthrop students acquire and develop knowledge, skills and values which enrich their lives and prepare them to meet the needs and challenges of the contemporary world, including the ability to communicate effectively, appreciate diversity, work collaboratively, synthesize knowledge and adapt to change. Ongoing assessment of programs, and services, ensures both that all academic programs challenge students at their highest level of ability and that the library, instructional
technology and other academic service areas support courses of study that are consonant with current methods and knowledge. As a result, Winthrop graduates are eminently well-prepared to assume successful careers in business, industry, government, education, the arts and human services, as well as to enter the most competitive graduate or professional schools.

Accreditation

Winthrop’s academic programs are measured by national standards of quality. Winthrop University is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools (1866 Southern Lane, Decatur GA 30033-4097; Telephone Number 404-679-4501) to award bachelor’s, master’s and specialist degrees. Winthrop was last accredited in 2001.

Winthrop offers 59 academic programs of which 42 are eligible for national specialized accreditation. Of those 42 eligible programs, one-hundred percent have received national accreditation.

Winthrop is accredited by the following specialized agencies:

- Accrediting Council on Education in Journalism and Mass Communication (ACEJMC)
- Association of Graduate Liberal Studies Programs (AGLSP)
- Association to Advance Collegiate Schools of Business (AACSB)
- Commission on Accreditation for Dietetics Education (CADE)
- Computing Accreditation Commission of the Accreditation Board for Engineering and Technology, Inc. (CAC/ABET)
- Council for Accreditation of Counseling and Related Educational Programs (CACREP)
- Council on Social Work Education (CSWE)
- Foundation for Interior Design Education Research (FIDER)
- National Association of the Education of Young Children (NAEYC)
- National Association of Schools of Art and Design (NASAD)
- National Association of Schools of Dance (NASD)
- National Association of Schools of Music (NASM)
- National Association of School Psychologists (NASP)
- National Association of Schools of Theatre (NAST)
- National Council for the Accreditation of Teacher Education (NCATE)

Documents of accreditation reside in the Office of Academic Affairs.

Campus

Winthrop’s tree-lined 100 acre main campus encompasses a rich architectural blend of buildings, and is included in the National Register of Historic Places. Johnson Hall, which houses the departments of mass communication and theatre and dance, has some of the finest training and performance facilities in the Southeast. Features include a 331-seat main theatre, experimental theatres, large dance studios and modern editing labs. Withers/W.T.S., a renovated structure housing the Richard W. Riley College of Education, is known for its distinctive Gothic architecture. Rutledge Building and the Conservatory of Music, both of which serve the College of Visual and Performing Arts, were renovated to include new classrooms, gallery and performance space, studios and learning labs. Thurmond Building, home to the College of Business Administration, has one of the most up-to-date distance learning transmission facilities in the region. Winthrop’s first new building in more than a decade, the Life Sciences Building, was completed in time for fall semester 1999. The building provides academic space and laboratories for biology and human nutrition. Most recently, Sims Building benefitted from a $7 million renovation to upgrade offices, classrooms, and labs for use by the department of chemistry, physics and geology. The campus’s computing infrastructure provides state-of-the-art learning facilities,
including Internet access from all campus buildings and residence halls.

About half of Winthrop’s students live on campus, only a short walk away from classrooms, the cafeteria, art galleries, Dacus Library and Dinkins Student Center. The 325-acre recreational area surrounding the Winthrop Lake consists of a modern 6,100-seat sports coliseum, a 9-hole golf course, an 18-hole disc golf course and numerous athletic fields. Peabody Gym, on the main campus, houses a wide variety of training and recreational facilities, including an indoor pool.

Profile

Winthrop University is a comprehensive, teaching university with competitive admission that offers challenging academic programs of national caliber. Many students completing their degrees go on to graduate study, and a substantial number, having enjoyed their stay as undergraduates, continue in graduate programs at the University.

Summer School

Winthrop University’s summer school is composed of an intensive 3 week Maymester, two 4 1/2 week sessions and a 9 week session that allows students to take advantage of many summer opportunities. The summer program reflects the same educational goals as those of the regular academic year. Winthrop summer sessions also provide special advantages in allowing both current and new students an opportunity to accelerate their work toward a degree or to pursue academic directions they have been unable to explore during the regular school year.

ADMISSIONS

Winthrop University admits all qualified applicants and offers equal educational opportunities regardless of race, color, sex, age, national origin, religion, or disability.

Admission to Winthrop is competitive. Enrollment is maintained at a level that permits personal interaction between student and professor and allows Winthrop to offer an exemplary undergraduate education. Winthrop carefully reviews each applicant on an individual basis and the admission process is designed to determine the right match between high-achieving students and the distinctive educational opportunities offered at Winthrop University.

All applicant files are reviewed by the Office of Admissions and this office is solely responsible for rendering the admissions decision. Requests for information may be directed to the Office of Admissions, Winthrop University, Stewart House, Rock Hill, South Carolina 29733; telephone: (800) 763-0230 or (803) 323-2191; Web: www.winthrop.edu/admissions.

Freshman Applicants

Freshman applicants are evaluated using the following criteria:

Primary criteria - will always be considered
• high school performance (with emphasis on grade point average earned on the required high school prerequisites)
• level of course work
• completion of high school course prerequisites
• standardized test scores (SAT or ACT)
• guidance counselor recommendation

Secondary criteria - will be considered if submitted
• letter(s) of recommendation
• factors (extenuating circumstances) affecting performance in classes
• essay or personal statement
• extracurricular activities
• personal interview

The admissions review process includes the evaluation of each individual student's application and academic credentials. The most important factor is achievement in high school courses, including the type of courses a student has completed and the grades earned, followed by performance on the SAT or ACT. Students must also complete the 20 course prerequisites required by the State of South Carolina (see list below). Recommendations and activities are also considered.

Students who have been out of high school for five or more years are not required to take the SAT or ACT, or submit a guidance counselor recommendation. Applicants must also meet the Commission on Higher Education high school course prerequisites if they graduated from high school after 1987.

All students who enroll in a baccalaureate degree program must possess a high school diploma or G.E.D. certificate. With the exception of students who are home schooled, Winthrop does not accept experience in lieu of a high school diploma or G.E.D. certificate.

Required High School Courses for Freshmen Applicants

English: 4 units. At least two having strong grammar and composition components, at least one in English literature, and at least one in American literature (completion of college preparatory English I, II, III, & IV meets these requirements).
Mathematics: **3 units.** Includes algebra I (for which applied mathematics I and II may count together as a substitute, if a student successfully completes algebra II), algebra II and geometry. A fourth higher-level mathematics course is strongly recommended. The fourth course should be selected from among algebra III/trigonometry, precalculus, calculus, statistics, or discrete mathematics.

**Laboratory Science: 3 units.** Two units must be taken in two different fields and selected from among biology, chemistry, or physics. The third unit may be taken from the same field as one of the first two units (biology, chemistry, or physics) or from any laboratory science for which biology and/or chemistry is a prerequisite. Courses in earth science, general physical science, or introductory or general environmental science for which biology and/or chemistry is not a prerequisite will not meet this requirement.

**Social Science: 3 units.** One unit of U.S. History is required; a half unit of economics and a half unit of government is strongly recommended.

**Foreign Language: 2 units.** Two units of the same foreign language.

**Physical Education or ROTC: 1 unit.**

**Electives: 4 units.** Four college preparatory units must be taken from at least three different fields selected from among computer science, English, fine arts, foreign languages, humanities, laboratory science (excluding earth science, general physical science, general environmental science or other introductory science courses for which biology and/or chemistry is not a prerequisite), mathematics above the level of algebra II, and social sciences. It is suggested that one unit be in computer science which includes programming (i.e., not just keyboarding) and one unit in fine arts (appreciation of, history, or performance).

**Home Schooled Applicants**

Home schooled applicants should submit the following credentials: transcript (or other record of completed work) which shows name of the completed courses, credit earned and grades earned; and an official copy of SAT or ACT scores.

Students who are home schooled must complete the 20 high school courses prerequisites required by South Carolina (see section above). Applicants will be evaluated on an individual basis using the following credentials: course selection, earned grades and SAT or ACT score. Letters of recommendation, an essay or personal statement, and/or a personal interview will also be considered if submitted.

**Special Admissions**

The University provides a provisional admission program to a limited number of freshman applicants. (The program is only offered to students who enroll in the fall semester.)

The **Learning Excellent Academic Practices (LEAP) Program** will provide academic support throughout the first semester at Winthrop. Students who satisfy the criteria for successful completion of the fall program will be granted regular admission for the spring semester. Upon the discretion of the program director, some students will be allowed to return for the spring semester and will receive additional academic support during the term. Students who do not successfully complete the spring semester will not be allowed to return to Winthrop.

All LEAP program participants are assessed a **$300 fee** in addition to tuition and fee charges. This fee will appear on the fall semester bill.

**Transfer Applicants**

Applicants who have taken college-level course work in a degree-seeking status after graduating from high school are classified as transfer students when making application for admission to Winthrop University, regardless of whether the course(s) will transfer for credit.
1. Transfer applicants who have attempted 30 semester hours (48 quarter hours) or more of course work at a regionally accredited institution must present a minimum cumulative grade-point average of 2.0 on a 4.0 scale.

2. Transfer applicants who have earned fewer than 30 semester hours must submit a high school transcript along with standardized test scores. In addition to performance in college, applicants are evaluated on their high school academic record and test scores (SAT or ACT).

3. All transfer applicants must be eligible to return to the last post-secondary school attended.

4. Transfer applicants must have official copies of all college course work (part- or full-time attempted or completed) from every institution attended (whether or not credit was earned or desired) sent directly from the registrar of each regionally accredited institution to the Winthrop University Office of Admissions.

Winthrop will consider on an individual basis transfer applicants whose cumulative GPA is below the required 2.0 (typically 1.9 on a 4.0 scale). Applicants can be considered for provisional admission if one of the following conditions applies:

1. Early course work adversely affected the cumulative GPA; course work completed most recently is satisfactory.

2. The cumulative GPA was earned as a result of an event that affected an applicant's performance in one semester. The pattern of achievement prior to or since that event supports the applicant's potential for success.

Transfers who are provisionally admitted must complete twelve hours during the first semester at Winthrop with a 2.0 GPA in order to continue their enrollment.

**Undergraduate Transfer Credit Policy**

Winthrop University, in general, accepts transfer course credit from other institutions of higher education under the following conditions:

1. The course work must have been taken at an institution that is accredited by the commission on colleges of a regional accreditation agency.

2. The subject matter and the level of the course must be appropriate to Winthrop's general education curriculum or the program into which the student is transferring.

3. The grade that is received for the course must be at least a C or a grade with a minimum level equivalent to a C.

In general, credit is not granted by transfer for vocational, remedial, or developmental courses unless the forwarding college granted credit and Winthrop offers essentially the same courses for credit. Courses comparable to MATH 100, READ 100, and WRIT 100 may not be applied toward a degree.

Transferring students who have completed course work in general studies programs are permitted to transfer only 15 semester hours of selected courses from such programs into any curriculum at Winthrop. The selection of the courses and the applicability to the curriculum is determined by the academic division receiving the student.

The University does not evaluate transfer credit from foreign institutions. Admitted international students must secure the evaluation of credit from an independent credit evaluation service. Students are responsible for initiating the evaluation and should request that the results be mailed to the appropriate student services offices for the intended major. The individual college at Winthrop makes the final determination of the applicability of the accepted credit to the student's degree program.

Only 65 semester hours from a two-year college may be applied toward a baccalaureate degree program at Winthrop.

A transfer student must earn at least 31 semester hours of course credits at Winthrop
to complete requirements for an undergraduate degree (see Residence Requirements).

Transfer credit is not used in computing a student's grade-point average at Winthrop. However, it is used in computing eligibility for academic honors.

The Admissions Office will evaluate military credit using the current edition of the Guide to the Evaluation of Educational Experiences in the Armed Forces. The academic college will make the final determination of the applicability of the acceptable credit to the student's degree program.

Winthrop University will consider experiential credit using the recommendations of the American Council on Education's College Credit Recommendation Service (CREDIT).

International Applicants

International students must submit the following materials before an admissions decision can be made. To insure applications will be processed promptly, follow these instructions carefully.

Official Copy of Transcript(s). Transcripts must be mailed to the Winthrop University Office of Admissions directly from the secondary school or college/university attended. If these transcripts are in a language other than English, the school must also submit a certified English translation of the transcript. Documents must be originals or certified copies and cannot be returned after receipt in the Office of Admissions.

English Proficiency. Verification of English proficiency is required for international students (if English is not the native language). Documentation of proficiency of the language can be provided by submitting one of the following credentials:

1. TOEFL (Test of English as a Foreign Language) score of 520 (paper-based test) or 190 (computer-based test). An official copy of the TOEFL score must be mailed from the College Board. We cannot accept a copy of the TOEFL score.

2. The ELS Language Center English proficiency level of 109 can be substituted for the TOEFL. Documentation must be mailed directly from the ELS Center.

3. Two semesters of English composition taken at an American college/university and completed with a minimum grade of “C” in both courses can be substituted for the TOEFL.

4. A certificate mailed from an English as a Second Language (ELS) Program showing successful completion of the ESL program can be substituted for the TOEFL.

5. Freshman applicants who will graduate from an American high school can substitute a SAT verbal score of 430 or higher for the TOEFL.

6. Advanced Placement International English Language (APIEL) score of 3. An official copy of the APIEL score must be mailed from the College Board.

Certification of Support. This form must be submitted with the application for admission, along with the required bank statement showing funds available in U.S. dollars. The bank statement must be the original document - copies cannot be accepted - and cannot be dated more than one year prior to the student’s enrollment at Winthrop. Other than athletic or talent based scholarships, Winthrop offers limited financial assistance to international freshmen only. Students must, therefore, be prepared to fully support themselves during their study at Winthrop University. Applicants for freshman admission can be considered for the President's Scholar Award if they have earned an above average high school/secondary record and SAT score of 1100 (or ACT score of 24). The President's Scholar Award is valued at $1,500 per academic year and is renewable with a minimum cumulative grade average of 3.0. Non-residents of South Carolina who receive this scholarship will also receive a waiver of the out-of-state fee.

Health Form. This form must be completed and on file in Health Services along with
complete immunization records prior to registering for classes.

International Application Deadlines
- July 1 for admission in the fall (August) semester.
- November 15 for admission in the spring (January) semester.

New Start
New Start is a service-oriented program for students 25 years or older. New Start students range in age from mid 20s to 80s. They may be continuing undergraduate work begun some years ago, or they may be enrolling in college for the first time. In either case, the New Start program gives these students the information and assistance they need to explore the many educational opportunities available at Winthrop and to succeed in meeting their educational goals.

Freshman Admission:
Applicants for freshman admission must demonstrate the potential for academic success through previous academic performance and life experience. **Previous academic performance is a critical factor in determining admission.**

1. New Start applicants are not required to submit SAT or ACT test scores.
2. To be considered for freshman admission the applicant must possess either a high school diploma or G.E.D certificate. G.E.D. applicants must have passed the test with a total score greater than or equal to 250 and no individual standard (subject) score less than 45.
3. Applicants should have an official copy of their high school transcript mailed directly to the Office of Admissions. G.E.D. applicants should request that an official copy of their test scores and high school transcript (showing courses completed prior to withdrawal) be mailed directly to the Office of Admissions.

Transfer Admission:
Applicants for transfer admission will be evaluated based upon their cumulative grade point average (GPA) computed from grades earned at all previous colleges/universities. In general, transfer applicants who apply through the New Start Program must meet the same admissions requirements as traditional transfers. (Refer to section on Transfer Admission.) However, factors such as time elapsed since the last college enrollment, life experiences, etc. will be considered along with the cumulative G.P.A.

Senior Citizen Admission:
Citizens over 60 years of age may attend Winthrop on a “tuition free,” space-available basis. A $10 registration fee is required in addition to any lab fees and book purchases. **Applicants must be legal residents of South Carolina.** More information and specific guidelines and application forms are available in the New Start Office, 124 Tillman Hall. They may be requested in person, by mail, or by telephone (803) 323-2106.

Non-Degree Applicants
All students taking undergraduate courses who are not working toward a degree are classified as special students. These students must apply and submit the appropriate credentials. A student admitted as an undergraduate special student may not change status to that of a regular student without submitting an application and meeting regular admission requirements.

Students admitted to any of the following special student categories may enroll only in those courses for which they have received approval from the dean of the college offering the courses. The categories of undergraduate special student are:
Pre-College Credit Student

Qualified high school junior and seniors may enroll at Winthrop University during the regular academic year or summer session. To qualify, students must have earned a cumulative grade average of 3.0 (on a 4.0 scale) and must be recommended by their high school counselor or principal. Credit earned in this manner is not expected to count toward a high school diploma. However, it will count as full credit for those students who subsequently enroll as regular students at Winthrop. Students must submit an application, high school transcript, and test scores for consideration as a freshman applicant.

Transient Student

Regular students at other institutions wishing to take undergraduate courses for credit at Winthrop for transfer back to their home institutions may be enrolled as transient students. Admission is based on the written approval of the applicant’s institution. The written approval must list courses to be taken at Winthrop, and provide a statement of academic good standing. Transient students must be readmitted each semester through the Records Office.

Undergraduate Non-Degree

This admission status is designed to meet the needs of the student who is not seeking a degree. Please note that several restrictions apply (see below) and the Admissions Office reserves the right to determine the admissions status of a prospective applicant.

1. Courses completed under this status carry full University credit; however, none of the hours are applicable to a degree until the student qualifies for admission to a degree program. The applicability of courses completed under this status will be determined by the appropriate academic department should a student subsequently enroll in a degree program.

2. Course work completed as an undergraduate non-degree student will not be considered for admissions purposes should a student apply for admission to a degree program.

3. To be eligible to enroll, the student must have completed high school two or more years ago.

4. Applicants who have been officially denied admission as degree-seeking students are not eligible for admission as a non-degree student.*

5. Applicants who would not qualify for admission as a degree-seeking student are not eligible for admission as a non-degree student.*

6. Special students may enroll for a total of twelve semester hours under this status. Subsequent enrollment (after twelve hours) requires the submission of an application and credentials for a degree-seeking applicant.

*Note: Applicants who cannot be admitted under the Undergraduate Non-Degree status may not audit courses.

Notification of Admission

Spring Admission

The decision is mailed within two weeks of receipt of final documents. The application and supporting documents must be received by December 15.

Fall/Summer Admission

The decision is mailed on the 21st of each month—November through May. Priority processing is given to students who apply by May 1.

After the appropriate credentials for admission are received, admission officials carefully evaluate each student’s application. Admitted students are sent a letter of acceptance, a health form, and a housing application if applicable.
Admissions

Undergraduate students admitted to the University are required to reserve a place in the incoming class by submitting a nonrefundable deposit of $150 by the date stated in the letter of admission. The deposit is credited to the student’s tuition and fees account. The deposit is applicable only for the term for which the student is being admitted. Admitted students who do not enroll for the deposited term forfeit the admissions deposit.

Detailed information and instructions concerning orientation, room assignments, and registration are sent to accepted students at appropriate times during the year.

Health Requirements

Students must demonstrate immunity to measles, rubella, diphtheria, and tetanus, and must have a TB test before registering for classes is allowed. Every Winthrop student must meet the health requirements of the University as stated in the Winthrop University Student Health Services bulletin. All medical information is confidential and does not in any way affect a student’s admission status.

All full-time and part-time students who wish to use the health services are required to submit the Student Health Service Medical Form to Health Services. This medical form consists of personal data on the first three pages, with a Physician’s Statement of Health on the last page. This form should be filled out first by the student and then given to the student’s physician to be completed. The form should be sent to: Health Services, Winthrop University, Rock Hill, S.C. 29733.

Credit by Examination

Winthrop University grants credit to students who demonstrate mastery of a subject based on their performance on standardized examinations. Credit hours for courses exempted by examination are recorded on students’ permanent records when they register as regular students at Winthrop. No grades are given for these hours, and no more than 30 semester hours may be earned by examination. The acceptability for transfer to other colleges or universities of credit so earned cannot be guaranteed. Each college and university evaluates transfer credit in its own way.

Winthrop accepts and evaluates scores from four examination programs: Advanced Placement (AP), the International Baccalaureate Program (IB), the College Level Examination Program (CLEP) Examinations, and the SAT II Subject Tests.

Advanced Placement. Advanced placement scores must be sent directly to Winthrop from the College Scholarship Service. Students successfully completing advanced placement courses and receiving a score of three or above on the exam shall receive credit for the appropriate Winthrop course. For a listing of acceptable AP Exams and required scores, contact the Admissions Office.

International Baccalaureate. Winthrop University will award advanced credit for scores of 5 or above in mathematics and computer science and 4 or above in all other higher level examinations.

SAT II Subject Tests. Winthrop will award advanced credit for scores of 530 or above on SAT II subject Tests.

CLEP Examinations. The College-Level Examination Program (CLEP) tests are administered monthly at Winthrop, except in December. Interested students are advised to take the tests at least eight weeks before they plan to enroll so that the test results may be received and evaluated prior to registration. There are two types of CLEP examinations: the General Examination and the Subject Examination. Winthrop University grants credit only for the Subject Examinations, which are designed to exempt specific courses. Winthrop encourages students to take CLEP Subject Examinations for credit in subjects or
areas which they have mastered through previous study, purposeful reading, travel or other experiences. Students interested in foreign language exemptions are advised to take the CLEP Subject Examination in the desired language. Information on CLEP may be obtained from Counseling Services, 203 Crawford, Winthrop University (803-323-2233).

READMISSIONS

Any Winthrop student who was not registered for courses the previous fall or spring semester or who withdrew from the University for any reason during the last semester of enrollment, and fewer than five calendar years have elapsed, is required to apply for readmission through the Office of Records and Registration. Winthrop students who have been absent for five calendar years or longer must be readmitted through the Office of Admissions. Former Winthrop students who are 25 years or older may initiate readmission through the New Start Office (803) 323-2106.

Official transcripts from all regionally accredited institutions attended during a student's absence must be submitted when the student applies for readmission. After a 12 month absence, readmitted students must meet the graduation requirements and the minimum academic standards effective at the time of reentry. It should be noted that:
1. Any special permissions, waivers, substitutions or other dispensations previously granted by Winthrop are void;
2. All credit hours previously earned at Winthrop, including credit by examination, are evaluated against current criteria.

At the time of readmission, a student who has been absent for five calendar years or longer may choose to reenter under the “academic forgiveness” policy. Under this policy, all courses previously taken at Winthrop University are treated as if they were transfer credit. The earlier courses are not used in computing the student’s grade-point average. However, all earlier courses and the grades earned remain on the student’s official transcript and are counted in computing eligibility for graduating with academic honors.

The student must exercise or waive the “academic forgiveness” option by the end of the first week of the second semester he or she is readmitted to Winthrop.
TUITION and FEES

The fees listed below represent 2001-2002 fees. Fees are subject to change at any time by action of the Winthrop Board of Trustees. The fees for the 2002-2003 academic year were not available at the time of this publication. Once these fees are set, students will be notified via the tuition bills of the amount due for the academic year.

Academic Fees Costs per Semester:
Registration Fee (all students) $ 10
General Undergraduate Fees
12 credit hours or more
   SC* Resident $2,434
   Out-of-State Resident $4,478
11 credit hours or fewer (per credit hour)
   SC* Resident $ 203
   Out-of-State Resident $ 373

*South Carolina Residents are those persons who meet the residency requirements specified in the South Carolina Code of Laws, Section 22.2, and amendments thereto and are eligible to pay instate fees. All other persons must pay out-of-state fees. See Classification as a SC Resident for Fee Purposes.

Room and Board
Residence Hall Cost per Semester:
Double Occupancy $1,296
Single Occupancy $2,074

Rental Fees for Apartments (per month):
1 bedroom apartment $ 555
2 bedroom apartment $ 632

Meal Plan Cost per Semester*:
10 meals per week $ 726
15 meals per week $ 825
Unlimited $ 873
10 meals plus $100 Cafe Cash $ 816
15 meals plus $50 Cafe Cash $ 865
Unlimited meals plus $50 Cafe Cash $ 913
110 meals per semester plus $110 Cafe Cash $ 873
130 meals per semester plus $130 Cafe Cash $ 964

*Students living in residence halls must select one of the meal plans each semester.

Miscellaneous Fees and Expenses

Application Fee. A nonrefundable application fee must accompany each new application to the University. The application for admission and the application fee will be valid for one calendar year from the applicant’s original entry date. Should the student not matriculate during that year, a new application and new application fee will be required.

Admission Deposit. Undergraduate students admitted to the University are required to reserve a place in the incoming class by submitting a nonrefundable $150 deposit.

Advance Room Payment. All students signing residence hall contracts must pay $100 at the time the contract is signed, $50 of which is credited against their fall room rent and $50 against their spring room rent.

Laboratory Fees. For courses in which specialized equipment and consumable
supplies are used, a **nonrefundable** laboratory fee is charged. Refer to the Courses of Study section of this catalog to determine specific courses for which there is a charge and for the amount of charge.

**LEAP Program Fee.** All students participating in the LEAP Program are required to pay a **nonrefundable** $300 fee to cover the services provided by the program.

**Motor Vehicle Registration Fee.** Motor vehicles operated or parked on Winthrop University property by students must be registered. Resident students may register one vehicle at $25. Commuting students may register two vehicles at $25 each.

**Commencement Costs.** All students participating in the commencement exercises must wear appropriate academic regalia, which is available through The Bookworm (the University’s bookstore.) The charge for a disposable cap, gown, and collar and for other commencement expenses will be approximately $26 for bachelor’s degree candidates and $54 for advanced degree candidates.

**Textbooks and Materials Cost.** The cost of textbooks and materials needed for class work is not included in the regularly assessed fees and varies in accordance with the requirements of specific courses. Most textbooks and materials must be acquired at the beginning of a semester and are available on a cash basis from The Bookworm.

**Fee Payment Schedule**

Fee payments are due by 5 p.m. in the Cashier’s Office on or before the dates specified in the Winthrop University *Schedule of Courses* and supplements issued prior to each registration. All checks and money orders are to be made payable to Winthrop University. Payments must be mailed to the Cashier’s Office, Winthrop University, Rock Hill, South Carolina 29733, or pay via our website at www.winthrop.edu/cashiers.

Remittance and correspondence must clearly identify the student whose account is affected through reference to the student’s legal name and student number.

**Important note for students who have zero or credit balances on their invoice:** Even if no balance is due, resulting from financial aid, prepayments, or other credits, students must notify the Cashier’s Office by the deadline to avoid cancellation of their registration. Students with zero balances may request validation at our website at www.winthrop.edu/cashiers.

**Monthly Payment Plan**

Students may pay their academic, room, and board fees monthly by enrolling in the Winthrop Monthly Payment Plan (WPP).

The features of WPP are as follows:

1. Only academic, room and board fees are deferrable—any previous balance and all miscellaneous charges such as traffic fines, library fines, etc. are payable in full each month.
2. Incoming freshmen or transfer students are automatically eligible to participate. Returning students will be eligible as long as they have a satisfactory credit history with Winthrop.
3. An application for participating in the WPP will be included in each semester’s billing for academic, room, and board fees. The student needs only to complete the application and return the required payment by the fee payment deadline.
4. There will be four equal payments per semester. Payments are due on or about the 5th of each month.
5. Failure to make monthly payments as agreed may result in the student being ineligible for participation in future semesters.
6. There is an administrative fee of $30.00 per semester for participating in the WPP. The student must sign up for WPP for each semester desired.
TUITION & FEES

7. A late fee of $25.00 will be assessed each month in which the payment is not received by the due date.

Any questions about the WPP should be directed to the Controller’s Office in 19 Tillman or by phoning 803-323-2165.

Tuition Adjustments for Withdrawals

Students who are admitted and register for courses at Winthrop University are financially responsible for fees and charges associated with those courses. Therefore, students are encouraged to complete all courses for which they register. In the event it becomes necessary for a student to drop one or more courses or completely withdraw from the University, an academic charge adjustment may be made using the following guidelines.

Academic Fee Adjustments for Courses Dropped - All Students

Should a student need to drop one or more courses, but not completely withdraw from the University, the following adjustments to academic charges will be made.

Academic Fee Adjustments for First Time Freshmen Who Withdraw

First time freshmen who withdraw from the University before 60% of the term is completed, will be eligible for a prorated adjustment of academic fees. This adjustment will be calculated using the number of weeks enrolled divided by the number of weeks in the term, rounded down to the next 10%.

NOTICE: Adjustments to tuition and fees are calculated from the date of official withdrawal or reduction of course load. Students must complete the appropriate forms for either reduction in course load or withdrawal. Reduction in course load is initiated in the Registration Office in 102 Tillman. Withdrawal is initiated in the Office of Enrollment Management in 102 Tillman.

Housing and Meal Adjustments are determined in the Residence Life Office. A schedule of adjustments is available to students in the Residence Life Office, 233 Dinkins.

IMPORTANT: Students Receiving Title IV Federal Financial Aid

Students who receive funds from the Federal Pell Grant, Federal SEOG, Federal Perkins Loan, Federal Direct or PLUS Loans and withdraw from the University are subject to the Return of Title IV Funds regulations.

Simply stated, students with funds from any of these programs “earn” their financial aid dollars while enrolled. If a student withdraws prior to completing 60% of a term, a prorated portion of the federal financial aid dollars must be considered “unearned” and returned to the federal programs. Unearned financial aid dollars which have to be returned to the federal aid programs could cause students to owe the University a significant amount upon withdrawal.

In addition to the amount of federal aid that Winthrop must return, students who received financial aid for other educational costs, including off-campus living expenses, may be required to repay a portion of those funds to the federal programs. Failure to return aid due back to the federal aid programs will result in loss of eligibility for federal financial aid assistance.

Federal aid funds to be returned are distributed to the programs in the following order:

- Unsubsidized Federal Direct Stafford Loan
- Subsidized Federal Direct Stafford Loan
- Federal Perkins Loan
- Federal PLUS Loan
- Federal Pell Grant
- Federal SEOG
- Other Title IV programs
TUITION & FEES

Treatment of State, Institutional and Outside Grants and Scholarships for Student Withdrawal

Students will be allowed to retain the same percentage of state and institutional scholarships and grants as the percentage of academic fees charged to them. Funds from outside sources will be treated in accordance with program guidelines from the agency providing the award.

Refunds Due to Student Withdrawal

Any credit balance which may occur due to withdrawal will be processed and returned to the student after the required amounts of financial aid have been returned to the financial assistance programs. When forms required for reduction of course load or complete withdrawal are filed in a timely manner, it is anticipated that this process would be completed in 14 days from the date these forms are submitted.

Additional Information

For additional information on the following topics related to fee adjustments, please contact the following offices.

- Registration for courses: 102 Tillman 323-2194
- Financial aid programs: 119 Tillman 323-2189
- Tuition, fee adjustment: 19 Tillman 323-2165
- Housing and meal adjustment: 233 Dinkins 323-2223

Repayment

Repayment refers to the amount of any cash disbursement made to the student that the student must repay to the University after the student has withdrawn.

Any student who owes a repayment will be billed by the Controller’s Office. Students who are unable to fulfill their financial obligations may contact the Controller’s Office to arrange a satisfactory payment agreement. Any student who fails to meet the terms of the agreement will have a “financial hold” placed on their academic record which prohibits receiving a diploma, obtaining grades, a transcript, or registering for subsequent courses at Winthrop University. These students may also be subject to collection agency referral.

Federal regulations dictate refund/repayment policies for recipients of Federal Title IV Funds. Financial aid recipients are encouraged to request additional information and examples of the refund calculation from the Office of Financial Aid.

Past Due Indebtedness

Students are expected to keep their accounts current with the University. Any student with past due indebtedness is not allowed to obtain grades, a transcript, or a diploma, or to enroll for any subsequent semester or summer term. The University reserves the right to cancel the enrollment of a student with past due indebtedness; the cancellation of enrollment, however, does not relieve the student of the incurred debt.

Under the provisions of Sections 12-54-410 through 12-54-500 and 12-53-20 of the SC Code of Laws, the South Carolina Tax Commission is authorized to seize refunds otherwise due to taxpayers who have delinquent debts to Winthrop.

In the event an account becomes delinquent, the University reserves the right to assign the account to the credit bureau and/or a collection agency, at which time the student will be responsible for all associated collection costs.

Returned Check Policy

A personal check given in payment of University expenses, which is subsequently
returned by the bank unpaid, immediately creates an indebtedness to the University.

Once the Cashier’s Office has been notified by the bank of a returned check, a letter is sent to the issuer of the check. The issuer of the check will have ten (10) days from the date of this letter to redeem the check by paying the full amount of the check, plus a returned check penalty of $25. Payment of a dishonored check must be made by cash, cashier’s check, money order, or visa/mastercard.

If a returned check remains unpaid, collection efforts will be followed as allowed by the Code of Laws of South Carolina sections 34-11-70.

A student with a total of three returned checks will be placed on the “Cash Only” basis for the remainder of his/her enrollment.

**Classification as a South Carolina Resident for Fee Purposes**

Winthrop University is required under guidelines enacted by the South Carolina Legislature to determine the residence classification of students for purposes of fees and tuition.

South Carolina’s law providing for lower tuition and fees for legal residents of the state defines domicile as “… a person’s true, fixed, principal residence and place of habitation. It shall indicate the place where such person intends to remain, and to which such person expects to return upon leaving without establishing a new domicile in another state.”—South Carolina Code 59-112 to 59-112-100(1976 ). The law applies to a student’s own legal residence if the student is independent of his/her parent, guardian or spouse. If the student is claimed as a dependent for income tax purposes and/or receives more than half of his/her support from a parent, guardian, or spouse, the law applies to the legal residence of the person who provides the principal support.

The initial determination of one’s residence is made at the time of admission by the director of admissions for undergraduate students and by the registrar for graduate students. No other university personnel are authorized to provide information on residency requirements for tuition purposes. The registrar makes determination of residency after a student’s initial enrollment. If the residence of a person is in question, the burden of proof resides with the person applying for a change of resident classification. Such person must submit required evidence to document the change to resident status. The completed application and supporting documentation must be submitted by the last day of registration for the semester. Applications received after this date will be considered for the next semester.

Students who wish to appeal a residency decision may submit a request to the dean of enrollment management who is the university’s appellate official. Neither the primary residency officials nor the appellate official may waive the provisions of the Statute governing residency for tuition and fee purposes.

Except in cases of institutional error, persons classified incorrectly as residents are subject to reclassification as a nonresident and to payment of all nonresident fees not paid. If incorrect classification from institutional errors occurs, the student will be subjected to reclassification beginning the next academic session. The violator may also be subject to administrative, civil, and financial penalties. Until these charges are paid, such persons will not be allowed to receive transcripts from a South Carolina institution.

Applicants for undergraduate admission should direct questions to: Office of Admissions, Stewart House, (803) 323-2191 or (800)763-0230. Applicants for graduate admission and continuing students should direct questions to: Records and Registration, 102 Tillman Hall, (803) 323-2194. Complete information on South Carolina residency can be found on the following website:

www.winthrop.edu/admissions/scresidency/scres.htm
FINANCIAL ASSISTANCE

At Winthrop University we believe that higher education should not be a privilege reserved for those who can afford it, and the Office of Financial Aid is committed to helping Winthrop students find appropriate ways to finance their education.

Scholarships

New Freshmen

Winthrop offers a number of scholarships to students who will benefit from a quality education and will leave Winthrop a better place for having been here. Scholarships range in value from awards of several hundred dollars to full tuition, room, and meals for exceptionally high achievers.

Students who submit an application for admission by January 15 will receive priority consideration for the University’s academic awards. All students who apply for freshman admission are automatically considered for academic scholarships, there is no separate application. Awards are based primarily on the student’s high school record and SAT or ACT scores.

Academic scholarships are available for eight semesters of study provided the student maintains a specified grade point average. The Office Financial Aid verifies GPA’s at the end of the spring semester of each academic year. Any student who fails to meet the GPA requirement will be given one opportunity to improve the GPA by enrolling in summer school at Winthrop. If the student meets the GPA requirement at the end of the summer, the scholarship will be retained. Any summer course work taken under these circumstances will be at the student's expense.

Students with special talents also have the benefit of scholarship support. The College of Visual and Performing Arts offers scholarship consideration to talented students through audition or portfolio review. Students with outstanding athletic skills should contact the Athletic Department to determine their qualifications for scholarships, which are offered in all 16 of Winthrop’s varsity programs.

Continuing Students

Scholarship support is awarded to continuing Winthrop students on the basis of their academic achievement at the University and/or participation in extracurricular activities. High-achieving students will be invited to submit a scholarship application to the Financial Resource Center during the spring semester.

Need-Based Financial Aid

Students who wish to apply for need-based financial aid should submit a completed Free Application for Federal Student Aid (FAFSA) to the Federal Student Aid Programs and list Winthrop University (code # 003456) as a recipient of their financial data. The FAFSA is available in early December, and the forms may be obtained at high school guidance offices or at the Office of Financial Aid at Winthrop.

The Office of Financial Aid mails FAFSA application information to all admitted freshmen who indicate an interest in need-based aid on the admissions application. Continuing students may obtain an application packet from the Office of Financial Aid.

The FAFSA should be filed as soon after January 1 as accurate income information is available. Although the Office Financial Aid processes applications for financial aid throughout the course of the academic year, students who file the FAFSA by March 1 receive priority consideration for assistance.

The FAFSA is used to determine a student’s eligibility for Federal Pell Grants, Federal Supplemental Educational Opportunity Grants, South Carolina Need-Based Grants, Federal Perkins Loans, Federal Direct Student Loans and Federal Work-Study.
All awards of need-based financial aid are made annually, and students must reapply each year in order to be considered for assistance.

**Campus Employment**
Students who wish to work on campus may review the job opportunities posted in the Office of Financial Aid. The office has listings for campus positions which require the Federal Work-Study subsidy and those positions which do not require Work-Study.

**Emergency Loans**
The McFadden Loan Fund, a short-term (30 days) emergency loan program, is available to students experiencing financial emergencies. Currently enrolled students in good standing may borrow a maximum of $200. Please contact the Office of Financial Aid for details on eligibility requirements and application procedure.

**Satisfactory Academic Progress Requirement to Receive Financial Aid**
Winthrop University’s academic regulations specify the minimum cumulative grade point average a student must earn in order to avoid being placed on academic probation or suspension. (See the *Undergraduate Catalog* 2002-03, page 44.) Students eligible to continue enrollment at Winthrop will be eligible to receive financial assistance as long both the following conditions are met. First, students must earn 2/3 of all hours attempted at Winthrop. Second, a student's total hours attempted for a first baccalaureate degree may not exceed 186.

For transfer students, hours attempted at Winthrop may not exceed 186 less the number of transfer hours accepted by the University.

Students who are eligible to continue enrollment and who have earned 24 semester hours during the most recently completed academic year will be eligible to receive aid.

Students who earn at least 12 hours during the most recently completed semester and who are eligible to continue enrollment will be eligible to receive aid.

Academic progress to receive aid will be reviewed at the end of each spring semester. Students who do not meet the progress requirement will be notified in a timely manner to allow attendance of summer sessions to meet the requirement. Financial aid will not be available for summer school attendance to students who do not meet the progress requirement.

Students who successfully complete 9 semester hours in summer sessions and are allowed to continue enrollment at the University will be determined to have met the academic progress requirement to receive aid.

Students denied financial aid due to lack of academic progress may appeal to the university’s scholarship committee. Copies of the university’s academic progress policy to receive financial aid and forms to appeal the loss of aid may be obtained in the Office of Financial Aid located in 119 Tillman Hall.

**Withdrawal During an Academic Term**
Students who receive federal financial assistance including Pell Grant, Federal Supplemental Educational Opportunity Grant, Federal Perkins Loan, Federal Direct and PLUS Loans will have their aid reduced on a pro-rata scale if they withdraw prior to the 60% point in the term. Academic fees and room/board charges may not be reduced, (See pp. 18-19 of this publication for information on fee changes upon withdrawal.) Aid from other sources such as the State of South Carolina, Winthrop Scholarships, and outside programs may also be adjusted if students withdraw during the
Financial Assistance

For the Fall 2002 semester, students who withdraw prior to October 31, 2002, will have federal aid reduced significantly. (For the Spring semester, the date is March 27, 2003.) This reduction is required by federal law if a student is receiving assistance through any of the federal financial aid programs and may result in the student owing the University.

Information

For additional information regarding financial aid programs, application procedures, or aid awards, please contact the Office of Financial Aid at (803) 323-2189, or by e-mail at finaid@winthrop.edu, or visit our website at: www.winthrop.edu/finaid.

Veterans’ Benefits

Winthrop is approved by the State Approving Section, South Carolina State Department of Education, for training of eligible veterans, children of deceased or disabled veterans, and disabled veterans. Contact the Veterans Administration Regional Office, 1801 Assembly Street, Columbia, South Carolina, 29201, for information and necessary forms.

The Veteran or eligible person should contact Winthrop’s Veterans Affairs Coordinator, 101 Tillman Hall, at least 45 days before the start of the semester in which the student plans to enter the University.

Children of disabled or deceased veterans may receive additional assistance for payment of tuition and fees. For information regarding eligibility and applications, write to the State Approving Section, South Carolina State Department of Education, Rutledge Office Building, Columbia, South Carolina 29201. Students who are eligible for the Free Tuition benefit administered by the SC Department of Veterans Affairs must notify the Financial Resource Center of their intent to enroll at Winthrop University prior to the beginning of each academic year.

In order to receive veterans’ benefits, veterans and other eligible persons must read and sign a “Veteran’s Compliance Agreement” (available in the Veterans Affairs Office), indicating their understanding of the agreement and their willingness to comply with the procedures and regulations therein. These regulations require that the Veterans Affairs Coordinator be informed without delay of the number of semester hours in which the student is enrolled each term, of any changes in that enrollment, and of any changes in the student’s degree program.
STUDENT SUPPORT SERVICES and FACILITIES

From orientation to graduation, Winthrop University offers a wide variety of services, facilities, and co-curricular activities which foster total student development, support the academic curriculum, and enhance the quality of campus life. Through participation in student organizations, students can make valuable contributions to the Winthrop community while gaining leadership and personal experience.

Student services and activities allow all Winthrop students, residents and commuters alike, to experience student life in a number of exciting and challenging ways. Some of the student programs, facilities and activities offered are:

Academic Computing

Winthrop University Academic Computing supports the instructional and research functions of the University. Within the Division of Computing and Information Technology, Academic Computing provides access to diverse computing resources. These resources include a Compaq Tru64 UNIX AlphaServer, other UNIX servers and workstations, Windows 2000 microcomputer networks, laboratories with microcomputers, and access to OpenVMS clustered AlphaServers. Over 20 computer laboratories supporting PC, Macintosh, Linux, and UNIX systems are available on campus for open access and instructional needs.

Winthrop's host computers have an assortment of programming languages such as Ada, BASIC, C, C++, COBOL, Fortran, Java, LISP, and Pascal. Microcomputer networks and laboratories provide computing resources for support of instructional and research applications. Typical applications include desktop publishing, database management, spreadsheet analysis, graphics, communications, word processing, statistical analysis, and mathematical computation. Specific applications include Microsoft Office Premium, Frontpage, Internet Explorer, PC-SAS, SPSS, Mathematica, Microsoft Visual Studio, and eXcursion.

All main campus buildings and residence halls are connected to the campus network and Internet through fiber optic cable. Students are provided with consolidated computing services including web based email, central server storage space, and personal web pages.

The Academic Computing Center also provides computer access for visually impaired students, as well as Braille printing services. General operational hours for Academic Computing labs are posted at:

http://www.winthrop.edu/acc/docs/Lab_Info.asp

Charlotte Area Educational Consortium

Winthrop participates in the Charlotte Area Educational Consortium (CAEC), which includes twenty-four colleges and universities in the Charlotte area. Under the CAEC Exchange Program, a full-time undergraduate student at Winthrop may be allowed to enroll in an additional course at a member school at no additional academic fee charge, provided the additional course does not enroll the student in a course overload. (The Exchange Program is available only during fall and spring semesters.) Information concerning this program is available in the Records and Registration Office, 102 Tillman.
STUDENT SUPPORT SERVICES & FACILITIES

Cooperative Education

Cooperative Education (Co-op) provides students with the opportunity to obtain professional experience in their major or field of interest while earning academic credit and/or an hourly wage. Part-time positions are available in all academic majors, allowing students to integrate classroom knowledge with the “real world” of work. Co-op is one of the best ways for students to:

- Confirm the choice of a major
- Explore potential career choices
- Obtain marketable experience
- Develop professional contacts
- Earn academic credits

Distance Learning

Winthrop University is a leader in instructional technology, featuring the Distance Education Classroom in the College of Business Thurmond Building. Utilizing a T1 digital configuration and a state-of-the-art fiber optic technology through the BEACON (Business, Education, and Community Online Network System, classes are fully interactive between Winthrop and the remote site. Students and teachers communicate with each other simultaneously in classrooms outfitted with robotic cameras, TV monitors, desk microphones, and a fully equipped television control room.

MBA candidates at Coastal Carolina University in Conway, SC, are on-line with Winthrop to take advantage of this learning opportunity. Winthrop’s MBA degree is the same AACSB accredited program that has enjoyed more than 20 years of success serving the Charlotte Metrolina region.

In addition, credit courses are being transmitted to York Technical College in Rock Hill on the BEACON network. Dual credit courses are also offered using both the T1 and fiber optic technologies to local area high schools. These students can earn college credit as well as fulfill their high school graduation requirements.

Ida Jane Dacus Library

The faculty and collections of Dacus Library are an integral part of the University’s instructional program. All freshmen receive basic instruction in library use, and specialized instruction in advanced topics is available. The Dacus On-line Catalog system provides easy access to the library’s collections.

The Library’s collections have been selected to support the curriculum of the University and are housed in open stacks. Study and lounge seating is interspersed throughout the building. Public workstations for access to the library’s electronic resources and to the Internet are available. The library also offers through its catalog access to more than 15,000 electronic books. Special quarters are provided for archives, microfilm, special collections, United States government publications and library instruction. Closed carrels for faculty’s and graduate students’ research, as well as facilities for photo duplication and listening, are included.

The Library’s holdings total over 500,000 volumes and volume-equivalents. Included in this figure are books and bound periodicals, microfiche, microcards, and microfilm. In addition, the Library owns over 175,000 U.S. government publications and 2,160 pieces of audio-visual materials, including over 1,000 instructional videotapes. Over 2,300 periodical and serial titles are being currently received, and more than 7,000 are accessible electronically. Dacus Library participates in the national interlibrary loan system.

Instructional Support Labs

Three facilities supplement students’ academic programs. The Writing Lab assists students who want to improve their skills in reading, vocabulary and writing. The Math Lab
offers individual and small group tutoring, and the Language Lab offers individual audio assistance.

Model United Nations
The Model United Nations is an annual event that brings Winthrop students together with about 70 high school student delegations from across the southeast for a three-day conference in April. The high school delegations assume the role of member nations, with the Winthrop students serving as advisors or on the Secretariat. As students debate world issues and resolutions, the experience provides a greater awareness of international issues within the framework of international policies. In addition, Winthrop students receive academic credit for preparation and participation in the conference.

National Student Exchange
Winthrop students can experience the excitement of studying at another college or university for up to one year while paying Winthrop’s tuition. Exchanges with more than 148 colleges and universities throughout the United States are encouraged during a student’s sophomore or junior year. Information on the National Student Exchange is available from the NSE Coordinator located in 218 Dinks Student Center, 323-4503.

Writing Center
The Writing Center, located in 220 Bancroft Hall, provides a free writing consulting service to all members of the University community: students, staff, administrators, and faculty. The Writing Center's purpose is to help writers at all levels learn more about their writing through tutoring sessions. Tutors help writers learn to analyze assignments, address audiences appropriately, improve their composing processes, strengthen the focus and organization of their writing, and improve their control of the language. While the Writing Center cannot provide a proofreading/editing service or a guarantee of better grades, our tutors will help improve writing skills. The primary purpose is to improve writing in the long term.

Although operating hours may vary from semester to semester, the Writing Center is open at least five days a week, with some evening and weekend hours. Scheduling an appointment assures that a tutor will be available. To make an appointment, call 323-2138.

Campus Ministries
Representing a variety of denominations and faiths, the spiritual needs of many Winthrop students are met through campus ministries and organizations. A full agenda of activities promote fellowship, as well as spiritual and personal growth. Among the religious organizations are:

- Abundant Life in Christ
- Alpha Omega Christian
- Women’s Service Fraternity
- Baha’i Club
- Baptist Student Union
- Campus Crusade for Christ
- Fellowship of Christian Athletes
- Jewish Student Organization
- Lutheran Campus Ministry
- Newman Community (Catholic)
- Presbyterian Campus Ministry (U.S.A.)
- Reformed University Fellowship (Presbyterian Church in America)
- Wesley Foundation

Career Services
The Department of Career Services wants to assist students with the exploration of career options beginning in the freshman year and continuing throughout college and professional life. Numerous programs are offered to facilitate a student's decision-making process, from selecting a major to developing a career. Services offered to assist students in
this process include career assessment tools (Strong Interest Inventory and the Myers-Briggs Type Indicator), career counseling, and a career library.

The staff is dedicated to teaching students effective job search skills that can be used in the initial job search, as well as in making subsequent career changes throughout their lives. Students are encouraged to take advantage of the following career development services: workshops on Resume Writing, Interview Skills, Networking Techniques, Business and Dining Etiquette, and Money Matters; Cooperative Education, Career Fairs, Alumni Career Network, Career Opportunities On Line (COOL), part-time job listings, Resume Exchange, and full-time job postings.

Community Service

The Department of Student Affairs coordinates community service-learning as a component of its student services, with emphasis on connecting students interested in service with community agencies. This includes the America Reads Challenge in which Federal Work-Study students tutor elementary age children in reading, the Close Scholars program, Winthrop AmeriCorps, assisting professors when requested with community service-learning activities in the classroom, giving presentations on community service for residence halls and organizations, and acting as a clearinghouse for volunteer opportunities in the Rock Hill and York County area. Community agencies and organizations can call the Service Learning Center to indicate their needs, and the office will attempt to let individual students as well as student organizations know about the needs of these agencies. The office also coordinates special service events such as Volunteer Week, Alternate Spring Break and the Make a Difference Day service project. Students and student groups may call the office for information on current service opportunities.

In addition to most Greek and religious organizations, there are several student organizations that have a primary focus in service including:

AmeriCorps
Circle K International
Phone Friend

WINGS
Winthrop Friends

Departmental Student Organizations

Many academic programs are supported in part by departmental student organizations. These groups offer students a chance to learn more about their career field and make valuable professional contacts. Among the student organizations offered by those departments are:

Accounting Club
Alpha Kappa Psi (Business)
American Chemical Society
American College of Healthcare Executives
American Marketing Association
American Society of Interior Designers
Association of Computing Machinery
Association of Collegiate Entrepreneurs
The Bridge (Multicultural Theatre)
Council for Exceptional Children (Special Education)
Delta Omicron (Music)
Dinkins Student Union
Economics Club
French Club
German Club
Human Resource Management Club
Literary Society
MBA Association
National Art Education Association (NAEA)
National Students of Speech, Language, and Hearing Association (NSSLHA)
Phi Mu Alpha Sinfonia (Music)
Psychology Club
Social Work Club
Society of Professional Journalists
South Carolina Education Association (SCEA)
Dinkins Student Center

The headquarters for student life on the Winthrop campus is Dinkins Student Center. The facility houses administrative offices, including the Vice-President for Student Life, Dean of Students, Residence Life, and the Service Learning Center, and the Department of Student Affairs, which includes Student Activities, Multicultural Student Life, and Greek Life. The Center is also home to the Council of Student Leaders, Dinkins Student Union, and the post office, as well as a food court, the ID office, small auditorium, and organizational meeting rooms.

Dinkins Student Union (DSU)

Dinkins Student Union, located in Dinkins Student Center, addresses the activities needs of the student body and is the primary programming service on campus. DSU provides a broad spectrum of entertaining and educational programs including coffee house acts, concerts, guest speakers, comedians, and special events. Through the Union’s programming board and committees, students gain valuable experience in managing and organizing these events.

Health and Counseling Services

Counseling Services

The Counseling Services staff help students deal with a variety of personal concerns, including family and relationship difficulties, low self-esteem, stress and anxiety, depression, alcohol and drug abuse, sexual abuse, and eating disorders. Short-term individual, couples, and group counseling are free and confidential. Learning assistance is available to help students improve study, test-taking and time-management skills. Wellness services, including outreach seminars and individual consultations, are provided to educate students about health-related issues. Services for students with documented disabilities are available to remove barriers that impede academic success. The College-Level Examination Program (CLEP), Graduate Record Examination (GRE), Miller Analogy Test (MAT), and Praxis Series tests are administered. For additional information, call (803)323-2233 or come by 203 Crawford Building between the hours of 8:30 a.m. and 5:00 p.m. Monday through Friday.

Health Services

Students’ health needs are met by the professional staff of Health Services. The nurse practitioner and nurses on duty provide acute care on a walk-in basis from 8:30 a.m. to 5 p.m., Monday-Friday. Some physician and laboratory procedures involve a charge that will be billed to the student. Students must have complete health records on file to receive the service. For emergencies or after-hours services, community health care facilities are within a few miles of the University.

Students having chronic health problems should make arrangements to continue treatment with their current physician or to have their records sent to an appropriate specialist in the Rock Hill area. Health Services is happy to assist in the location of a suitable specialist for a student with a chronic health problem. A pharmacy is located in Health Services. Medications and prescriptions are available at a reduced fee.

STUDENT SUPPORT SERVICES & FACILITIES

| Student Dietetic Association (Human Nutrition and Food Systems Management) | WINAFACS (Family & Consumer Sciences) |
| Symposim (Philosophy) | Winthrop Ambassadors |
| Terpsichore Dance Society | Women in Communications |
| Union of Student Artists (USA) | |
Students are strongly encouraged to be covered by an accident/sickness/major medical insurance policy.

All students currently enrolled in Winthrop University are eligible for Health Services as part of their regular fees. However, the costs of special services such as medication and tests are the responsibility of the individual and are charged to the student's account and should be paid at the Cashier's Office.

Prior to registration at Winthrop University, all students must submit documentation showing compliance with the Winthrop University Immunization Policy. Students not in compliance with the Immunization Policy are not allowed to register for classes.

**Learning Assistance Counseling**

The Learning Assistance Coordinator helps students improve study skills and academic performance. Individually and in groups, assistance is provided to help students enhance their study, time-management and test-taking skills. For more information call (803) 323-2233 (V/TDD).

**Services for Students with Disabilities**

The Coordinator for Students with Disabilities serves as a liaison between students with disabilities and the Winthrop community to ensure full access to programs and services. Because each student's needs are unique, accommodations are provided based on current, appropriate documentation of disability and needs. Students with disabilities are responsible for (1) identifying themselves to the Coordinator through an intake interview, (2) providing documentation, (3) seeking services each semester when needed, and (4) using agreed-upon academic accommodations.

For further information on services for students with disabilities, call 323-2233 (V/TDD).

**Wellness Services**

Wellness services, including outreach seminars and individual consultations, promote healthy life-styles through education. Presentations are available on stress management, sexually-transmitted infections, contraception, gender issues, sexual assault, eating disorders, alcohol and other drug use, and related topics. Individual wellness consultations are also available. Wellness Services is a component of Health and Counseling Services. Call 323-2233 for more information.

**Honor Societies**

As one of the many rewards for high scholastic achievement at Winthrop University, deserving students are eligible for membership in a number of national honor societies. Three societies—Alpha Lambda Delta, Omicron Delta Kappa, and Phi Kappa Phi—recognize honor and overall academic excellence. Book and Key is an honorary organization rewarding achievement in the liberal arts. The following lists chapters of Winthrop's honor societies and their departmental designations:

Interest Groups

A diversity of special interest groups abound on the Winthrop campus to meet every type of hobby or special interest, from fitness to helping the homeless. Some of these groups include:

- Action for Food
- Anthropos
- Association of Collegiate Entrepreneurs
- Association of Computing Machinery
- Association of Ebonites
- Circle K
- Club Med
- Fencing Club
- French Club
- German Club
- GLOBAL (Gay, Lesbian, Bisexual and Ally League)

International Center and International Student Life

Winthrop’s International Center assists students in making arrangements for study abroad. Winthrop maintains associations with institutions in China, Austria, Germany, Egypt, England, Spain, France, and Australia. Opportunities for summer study abroad are provided through the Center’s study abroad programs and through special summer offerings at other foreign institutions.

Characteristic of an institution that encourages diversity, Winthrop University offers support for the unique needs of students from other countries. The Office of International Students helps integrate international students into American society, provides assistance with problems encountered on campus and in the community, and advises students on immigration procedures and other matters.

An international student advisor is available to discuss special concerns or issues with students, while the Winthrop International Club promotes cultural exchange and social activities among the general student population, including an annual International Week in the fall semester. Other events focusing on the diversity of student life are sponsored by interested campus and community groups.

Multicultural Student Life

Recognizing that a diverse student body enhances campus life for the entire community, Winthrop is strongly committed to attracting achievement-oriented minority students. Accordingly, the University supports a broad range of activities and services dedicated to the enrichment of minority students.

Many of Winthrop’s 100 clubs and organizations are of particular interest to African-American students. The Association of Ebonites (AOE), founded in 1968, sponsors cultural events and offers a variety of educational and personal growth opportunities. The Ebonite Gospel Choir, comprising several dozen men and women, performs traditional and contemporary music on campus, and represents Winthrop throughout the region.

Winthrop’s fraternities and sororities include 8 historically black Greek letter organizations which provide social, academic and service avenues for students. Winthrop also publishes, The Roddy-McMillan Record, which focuses on multicultural issues.
The University's Division of Student Life encompasses the Multicultural Student Life Office, located in Dinkins. The mission of the office is to complement the classroom experience by offering special programs and assisting other offices in taking advantage of the campus’ diversity. The office offers resources and services to African American students as well as Asian American, Hispanic/Latino, Native American, Gay, Lesbian and Bisexual, Jewish students, and other special interest groups. Specific initiatives include: the Dr. Martin Luther King Holiday Celebration; the More Than A Month Series; Ethnic Student discussions; the popular Kwanzaa Celebration and Hanukkah Festival of Lights.

Campus Police

Campus Police is located in the Crawford Building. The department is a full-service police agency serving the Winthrop community by providing law enforcement services 24 hours a day, seven days a week. Their services include handling emergency situations, protecting life and property, crime prevention, and traffic control. The officers are available to provide presentations on safety tips and crime prevention. The yellow emergency phone call boxes located throughout the campus connect the caller to Campus Police in case of an emergency. Campus Police can be contacted by dialing 3333.

Publications

Students have the opportunity to gain valuable practical experience through service on one of several publications staffs: *The Johnsonian*, the student newspaper; *The Tatler*, the yearbook; *The Anthology*, a literary magazine; and *The Roddey-McMillan Record*, a minority interest newsletter.

Residence Life

Winthrop offers full-time students many types of living arrangements to meet individual needs and preferences. Seven campus residence halls and one apartment building offer comfortable, air-conditioned facilities with internet access options ranging from traditional halls with community baths to modern apartments. Students must be enrolled for 12 semester hours to be eligible for campus housing. Students who live in the residence halls are required to have a meal plan.

All residence halls are within easy walking distance of classes, Dacus Library, Thomson Cafeteria and Dinkins Student Center. Laundry facilities, study rooms, kitchens and eating areas are available in most residences. Linen service is not provided by the University. Rooms are furnished for double occupancy. However, if space is available, students may contract for private rooms at an additional cost. Apartment assignments are made with priority given to married, single parent families, international and graduate students.

Apart from providing physical facilities, the residence halls also foster interaction and involvement among residents. Students are encouraged to participate in hall councils and in the Resident Students Association, an organization which promotes a sense of community among the residence halls. Residence organizations include:

| Resident Students’ Association | Richardson Hall Council |
| Roddey Apartment Association  | Thomson House Council   |
| Lee Wicker Hall Council       | Winthrop Lodge Hall Council |
| Margaret Nance Hall Council  | Wofford Hall Council    |
| Phelps Hall Council          |                           |

All students assigned to campus housing must sign a contract relating to the terms and conditions of occupancy. It is important that a student read the contract before signing and be thoroughly familiar with its terms. Violation of terms of the Housing Contract can
result in immediate removal from living in the halls and subject the violator to further proceedings in accord with the Student Conduct Code. All students signing residence hall contracts must pay $100 at the time the contract is signed, $50 of which will be credited against their fall room rent and $50 against their spring room rent.

**Sororities and Fraternities**

Many Winthrop students enjoy affiliations with national Greek-letter organizations. The nine sororities and eight fraternities serve to enhance the social and service-oriented atmosphere of the University and are governed by three councils: the National Pan-Hellenic Council, the Interfraternity Council and the Panhellenic Council. Winthrop has chapters of the following sororities and fraternities:

**Sororities**
- Alpha Delta Pi
- Alpha Kappa Alpha
- Chi Omega
- Delta Sigma Theta
- Delta Zeta
- Sigma Gamma Rho
- Sigma Sigma Sigma
- Zeta Phi Beta
- Zeta Tau Alpha

**Fraternities**
- Alpha Phi Alpha
- Kappa Alpha Psi
- Kappa Sigma
- Omega Psi Phi
- Phi Beta Sigma
- Pi Kappa Alpha
- Sigma Alpha Epsilon
- Tau Kappa Epsilon

In addition, Winthrop University has been granted an Order of Omega chapter. The Order of Omega is a national honorary society that recognizes outstanding scholarship, leadership and service among individual fraternity and sorority members.

For more information on Greek Life call 323-4503/2248.

**Sports and Recreation**

The University offers a variety of intercollegiate sports for men and women. Winthrop is a Division I member of the NCAA and a charter member of the Big South Conference. Conference championships are played in both men's and women's sports programs. The Winthrop Eagles field teams in both men's and women's basketball, tennis, golf, track and cross country; men's baseball and soccer; and women's volleyball and softball. Winthrop has excellent athletic facilities which are clustered in a beautiful lakeside setting.

Winthrop offers a spirited and competitive recreational sports and intramural program that includes softball, basketball, soccer, aerobics, tennis, volleyball plus other individual and team sports. In addition to traditional men's and women's leagues, co-ed activities are available. Fitness related activities are also offered including step aerobics and body sculpting.

Members of the Winthrop community have a wide variety of leisure and recreational facilities available to them. The Winthrop Coliseum, located within a mile of campus, is a modern arena seating 6,100. In addition to its intercollegiate facilities, the Coliseum houses a weight room and a training room.

Behind the Coliseum lies Winthrop Lake and the University's 380-acre recreational complex, featuring baseball and softball fields, soccer fields, a cross country course, and golf and disc golf courses. Adjacent to the lake is the Shack, traditionally a gathering spot for student activities.

The Outdoor Development Center, also known as the Ropes Course, is located here as well. Groups and organizations use this facility to develop team-building and leadership skills through a series of unique, problem-solving exercises.

Facilities on Winthrop's main campus include two basketball gyms, a dance studio, a weight room, and an indoor swimming pool, all housed in Peabody Gymnasium. Six lighted
and four unlighted tennis courts and an all-purpose playing field are located adjacent to Peabody.

Council of Student Leaders
The Council of Student Leaders was formed in December 2001 to allow students an ad hoc continuing role in institutional decision-making. The Council consists of key student office holders in major student organizations (RSA, IFC, NPHC, Panhellenic Association, DSU) and other interested students. The Council of Student Leaders meets regularly with the Dean of Students. The Dean of Students informs the Council of pertinent university business and asks the Council’s advice on appropriate issues so a vital student voice is heard on university matters.

Student Identification Cards
Each registered student must obtain an official identification card. Identification cards are nontransferable and must be presented to appropriate University officials upon request.

Victim Advocacy
Victim advocacy services will be provided to any Winthrop student who has been victimized by crime. These services include but are not limited to: providing immediate crisis intervention, informing victims of their rights, assisting victims throughout the investigation and prosecution of the crime and serving as a liaison for the student within the college community. The victim advocate services are available to any currently enrolled Winthrop student, whether the crime occurred on or off campus and whether the victim chooses to file an official report with Campus Police or the Rock Hill Police Department. All communication with administrative offices is handled with the utmost discretion. For more information regarding this program, contact Campus Police at 323-3333.

Visual and Performing Arts
Winthrop University is committed to helping students develop fully as well-rounded, educated persons. In an effort to provide a setting which facilitates intellectual and cultural growth, the University offers numerous opportunities to enhance students’ appreciation of the arts. Whether through participation or attendance, students further develop their artistic talents, perceptions, and understandings. The following lists performing groups on the Winthrop campus:

- Guitar Ensembles
- Chorale
- Glee Club
- Jazz Voices
- Symphonic Band
- Jazz Ensemble
- Jazz Combos
- Woodwind Ensembles
- Chamber Singers
- Collegium Musicum
- Opera Workshop
- Chamber Ensembles
- Percussion Ensemble
- Brass Ensembles
- Winthrop Theatre
- Winthrop Dance Theatre
- Symphonic Wind Ensemble
- Flute Choir

Visual and Performing Arts Facilities
To support the University’s arts curricula, as well as a diverse range of cultural offerings, Winthrop maintains several versatile performing spaces. Byrnes Auditorium, seating 3,500 and the adjoining 216-seat Frances May Barnes Recital Hall. Tillman Auditorium has a seating capacity of 700. Johnson Hall includes a 331-seat proscenium
theatre, a 100-seat studio theatre, an actors’ studio, and two dance studios.

In addition, Winthrop Galleries, comprised of two professional spaces in the Rutledge Building and a student gallery in McLaurin, provide an array of exhibition spaces. The works of faculty, students and regional and national artists are presented on a regular basis.

STUDENT RIGHTS and REGULATIONS

Student Conduct Code: General Conduct Policy

Academic institutions exist for the transmission of knowledge, the pursuit of truth, the development of students, and the general well-being of society. Free inquiry and free expression are indispensable to the attainment of these goals. As members of the academic community, students should be encouraged to develop the capacity for critical judgment and to engage in a sustained and independent search for truth.

Freedom of the individual may be defined as the right to act or speak, so long as it does not adversely affect the rights of others. Believing in this concept, Winthrop University protects freedom of action and freedom of speech for both students and employees, so long as it is not of an inflammatory or demeaning nature and does not interfere with the students’ living and study conditions, and the administration of institutional affairs. It constitutes a disruptive act for any member of the University community to engage in any conduct which would substantially obstruct, interfere with or impair instruction, research, administration, authorized use of University facilities, the rights and privileges of other members of the University community, or disciplinary proceedings. Moreover, Winthrop University is committed to improving the quality of student life by promoting a diversified educational and cultural experience for all its students. Therefore, racist conduct or other acts of bigotry are not tolerated.

Rights and freedoms imply duties and responsibilities. Note should be taken that a student who exercises his or her rights as a private citizen—whether individually or as a member of a group—must assume full responsibility for his or her actions. All students and employees of the University must abide by local, state, and federal laws and with all published University policies and regulations. Violations of laws and regulations subject the perpetrator to disciplinary action by the University and/or the appropriate civil or criminal court.

Responsibility for good conduct rests with students as adult individuals. Student organizations have similar responsibility for maintaining good conduct among their members and guests and at activities they sponsor. All members of the University community are expected to use reasonable judgment in their daily campus life and to show due concern for the welfare and rights of others.

Students who violate University policies, rules, and regulations are subject to expulsion or lesser sanctions. A complete outline of obligations and the disciplinary process is contained in the Student Conduct Code in the Student Handbook.

Academic Discipline

Infractions of academic discipline are dealt with in accordance with the student Academic Misconduct Policy which is in the Student Conduct Code in the Student Handbook. Academic misconduct includes, but is not limited to, providing or receiving assistance in a manner not authorized by the professor in the creation of work to be submitted for academic evaluation including papers, projects, and examinations; presenting, as one’s own, the ideas or words of another for academic evaluation without proper acknowledgment; doing unauthorized academic work for which another person will receive credit or be evaluated; and presenting the same or substantially the same papers or projects
in two or more courses without the explicit permission of the professors involved. In addition, academic misconduct involves attempting to influence one’s academic evaluation by means other than academic achievement or merit. More explicit definitions of academic misconduct specific to certain academic disciplines may be promulgated by academic departments and schools.

Privacy of Educational Records

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. They are:

1. The right to inspect and review the student’s education records within 45 days of the day the University receives a request for access.

   Students should submit to the registrar, dean, head of the academic department or other appropriate official, written requests that identify the record(s) they wish to inspect. The University official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the University official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student's education records that the student believes are inaccurate or misleading.

   Students may ask the University to amend a record that they believe is inaccurate or misleading. They should write the University official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

   If the University decides not to amend the record as requested by the student, the University will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

   One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the University in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the University has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

   A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by this University to comply with the requirements of FERPA.

   The name and address of the Office that administers FERPA is:

   Family Policy Compliance Office
   U.S. Department of Education
   600 Independence Avenue, SW
   Washington, DC 20202-4605

   Also, these regulations restrict Winthrop to the release of certain records only to the student (current or former) and to certain other authorized school and government
personnel, except with the student’s prior written consent to release the records to another
specified person. Without this consent, Winthrop cannot release a student’s records even to
parents, except in one instance. Parents or guardians of a student may be given access to
student’s records if the parents or guardians sign a statement in the Records Office and
provide proof that they have claimed the student as a dependent on their last federal
income tax return.

FERPA does allow the University to release the following kinds of information (not
considered private records) unless the student requests that it be withheld: student’s name,
address, telephone number, e-mail address, date and place of birth, enrollment status (full-
or part-time), dates of attendance, date of graduation, major and minor fields of study,
degrees and awards received, date of admission, whether or not currently enrolled,
classification (freshman, etc.), most recent previous educational institution attended,
eligibility for honor societies, participation in officially recognized activities and sports,
weight and height of members of athletic teams, and other similar information. Photo-
graphic, video or electronic images of students taken and maintained by the University also
are considered directory information.

Any student not wanting this information released must make a written
request to the Registrar prior to the close of each spring semester for the
following academic year.

As a matter of practice, the University does not sell or give away lists which are in
unpublished or computerized form to any outside agency, individual, or business.

Questions concerning Winthrop’s policy for release of academic information should
be directed to the Office of Records and Registration, 102 Tillman Hall.

ORIENTATION and ADVISING

Orientation

Orientation sessions are offered each summer to introduce new students to the
educational and social opportunities available at Winthrop University. Three sessions are
offered in the summer for freshmen. During this time, students meet with faculty advisors
to select courses and register for fall classes. They will attend interest sessions dealing with
all aspects of college life. Select upperclassmen serve as orientation assistants and will
answer questions and assist students throughout the program in a variety of ways.
Orientation also provides new students with an opportunity to get to know other students
and make new friends before classes begin.

An orientation program for family members of new freshmen is also offered.
Families meet with faculty, staff, students and administrators to discuss academic programs,
participate in information sessions, and learn about campus facilities and services.

An orientation program for transfer students is offered in May. Transfer students
who are unable to attend May orientation receive a one-on-one orientation with their
academic advisor later during the summer, or they may attend the late transfer registration
program.

Welcome Week

As an extension of the orientation program, Welcome Week provides opportunities
for new students to become acquainted and involved in events on the Winthrop campus.
Welcome Week is full of informative, exciting and fun activities. Some are designed to help
identify resources that are available. Others will help students make informed choices
related to personal, academic and social life. Students are introduced to members of campus
organizations, and activities are designed to integrate new students into the University
community. Evening entertainment is coordinated by Winthrop’s nationally acclaimed
ORIENTATION AND ADVISING

Dinkins Student Union and brings a wide variety of talented performers to campus.

Academic Advisement

Interaction between faculty and students is an integral part of the learning process at Winthrop. Individual advisement sessions between students and their advisors provide opportunities for students to learn more about the philosophy behind the required degree program as well as career opportunities for specific majors. Through stimulating informal discussions, the advisement process enhances and supplements the learning that takes place in the classroom.

The academic advisor's primary role is to help the student plan a course of study so that courses required in a particular program are taken in the proper sequence. The advisor also helps ensure that the student is aware of all graduation requirements. Advisors can also help resolve and prevent academic problems, often referring students to the appropriate academic resource. At the beginning of each term, advisors post the office hours during which they are available to the students they advise.

 Newly admitted students who have declared their intention to pursue a degree in a particular discipline are assigned advisors in the appropriate college. Generally, the advisor assignment is not changed unless the student changes degree programs. Until students officially declare a particular major, they are assigned Pre-major advisors through the College of Arts and Sciences.

Prior to registration, students are required to contact their academic advisor to receive the appropriate registration form and assistance in selecting courses to be taken in the next term. Advisor signatures are required on registration forms.

Each college maintains an office in which advising assistance is available when the assigned faculty advisor is not immediately available. Students should contact the offices below for assistance in changing majors, verifying advisors, and other academic advising concerns:

ACADEMIC REGULATIONS

Student Responsibility

All students are responsible for the proper completion of their academic programs, for satisfying the general regulations stated in this catalog, for maintaining the grade point average required, and for meeting all other degree requirements. Students should secure guidance from an advisor, but the final responsibility remains that of the student.

Students are required to know and observe all regulations concerning campus life and student conduct. Students are responsible for maintaining communication with the University by keeping on file with the Office of Records and Registration at all times a current address, including zip code and telephone number.

Classification of Students

In the fall or spring semester, undergraduate students who are registered for and attending 12 or more semester hours are classified as full-time students. Those who are registered for and attending fewer than 12 semester hours are classified as part-time students.

All undergraduate students are also classified as either regular or special. Special students are those who are admitted under special circumstances and who are not candidates for degrees. Regular students are further classified as follows:

<table>

<tr>
<td>Freshmen</td>
<td>Students who have earned less than 24 semester hours of credit.</td>
</tr>
<tr>
<td>Sophomores</td>

Academic Forgiveness

At the time of readmission to Winthrop, a student who has been absent for five calendar years or longer may choose to reenter under the “academic forgiveness policy”. Under this policy, all courses previously taken at Winthrop University are treated as if they were transfer credit from another institution for purposes of granting credit toward graduation. As with transfer credit, these earlier courses are not used in computing the student’s grade-point average. However, all earlier courses and the grades earned remain on the student's official transcript and are counted in computing eligibility for academic honors.

The student must exercise or waive the “academic forgiveness” option by the end of the 1st week of the 2nd semester he/she is readmitted to at Winthrop University.

Registration

Registration of courses is done by web registration via WINGSPAN (wingspan.winthrop.edu). Registration for Fall semester begins in April and continues until the beginning of the semester. Spring registration begins in November. In the summer session, which consists of several sessions starting at various times, registration occurs over an extended period and ends, for an individual session, on the first day of classes in that session. Continuing students are permitted and encouraged to register early for the upcoming fall or spring semester. Newly admitted freshmen for a fall semester must attend one of the freshmen orientation sessions offered during the summer to be able to register for the fall. Consultation with an advisor prior to registration is required.
ACADEMIC REGULATIONS

Course Load

Spring or Fall Semesters. While the normal course load for an undergraduate student is 15 to 17 hours per semester, a full-time course load may range from 12 to 18 hours. In determining course load, freshmen, with the assistance of a faculty advisor, should take into consideration high school performance, College Board scores, high school grade-point average, and the amount of time available to apply to the academic course work.

A continuing student with a grade-point average of 3.00 or higher for the preceding fall or spring semester may take a course overload with the approval of the appropriate dean. An overload may not exceed 21 hours.

Summer Session. An undergraduate student may not enroll for more than one course in any summer session less than four weeks in length. A student may enroll in a total of 7 hours in sessions C and D. A student may enroll in a total of 12 hours in session B. However, the total hours taken during the summer may not exceed 18.

Auditing Courses

Undergraduate students may audit a course with the permission of the instructor of the course, the department chair, and the academic dean on a space available basis. An auditor is not required to participate in any examinations or graded course assignments. Participation in class activities and the class attendance policy is at the discretion of the instructor. Students have until the third day of the beginning of the fall and spring semesters and the first day of each summer session to select the audit option.

Changes in Enrollment

Changes in enrollment, or student schedule changes, must be made before the end of the designated registration period. Such changes include dropping or adding courses, changing sections, electing to audit courses, and changing number of credits to be earned in a course (where applicable). Any change in enrollment may be done on Wingspan (wingspan.winthrop.edu) through the designated registration period. After the last day to register or drop courses, changes must be submitted to the Office of Records and Registration on a Schedule Change form with proper signatures.

Withdrawal From Courses

Students are expected to follow the courses of study selected at the beginning of the semester or summer term. There may be instances, however, when the student wishes to withdraw from a course. The decision to withdraw from a course is the student’s alone, but consultation with the advisor or academic dean and with the instructor is required.

Forms for withdrawing from courses after the end of the registration change period are available in the Office of Records and Registration. Withdrawal from a course may not occur during the last week of the course. If withdrawal is completed during the first one-third of a particular course, the grade of N is assigned, indicating no credit is awarded. If withdrawal from a course taken on a letter grade basis is completed during the final two-thirds, but before the last week of the course, the grade of N is assigned only if the student is passing the course at the time of withdrawal; otherwise, the grade of F is assigned. If withdrawal from a course taken on a satisfactory/unsatisfactory basis is completed during the final two-thirds, but before the last week of the course, the grade of N is assigned only if the level of achievement at the time of withdrawal is equivalent to an S; otherwise the grade of U is assigned. Course withdrawal is considered complete on the date of official withdrawal in the Registration Office, 102 Tillman. The instructor has the responsibility for assigning the grade for a course from which a student has withdrawn.

Complete Withdrawal from Winthrop

Students who find it necessary to discontinue their college work during a semester or
summer session should officially withdraw from the University. Undergraduate students who wish to initiate the withdrawal process should go to the Office of the Dean of Enrollment Management, 102 Tillman Hall.

A student who withdraws during the first one-third of the semester receives grades of N for all courses. If the withdrawal occurs in the second two-thirds of the semester, the student receives grades of F, N, U, or I, as the individual instructor deems appropriate. The only exception occurs in cases of medical withdrawal. A medical withdrawal is allowed in cases of severe medical problems which prevent the student from continuing enrollment. Medical withdrawals require documentation of the medical condition and the approval of the academic dean. In these cases, grades of N or I are recorded by the instructor. **A student may not withdraw during the last week of class.**

Failure to withdraw officially may seriously affect a student’s eligibility for future readmission or for transfer to another institution.

**Class Attendance Policies**

Students are expected to attend classes and should understand that they are responsible for the academic consequences of absence. The student is responsible for all requirements of the course regardless of absences.

Instructors are not obligated to provide makeup opportunities for students who are absent. The instructor will be responsible for judging the adequacy of cause for absence and will decide if a makeup opportunity will be provided.

The instructor may establish the attendance requirements for the course. The following policy will be in effect unless the instructor specifies otherwise: if a student’s absences in a course total 25 percent or more of the class meetings for the course, the student will receive a grade of N, F, or U, whichever is appropriate; if the student’s enrollment in the course continues after the date for withdrawal with an automatic N, and if the student’s level of achievement is equivalent to D or better (or S for a course taken on a satisfactory/unsatisfactory basis), the grade of N will be assigned; otherwise, the student will receive the grade of F (or U).

**Hazardous Weather Conditions**

It is the practice of Winthrop University to carry out its primary responsibility of providing instruction for students during regularly scheduled hours, except in cases when extreme weather conditions make roads unsafe for travel. While Winthrop feels a responsibility to meet scheduled classes and maintain office support for those classes whenever possible, the University places the highest priority on the safety of its students, faculty, and staff.

In instances of unsafe road and traveling conditions, the University notifies local media outlets in areas where Winthrop students and employees live if scheduled classes and activities of the University have been changed. Students should use their local media and discretion in judging the safety of traveling to the University during periods of inclement weather.

**Final Examinations**

The form of the final examination is determined by the instructor. The exam period may not exceed two and one-half hours. The times of final examinations are officially scheduled by the Registrar. The student and the instructor will be notified of a legitimate exam conflict if one or more of the following occurs: the student has more than one scheduled exam per period; the student has more than two examinations scheduled per day or more than three examinations scheduled in any four consecutive periods. Personal conflicts such as travel plans and work schedules do not warrant a change in examination times.
Evaluation and Grading

It is the responsibility of all faculty members at Winthrop to assign to all of their students fair grades based on evaluation relevant to the content and purposes of the course of study and, reasonably early in the semester, to inform students of the evaluation placed upon their work. Testing procedures are generally guided by the following principles: a number of evaluations of students’ achievements should be made throughout any given semester, the instructor in each class is encouraged to base students’ final grades on at least four major evaluations; the instructor may require a combination of one-hour tests, written reports, oral reports, or appropriate performances on projects. Tests should be returned to students within a reasonable time; students have a right to examine their own tests regularly in order to understand which items were answered incorrectly or inadequately.

Grading System

Grades for courses taken for undergraduate credit are recorded as follows:

A  Excellent, achievement of distinction (4 quality points per semester hour).
B  Good, achievement above that required for graduation (3 quality points per semester hour).
C  Fair, minimum achievement required for graduation (2 quality points per semester hour).
D  Poor, achievement at a level below that required for graduation; must be balanced by good or excellent work in other courses (1 quality point per semester hour).
F  Failure, unsatisfactory achievement (no quality points).
S  Satisfactory achievement (C level or above) on a course taken on a satisfactory/unsatisfactory basis.
SH Satisfactory Honors, used only for honors courses to indicate honors credit (A or B) taken on a satisfactory/unsatisfactory basis.
U  Unsatisfactory achievement (Honors courses, C level or below; all others, D level or below) on a course taken on a satisfactory/unsatisfactory basis.
N  No Grade, indicating the course carried no credit, or was withdrawn from under conditions that did not justify assignment of a grade of F or U.
I  Incomplete, used only as a prefix to a letter grade. Assigning an incomplete grade indicates that, for a valid reason, the course has not been completed and that the instructor reserves the right to raise the grade if the incomplete work is completed within one year, or by an earlier date specified by the instructor. The grade to which I is prefixed is not used in computing the student’s GPA until the I prefix is removed and indicates the grade earned if no further work is performed. It is the grade in the course unless and until changed by the instructor.

Satisfactory/Unsatisfactory Option

Undergraduate students may elect to receive a satisfactory/unsatisfactory (S/U) grade on a total of four courses throughout their entire undergraduate curriculum, and are limited to electing no more than one S/U course per semester. Each of these courses will count for credit as does any other course; however, a satisfactory/unsatisfactory grade, recorded as S or U, will not be counted in computing the student’s grade-point average. (The purpose of this option is to allow the student an opportunity to explore areas of interest outside the major and outside required courses without jeopardizing the grade-point average. Students are discouraged from choosing the S/U option for required courses or for courses in the major.) Students who are unclear about the appropriate application of the S/U option should consult their advisors.

The four-course limit regarding the S/U option does not include those courses which are offered only on an S/U basis.

A student must elect to utilize the S/U option within the first two weeks of a semester.
Quality Points and Grade-Point Average

To remain in good academic standing, a student must maintain a certain standard of excellence. This standard is fixed by the quality-point system. The grade received on a course determines the number of quality points earned per semester hour. Total quality points for a course are calculated by multiplying hours earned by the point value for the grade earned.

**Semester Grade Point Average.** The semester grade-point average (GPA) is calculated by dividing quality points earned that semester by hours taken on a letter-grade basis during that semester.

**Cumulative Grade Point Average.** The cumulative grade-point average (GPA) is calculated by dividing total quality points by quality hours. **Quality hours** are all hours of credit taken at Winthrop on a letter-grade basis. Credits earned by examinations, credits transferred from other institutions, and credits for courses taken on satisfactory/unsatisfactory basis are not used in computing a student's cumulative grade-point average. Courses failed at Winthrop University cannot be replaced by transfer coursework.

**Gross Hours Taken:** The sum of the total hours for which the student has been enrolled at Winthrop plus all hours accepted by Winthrop as transfer credit and all hours awarded by Winthrop as Credit by Examination.

**Quality Hours Taken:** All hours of credit taken at Winthrop on a regular letter grade basis. All courses are counted in the semester summary of the semester in which they are taken and in the cumulative summary.

**Cumulative Hours Earned:** All hours of credit completed at Winthrop University with grades of A, B, C, D, or S; all accepted transferred credits and all credits by examination. All courses are counted in the semester summary of the semester in which they are taken and in the cumulative summary.

**Quality Points:** Semester Hours Earned times the value of the Grade: A=4, B=3, C=2, D=1, F=0. All courses are counted in the semester summary of the semester in which they have been taken and in the cumulative summary.

Academic Probation

The first semester a student's cumulative grade-point average falls below the minimum required for the classification, he or she is placed on academic probation. Students on academic probation may not enroll in more than 15 semester hours. A student on academic probation whose semester grade-point average is 2.0 or higher is not suspended at the close of that semester even though the cumulative grade-point average remains below the minimum required for the classification. The student may continue enrollment on academic probation.

The student is removed from academic probation at the close of a semester in which the cumulative grade-point average meets the required minimum standard for his or her classification.

Undergraduate special students are not subject to academic eligibility while in this classification.

Credit awarded by examination and hours earned with a grade of S are used in determining classification but not in determining the grade-point average.

A student's eligibility in a given semester cannot be influenced by the change of a grade awarded in any semester prior to the previous semester, except in the removal of an incomplete grade.

ACADEMIC REGULATIONS
Academic Eligibility Schedule

Students enrolled at Winthrop University must earn a minimum cumulative grade-point average in accordance with the eligibility schedule below in order to avoid being placed on academic probation (or suspension):

<table>
<thead>
<tr>
<th>Class</th>
<th>Cumulative Hours Earned</th>
<th>Cumulative GPA</th>
</tr>
</thead>
<tbody>
<tr>
<td>Freshman</td>
<td>0 to 23</td>
<td>1.5</td>
</tr>
<tr>
<td>Sophomore</td>
<td>24 to 53</td>
<td>1.75</td>
</tr>
<tr>
<td>Junior</td>
<td>54 to 86</td>
<td>1.9</td>
</tr>
<tr>
<td>Senior</td>
<td>87 or more</td>
<td>2.0</td>
</tr>
</tbody>
</table>

Initial failure to meet the cumulative grade-point average according to the earned hours results in probation. A subsequent violation in the next semester or summer term of enrollment results in first academic suspension for the immediately succeeding regular academic semester and any intervening summer session. Students who are readmitted after suspension are readmitted on academic probation. Failure to meet the specified minimum cumulative grade-point average during this semester results in second suspension for one calendar year. Readmission for a second time again places the student on academic probation. Failure to achieve the specified minimum cumulative grade-point average after the second suspension results in permanent dismissal from the University.

Credit earned at any other institution while a student is ineligible to enroll at Winthrop University cannot be applied to any degree at Winthrop University.

Recourse for Academically Ineligible Students

If an academically ineligible student feels there are extenuating circumstances in his or her situation, special consideration may be asked of the Committee on Undergraduate Petitions. Procedures for petitioning are as follows:

1. A typed petition from the student must be presented to the Registrar stating the specific extenuating circumstances (see Item 4 following) which prevented the student from succeeding in his or her course work. This petition must be accompanied by a physician’s supporting statement or by other documentary evidence of extenuating circumstances. The petition must include the student’s name, student number, address, major, class, telephone number, and advisor’s name. A petition form is available in the Records Office.
2. The typed petition must be received by the Registrar at least one week before the beginning of the semester for which the student wishes to be readmitted.
3. The Registrar forwards the petition, along with all supporting documents, to the Petitions Committee.
4. Decisions are based only on extenuating circumstances such as illness, death in the family, or emergency military service.
5. Those who are readmitted by the Committee are notified and are allowed to register for courses.

General Appeal Procedure

Any undergraduate student may appeal for variations in the general education requirements and other university-wide academic regulations by submitting a typed petition to the Committee on Undergraduate Petitions.

Petitions must be accompanied by supporting statements or other documentary evidence which the student judges pertinent to the petition. Petitions should be addressed to the Committee on Undergraduate Petitions, c/o Registrar, and should include the
A petition form is available in the Office of Records and Registration.

To be considered at a regular monthly meeting, petitions must be received by the Registrar at least one week prior to the published meeting date of the Petitions Committee.

The Registrar forwards the petitions, along with any supporting documents, to the Undergraduate Petitions Committee and relays to the student the decisions reached by the Committee. (Refer to “Recourse For Academically Ineligible Students” for specific instructions pertaining to petitions concerning academic ineligibility.)

Fluency in English

A grievance policy exists in cases where a student claims that a faculty member's fluency in English is not adequate to conduct a course. Students may consult department/division or deans' offices or the Office of Academic Affairs to obtain the full text of the policy and grievance procedures.

Teacher Certification Requirements

Requirements for teacher certification set by the South Carolina State Department of Education or other agencies may or may not be the same as degree requirements shown in this catalog. Students desiring certification should consult with the appropriate agency early in their programs to determine any certification requirements above and beyond degree requirements.

Transient Study Credit

Courses taken at another institution by a Winthrop student, either during the summer sessions or a regular semester, for transfer back to Winthrop must have written approval of the student’s advisor and the student’s dean prior to registration for the courses. It is the student’s responsibility to have grades on these transfer credits reported to the Records Office as soon as possible, and, if it is the student’s final semester at Winthrop, no later than four days prior to the expected graduation date. Transcripts of all college work taken while a student is absent from Winthrop for a semester or more must be submitted when the student reapplies to Winthrop.

All transient study credit is subject to the Winthrop University Transfer Credit Policy. (See “Undergraduate Transfer Credit Policy” in the Admissions chapter of this catalog.)

Graduate Credit for Winthrop University Seniors

Winthrop seniors with an overall grade-point average at Winthrop of 3.00 or better may be permitted to take courses numbered 500-599 for graduate credit during their final semester of undergraduate work, provided the total course load (undergraduate and graduate) for that semester does not exceed 16 semester hours. The student may receive graduate credit for these courses only if the requirements for the baccalaureate degree are satisfactorily completed by the end of that same semester.

Senior accounting students in their final term may take one 600 level accounting class if the student meets the following conditions: (A) admitted provisionally to graduate studies for the MBA Accounting Option; (B) limited to one 600 level accounting course; (C) 3.0 undergraduate grade point average; and (D) limited to maximum load of 16 semester hours.

Undergraduate students who wish to take courses numbered 500-599 for graduate credit must first receive approval from the academic dean of the school or college in which they are majoring. Approval applications are available in the Graduate Studies Office.
Repeating a Course

A student may repeat any course taken at Winthrop University or transferred to Winthrop, for which he or she did not earn a grade of B or higher, or a grade of S. (This regulation does not apply to courses that may be repeated for additional credit.) Credit hours earned in a particular course taken at Winthrop will not be awarded more than one time, (unless the course has been approved for additional credit) and transfer credit for repeated courses will be forfeited.

A student who enters Winthrop as a freshman is allowed a maximum of four repeated courses with grade exemption for any courses taken at Winthrop University for which he or she did not earn a grade of B or higher. Under this policy, the original grade earned in the course will be exempted from the calculation of the cumulative grade point average. Students who transfer to Winthrop with fewer than 40 semester hours of credit also are allowed the four course repeats with grade exemption; those with at least 40 and fewer than 70 hours are allowed three; those with at least 70 and fewer than 100 are allowed two; and those with 100 or more allowed only one repeated course for which the original grade may be exempted from the cumulative grade point average.

The repeat exemptions will be automatically applied to courses as they are repeated up to the allowed number of repeat exemptions. Receiving a grade of U in a repeated course will not replace a previous attempt's grade, but will utilize one of the repeat exemptions.

The Permanent Record and Transcripts of Record

A permanent record of each student's courses, credits, and grades earned is maintained in the Office of Records and Registration. Transcripts are provided upon written request of the student. Transcripts are withheld from those students and former students who have unpaid accounts with the University.

Grade Reports

At the end of each semester and summer term, students may access their final grades via a toll-free telephone number or via the Internet. Students will have access to grades 24 hours a day for at least 24 days. Copies of grades may be printed from the Internet or be obtained from the Office of Records and Registration. All errors found on a grade report must be reported to the Office of Records and Registration Office. If no error is reported within 30 days of issuance, it is assumed the report is correct and each entry becomes a part of the student’s permanent record.

Programs for Superior Students - Honors Program

Honors Mission Statement. Honors at Winthrop University seeks to encourage and enhance the intellectual growth of students through a program of small enrollment courses taught by high-quality faculty who prompt active student participation and interaction. The program seeks to capture the imagination and to foster the joy of learning by constructing a challenging, personalized learning environment that

1) facilitates the development of analytic problem-solving skills,

2) promotes both independent and cooperative learning along with presentation skills,

3) integrates knowledge across traditional course and discipline boundaries, and

4) enriches learning opportunities through multicultural and international studies.

The Honors Program provides an opportunity for freshmen to participate in Honors courses the first semester of their freshman year. Outstanding students from all majors are invited to participate in this challenging and innovative environment. Centered around the idea of course “clusters,” the Honors Program offers a special content for accelerated
learning, personal growth and enrichment while at the same time meeting Winthrop’s general education requirements. During the first semester, students share learning experiences with exceptional faculty by choosing from a wide range of courses often taught as seminars. Faculty participating in the Honors Program encourage independent thinking and express a particular interest in mentoring their students. In addition to receiving high quality instruction in small classes, students in the Honors Program exchange ideas outside the classroom setting through extradisciplinary learning experiences, such as sessions with invited speakers and informal social gatherings.

After the first semester and the attainment of a GPA of 3.0 at Winthrop, students are invited to take Honors Program courses through a variety of settings including seminars, independent directed study, interdisciplinary courses, senior theses and a selection of one credit intensive symposia centered on great works or current events. Within the context of the following guidelines, the individual’s course program is constructed by the student with the consultation of his/her advisor. After completing the Honors Program at Winthrop, students will not only have a deeper, richer understanding of the content studied, they will retain the joy of learning, the strength of independent thought, and the ability to direct their own learning which have been fostered through their Honors experience.

Requirements for Honors Degree
A student will attain a degree with Honors through satisfactorily completing 23 hours of course work in honors while maintaining a 3.0 GPA based on his/her total course work. Honors courses must be completed with a B or better to be accepted as honors credit. The following requirements must be adhered to:

1. **Major Component:** Twelve hours must be in the student’s major.
2. **Interdisciplinary Component:** Either a freshman honors cluster or a three-hour interdisciplinary seminar must be completed.
3. **Independent Study Component:** A senior thesis/project must be completed in the student’s major.
4. **Cultural Component:** Two one-hour symposia must be completed.
5. **Construction of course plan:** The student’s course plan should be designed with the help of an advisor and filed with the Honors Office at the beginning of the junior year. For graduation with an honors degree, the plan must receive the approval of the Honors Director and the Honors Committee.

Courses must be taken both in the major and outside of it. All courses should be chosen from the Honors course offerings lists except on the specific and individual recommendation of the advisor and appropriate department within the student’s course plan. Contact the Honors Office for additional information and course descriptions if they are needed.

Sample Timetables:

**Freshman:** One Freshman Honors cluster, one major (6/9 hours)
**Sophomore:** One symposium, two general education, one major (10 hours)
**Junior:** One major (3 hours)
**Senior:** One symposium, senior project (4 hours)

**Freshman:** One major, one general education (6 hours)
**Sophomore:** Two general education, one major (9 hours)
**Junior:** One major, one symposium (4 hours)
**Senior:** One symposium, senior project (4 hours)

**Sophomore:** Two general education, one major, one symposium (10 hours)
**Junior:** Two major (6 hours)
**Senior:** One major, senior project, one symposium group (7 hours)
Degree With Recognition - Transfer Students

Transfer students to Winthrop can pursue an Honors Degree or a degree with recognition. If the student has participated in an Honors program at an accredited four-year college or university, they are encouraged to continue in the Winthrop Honors Program. These students may receive Honors credit for Honors study completed at the other institution. Upon approval of the Honors Director, students who transfer to Winthrop as sophomores may receive up to six hours of Honors credit for such work. Students transferring as juniors may receive up to nine hours of Honors credit, and senior transfer students may receive up to twelve hours of Honors credit.

Upon occasion, a student comes to Winthrop as a transfer student with no previous Honors hours and a minimum number of hours left to earn the degree. Such students may opt to pursue a degree with recognition. The degree with recognition program is restricted to transfer students entering with and maintaining a 3.0 GPA, receiving transfer credit for at least 60 hours, and needing 75 hours or fewer at Winthrop. If more than 75 hours are taken at Winthrop, the student should choose to pursue an Honors Degree.

Requirements for a Degree with Recognition

In addition to meeting the eligibility requirements described in the above paragraph, a student will attain a Degree with Recognition through satisfactorily completing 13 hours of course work while maintaining a 3.0 GPA based on his/her total course work. Honors courses must be completed with a B or better to be accepted as honors credit. The following requirements must be adhered to:

1. **Major Component:** 6 hours must be in the student’s major.
2. **Interdisciplinary Component:** 3 hours must be outside the student’s major.
3. **Independent Study Component:** A senior thesis/project must be completed in the student’s major.
4. **Cultural Component:** One one-hour symposium must be completed.
5. **Construction of a course plan:** The student’s course plan should be designed with the help of an advisor and filed with the Honors Office as soon as possible. For graduation with a degree with recognition, the plan must receive the approval of the Honors Director and the Honors Committee.

For more information, contact Dr. Kathy Lyon, 323-2320 or 2635.

Academic Honors

**President’s List.** Each undergraduate student who completes a minimum of 12 semester hours of courses taken on a letter-grade basis during the fall or spring semester and earns a grade-point average of 4.00 is eligible for the President’s List for that semester.

**Dean’s List.** Each undergraduate student who completes a minimum of 12 semester hours of courses taken on a letter-grade basis during the fall or spring semester and earns a grade-point average of at least 3.50 is eligible for the Dean’s List for that semester.

**Honor Graduates.** Any undergraduate student who completes degree requirements with a final grade-point average of 3.50 to 3.74 shall be granted a diploma **cum laude**; any undergraduate student who completes degree requirements with a final grade-point average of 3.75 to 3.89 shall be granted a diploma **magna cum laude**; any undergraduate student who completes degree requirements with a final grade-point average of 3.90 or higher shall be granted a diploma **summa cum laude**. In order for a student who has credits transferred...
from another institution to receive a diploma cum laude, magna cum laude, or summa cum laude, it is necessary to have the required grade-point average on the work taken at Winthrop as well as the required grade-point average on the combination of Winthrop work, including courses lost due to utilization of academic forgiveness, and all work taken at other institutions. Note: Coursework taken at other institutions cannot raise a graduate to a higher level of Academic Honors.

Students who complete degree requirements with a final grade point average of 3.75, earn a minimum of 48 quality hours (earned hours on a regular letter grade basis) at Winthrop University, and do not qualify for one of the categories above, will receive Honors Recognition.

Choice of Catalog

A regular undergraduate student may obtain a degree in accordance with the requirements set forth in the catalog in force at the time of the student's initial enrollment as a regular undergraduate student at Winthrop, provided that the student has not been absent from active enrollment for a continuous period of twelve months or more; or the student may elect to obtain a degree in accordance with the requirements of any catalog issued after the initial enrollment, provided the student was enrolled as a regular undergraduate student in Winthrop at the time the catalog was issued and has not subsequently been absent from active enrollment for a continuous period of 12 months or more. When a student has been absent for a period of 12 months or more, he or she must fulfill the requirements of the catalog in force at the time of re-enrollment or a subsequent catalog in force during enrollments. In all cases, a student is restricted in choice to the requirements of a specific catalog and must graduate within a period of eight years from the date the catalog was issued to claim the rights of that catalog.

If any course required in the catalog specified is not offered after the student specifying the catalog has accumulated 87 semester hours, the University reserves the right to substitute another course. In all cases, if a course has been officially dropped from the course offerings, the University provides a substitute course.

Change of Degree or Program of Study

A student may change from one degree program or area of academic concentration to another, provided the prerequisites for admission to the new program are met and appropriate written approval is obtained.

Undergraduate Degree Requirement Audit

Students should request a Degree Requirement Audit through the appropriate Academic Advisement Office immediately following the semester in which the student earns 70 hours. Each student must have a signed Degree Requirement Audit in effect and on file in the Records Office prior to receiving a diploma from Winthrop.

The Degree Requirement Audit is prepared by a student's college and states the remaining graduation requirements for the student's chosen degree program. Once the audit has been approved by the Records Office and signed by the student, it provides the student and the institution with a written understanding of the student's remaining requirements.

If a student is not enrolled at Winthrop for one calendar year, the audit is void.

Application for Graduation

During the first semester of the senior year, students should file an Application for Graduation in the Records Office. Upon receipt of the application, a review of the student’s record is performed to verify the remaining requirements. The Application for Graduation also serves as the order for the student’s diploma and notifies the Registrar of the student’s planned graduation date.
ACADEMIC REGULATIONS

Failure to file an application as specified above will result in a late fee. The application deadlines are February 1 for August and December graduation and September 15 for May graduation. If the application is filed after the deadline a $10 penalty is assessed. After the deadline for the next commencement has passed, a $20 penalty is assessed.

Awarding Degrees and Commencement Exercises

Degrees are awarded three times a year, at the end of each Fall and Spring semester and at the end of the summer session. Commencement exercises are held only twice a year, in December and in May. The program for the December commencement lists the names of all students who completed degrees during the preceding summer session, as well as those who completed degrees during the Fall semester. The program for the May commencement lists the names of those students who completed degrees during the Spring semester.

Students who complete degrees during the Fall and Spring semesters and desire to graduate in absentia should submit a written notification to the Records Office as soon as they know they are not attending commencement exercises.
ACADEMIC PROGRAMS

The University offers degrees in programs leading to the Bachelor of Arts, the Bachelor of Fine Arts, the Bachelor of Music, the Bachelor of Music Education, the Bachelor of Science and the Bachelor of Social Work.

DEGREE REQUIREMENTS

Each student is responsible for meeting requirements for graduation as stated in the University Catalog. An advisor is available for counsel, but the responsibility remains with the student.

The baccalaureate degrees require the completion of a minimum of 124 semester hours of credit, including all courses required in the specified degree program, with a final grade-point average of 2.00 or better on all courses which are taken on a letter-grade basis at Winthrop University. Students must also achieve a minimum of a 2.00 GPA in courses counted toward the major and minor programs. Some degree programs have more stringent GPA requirements. See degree program listings for specific requirements.

Of those semester hours required for the baccalaureate degree, a minimum of 40 semester hours must be in courses numbered above 299, and 59 semester hours must be distributed in accordance with the General Education Distribution Requirements.

Not more than 36 semester hours in any one subject may be applied toward a Bachelor of Arts degree.

All baccalaureate degree programs at Winthrop University require the successful completion of the Undergraduate Writing Composition requirement. (See Writing Composition Requirement.)

A student not majoring in Business Administration may take for the baccalaureate degree a maximum of 30 semester hours of credit in the College of Business Administration. Programs permitting more than 30 semester hours of such courses must be approved by the Dean of the College of Business Administration.

Each program leading to the Bachelor of Arts degree requires the completion of a minor in addition to the major program. Students must achieve a 2.00 grade-point average in courses counted toward the minor. Students may fulfill the minor requirements with one or more minors of their own choosing (see section on minors for the comprehensive list of minors and the specific requirements for each minor) or a second major. Students in Bachelor of Science degree programs may elect to complete a minor. The minimum number of semester hours required for a minor is 15, at least 6 of which must be in courses above 299. Bachelor of Science degree students may use courses required in the major to also satisfy minor requirements, except those pursuing a B.S. in Business Administration. No course may count toward a business administration major and a business administration minor. Minors are recorded on the permanent record.

Students may elect a second major. When doing so, students must indicate which college they wish to have advise them, and it shall be the student’s responsibility to ascertain whether the appropriate requirements have been met in both majors. The second major shall be recorded on the permanent record in lieu of, or in addition to, a minor. It should be noted that a double major will not by itself lead to the conferral of a second degree. (See Second Baccalaureate Degree.)

Residence Requirements

There are four basic residence requirements:
1. A minimum of 31 semester hours of course credits must be taken within five calendar years preceding the date the degree is granted.
2. A minimum of 22 of the final 31 hours required for the degree must be taken in residence at Winthrop exclusive of CLEP credit. However, a minimum of 15 is required if the student participates in a recognized exchange program at Winthrop University. This exception will require the approval of the Winthrop director of the exchange program, the head of the student’s department and the director of student services in the college of the student's major.
3. When part of the final 31 hours is taken in another institution, the student must have taken a minimum of 30 semester hours at Winthrop prior to taking the final 31 hours. The institution and the course taken must be satisfactory to the student’s advisor and to the dean of the college.

4. A minimum of 12 semester hours of course credits must be taken in residence at Winthrop in the major discipline(s).

In meeting the residence requirements, credits earned during the Winthrop summer session are counted on the same basis as credits earned in the fall and spring semesters.

In addition to the basic residence requirements for all Winthrop undergraduate degrees, all undergraduate degree programs in the College of Business Administration require that the final 31 hours required for the degree must be taken in residence at Winthrop.

**Course Level Requirement**

For graduation with a baccalaureate degree a student must present a minimum of 40 semester hours in courses numbered above 299 (48 semester hours above 299 in programs offered by the College of Business Administration).

**Final Grade-Point Average**

A final cumulative grade-point average of 2.00 or better is required for graduation. The final grade-point average is based on the hours and quality points earned for all courses taken on a letter-grade basis at Winthrop.

**Writing Composition Requirement**

Beginning students should enroll in WRIT 101 during their first semester at Winthrop University and should complete WRIT 101 and 102 early in their academic careers. Students who do not pass both courses by the time they have completed 60 earned hours will be limited to a maximum course load of 12 hours per semester and will not be permitted to enroll in courses above 299 until they have satisfied the writing requirement.

**Critical Issues Symposium**

The Critical Issues Symposium (CISM) is required for entering freshmen. It is designed to develop critical reasoning and small group discussion skills and to introduce students to differing perspectives on major contemporary issues. CISM 101 carries one hour of credit. Classes meet twice a week in small groups.

**Cultural Events Requirement**

By graduation, each undergraduate student is required to attend three cultural events for every 20 hours completed at Winthrop University, not to exceed 18 cultural events. The purpose of the cultural events requirement is to establish and foster a life-enriching pattern of cultural involvement.

Each semester a calendar of on-campus events which have been approved as fulfilling the cultural events requirement is published. This calendar will have events added over the course of the semester. Events that are selected will be chosen from areas that are related to the arts such as plays, concerts, films, art shows and dance performances or from lectures of universal appeal. Lectures that are included on the cultural events calendar are selected on the basis of the speaker’s reputation and ability to generate new ideas and discussion on topics of universal significance.
Students may fulfill this requirement through any one of the following three methods or a combination of these methods:

1. Attend approved on-campus events. To receive credit the student must be scanned both in and out of the event.
2. Petition for credit for attendance at an event off-campus. This option requires a petition form (available from the Cultural Events Office, the Registration Office or the Winthrop Web Site), proof of attendance (ticket stub or program), and a one-page typewritten report.
3. Present a portfolio of culturally related life experiences. All experiences cited must be post-high school and prior to matriculation at Winthrop University. This option is designed for the nontraditional student with extensive cultural experiences.

For more detailed information regarding the Cultural Events Requirement and/or these three options, contact the Cultural Events Office (112 McLaurin).

General Education Distribution Requirements

All candidates for a baccalaureate degree shall complete the General Education Distribution Requirements. Although these requirements usually take the form of individual courses, students should integrate their learning experiences from different courses taken at different times and should assimilate common concepts taught in different disciplines. Students should conduct all activities in an ethical manner and work with integrity and honesty toward the following goals:

**Goal One:** To communicate clearly and effectively in standard English.
To achieve this goal, students should:
1. Read, write, and speak standard English;
2. Analyze written, spoken, and nonverbal messages from a variety of disciplines; and
3. Understand and practice rhetorical techniques and styles by writing and by giving oral presentations.

**Goal Two:** To acquire and appreciate quantitative skills.
To achieve this goal, students should:
1. Solve mathematical problems of the type necessary for living in today’s and tomorrow’s world;
2. Make valid inferences from data;
3. Understand that quantitative analysis is important to almost every endeavor of humankind, and
4. Understand the concept and application of quantitative relationships.

**Goal Three:** To use critical thinking, problem-solving skills and a variety of research methods.
To achieve this goal, students should:
1. Identify sound and unsound reasoning;
2. Analyze and use a variety of information gathering techniques;
3. Conduct independent research;
4. Use computers competently; and
5. Use the library and other information sources competently.

**Goal Four:** To recognize and appreciate human diversity (both past and present) as well as the diversity of ideas, institutions, philosophies, moral codes, and ethical principles.
To achieve this goal, students should:
1. Analyze diverse world cultures, societies, languages, historical periods, and artistic expressions;
2. Understand cultures in their own terms and in terms of such factors as class, race, gender, heredity, language, religion, and economic status; and
3. Understand the nature of social and cultural conflict and methods of resolution.

Goal Five: To understand scientific knowledge in terms of its methods or acquisition, its specific quantitative nature, and its dynamic and contingent character.
To achieve this goal, students should:
1. Study areas of science that affect everyday life;
2. Identify and develop hypotheses, design studies, and collect data in light of these hypotheses;
3. Take accurate measurements and make detailed observations to reach valid empirical conclusions; and
4. Understand how scientific theories change over time.

Goal Six: To understand aesthetic values, the creative process, and the interconnectedness of the literary, visual, and performing arts throughout the history of civilization.
To achieve this goal, students should:
1. Participate in and/or observe a variety of artistic expressions;
2. Study the discipline and techniques involved in artistic creations; and
3. Understand how and why people use artistic forms.

Goal Seven: To examine values, attitudes, beliefs, and habits which define the nature and quality of life.
To achieve this goal, students should:
1. Reflect on the role played in their lives by school, work, leisure, and community involvement;
2. Examine problems, issues, and choices that confront citizens of the world;
3. Pursue basic principles of wellness;
4. Take responsibility for the consequences of their actions and choices; and
5. Articulate and assess their personal ethical principles.

Of the hours required for a baccalaureate degree, 59 must be distributed in accordance with the General Education Distribution Requirements:

International Understanding Requirements for International Students

A student classified as a national of any non-English speaking nation may meet the International Understanding Requirement by taking an appropriate number of hours in English. Foreign students who are admitted with junior standing after evaluation of their academic records may be excused from some part of the total International Understanding Requirement but must earn no less than 6 semester hours of credit in English courses at a level acceptable to the academic advisor and to the Dean of the College of Arts and Sciences.

Foreign Language Credit

Students in Arts and Sciences, who are not language majors and have completed the 101-102 sequence in any language, and students in other colleges that do not have a language requirement, may receive credit for the 101 course in a language without completing the 102 course in the same language. Modern Language majors must satisfy the 30-hour requirement in the major and the one-year requirement in a second language before they can receive credit for the 101 course without the 102 course in the same language.

Extension and Correspondence Credit

A maximum of 30 semester hours in correspondence courses may be accepted as partial fulfillment of the requirements for baccalaureate degrees, not more than 12 semester hours of which may be in any one subject. The institution and the courses taken must be satisfactory to the dean of the student's college. The student must have a grade of C or above on correspondence credit accepted. Grades on correspondence courses are not used in computing a student's grade-point average.

Second Baccalaureate Degree

A graduate of the University may receive a second baccalaureate degree if it is in a different major by fulfilling the following conditions:

1. Meet all the requirements for the second degree.*
2. Complete a minimum of 30 hours in residence beyond requirements for the first degree.

*The dean of the appropriate college will determine the courses required to complete the second degree.
Undergraduate Degree Programs and Requirements

The College of Arts and Sciences provides educational opportunities for students to gain knowledge, insights and skills in order to grow more sensitive to the significance of the human heritage, to participate and contribute knowledgeably and effectively as citizens, and to lead rewarding, productive and enriched lives within the contemporary world.

Providing the liberal arts foundation for all Winthrop University students, the College of Arts and Sciences offers a broad spectrum of general education courses so undergraduate students may be afforded the central core of knowledge enjoyed by well-educated citizenry.

Some of the degree programs in Arts and Sciences prepare majors directly for professional employment; others prepare them for admission to professional and graduate schools; others combined with an appropriate minor from Arts and Sciences or one of the professional schools provide a valuable basis for a career.

The College of Arts and Sciences offers the Bachelor of Arts, the Bachelor of Science, the Bachelor of Social Work, the Master of Arts, Master of Liberal Arts, Master of Mathematics, the Master of Science and the Specialist in School Psychology degrees with the following majors:

**Bachelor of Arts Degree:** English, general communication disorders, environmental studies, history, mass communication, mathematics, modern languages, philosophy and religion, political science, psychology and sociology.

**Bachelor of Science Degree:** biology, chemistry, environmental sciences, human nutrition, integrated marketing communication, mathematics, and science communication.

**Bachelor of Social Work Degree:** social work.

Minors are offered through the College of Arts and Sciences in African-American studies, anthropology, applied physics, biology, chemistry, English, French, general science, geography, geology, German, gerontology, history, human nutrition, international area studies, mass communication, mathematics, philosophy, philosophy and religion, political science, psychology, secondary education, social sciences, social welfare, sociology, Spanish, women's studies, and writing. See the section on Minors for requirements.

Winthrop’s undergraduate program in human nutrition is accredited by the Commission on Accreditation for Dietetics Education of The American Dietetic Association. The Bachelor of Social Work program is accredited by the Council on Social Work Education. The Department of Mass Communication is accredited by the Accrediting Council of Education in Journalism and Mass Communications.

**Graduate Degree Programs**

**Master of Arts Degree:** English, history, and Spanish.

**Master of Liberal Arts Degree:** liberal arts.

**Master of Mathematics Degree:** mathematics.

**Master of Science Degree:** biology, human nutrition, and school psychology.

**Specialist in School Psychology Degree:** school psychology.

**Pre-major Advising Center**

Students who do not declare majors are assigned advisors in the Pre-major Advising Center. Advising is provided by faculty members representing a variety of academic departments who help resolve issues that pre-majors tend to encounter. The Pre-major Advising Center is located in 106 Kinard.
Pre-College Credit, Distance Learning and Dual Credit

Qualified high school students may enroll for university courses at Winthrop during the regular academic year or summer session. Distance learning courses are offered to area high school students for college credit. To qualify, students must be recommended by their high school counselors or principals. Credit earned can count towards a high school diploma, for college credit at Winthrop or both. However, this dual credit option is limited to secondary schools with which Winthrop has dual credit agreements.

College of Arts and Sciences Requirements

Foreign Language Requirements: A candidate for a BA or BS degree in the College of Arts and Sciences must demonstrate proficiency in a foreign language at or above the second semester college level. This requirement may be met by a satisfactory score on a recognized proficiency examination or by passing a foreign language course numbered 102 or any foreign language course with 102 as a prerequisite. A maximum of three semester hours of foreign language courses may be applied to AREA I (c), and a maximum of three semester hours of foreign language courses may be applied to AREA V of the Winthrop University General Education Distribution requirements. Non-native speakers of English can petition the College of Arts and Sciences Curriculum Committee for possible exemption from the foreign language requirement.

Students may receive credit for one semester of a language under the following specified conditions:

1. Non-Language Arts and Sciences majors who have satisfied their language requirement can receive credit for the 101 in subsequent languages without being required to complete the 102 courses in those languages.
2. Modern language majors who have satisfied the 30-hour requirement in the major language (French or Spanish) and one year requirement in a second language, can take and receive credit for the 101 course in subsequent languages without being required to complete the 102 courses in those languages.
3. Students in the other colleges who do not have a language requirement at present can also receive credit for any 101 courses without completing the 102 courses in those languages (with the approval of the respective college). However, if those students change to an Arts and Sciences major, they will be required to meet criteria in items 1 or 2 above.

Laboratory Science Requirement: The College of Arts and Sciences requires that all students complete at least one laboratory science course as part of the Winthrop University General Education Distribution requirements for AREA II-Natural Sciences.

Grade Point Average (GPA) Requirement: A minimum cumulative grade-point average of 2.0 is required for courses taken at Winthrop, as well as for courses counted toward the major program. All students pursuing degrees that require a minor must achieve a cumulative GPA average of at least 2.0 in courses counted toward the minor.

B.A. Degree Requirements: All B.A. degree programs require that students complete a minor. Not more than 36 semester hours in any one subject designator may apply to a Bachelor of Arts Degree.

B.S. Degree Requirements: Although not required, students enrolled in B.S. degree programs may complete a minor. In such cases, students may use courses required in the major (except Integrated Marketing Communication) to also satisfy minor requirements.

Teacher Certification: Certification is available in the following areas: biology, chemistry, English, French, mathematics, social studies (which includes anthropology, economics, geography, history, political science and sociology) and Spanish.

Students must meet all requirements for admission to and completion of the Teacher Education Program and its core curriculum. All phase-in information as explained in the College of Education section of this catalog will be applicable.

In order to be formally admitted into the teacher education program, the student
must meet the admission requirements in the College of Education. (See section on College of Education Admission Requirements.)

**Bachelor of Science in Biology**

The biology major is frequently chosen by students with career interests related to medicine, environmental science, biological research and teaching, and secondary education in the sciences. Qualified Winthrop students in biology are accepted for postgraduate study in many fields, including medicine, dentistry, veterinary medicine, physical therapy, physiology, microbiology, ecology, environmental science, botany, zoology and medical technology.

Students majoring in biology should take BIOL 203, 204 and 205 or 206, CHEM 105-106 and 107-108 and a MATH elective in the freshman year. Students are required to take at least one 500-level course in Biology.

*Students completing the required program for the BS degree in Biology must demonstrate proficiency in a foreign language at or above the second semester college level. This requirement may be met by a satisfactory score on a recognized proficiency examination or by passing any foreign language course numbered 102 or any course with 102 as a prerequisite. A maximum of 3 semester hours of foreign language courses may be applied to Area I and a maximum of 3 semester hours may be applied to Area V of the Winthrop University General Education Distribution requirements.

The student must attain a cumulative grade-point average of 2.00 or better in courses taken at Winthrop and included in the 67 semester hours of the required program. The student must complete a minimum of 12 semester hours of BIOL courses in residence at Winthrop University.

Within the 124 semester hours required for this degree, the student must include a minimum of 40 semester hours in courses numbered above 299 and complete PLSC 201 or ECON 103 or HIST 211 and 212.

No more than 3 semester hours of credit may be awarded toward a degree in Biology for a student completing any combination of BIOL 461, 463 and 340 A, B, C.

Students desiring certification as teachers of biology or certification as Medical Technologists should consult the specific requirements listed in the next two sections.

**Certification as Secondary School Teacher - Bachelor of Science in Biology**

Program Coordinator: Paula Mitchell

Students desiring certification as teachers of biology should consult with the department’s certification advisor and Student Academic Services in the Richard W. Bachelor of Science in Chemistry

Students major in chemistry to pursue industrial or graduate opportunities in medicine, environmental science, computational molecular modeling, forensics, plastics, chemistry, textiles, health sciences, materials science, energy production, biotechnology, chemical engineering, pharmaceutical sciences, ceramics, environmental engineering or toxicology. Chemists represent the largest group of industrial scientists in the U.S.; approximately 50% of all research and development positions in this country are filled by professionals with chemistry or chemical engineering backgrounds.

Students majoring in chemistry are required to complete a core of courses—six hours of calculus, eight hours of physics and 28 hours of chemistry—as well as one of two programs of study. The American Chemical Society (ACS) program of study focuses nearly entirely on chemistry. The Multidisciplinary program of study requires eight more hours of chemistry in addition to 18 hours (15 of which must be above the 299 level) in chemistry or related science/math disciplines. The latter program of study provides students with
increased opportunities to enter multidisciplinary fields such as medicine, pharmaceutical sciences, molecular modeling, environmental science, biotechnology and materials science.

**Premedical Program with a Bachelor of Science in Chemistry**

Students who wish to prepare for application to medical school should acquire a broad foundation in the natural sciences, mathematics, humanities and the social sciences. Chemistry is a popular major for such students since it allows them to complete the premed requirements without taking a large number of courses outside the major. In addition, the percentage of chemistry majors applying and being accepted to medical school is higher than observed for most other majors. Medical schools generally require two semesters of each of the following courses:

- Inorganic Chemistry
- Organic Chemistry
- General Biology
- Physics
- Mathematics
- English Composition and Literature
- (Biochemistry, anatomy and physiology, genetics and microbiology are strongly recommended.)

All of the courses listed above can be used to fulfill requirements necessary for a major in chemistry.

ENVIRONMENTAL SCIENCES/ STUDIES

Bachelor of Science in Environmental Sciences and Bachelor of Arts in Environmental Studies

The BS degree in Environmental Sciences will educate students in the scientific, social, political, ethical and policy aspects of environmental issues in preparation for scientific careers in industry, government, and consulting, and for graduate programs in environmental sciences. The BA degree in Environmental Studies will provide students with a broad introduction to the scientific, social, political, cultural, economic and policy aspects of environmental issues. BA students will minor in a discipline linked to their major and will be prepared to pursue careers with environmental groups, policy groups, and consulting firms and to continue studies in graduate programs in environmental studies and law.

A maximum of 3 semester hours may be applied to Area I and a maximum of 3 semester hours may be applied to Area V within the General Education Requirements listed above.

History majors are strongly advised not to take history courses on the 300 or 500 level prior to the semester they register for HIST 500 (Historical Methodology). Such courses may, however, be taken concurrently with HIST 500. The student must attain a cumulative grade-point average of 2.00 or better in courses taken at Winthrop and included in the 30 semester hours of the required program. The student must complete a minimum of 12 semester hours of HIST courses in residence at Winthrop University.

In addition to the 30 semester hours of the required program, the student must select and complete a minor, attaining no less than a 2.0 GPA in the minor. Within the 124 semester hours required for this degree, the student must also include a minimum of 40 semester hours in courses numbered above 299.

No more than three hours of Cooperative Education Experience can count toward the major.

Students desiring certification as teachers of social studies should consult the specific program requirements listed in the next section or the B.A. in Political Science program.

**Bachelor of Arts in Mass Communication**

Students majoring in mass communication are interested in careers in newspaper journalism, broadcast journalism, broadcast production, media management, magazine journalism, public relations, advertising or business journalism.

By the time of graduation, mass communication graduates are expected to be able to gather, organize and process information; conduct interviews; write in professional style to a professional level of competence; and edit and produce, either in printed or broadcast form; all while meeting standards of professional ethics.

Students will be classified as pre-majors (MCMP) in the department until they have completed WRIT 101 and 102, MATH 101 or 140, ECON 201 or 202, MCOM 205 and 241, and have attained a 2.0 or higher grade-point average, at which time they can apply for admission to the program.
Students are required to earn a “C” or better in each required course in the major as well as to earn at least a 2.0 GPA in the major.

Students are required to type all written assignments and must furnish their own word processors. Keyboard proficiency is required for MCOM 241 and is tested each semester before registration. Students who fail the test must wait until the following semester to take the test again and are advised to take a course involving keyboard use before attempting the proficiency test again.

The mass communication major is limited to 36 hours of MCOM and IMCO courses. Students who exceed 36 hours in MCOM and IMCO will not be allowed to apply those additional hours toward the required degree program.

Students are expected to complete courses in the major in numerical order; for example, MCOM 205, 241, 333, 342, 343, 410, 412, 441.

At least 21 semester hours of the major must be completed at Winthrop University. A maximum of 12 semester hours may be transferred into the major from another accredited institution; additional transfer hours in journalism or mass communication will not apply toward the degree. MCOM 241 and 342 must be taken at Winthrop. A grade of B or better in WRIT 101 or 102 is required for admission to MCOM 241.

Students must complete at least 65 hours in the basic liberal arts and sciences.

*Students completing the required program for the B.A degree in Mass Communication must demonstrate proficiency in a foreign language at or above the second semester college level. This requirement may be met by a satisfactory score.
In addition to the 48-56 semester hours of the required program, the student must select and complete a minor or a second major, attaining no less than a 2.0 GPA in the minor or second major. Within the 124 semester hours required for this degree, the student must also include a minimum of 40 semester hours in courses numbered above 299 and complete PLSC 201 or ECON 103 or HIST 211 and 212. The student must attain a cumulative grade-point average of 2.00 or better in courses taken at Winthrop and included in the 48-56 semester hours of the required program.

**Bachelor of Science in Integrated Marketing Communication**

Students majoring in integrated marketing communication are interested in careers in the various communication professions that support the marketing of products and services to consumers and business organizations, including advertising, public relations, integrated marketing communication and corporate communication.

By the time of graduation, integrated marketing communication graduates are expected to be able to gather, organize and process information and data, conduct interviews, write in professional style to a professional level of competence, and produce marketing communication messages and materials in printed, electronic or multimedia form, all while meeting standards of professional ethics.

Students will be classified as pre-majors (IMCP) in the program until completion of 16 hours of coursework (MATH 101 or 140; WRIT 101 and 102; ECON 201 or 202; CSCI 101; and IMCO 105) with a minimum GPA of 2.0. Students must apply to the Integrated Marketing Communication Committee for admission into the program.

Students are required to earn a “C” or better in each course in IMCO, MCOM, MGMT and MKTG.

Keyboard proficiency is required for MCOM 241.

The integrated marketing communication major is limited to 36 hours of MCOM and IMCO courses and 30 hours of business administration courses. Students who exceed these maxima will not be allowed to apply those additional hours toward the required degree program.

Students are expected to complete courses in the major in the prescribed order. Assigned academic advisors should be consulted regarding course selection and sequencing.

At least 35 semester hours of the 47 required hours in mass communication and business administration must be completed at Winthrop University. A maximum of 12 semester hours may be transferred into the major from other accredited institutions; additional transfer hours in journalism, mass communication, marketing and management will not apply toward the major and will not apply toward the degree if they exceed the maxima of 36 hours in MCOM and IMCO or 30 hours in business administration.

Students must complete at least 65 hours in the basic liberal arts and sciences.

Bachelor of Arts in Modern Languages

The Department of Modern and Classical Languages offers a BA in Modern Languages with two specializations, Spanish and French.

Students majoring in foreign language have gone on to graduate school in advanced language study or international business, have entered the teaching profession, or have obtained positions in translation services and bilingual capacities in business and industry and in travel agencies.

The beginning courses (101-102), or the equivalent, are prerequisites for all other courses; however, they may not be applied toward fulfillment of the required program in any language. They may be applied to the six hours required in the second language and will be applied as part of the 42-43 hours of elective credit available.

**Education Requirements.**

The student must attain a cumulative grade-point average of 2.00 or better in courses taken at Winthrop and included in the 36 hours of the required program.

A competency exam on the basic skills may be administered to all majors, minors and any interested students after completion of the intermediate sequence (201, 202, 250). The exam is diagnostic and remedial work, if needed, will be recommended.

Students should enroll for 499 and will be tested individually, after completion of 18 semester hours above 102, usually no later than the second semester of the junior year, and before enrollment in any 500-level course. Remedial work, if needed, will be recommended. A grade of S is required for graduation.

The student must complete a minimum of 12 semester hours in the major in residence at Winthrop University.

In addition to the 36 semester hours of the required program, the student must select and complete a minor, attaining no less than a 2.0 GPA in the minor. Within the 124 semester hours required for this degree, the student must also include a minimum of 40 semester hours in courses numbered above 299 and complete PLSC 201 or ECON 103 or HIST 211 and 212.

No more than three hours of Cooperative Education Experience can count toward the major.

Bachelor of Arts in Philosophy and Religion
The study of Philosophy and Religion develops the skills of critical analysis at the most fundamental levels of human understanding. Students trained in philosophy and religion have pursued careers in teaching, ministry, law, medicine, management, publishing, sales, criminal justice and other fields.

Students may concentrate in either subject depending on career goals. Those planning graduate study in philosophy or seminary would select the appropriate concentration.

The major program requires a total of 28 semester hours, including a required program of 13 hours and selection of 15 hours from one of three tracks.

*Students completing the required program for the BA in Political Science must demonstrate proficiency in a foreign language at or above the second semester college level. This requirement may be met by a satisfactory score on a recognized proficiency examination or by passing any foreign language course numbered 102 or any course with 102 as a prerequisite. A maximum of 3 semester hours may be applied to Area I and a maximum of 3 semester hours may be applied to Area V within the General Education Requirements listed above.

The student must attain a cumulative grade-point average of 2.00 or better in courses taken at Winthrop and included in the 30 semester hours of the required program. The student must complete a minimum of 12 semester hours of PLSC courses in residence at Winthrop University.

PRE-PROFESSIONAL PROGRAMS

Winthrop offers programs which prepare students for professional study in a variety of fields. Some of these are degree programs preliminary to advanced study in such disciplines as engineering, medicine, nursing, dentistry and law. A Winthrop faculty advisor will help students plan their studies to meet the requirements of several professional schools.
Pre-Engineering
Advisor: Dr. Mesgun Sebhatu

Clemson University
Winthrop University and Clemson University are in the process of developing two programs: a pre-engineering and a dual degree program. The dual degree program permits completion of degree requirements for a BA or BS from Winthrop and a Bachelor of Science degree in Engineering from Clemson. For more information, contact the Pre-Engineering advisor at Winthrop.

University of South Carolina
Winthrop University and the University of South Carolina in Columbia offer a two/two engineering program designed to promote joint science and engineering programs for undergraduates. The typical student will complete at Winthrop, in the first two years, the program listed below, then transfer to the College of Engineering at the University of South Carolina for the final two years. Successful students will then receive the Bachelor of Science in Engineering degree from the University of South Carolina.

The program shown below meets the recommendations of the USC College of Engineering. It includes engineering courses offered by USC through the VUEE (Videocassette Undergraduate Engineering Education) program, but administered at Winthrop. Credit for these VUEE courses will be awarded by USC. Note that this means that students in this program will be simultaneously admitted to Winthrop and USC, and hence must pay a partial tuition to USC.

Upon completing the third semester of the program at Winthrop, the typical student will apply for admission to the USC College of Engineering in preparation for transferring there. In order to be assured of such admission, a student must achieve a grade point average of 3.00 or higher in the two-year program at Winthrop.

Engineering fields available at USC: Chemical, Civil, Electrical, Computer and Mechanical Engineering. Students who want to transfer to other institutions besides USC need to contact their preferred institution and follow its guidelines. The pre-engineering advisor should be consulted for details.

Prerequisite: Four years of college preparatory mathematics in high school, including trigonometry. Students not meeting this requirement must take appropriate preparatory courses, through Algebra and Trigonometry (MATH 103); normally, the Winthrop Faculty Advisor will recommend the appropriate preparatory work.

Pre-Medical
Advisory Committee: Dr. Dwight Dimaculangan, Dr. Julian Smith, Dr. James Johnston, Dr. Julia Baker, Dr. Ted Zainal, Dr. Christian Grattan, Dr. Chasta Parker, and Dr. Janice Chism

A student who wishes to prepare for application to medical school should acquire a broad foundation in the natural sciences, mathematics, humanities and the social sciences. Medical schools intentionally limit the absolute requirements for entry to encourage diversity among their applicants. Most medical schools require 6 semester hours each of English and Mathematics, and 8 semester hours each of biology, physics, general chemistry, and organic chemistry. Beyond these requirements, pre-medical students may select any major program they may wish to pursue. The most important requirements for admission to a medical school are at least a B+ average on all science courses taken and a good score on the Medical College Admission Test (MCAT), which is normally taken in the spring before the senior year. All pre-medical students should be advised by a member of the Pre-medical Advisory Committee in order that they will be prepared for the MCAT. The Pre-medical Advisory Committee prepares recommendations for medical school.

Pre-Pharmacy
Advisors: Dr. Julia Baker, Dr. Christian Grattan, Dr. Chasta Parker, Dr. Ted Zainal, and Dr. Julian Smith

A student who wishes to prepare for application for Pharmacy school should acquire a solid foundation in the chemical and biological sciences. The specific requirements for admission to the Pharm.D. program at the Medical University of South Carolina include 8 hours of general chemistry, 8 hours of organic chemistry, 6 hours of physics, 6 hours of mathematics (at least 3 of which must be calculus), 3 hours of statistics, 8 hours of biology, 4 hours of microbiology, 9 hours of social sciences, 6 hours of English composition and literature and 3 hours of economics, psychology and interpersonal communication. The most important requirement is that students maintain a B+ average on all science courses.

Pre-Dental and Pre-Veterinary
Advisors: Dr. Julian Smith, Dr. Julia Baker, Dr. Christian Grattan, Dr. Chasta Parker, and Dr. Ted Zainal

A student who wishes to prepare for application to schools of dentistry or veterinary medicine should acquire a broad foundation in the natural sciences, mathematics, humanities and the social sciences. The specific requirements for admission to the College of Dental Medicine at the Medical University of South Carolina are 8 semester hours of each of the following: general chemistry, organic chemistry, physics, biology, and science electives. In addition, 6 semester hours of English composition and mathematics are required. Other dental schools have similar requirements. Students interested in dental medicine should seek advice about which science electives would be best. The Dental Admission Test (DAT) must be taken no later than the fall of the senior year. A B+ average in science courses and an acceptable score on the DAT are essential for dental school admission. The requirements for entry into schools of veterinary medicine are more variable than those for schools of medicine and dentistry. A student pursuing a career in
veterinary medicine should major in biology or chemistry and consult the pre-veterinary advisor.

**Pre-Nursing**  
Advisor: Dr. James Johnston

Winthrop University offers students interested in nursing a 2 year curriculum which prepares them for study at a variety of nursing schools. A suggested program is listed below; however, students are responsible for contacting the institution they plan to attend to be certain specific requirements are satisfied.

Typically, students in their first year of the Pre-Nursing program will complete CISM 101, WRIT 101-102, CHEM 105, 106, 107, 108, MATH 140-141, BIOL 203-204, and PSYC 101.

**Other Pre-Professional Health Studies**  
Advisor: Dr. James Johnston

Students may prepare themselves for application to programs in other health-related professions, such as optometry and podiatry. Persons interested in these fields should consult the advisor for specific details.

**Pre-Law**  
Advisor: Dr. Tim Boylan

The Association of American Law Schools and the Law School Admission Council do not prescribe a specific major or series of courses as preparation for law school. Although most pre-law students major in the social sciences or humanities, almost any discipline is suitable. More important than the major is the acquisition of thorough intellectual training, including a broad understanding of human institutions as well as analytical and communications skills. Early in their undergraduate careers, students considering law school should meet with the pre-law advisor in the Political Science Department for assistance in planning a suitable course of pre-law study compatible with the student's major subject.

**Other Programs**

Some students enroll at Winthrop for two to three years and then transfer to institutions offering professional programs in such fields as forestry, hospital administration, laboratory technology, library science, occupational therapy, optometry, pharmacy, physical therapy, public health and radiological technology.

Bachelor of Arts in Psychology

The psychology major is especially useful for students planning careers in teaching, personnel work, guidance and counseling, mental health and rehabilitation. Additionally, many psychology graduates find employment in business and industry.

Students majoring in psychology take PSYC 101, 198 and MATH 101 or 140 in their freshman year, and PSYC 301-302, 306 or 307 in their sophomore year, and PSYC 498 in their senior year. Psychology majors must take PSYC 301-302 before enrolling in any other upper-division psychology courses.

Students changing their majors from Biology to Psychology or Biology majors with Psychology minors, who have completed BIOL 300, with a grade of “C” or better, are not required to complete PSYC 302. Sociology majors with Psychology minors who have passed SOCL 316 with a grade of C or better are exempt from PSYC 301 as a requirement for the minor. Dual major in Psychology and Sociology should complete only one of the two required statistics courses (PSYC 301 or SOCL 316). Consult advisor for appropriate course.

*Students completing the required program for the BA in Psychology must demonstrate proficiency in a foreign language at or above the second semester college level. This requirement may be met by a satisfactory score on a recognized proficiency examination or by passing any foreign language course numbered 102 or any course with 102 as a prerequisite. A maximum of 3 semester hours may be applied to Area I and a maximum of 3 semester hours may be applied to Area V within the General Education Requirements listed above.

The student must attain a cumulative grade-point average of 2.00 or better in courses taken at Winthrop and in the 36 semester hours of the required program. The student must also attain a grade of C or better in each of the courses PSYC 101, 301 and 302. The student must complete a minimum of 12 semester hours of PSYC courses in residence at Winthrop University.

In addition to the 36 semester hours of the required program, the student must select and complete a minor, attaining no less than a 2.0 GPA in the minor. Within the 124 semester hours required for this degree, the student must also include a minimum of 40 semester hours in courses numbered above 299 and must complete PLSC 201 or ECON 103 or HIST 211 and 212. Not more than 36 semester hours in any one subject may apply to a Bachelor of Arts degree.

No more than three hours of Cooperative Education Experience or Academic Internship can count toward the major.

Bachelor of Social Work

Students completing requirements for the BSW will be prepared for beginning generalist social work practice in a wide range of organizations such as child welfare agencies, hospitals, nursing homes, prisons, schools and treatment centers for emotionally disturbed children and adults. The program provides undergraduate education and internship experience for working with individuals, small groups, including the family, organizations and communities. National accreditation by the Council on Social Work Education (CSWE) allows graduates to become full members of the National Association of Social Workers (NASW) and to be eligible to become licensed social workers in states requiring licensing for employment.

A student may apply for status as a social work major at any point. In applying for initial entry into the social work program and recognition as a social work major, the student agrees to abide by the NASW (National Association of Social Workers) Code of Ethics. From that point, continued recognition as a social work major requires that the student's behavior comports to the standards of ethical conduct as spelled out in the Code of Ethics. 

Prior to starting the social work intervention sequence - SCWK 431, 432, 433 and 434 - students must formally apply for advanced status. This process includes a written essay on why the student desires to become a professional social worker, a description of how the student has met the requirement for 80 hours of voluntary or paid experience in a human service organization, and a demonstration that the student has at least an overall GPA of 2.20 and 2.40 in all social work courses. 

After completing all general education requirements and social work major course requirements through SCWK 434, including passing courses SCWK 200 through SCWK 434 with a grade of C or better and maintaining an overall GPA of 2.20 and 2.40 in social work courses, the student is eligible to apply to enroll in the two courses which make up the final semester of field education. For graduation the student must have maintained an overall GPA of 2.20, 2.40 in all social work courses and have passed all social work courses with a grade of C or better. 

The student must complete a minimum of 12 semester hours of SCWK courses in residence at Winthrop University and have a minimum of 40 semester hours in courses numbered above 299. No more than three hours of Cooperative Education Experience can count toward the major. 

Students enrolled in the Certificate Program in Gerontology may substitute 3 hours of the required SCWK 443 field placement in an agency serving older adults for GRNT 440.

**Bachelor of Arts in Sociology**

Recent graduates in sociology have secured positions in criminal justice, social work, city and urban planning, teaching, management, banking, sales and marketing. Others have gone on to pursue advanced studies in sociology, social work, criminal justice, urban planning, law and business administration.

Bachelor of Arts in General Communication Disorders

The Bachelor of Arts in General Communication Disorders provides pre-professional preparation in speech pathology. Students will receive instruction in the identification, diagnostic process and therapeutic intervention of communication disorders including articulation, language, hearing, voice and fluency. The program is designed to prepare students for graduate work leading to state and national certification and state licensure as a speech clinician.

Undergraduate Degree Programs and Requirements.

Two undergraduate programs are offered by the College of Business Administration: the Bachelor of Science in Business Administration and the Bachelor of Science in Computer Science. The baccalaureate degree program in business administration is accredited by AACSB International--The Association to Advance Collegiate Schools of Business and the baccalaureate degree in Computer Science accredited by the Computing Accreditation Commission of ABET (111 Market Place, Suite 1050, Baltimore, MD 21202-4012; telephone: 410-347-7700).

Our mission is to provide a quality education to a diverse community of learners through continuous improvement and dedication to excellence in teaching and learning, as well as intellectual contributions and service.

In support of this mission, the College:

1. Provides nationally accredited Business Administration (AACSB) and Computer Science (CSAC/CSAB) programs that are strongly student oriented.
2. Provides undergraduate business administration and computer science degree programs that are excellent in quality, contemporary in design and relevant to dynamic business practices.
3. Provides quality graduate programs that serve the changing needs of businesses and the community.
4. Provides effective teaching that promotes lifelong learning and career development.
5. Provides an environment that promotes faculty/student communication.
6. Fosters an understanding and appreciation of cultural similarities and differences.
7. Conducts and disseminates scholarship in business and computer science.
8. Serves the community and businesses through programs and partnerships that enhance the intellectual and economic quality of the region.

Ten areas of concentration, called options, are available within the Bachelor of Science in Business Administration degree program. These options are accounting, computer information systems, economics, entrepreneurship, finance, general business, health services management, international business, marketing and management. Three of these options, accounting, general business and management, can be earned through our evening program. The accounting option offers an integrated undergraduate/graduate curriculum that allows for optimum efficiency in continuing into the graduate program with an accounting emphasis.

The Business degree program prepares undergraduates for careers in the business world by offering an academically challenging program that produces a new kind of leader for business, industry, government, the arts, and health services. This new leader leaves the program with the skills needed to function as a professional in the complex organizations of the 21st century. The requirements for the Bachelor of Science in Business Administration integrate the business core. The foundation for the program is a four-course sequence emphasizing a cross functional approach to business issues and perspectives. These courses, BADM 180, ACCT 280, MKTG 380 and MGMT 480 are augmented by liberal arts studies taught across diverse disciplines, fundamental business courses, and more advanced courses in the business option. Along with an integrated curriculum, the faculty and business leaders have developed a comprehensive list of competencies that students must attain before graduation from this program. The competency categories for the business degree are communication, teamwork/diversity, adaptability,
problem solving and accountability and ethics. The computer science degree categories are technical, social environment and interpersonal development. Most courses also emphasize team projects in addition to individual assignments. Co-op and internship experiences are integrated into some options and encouraged in others. The program also provides basic business skills courses and encourages the use of computers.

The College of Business Administration is dedicated to offering quality classroom instruction and to enhancing personal development through interaction between faculty and students. A faculty open-door policy facilitates this approach. Quality classroom instruction is provided by a faculty who meet the high standards of scholarship required for AACSB and CAC (ABET) accreditation.

A number of scholarships are awarded annually to College of Business Administration students. Eligibility is determined on the basis of outstanding academic performance.

For those students working toward a degree outside of the College of Business Administration, minors in the areas of accounting, business administration, computer science, economics, entrepreneurship, finance, health services management and human resource management are offered. For specific requirements for individual minors, see the section on Minors.

Through programs of continuing education, seminars, and conferences, the College of Business Administration maintains active involvement with the business community. These outreach efforts are strengthened by the efforts of the specialized centers housed in the College of Business Administration. These centers and a brief description of their functions follows:

The Institute of Management is a center within the College of Business Administration through which the school coordinates its public service to the region. The primary goal of the Institute is to provide continuing education to meet the needs of managers and professionals in industry, business, and government.

The Small Business Development Center provides assistance to owners and managers of small businesses as well as prospective business owners. The Center utilizes students and faculty to provide free counseling to clients. The Center contains a library of literature and information for the use of small business owners. Workshops and seminars are sponsored on topics related to managing a small business.

The Center of Economic Education works closely with the South Carolina Council on Economic Education toward the goal of implementing programs of economic education in the elementary, middle, and secondary schools of South Carolina. In its mission the Center conducts pre-service and in-service teacher programs as well as conferences, symposiums, and forums for the exchange of ideas among educators and others interested in the American economy.

The Center for Economic Development serves as a source of significant public service in the economics and policy analysis to complement and support governmental nonprofit organizations engaged in the economic, education, and cultural affairs of South Carolina and the Rock Hill-Charlotte-Metrolina region. The Center provides opportunity for faculty and students to engage in applied research and deliver technical assistance to new and existing businesses.

Academic Advising

Academic advising is an integral part of the learning process in the College of Business Administration. The role of the academic advisor is to assist in making appropriate decisions about academic programs and career goals, provide academic information about Winthrop University and degree programs, and suggest appropriate involvement in on-campus, off-campus and experiential opportunities. Freshmen are assigned a faculty advisor during summer
orientation and keep the same advisor during the freshman year. Not only will the advisors help with program selections and scheduling, but will also be available to assist with the adjustment to university life throughout the first year. At the end of the freshman year, an option in the College of Business will be chosen and an advisor will be assigned from that area. Students who transfer after their freshman year are assigned an advisor in the academic option of their choice.

Transfer evaluations are completed by the Student Services Center. The subject matter and the level of the course are considered for evaluation. Upper-level courses in the core and option, which have been completed prior to achieving junior status, may be used to meet elective requirements, but must be replaced in the core or option by approved advanced courses (if not transferred from an AACSB accredited institution). Upper-level courses may not transfer from two-year institutions. In addition to the requirement that the final 31 hours be completed at Winthrop, only 50% of the business core and option may transfer toward a business administration degree. CSCI majors must complete 20 hours of CSCI courses numbered above 299 and an additional 9 which may be taken at Winthrop University or any schools with programs in Computer Science accredited by the Computing Accreditation Commission (CAC) of the Accreditation Board for Engineering and Technology (ABET).

Bachelor of Science in Business Administration

Those students applying for the Bachelor of Science degree in Business Administration or enrolled in business classes must present a grade of C or better in each course in the core curriculum and in the option which is chosen. This requirement is in addition to the requirement of a 2.00 grade-point average on the 124 hours required for the degree.

Students enrolled in the Bachelor of Science in Business Administration program or enrolled in business classes may not enroll in courses numbered above 299 unless they have at least a 2.00 grade-point average, completed 54 hours, and a grade of C or better in WRIT 102. Transfer students who need to take WRIT 102 and who meet the other requirements will be permitted to take courses above 299 in these areas during their first semester at Winthrop. If, during the first semester, such students do not earn a grade of C or better in WRIT 102, they will not be permitted to take additional courses above 299 in these areas until the writing requirement is met.

Within the 124 hours required for this degree, the student must include 48 hours in courses numbered above 299 and must complete PLSC 201 or ECON 103 or HIST 211 and 212. The total hours of courses presented for this degree must include at least 62 hours from courses outside the area of business administration and economics.

### Bachelor of Science in Computer Science

The Bachelor of Science in Computer Science is accredited by the Computing Accreditation Commission of ABET (111 Market Place, Suite 1050, Baltimore, MD 21202-4012; telephone: 410-347-7700).

The goal of the Bachelor of Science in Computer Science is to prepare students for careers in software design and implementation and for graduate study in Computer Science. The students in this program are provided with a background that allows them to progress toward supervisory roles on major software design projects.

The goal is implemented by a curriculum that carefully blends theory and applications. After completing a two semester introductory sequence in computer science, the student takes a series of courses that provide a strong background in the basic mathematical tools of calculus, logic, discrete mathematics, and probability and statistics and that provide a good background in the natural and social sciences and the humanities.

A high school student entering Winthrop University in the Bachelor of Science degree program in Computer Science who earned a grade of 4 or 5 on the Advanced
Placement Test in Computer Science will receive four hours of credit for CSCI 207.

Students enrolled in the Bachelor of Science in Computer Science may not enroll in CSCI courses numbered above 299 unless they have at least a 2.00 grade-point average, completed 54 hours, and a grade of C or better in WRIT 102. Transfer students who need to take WRIT 102 and who meet the other requirements will be permitted to take courses above 299 in these areas during their first semester at Winthrop. If, during that first semester, such students do not earn a grade of C or better in WRIT 102, they will not be permitted to take additional courses above 299 in these areas until this writing requirement is satisfied.

Within the 124 hours required for this degree, the student must include at least 40 hours in courses numbered above 299, 20 of which must be in CSCI courses numbered above 299 completed at Winthrop University, and an additional 9 which may be taken at Winthrop University or any schools with programs in Computer Science accredited by the Computer Accrediting Commission (CAC) of the Accreditation Board for Engineering and Technology (ABET). Also, the program must include PLSC 201 or ECON 103 or HIST 211 and 212.

A student applying for the Bachelor of Science degree in Computer Science must present a cumulative grade-point average of 2.00 or better on all Computer Science courses taken at Winthrop and required for the degree program in order to be awarded the degree. This requirement is in addition to the University requirement of a 2.0 grade point average on the 124 hours required for the degree.

Mission Statement & Guiding Principles

The Richard W. Riley College of Education is dedicated to preparing educational leaders who are committed to a lifelong quest for excellence in teaching, learning and service to society.

To meet its mission the faculty and staff of the Richard W. Riley College of Education commit themselves to the following guiding principles:

- The faculty believes that all people are entitled to an education which is committed to helping the individual develop a knowledge of self, and is designed to promote physical, social, and intellectual health in a manner which enhances dignity and respect.
- Our College is dedicated to the highest ideals of human interaction. Free speech, debate, consensus seeking, truth, ethics and respect for divergent views characterize the College’s daily operation.
- Effective educational leaders celebrate diversity, foster awareness and understanding of the value of a diverse society as well as the commonalities that bring us together, and strive to enable all people to benefit from a free, democratic society.
- Along with practitioners from area schools, our faculty and students are engaged in intensive partnerships for the betterment of the community.
- The vitality of our College is recognized first and foremost by the vigor of our faculty. Faculty are actively supported to reach high levels of achievement and celebrate each other’s successes.
- Our faculty model effective and efficient instructional strategies and the use of appropriate technology.
- Faculty and students are active in scholarship focused on a search for solutions to problems experienced by society and the discovery of enduring essential human values.
- Rigorous expectations for learning and regular assessment of competence characterize our professional preparation programs.
- Our educational programs enable students to think critically, make independent ethical decisions and respond proactively to the needs of an increasingly diverse society.
- Our educators need to have a comprehensive preparation in the liberal arts. Students need to be apprenticed to a lifelong search which is touched by beauty, tempered by justice, guided by reason, girded by simplicity and awakened by discovery.
- The preparation of educators is a university-wide responsibility. Our College involves and supports all areas of the academic community in its professional preparation programs.
Academic and Administrative Departments

Accreditations

The Richard W. Riley College of Education is proud of its accreditations and affiliations. The Teacher Education Program at Winthrop University is accredited by the National Council for Accreditation of Teacher Education (NCATE) for the preparation of early childhood, elementary, and secondary teachers through the Bachelor's degree. At the graduate level, the Master of Science, the Master of Education and the Master of Arts in Teaching degrees are nationally accredited by NCATE. The School and Community Counseling program is accredited by The Council for Accreditation of Counseling and Related Education Programs (CACREP). All teacher education programs are approved by the South Carolina State Board of Education. Recognition by these agencies affords students who complete teacher preparation at Winthrop University the opportunity to apply for reciprocal accreditations with a majority of states in the nation.

Instructional Facilities and Special Programs

Professional Development Schools

The Richard W. Riley College of Education has formal relationships with six Professional Development Schools:

• Cotton Belt Elementary School, York SC  
• Crowders Creek Complex, Clover, SC  
• Lancaster High School, Lancaster, SC  
• Lewisville Elementary School, Chester, SC  
• Riverview Elementary School, Fort Mill, SC  
• Sullivan Middle School, Rock Hill, SC

These Professional Development Schools allow the teacher education program to experiment with new models of teaching while developing new roles and responsibilities for classroom teachers. Teacher education candidates work with diverse groups of students while guided by teams of teachers and university faculty. Collegiality is valued and fostered within an atmosphere where teachers, students, and professors work and learn together.

Macfeat Early Childhood Laboratory School

The Macfeat Early Childhood Laboratory School functions as a research laboratory where innovative approaches in early childhood education are investigated. Macfeat provides opportunities to observe and interact with a diverse group of children ages 3 to 5 years.
Winthrop Olde English Consortium

The Winthrop Olde English Consortium (WOEC), a partnership among member school districts, York Technical College and Winthrop University, sponsors activities to enhance public education for over 60,000 students and 4,000 teachers and administrators in the region. In 2001-2002, member school districts included Chester, Clover, Fort Mill, Lancaster, Rock Hill and York. Activities include professional development, curriculum development, Academic Challenge and student events on campus.

North Central Science and Mathematics HUB

The North Central Math and Science HUB is funded by the South Carolina General Assembly and the National Science Foundation to facilitate systemic change in science and math education in nine surrounding school districts. Working with master teachers in science and math, professional development opportunities are provided for the teachers and administrators in the 115 schools and four institutions of higher education located within the HUB.

Instructional Technology Center

The primary function of the Instructional Technology Center is to enhance the knowledge and use of educational technology by Winthrop’s faculty and students. The Center is open to students, faculty, and the local public schools as a resource for educational technology needs, curriculum development, and preparation of instructional materials. Selected instructional materials and software are available for student use.

South Carolina Teaching Fellows Program

The Teaching Fellows Program for South Carolina is funded by the SC General Assembly in an effort to recruit the finest high school graduates to the teaching profession. The Winthrop University Teaching Fellows Program, New Bridges, is an innovative program designed to offer students an intensive, coordinated service learning experience in working collaboratively with local community, business, and school leaders to provide services to Latino children/families and others whose first language is not English. The program begins in Fall 2002 and will admit 25 students a year.

South Carolina Center for Teacher Recruitment

The South Carolina Center for Teacher Recruitment (SCCTR) is an ambitious effort by the General Assembly, the state’s public and private colleges and universities, education-related agencies, businesses and the state public school system to recruit and retain a new generation of academically able classroom teachers. The Center works with over 150 high schools in South Carolina in support of the Teacher Cadet program. In addition, the Center provides a statewide job placement service and the most current information available on teacher supply and demand.

Student Academic Services

Student Academic Services has primary responsibility for coordination of academic advising, placement of practicum students for public school experiences, assignment of all field placements and internships and all matters pertaining to certification. The office serves as an information center for matters concerning degree programs in the Riley College of Education, procedures for admission to teacher education, scholarships, and academic requirements and regulations of the University.

The Teacher Education Committee

The faculty at Winthrop University recognize that the preparation of teachers is a university-wide responsibility. Hence, the various programs for teacher preparation represent a cooperative effort by all academic areas involved in teacher education. This effort is overseen by the Teacher Education Committee (TEC). The TEC is comprised of
faculty, students, practitioners, parents and administrative staff charged with the responsibility of guiding, monitoring and reviewing all aspects of the Teacher Education Program at Winthrop University.

South Carolina Governor’s School for Excellence in Teaching

Richard W. Riley College of Education is a host site for the South Carolina Governor’s School for Excellence in Teaching. Currently, the Governor’s School consists of two-week teacher training institutes during the summer. Academic emphases of the institutes are the literacy strategies needed by classroom teachers to address the South Carolina Reading/Language Arts Curriculum Standards.

Corps of Mentor Teachers

Accomplished public school teachers are invited to join the Corps of Mentor Teachers. Acceptance into the Corps is based on an application, principal and district support and the completion of EDUC 655, Teacher Leadership: Conversations From The Field. This course is co-taught by Winthrop faculty and P-12 teachers and guides participants to explore their understanding of such issues as: creating democratic learning communities; the value of professional collaboration; teacher leadership; educational renewal; the role of the mentors and the scholarship of teaching.

Academic Advising

Academic advising is an integral part of the learning process at Winthrop University. Faculty in the Richard W. Riley College of Education regard academic advising as a major responsibility, which enhances teaching and campus life. All students in the College of Education are assigned a faculty advisor. Faculty advisors work with students to review academic goals and how course work and field assignments assist them in attaining their personal and professional goals. Students have a responsibility to schedule regular appointments with the faculty advisor. Students can make the most of advising by reading this Catalog and coming prepared for discussion of academic goals, responsibilities and requirements.

Additionally, the College provides a full-time academic advisor to assist freshmen and transfer students. After an initial meeting with the academic advisor, a faculty advisor from the student’s chosen discipline of study will be assigned. The Richard W. Riley College of Education’s academic advisor is:

Ms. Rebecca Malambri
Student Academic Services
144 Withers/WTS
(803) 323-4750

Prior to course registration, students are required to have approval and signature of the faculty advisor. Students may change advisors through a formal request to the appropriate department chair or the Director of Student Academic Services.

Professional Education Core

All teacher education students are required to complete a planned sequence of courses and field experiences designed to prepare them for their roles in schools and society. The Professional Education Core is designed around the conceptual framework, Teacher as Educational Leader. The curriculum is organized with concepts, themes, stages of development and numerous competencies to best prepare contemporary educators. The following organizing conceptual statements outline the emphases of the core.

1. The educational leader strives to improve the human condition through reflective study of human development, learning and diversity.
2. The educational leader possesses an understanding of the historical foundations of schooling and exhibits ethical behavior consistent with the laws and policies governing
American education.

3. The educational leader employs appropriate curricular decisions to provide effective instruction.

4. The educational leader is a skilled teacher able to design, deliver, evaluate and refine instruction.

5. The educational leader serves as an example of a reflective teacher, scholar, communicator, and advocate serving the interests of students and society.

Students’ progress under each of the organizing concepts is assessed at the conclusion of each of the conceptual framework’s three stages of development: exploratory, preprofessional and professional. These assessments include admission to the Teacher Education Program, approval to enter the professional or internship stage and entry into the profession.

The professional Core ensures that teacher education students can integrate general content, and professional and pedagogical knowledge to create meaningful learning experiences for all students. This integrative focus of teacher education sets Winthrop University and its graduates apart from other programs.

By having faculty who hold diverse disciplinary perspectives teach throughout the sequence of courses, the Core encourages students to develop a professionally responsible understanding of the diversity that defines learners and teachers. Within the Core, students engage in supervised practice applying their developing knowledge and skills. All Core courses are housed within the Center for Pedagogy.

The Professional Education Core consists of:

NOTE: The College of Education faculty are continuously reviewing and revising curricula to meet the needs of contemporary schools. Students applying to Winthrop should be alert to curricular changes as they occur and how those changes impact their programs.

Admission to the Teacher Education Program

The Teacher Education Program at Winthrop University may be completed by students enrolled in the Richard W. Riley College of Education, the College of Arts and Sciences, and the College of Visual and Performing Arts. All students seeking to complete the
Teacher Education Program must meet all admission requirements and be formally admitted before they are allowed to enroll in courses restricted to admitted students.

Admission to the Teacher Education Program serves as the first level of assessment under the conceptual framework, Teacher as Educational Leader. Admission is granted by the Dean of the Richard W. Riley College of Education who notifies each student upon acceptance into the program. All students seeking admission must meet the following requirements:

1. Attend an information session on admission to Teacher Education during the semester of enrollment in EDUC 110, or during the semester the first education course is taken at Winthrop.
2. Completion of a minimum of 45 semester hours, fifteen of which must be completed at Winthrop University.
3. Minimum cumulative grade point average of 2.75 for coursework completed at Winthrop.
4. Completion of the following core courses with a grade of “C” or better in each course: EDUC 110, 210 and 275.
5. Passing all sections (Reading, Writing and Mathematics) of PRAXIS I.
6. Submit an Application for Admission to Teacher Education to Student Academic Services that includes:
   a) a disclosure statement concerning criminal/unethical conduct including any judicial or disciplinary action taken while enrolled at Winthrop University or another institution of higher education,
   b) evidence of 25 hours of recent, successful supervised experience working with the age-level student for which certification is sought,
   c) an admission essay that documents the student’s growth toward becoming an educational leader in a democracy. Students are required to provide examples of how their experiences in general education, education, major courses, field experiences, cultural events, service learning, and using technology have prepared them to be well-educated teacher candidates who are committed to and capable of working with diverse and challenging students,
   d) one to three original pieces of the student's best work from courses taken at Winthrop University that support the admission application.
7. Receive a favorable recommendation from the following:
   • the Director of Student Academic Services
   • an admission committee comprised of faculty from the major and the Center for Pedagogy,
   • the Dean of Education

Continuation in the Teacher Education Program

Candidates admitted to the Teacher Education Program are required to maintain a minimum overall grade point average of 2.75 and must be in good standing within the University community.
Admission to the Professional Stage of the Teacher Education Program

All teacher education candidates seeking to complete the Professional (Internship) stage of the Teacher Education Program must meet all requirements before being allowed to enroll in EDUC 475 - Internship in Reflective Practice and EDUC 490 - Capstone for Educational Leaders. Approval to enter the Professional Stage serves as the second level of assessment under the conceptual framework, Teacher as Educational Leader. Approval is granted by the Director of Student Academic Services after students have met the following requirements:

1. Completion of a minimum of 110 semester hours;
2. Minimum cumulative GPA of 2.75 for coursework completed at Winthrop;
3. Completion of the following core courses with a grade of “C” or better in each course, EDUC 310 and 390 and an overall GPA of 2.75 or better.
4. Completion of all courses as specified by the faculty in the major;
5. Completed competency review indicating evidence of mastery of the performance objectives in the Preprofessional Stage of the Conceptual Framework;
6. Completed disclosure statement of any criminal/unethical conduct and;
7. Signed recommendations from:
   • faculty advisor
   • Department Chair in the student’s major
   • Director of the Center for Pedagogy.

Program Completion from the Teacher Education Program

For program completion, teacher education candidates must complete all degree requirements. Standards for graduation include: (a) successful completion of a minimum of 124 semester hours with a minimum grade point average of 2.75, (b) successful completion of 59 hours of general education coursework, (c) passage of EDUC 475, Internship in Reflective Practice, and EDUC 490, Capstone for Educational Leaders, and (d) completion of the Praxis II series examination in the candidate’s area of specialty and the Principles of Teaching and Learning (PLT).

Appeals

Any student wishing to appeal an admission decision, a program requirement, an internship placement issue, or a certification recommendation issue must make such an appeal in accordance with the policies and procedures established by the Teacher Education Committee (TEC). Students must obtain a “Petition For Exception” form from Student Academic Services. Petitions must be completed with accurate information and include supporting documentation such as a transcript, current course schedule, letters of support and other appropriate documentation. Students are strongly urged to develop their petitions with the direct assistance of their faculty advisors. All petitions must be signed by the student, the student’s advisor, and the department chair of the student’s major area. Then the petition is submitted to Student Academic Services. The Petitions Committee, a subcommittee of the TEC, reviews the appeal from the student, makes a recommendation to the TEC which in turn makes a recommendation to the Dean of the Richard W. Riley College of Education. Students are then notified in writing of the dean’s decision within thirty working days.

In special circumstances and when recommended by the department chair, the Dean may grant a one-time waiver of a restriction in order for a student to continue coursework in a timely manner.
Professional courses restricted to students admitted to the Teacher Education Program

No teacher education candidate will be allowed to register for the following courses without formal admission to the Teacher Education Program.

Teacher Certification Additional Requirement
Within General Education Areas III, IV, and V, teacher education candidates must select one course from Global Perspectives and one course from Multicultural Perspectives. Consult the Schedule of Courses for the current approved list.

PRAXIS II Series
The PRAXIS II Series examinations in Principles of Learning and Teaching (PLT) and the specialty area are a graduation requirement of all candidates in teacher education programs. (Testing information is available from Student Academic Services, 144 Withers.) For current Title II information on the performance of our teacher education majors and minors on the PRAXIS II series examinations, please refer to the Richard W. Riley College of Education web page: http://coe.winthrop.edu/title2.

Recommendation for Certification
Upon successful completion of all program requirements, the candidate is eligible for recommendation for teacher certification in South Carolina. Recommendation for certification in other states is subject to the laws and requirements of that state. It is the responsibility of the candidate seeking certification outside of South Carolina to become familiar with those laws and requirements. Candidates seeking a recommendation for certification must complete the appropriate state application and submit it to Student Academic Services with the required fees.

Bachelor’s Degrees and Secondary Teacher Certification

Students may become certified in secondary education by successfully completing the respective approved teacher education programs in the following areas: biology, chemistry, English, French, mathematics, social studies, Spanish.

Required courses for students seeking certification but earning degrees outside the College of Education**:

<table>
<thead>
<tr>
<th>Course</th>
<th>Hours</th>
</tr>
</thead>
<tbody>
<tr>
<td>WRIT 101-102</td>
<td>6</td>
</tr>
<tr>
<td>ENGL (except 302, 303, 350, 500, 510, 530)</td>
<td>3</td>
</tr>
<tr>
<td>Biological and Physical Sciences lab courses</td>
<td>6</td>
</tr>
</tbody>
</table>

Choose two courses from:

- ARTT 298 or ARTH 175 or ARTH 176; DANT 298; MUST 298;
- PHIL 330; THRT 298 or 310 or 311. (Select from two different subject areas. ARTT AND ARTH ARE CONSIDERED TO BE THE SAME SUBJECT AREA FOR THIS REQUIREMENT.)

- Area 391 3
- Area 392 1

*Requires grade of C or better.

**There are exceptions to these courses in some subject areas.

Within General Education Areas III, IV and V, teacher education students must select one course from Global Perspectives and one course from Multicultural Perspectives. Consult Schedule of Courses for current approved list.

Before being admitted to any secondary teacher education program, the student must complete a “Certificate of Formal Admission to the Teacher Education Program” and successfully complete the admission requirements. For information on these programs, consult Student Academic Services in the College of Education.

The PRAXIS II Series is required prior to graduation: 1) Subject Assessment/Specialty Area Test and 2) Principles of Learning and Teaching (PLT) Tests.

The College of Visual & Performing Arts
Andrew Svedlow, Dean
Jeannie Woods, Associate Dean

The College of Visual and Performing Arts provides professional programs for students preparing for careers in the arts and contributes to the arts education of all Winthrop University students.

Central to this mission is the establishment of a creative environment in which students are challenged to develop artistic perception and understanding. This quality of environment reflects professional faculty and student pursuit, involvement with a professional arts community, and the establishment of facilities and spaces that encourage artistic imagination. Such an environment fosters the advancement of creative thought, knowledge and process.

All professional programs have strong general education components designed to strengthen student understanding of the relationship of the arts to the broader contexts of history and culture as well as the social and physical sciences.

Programs of the College of Visual and Performing Arts serve to enrich the cultural opportunities for all Winthrop University students and the citizens of the Metrolina region of South Carolina and North Carolina.

The College comprises three departments: Art and Design, Music, and Theatre and Dance. Each department offers students a wide variety of major concentrations as well as minor programs for those students with primary interests in disciplines outside of the College of Visual and Performing Arts. These are described in detail under the departmental headings that follow.

The Department of Art and Design offers both the Bachelor of Arts degree in art and the professional Bachelor of Fine Arts degree with concentrations in eight areas. In addition, the department offers the Master of Fine Arts degree and the Master of Arts degree in art education.

Winthrop University is an accredited institutional member of the National Association of Schools of Art and Design (NASAD) and of the Foundation for Interior Design Education Research (FIDER). Administrative and faculty offices and studios, the Lewandowski student gallery, and graduate student studios are located in McLaurin Hall. Lecture and studio classes are held in Rutledge Building, primarily, with a few, limited number in McLaurin Hall and Roddey Hall.

Art and Design Scholarships and Awards

General scholarships are available in both visual arts and interior design. These awards, ranging from $250 to $1,800, are based upon a review of student work as an indication of artistic ability.

Minor in Art and Design or Art History

The Department of Art and Design offers a minor in art and in art history, primarily for students who are working toward a baccalaureate degree in a program other than art and design. For the specific requirements of the minors in art and design, see the section on minors.

Bachelor of Arts in Art

The Bachelor of Arts degree in art offers a broad course background for those students committed to scholarly pursuits, teaching, research or museum work, who want a liberal arts background with a concentration in studio art.

Entering students who display exceptional ability, evident in a portfolio of work reviewed by a faculty committee, may proceed to ARTS 200-level course(s). A faculty committee will determine whether any courses may be exempted. Students will take replacement ARTS Elective course(s) to fulfill the required hours in the major.

***Students completing the BA required program in art must demonstrate proficiency in a foreign language at or above the second semester college level. This requirement may be met by a satisfactory score on a recognized proficiency exam or by passing any foreign language course numbered 102 or any course with 102 as a prerequisite. A maximum of 6 semester hours of foreign language courses may be applied to AREA I requirements in art.
The student must attain a cumulative grade-point average of 2.00 or better in courses taken at Winthrop and included in the 49 semester hours of the required program. The student must complete a minimum of 12 hours of ARTS courses in residence at Winthrop University.

In addition to the 49 semester hours of the required program, the student must select and complete a minor and must achieve a cumulative grade-point average of at least 2.0 in courses counted toward the minor. Within the 124 semester hours required for this degree, the student must also include a minimum of 40 semester hours in courses numbered above 299 and must complete PLSC 201 or ECON 103 or HIST 211 and 212.

**Bachelor of Arts in Art History**

The Bachelor of Arts degree in art history offers a student the opportunity to obtain strong academic training that will lead to graduate study in art history or to employment in a visual arts field.

***Students completing the BA required program in art must demonstrate proficiency in a foreign language at or above the second semester college level. This requirement may be met by a satisfactory score on a recognized proficiency exam or by passing any foreign language course numbered 102 or any course with 102 as a prerequisite. A maximum of 3 semester hours of foreign language courses may be applied to AREA I requirements in Art. Thus, if 6 hours of coursework is required, there will be an increase of 3 semester hours to the required program.

**Within AREAs III and IV teacher education students must select one course from Global Perspectives and one course from Multicultural Perspectives. Consult Schedule of Courses for current approved list.

*C or better must be earned.

The student must attain a cumulative grade-point average of 2.75 or better in courses taken at Winthrop and included in the subtotal semester hours of the required program and the minor. The student must complete a minimum of 12 hours of ARTS courses in residence at Winthrop University. Within the 134 semester hours required for the degree, the student must include a minimum of 40 hours in courses numbered above 299 and must complete PLSC 201 or ECON 103 or HIST 211 and 212.

The PRAXIS II Series is required prior to graduation: 1) Subject Assessment/Specialty Area Test and 2) Principles of Learning and Teaching (PLT) Tests.
Bachelor of Fine Arts

The Bachelor of Fine Arts degree is a professional degree designed for students who wish to pursue the visual arts as a profession, or for the student wishing to pursue graduate study. Students seeking teacher certification in addition to the BFA degree should declare this intent to the department by the first semester of the sophomore year. Areas of concentration include (1) ceramics, (2) general studio, (3) graphic design, (4) interior design, (5) painting, (6) photography, (7) printmaking, (8) sculpture (including jewelry and metals).

Students may take courses in any concentration prior to being admitted to the concentration; however, students may not register for studio-based courses above ARTS 375 or INDS 299 without submission and acceptance of a specialization portfolio.

Entering students who display exceptional ability, evident in a portfolio of work reviewed by a faculty committee, may proceed to ARTS 200-level course(s). The faculty committee will determine whether any courses may be exempted. Students will take replacement ARTS Elective course(s) to fulfill the required hours in the major.

The student must maintain a minimum cumulative grade-point average of 2.00 or better in courses taken at Winthrop and included in the subtotal semester hours of the required program. A minimum grade of “C” is required for all ARTS, ARTH, ARTT and INDS required courses in the Bachelor of Fine Arts degree. The BFA student may not progress to the next sequential course(s) without satisfying any portfolio review requirements (for “C” grades) and the earning of any “D” or “F” grades in these designator subjects. The student must complete a minimum of 21 semester hours of ARTS and/or INDS courses in residence at Winthrop University. At least one-half of all courses in studio art are recommended from an area of concentration as determined by a student’s advisor.

Within the 132 semester hours required for this degree, the student must include a minimum of 40 semester hours in courses numbered above 299 and must complete PLSC 201 or ECON 103 or HIST 211 and 212.

Foundation Portfolio Review

The Foundation Portfolio Review is required only of BFA students who earn a “C” grade in any foundation studio course (ARTS 101, 102, 120, 201, 202, 220, INDS 201). Portfolios submitted for review must consist of art work from the subject area(s) within which a “C” grade was earned.

Students who pass or not pass Foundation Review will continue into the sophomore level courses of their intended area of concentration. While students may have been successful in course work in meeting minimum standards, completing work on time, and participating in class activities, it should be realized that the Foundation Review is based on the assessment of the work in the portfolio alone.

The Foundation Portfolio Review will be conducted each August and January just prior to the beginning of the fall and spring semesters. The Foundation Portfolio Review may also be held at other times at the discretion of the department chair. Following this review, students should meet with their faculty advisors.

Specialization Portfolio Review

Students enrolled in the BFA program must select a concentration in Art and Design and make application for admittance to that area during the second semester of their sophomore year. For formal admission into the junior year professional programs, a student must have met the following criteria: (1) completion of the recommended lower level curriculum requirements, having earned not less than a 2.5 grade point ratio on a scale of 4.0 in all Art and Design work completed, (2) approval of portfolios by the Departmental Portfolio Review Committees.

The Specialization Portfolio Review is designed to measure the suitability of BFA students for advanced-level studio courses. To be eligible for the review, students must have passed Foundation Portfolio Review, if applicable, have completed (or have in progress)
the required Sophomore-level courses leading to the specialization, and have attained a minimum GPA of 2.5 in art and design courses to date. In general, the Specialization Portfolio Review will measure anticipated success in the discipline by looking for signs of independence, thoroughness of research and discipline, and transfer of skills and knowledge. While students may have been successful in earning grades in previous course work by meeting minimum standards, completing work on time, and participating in class activities, it should be realized that the Specialization Portfolio Review is based on the assessment of the work in the portfolio alone.

Specialization Portfolio Review will take place in April of the Sophomore-level year and in August and January, as needed. The Specialization Portfolio Review Pass allows the student to enroll in studio courses above the numbers ARTS 375 and INDS 299. After passage, a student may not change a BFA concentration without passing a Specialization Portfolio Review in the new concentration of choice. Non-BFA students above the sophomore level may not change into the BFA program without permission of the department chair. Students should communicate with the departmental office for more information.

**Transfer Students**

A portfolio review of art and design work produced in studio courses at other schools is required of all transfer students. The purpose of a transfer portfolio review is to determine the proper level of placement into the degree program of choice, and the review is conducted by a faculty committee at the start of the student’s initial semester. Transfer students are advised to request a copy of the department’s Portfolio Review Requirements for further details.

**Mission**

It is the mission of the Department of Music at Winthrop University to provide opportunities for music students to develop their creative and musical potentials, prepare music students for professional careers in music, continue its historic leadership role in music education in the region, serve the campus community by offering musical experiences and the opportunity to develop musical knowledge and skills to non-music majors, serve the larger community through programs of national distinction, be responsive to change, and be committed to on-going self-evaluation.

**Introduction**

The Department of Music offers three undergraduate degree programs: the Bachelor of Music degree in performance, the Bachelor of Music Education degree with concentrations in choral or instrumental music, and the more general Bachelor of Arts degree in music. In addition, the department offers both the Master of Music and Master of Music Education degrees, described in the Winthrop University Graduate Catalog.
Winthrop University is an accredited institutional member of the National Association of Schools of Music. The department offers professional instruction in musicianship, performance and pedagogy for students planning careers in music. Opportunities for musical experiences are provided for the general college student as well.

The Department of Music is housed in the newly renovated Conservatory of Music. The adjacent 3,500 seat Byrnes Auditorium has a 70-rank, four-manual pipe organ by Aeolian-Skinner. The facilities in the Conservatory include the 212-seat Barnes Recital Hall, practice rooms; faculty offices, studios, classrooms and rehearsal rooms.

The Music Library, located in 334 McLaurin Hall, has a full-time music librarian and a staff of assistants who help students in the use of scores, recordings, listening stations, ear training programs, and video equipment available there. The Computer Music Laboratory, located in Byrnes Auditorium, Room 203B, includes facilities and equipment for composition. An electronic keyboard laboratory is also located in Byrnes Auditorium, Room 203A.

**Admission**

To be admitted as a music major, a student must perform an entrance audition that demonstrates background in applied music sufficient to meet the performance requirements of first-year applied music study at the collegiate level. Students may be admitted as music majors under “conditional” status. “Condition” must be removed by the end of two semesters of study for the student to continue as a music major. In addition, all entering music majors take a placement test in music fundamentals. Entrance auditions and placement tests are given at the beginning of each semester before classes begin.

For a complete listing of requirements for admission to the Teacher Education Program, consult the College of Education section of this catalog.

**Entrance Audition**

**Bachelor of Music Degree.** Entrance audition requirements for specific performance areas of applied music study may be obtained by writing to the Chair, Department of Music. Students auditioning for the BM degree are expected to demonstrate technical facility and musicianship which distinguish the student as one who can fulfill the rigorous performance requirements in this professional program.

**Bachelor of Music Education and Bachelor of Arts Degrees.** Entrance auditions for the BME and BA degrees do not require specific repertory. Students should be prepared to demonstrate their performance ability effectively by performing compositions of different styles.

**Music Scholarships**

The Department of Music offers music scholarships to freshmen and transfer students who plan to major in music. All scholarships are selected through competitive auditions and are renewable for a period of up to four years (2-4 years for transfer students).

All music scholarships qualify students for an out-of-state tuition waiver. Information on music scholarships is available from the Chair, Department of Music.

**Performance Requirements for Graduation**

**Bachelor of Music Degree.** Majors in the BM program must present a half-recital in the junior year and a full recital in the senior year.

**Bachelor of Music Education Degree.** Students in the BME program must present a half-recital in the senior year.

**Bachelor of Arts Degree.** There is no recital requirement for graduation in the Bachelor of Arts curriculum. BA students must enroll in applied music for at least six semesters.
Keyboard Skills Examination

BME students and BM performance majors must take a keyboard skills examination, usually at the end of the sophomore year. This requirement may be satisfied by successful completion of MUSA 282 (Piano Class IV).

Minor in Music

Students may earn a minor in music if they are majoring in an area other than music. For the specific requirements for the minor in music, see the section on Minors.

S/U Option

Music majors are not permitted to utilize the S/U option when registering for music courses.

Minimum Grade Requirement

Music majors must receive a minimum grade of C in every music course (MUSA or MUST) used to meet requirements for a music degree.

The Department of Theatre and Dance offers the Bachelor of Arts Degree in Dance and the Bachelor of Arts Degree in Theatre with emphases in theatre performance, design, and technical theatre. Teacher certification options are available in both programs. The programs prepare students for a variety of career opportunities and/or graduate study. Winthrop University is an accredited institutional member of the National Association of Schools of Theatre (NAST) and the National Association of Schools of Dance (NASD).

Entrance Requirements
While admission to the BA degrees in Dance and Theatre do not require a formal audition or work review, it is recommended that prospective students in dance or theatre performance complete a placement audition prior to their first semester of enrollment in the program. Similarly, students entering the design and technical theatre emphasis should schedule an interview with the department chair. Audition and interview dates may be scheduled by contacting the Chair, Department of Theatre and Dance.

Theatre and Dance Scholarships
Scholarships are available in both Theatre and Dance. These awards, ranging from $100 to $500, are based upon audition or portfolio review as an indication of artistic ability. There are Producers Circle Scholarships for continuing students in amounts from $100 to $500 per year. The Florence A. Mims Scholarship is awarded to an exceptional senior theatre student. The Herbert L. Dean Dance Scholarship is awarded to an exceptional junior or senior dance student. The Blair E. Beasley, Jr. Directing Scholarship is awarded to a student who demonstrates excellence in directing.

Graduation Requirements
Students must attain a minimum cumulative grade point average of 2.00 in courses taken at Winthrop University. The student must complete a minimum of 12 semester hours in either DANA/DANT courses (BA degree in Dance), or THRT/THRA courses (BA in Theatre) in residence at Winthrop, and must attain a minimum cumulative grade point average of 2.0 in the major program.

In addition to the required program, the student must select and complete a minor and achieve a minimum cumulative grade-point average of 2.0 in all courses counted toward the minor. Within the 124 hours required for this degree, the student must include a minimum of 40 semester hours in courses numbered above 299.

Dance majors are required to take at least one technique class each semester.

Minor in Theatre or Dance
The Department of Theatre and Dance offers minors in both theatre and dance. For
the specific requirements of the minors, see the section on minors.

GERONTOLOGY CERTIFICATE/MINORS

GERONTOLOGY CERTIFICATE PROGRAM

The certificate program consists of 18 semester hours. It is designed for 1) current students with a major that does not require a minor but whose career interest is in working with older adults (e.g., Social Work majors); 2) individuals with undergraduate or professional degrees seeking a credential in gerontology; 3) adults with a high school diploma who are preparing for job entry into the aging network or who are interested in the field of aging; and 4) professionals working in the aging network who want to update their knowledge in gerontology. (Social Work majors seeking a certificate in Gerontology may receive 3 hours credit for GRNT 440 as part of their required SCWK 443 Field Instruction.) The required courses are GRNT 300, GRNT 440, GRNT/SCIE 301 and GRNT/SOCL 504. Students also choose 3 hours from either GRNT/PSYC 307 or GRNT/SCWK 302, and 3 hours from the following elective courses: GRNT/SOCL 304, SOCL 520, SCWK 516, SCWK 536, NUTR 221, HLTH 500, INDS 241, PSYC 510, or HLSM 200. Students interested in the Gerontology Certificate program should contact Dr. Jennifer Solomon, Coordinator of Gerontology Programs at 803-323-4658.

MINORS

Each program leading to the Bachelor of Arts degree requires the completion of a minor in addition to the major program. Students may fulfill the minor requirement with one or more minors of their own choosing. The minimum number of semester hours required for a minor is 15, at least 6 of which must be in courses numbered above 299. Minors are recorded on the permanent record. No course may be included in two minors or in a major and a minor unless the student is pursuing a Bachelor of Science degree, except in the College of Business Administration, where no course may count toward a business administration major and a business administration minor. Students must achieve a 2.0 cumulative grade-point average in all courses taken at Winthrop, as well as in courses counted toward the minor and the major programs.

Non-Bachelor of Arts degree students may complete minors either through the use of elective credits or through additional credits beyond those required for the degree program.

Accounting

The minor in Accounting consists of 16 to 19 semester hours to include ACCT 280, 281, 282, 305, 306 and one of the following: ACCT 309, 401, or 509. Proficiency in computer applications equivalent to the level required for the successful completion of CSCI 105. This requirement may be met by taking CSCI 101, 105 or 110.

African American Studies

The African American Studies minor is an 18-hour program. Twelve of these hours are from four required courses: AAMS 300, ENGL 518, HIST 509, and SOCL 314. The remaining six hours are to be chosen from AAMS 320, ANTH 323, ARTH 281 or ARTH 381, ENGL 310, 311, 320, 321, 330, 510 (the preceding six ENGL courses to be taken only when also designated as AAMS courses), HIST 308, HIST 337, HIST 561, MUST 203 or 514, PLSC 315, PLSC 318, PLSC 338, PLSC 551, SOCL 350 (to be taken only when also designated as an AAMS course), or THRT 212.

Anthropology

The minor in anthropology consists of 18 semester hours to include ANTH 201, 202, 341, and 9 additional hours in anthropology, 3 of which must be above 299.
Applied Physics

The minor in applied physics consists of 17 semester hours of PHYS: PHYS 201-202 or 211-212; 9 hours from PHYS 301, 315, 350, 331, 332 or 321. Students with majors in biology, chemistry, computer science and mathematics may count physics courses required by the major (PHYS 211-212 or 201-202) toward the physics minor.

Art

The minor in art consists of 18 semester hours of ARTS: ARTS 101, 102, 120, and 121, and 6 hours of ARTS, ARTH or INDS from courses numbered above 299.

Art History

The minor in art history consists of 15 semester hours to include ARTH 175 and 176 and 9 hours above 299. INDS 334, 335 and 533 may be counted toward this minor. Because no course may be included in a major and a minor, students majoring in Art or Interior Design and minoring in Art History must complete 15 semester hours in Art History beyond those required for the major.

Biology

The minor in biology consists of 18 semester hours of BIOL to include at least 6 hours in courses numbered above 299.

Business Administration

The minor in business administration consists of 18 hours of the following: BADM 180, ACCT 280, two of the following: MGMT 321, MKTG 380, FINC 311; two of the following, one of which must be above 299: ACCT 281, CSCI 207, ECON 201, ECON 202, HLAD 200, QMTH 205 or any course above 299 in ACCT, BADM, ECON, FINC, HLAD, MGMT, or MKTG. Proficiency in computer applications equivalent to the level required for the successful completion of CSCI 105. This requirement may be met by taking CSCI 101, 105 or 110.

Chemistry

The minor in chemistry consists of 18 semester hours of CHEM to include at least 6 hours in courses numbered above 299. Chemistry courses required for other majors can also be counted for the chemistry minor.

Coaching

The minor in coaching consists of 17 hours which must include: PHED 327, 361, 362, 393 and 571; two courses from PHED 460, 461, 462, 463, 464, 465 or 466. The remaining hours are to be selected from any courses not chosen to meet the above requirements and/or PHED 231, 267, 320, 325, 372, 382, or 548. An advisor in physical education will be assigned when the student files an intent for the minor.

Computer Science

The minor in computer science consists of 18 semester hours of CSCI: CSCI 207-208 and 271 and 7 additional hours of CSCI to include 6 hours in courses numbered above 299, except CSCI 340 A, B, C. CSCI 101, 110, and 151 may not be used to fulfill the Computer Science minor.

Dance

The Dance minor is a 21-hour program: Technique - 2 credit hours in Modern Dance at the intermediate level or above, and 2 credit hours in Ballet; DANT 200, DANT 201, DANT 298, DANA 251; one of the following - DANA 244 or 246; and DANA 440 taken four times; 4 credit hours of DANT/DANA electives.
MINORS

Economics

The minor in economics consists of 15 semester hours of ECON to include ECON 201, 202, 501, and 502. The additional 6 hours will be selected from ECON 301, 311, 331, 343, 351, 521 or approved replacement courses. No course may be included in two minors or in a major and a minor.

English

The minor in English consists of 18 semester hours of ENGL to include: ENGL 300; 6 hours selected from ENGL 201, 202, 203, 205, 206, 207, 209, 210, 211; and 9 hours in courses numbered above 299.

Entrepreneurship

The minor in Entrepreneurship consists of 15 to 16 semester hours from the following: ACCT 280, MKTG 380, BADM 371, 372 and 525. In addition proficiency in computer applications equivalent to the level required for the successful completion of CSCI 105. This requirement may be met by taking CSCI 101, 105 or 110. Courses numbered above 299 must be taken after the student achieves junior status.

French

The minor in French consists of 18 semester hours of FREN to include FREN 201, 202, 250, and 9 hours in courses numbered above 202. May include MLAN 330 or 530. (FREN 101-102, or the equivalent, are prerequisites for all other FREN courses; however, they may not be applied toward fulfillment of the minor requirement.)

General Science

The minor in general science consists of at least 18 semester hours of coursework selected from BIOL, CHEM, GEOL or PHYS, to include PHYS 201-202 or 211-212. Courses included in a major may not be counted in the general science minor. At least 6 hours must be in courses numbered above 299.

Geography

The minor in geography consists of 15 semester hours of GEOG to include GEOG 101 and at least 6 hours in courses numbered above 299.

Geology

The minor in geology consists of 18 semester hours in GEOL, excluding GEOL 120, and including at least 6 hours in courses numbered above 299.

German

The minor in German consists of 18 semester hours in GERM to include GERM 201, 202 and 12 hours in courses numbered above 102. May include MLAN 330 or 530. (GERM 101-102, or the equivalent, are prerequisites for all other GERM courses; however, they may not be applied toward fulfillment of the minor requirement.)

Gerontology

The minor in Gerontology consists of 18 semester hours. The required courses are GRNT 300, GRNT 440, and GRNT/SCIE 301. Students also choose 6 hours from either GRNT/SOCL 504, GRNT/PSYC 307, or GRNT/SCWK 302, and 3 hours from the following elective courses: GRNT SOCL 304, SOCL 520, SCWK 516, SCWK 536, NUTR 221, HLTH 500, INDS 241, PSYC 510, OR HLSM 200. Students interested in the Gerontology minor must contact Dr. Jennifer Solomon, Coordinator of Gerontology Programs at 803-323-4658.
Health
The minor in health consists of 19 semester hours to include 9 hours from HLTH 500, 501, 506 and 507; and 10 additional hours selected from HLTH 300, 303, 500, 501, 503, 506, 507, PHED 231, 320, 361, BIOL 305-306, NUTR 221, NUTR 321, NUTR 370, GRNT 300, SOCL 304. (HLTH 303 has a prerequisite of admission to the Teacher Preparation program.)

Health Services Management
The minor in Health Services management consists of 15 semester hours as follows: MKTG 380, MGMT 321, HLSM 200, 300, and 302.

History
The minor in history consists of 18 semester hours in HIST: HIST 101, 102, 211, and 212, and at least 6 hours in courses numbered above 299. Note that ACCT 280 is a prerequisite to MKTG 380.

Human Nutrition
The minor in human nutrition consists of 15 semester hours of course work in human nutrition, approved by Chair, Department of Human Nutrition, and CHEM 105, 106, 107, 108 or equivalent courses.

Human Resource Management
The minor in human resource management consists of 18 semester hours of management courses to include: MGMT 321, 325, 422, 523, 524 and 526. Note that PSYC 101 is prerequisite for MGMT 325 and MGMT 321 is a prerequisite for all the other courses. All courses in this minor must be taken after the student achieves junior status.

International Area Studies
The INAS minor will consist of 18 hours of course work to include PLSC 205 or 207, and six (or nine) hours devoted to a specific region of the world (see list I below), and six (or nine) hours devoted to cross-regional comparisons (see list II below). Special topics courses appropriate to either list may be substituted pending approval of the Advisory Committee of the International Center. Students must develop foreign language proficiency to include both 201 and 202. Students majoring in History or Political Science may apply 6 hours toward this minor beyond the normal 36-hour limitation for a given designator.

List II. Cross-regional comparisons: ANTH 201, 203, 301; ARTH 281; BADM 553; ECON 521; ENGL 205, 206, 207, 502; FINC 514; GEOG 103; MCOM 302; NUTR 370; PLSC 205, 207, 260***, 337; RELG 300.
*Study-abroad and field experience courses are highly recommended and must be appropriate to the selected region.
**The content of INAS 425 must focus on the selected region.
***Model UN is highly recommended.
MINORS

Mass Communication

The minor in mass communication consists of 18 semester hours of MCOM, with a minimum grade of C in each course, in one of the following options:

Journalism: MCOM 205, 241, 333, 342 and MCOM 343 or MCOM 441 and MCOM 341 or 410.

Mathematics

The minor in mathematics consists of 18 semester hours of MATH to include MATH 201, MATH 202 and MATH 300, and at least 6 semester hours in MATH courses numbered above 299. If MATH 201 and/or MATH 202 are exempted, the student may choose any MATH course(s) numbered above 299 as substitutions.

Music

The minor in music consists of 24 semester hours of MUST/MUSA: MUST 111-112, MUST 113-114, MUST 305-306 and 4 semester hours of applied music (private lessons); and 6 semester hours of music courses numbered above 299.

Philosophy

The minor in philosophy consists of 18 semester hours of PHIL: PHIL 201, 220 or 225, 300 and 9 additional hours, 3 of which must in courses numbered above 299.

Philosophy and Religion

The minor in philosophy and religion consists of 18 semester hours in PHIL and RELG; to include PHIL 201, RELG 201, and 12 additional hours, 6 of which must be in courses numbered above 299.

Political Science

The minor in political science consists of 18 semester hours of PLSC; to include PLSC 201 and at least 6 hours in courses numbered above 299. PLSC 350 is recommended.

Psychology

The minor in psychology consists of 20 semester hours of PSYC. Psychology minors must take PSYC 101, 301, and 302 before enrolling in any other PSYC courses. The additional 9 hours must be in courses numbered above 299, and at least 6 must be chosen from PSYC 306, 307, 400, 503, 505, 506, 507, 508, 509, 514. Biology majors/psychology minors may waive PSYC 302; sociology majors/psychology minors may waive PSYC 301. In either case 3 hours of psychology above 299 must be taken to replace the waived course.

Secondary Education

Students who major in biology, chemistry, English, French, history, mathematics, political science and Spanish, and wish to be certified to teach in secondary schools may select a minor in secondary education. The minor consists of 29 EDUC semester hours: EDUC 110, 210, 250, 275, 300, 390, 475 and 490 and appropriate prerequisite and corequisite courses.

Social Sciences

The minor in social sciences consists of at least 18 semester hours of courses in ANTH, ECON, GEOG, HIST, PHIL, PLSC, PSYC, SOCL or RELG to include at least 6 hours in courses numbered above 299. A student may not include in the social sciences minor any courses with the designator of the major or majors. To receive credit for the
social sciences minor, students must also complete a course dealing with social sciences methodology (ANTH 341, ECON 201, HIST 500, PLSC 350, PSYC 302, or SOCL 316). The methodology requirement may be satisfied through major requirements.

**Social Welfare**

The minor in social welfare is primarily intended for students who plan to enter a related field or who are simply interested in the field of social work because of its significance to modern society. The minor is not a professional degree program. It consists of 18 semester hours of social work to include SCWK 200, 321, 440, and 9 hours of social work electives.

**Sociology**

The minor in sociology consists of 18 semester hours of SOCL: SOCL 101 or 201, and at least 15 additional hours in SOCL, 6 hours of which must be courses numbered above 299. Both SOCL 101 and 201 can be applied toward the minor requirements.

**Spanish**

The minor in Spanish consists of 18 semester hours in SPAN to include SPAN 201, 202, 250, and 9 hours in courses numbered above 202. May include MLAN 330 or 530. (SPAN 101-102 or the equivalent, are prerequisites for all other SPAN courses; however they may not be used toward fulfillment of minor requirements.)

**Theatre**

The minor in theatre consists of 21 semester hours: THRT 110, 210, THRA 120, 170, 171, 331, and 7 hours from any other THRT or THRA courses.

**Women’s Studies**

The minor in women's studies consists of 18 semester hours, WMST 300 and five additional courses.

- **Choose 9-15 hours from:**

- WRIT 300, 500, ENGL 510 3-6 hours

Students choosing the **professional emphasis** must complete 18 hours from:
- WRIT 300, 350, 351, 465, 566,
  - MCOM 341, 370 12-15 hours
- WRIT 307, 316, 500, 530, ENGL 303 3-6 hours
Courses of Study

This chapter contains a listing of courses at the time of printing of the catalog. Courses are listed alphabetically. Not all courses will be available every semester or summer session. A Schedule of Courses is issued prior to each registration. It lists courses available for that semester or summer session. Students should consult the Schedule of Courses prior to each registration.

Winthrop University reserves the right to withdraw any course listed in the Schedule of Courses if the administration determines the course does not have an adequate enrollment. The university also reserves the right to establish limits on the enrollment for any course or course section. For the most current and up-to-date information on courses, please go to the Wingspan web page at http://wingspan.winthrop.edu.

For further information about courses listed in this chapter, consult the dean of the college or the chair of the department offering the course.

In this chapter the following information is given about each course: the number; the title; the semester hour value; the number of clock hours per week required, if different from semester hour value; brief description; restriction of credit (if any); prerequisites or other restrictions on enrollment; and the semester the course is offered. If none is stated, the only restriction on enrollment is that indicated by the number of the course (see Classification of Courses below.)

The first of the figures enclosed in parenthesis immediately following the title of a course indicates the number of semester hours credit given for the course; the second and third figures (if given) indicate the number of lecture and laboratory (or studio) hours normally scheduled each week for one semester in the course. If only one figure is given, there are as many clock hours required per week as there are semester hours of credit for the course (unless the course description states otherwise.) For example, (3) indicates that the course carries three semester hours of credit and meets for three clock hours per week; (1:3) indicates that the course carries one semester hour credit but meets three clock hours per week; (4:2:4) indicates that the course carries four semester hours credit but meets two lecture hours and four laboratory (or studio) hours per week.

When two courses are listed as one, a hyphen(-) between the course numbers indicates the first is a prerequisite of the second. A comma (,) between the course numbers indicates that the first is not a prerequisite of the second.

Classification of Courses

Courses are classified by number:

101 - 299 beginning courses, primarily for freshmen and sophomores;
300 - 399 intermediate courses, primarily for sophomores and juniors;
400 - 499 specialized courses, primarily for juniors and seniors;
500 - 599 advanced courses, primarily for juniors, seniors and graduate students;
600 - 699 advanced courses for graduate students only (listed in the Graduate Catalog.)
ACCOUNTING (ACCT)

280. Accounting Information for Business Decisions I (3).
This course is the first of a two-part course focusing on the business environment and the use of managerial and financial accounting information for decision making in various business settings. Hands-on integrated project that uses accounting concepts to help the student see the interrelation and interdependence of the various business functions.
Prerequisite(s): MATH 101 or 140 and CSCI 101, 105 or 110.

281. Accounting Information for Business Decisions II (3).
This course is the second of a two-part course focusing on the business environment and the use of managerial and financial accounting information for decision making in various business settings.
Prerequisite: ACCT 280.

282. Recording Accounting Information (1).
The focus of the course is on the recording, storing and reporting of accounting information. It is a hands on course that utilizes a manual and automated practice set that spans the entire accounting cycle.
Prerequisite: ACCT 280.
Corequisite: ACCT 281.

All ACCT courses numbered above 299 have a prerequisite of junior status, an overall GPA of at least 2.00 and a grade of C or better in WRIT 102.

303. Accounting Information Systems (3).
Basic concepts of accounting information systems including both manual and computer based systems. Examines transactions processing systems with emphasis on internal controls and documentation, user support systems, and systems development.
Prerequisite(s): MGMT 341 and a grade of C or better in ACCT 282.

305. Intermediate Accounting I (3).
Theoretical and practical foundations of financial accounting and reporting for assets and current liabilities.
Prerequisite(s): Grade of C or better in ACCT 282.

306. Intermediate Accounting II (3).
Accounting for long term liabilities, capital, and special transactions.
Prerequisite(s): Grade of C or better in ACCT 305.

309. Budgeting and Executive Control (3).
Preparation and utilization of financial information for internal management purposes: planning and special decisions, cost determination, performance evaluation and control.
Prerequisite(s): ACCT 280 and 281.

351. Business Law for Accountants (3).
Legal problems in the field of accounting and legal aspects required for CPA preparations.

401. Introduction to Tax (3).
Introduction to the concepts and methods of determining tax liability for individuals, corporations, estates and partnerships.
Prerequisite(s): C or better in ACCT 305.

491. Accounting Internship (3).
Involves the application of professional accounting skills required in the academic environment to the role of the practicing professional accountant.
Prerequisite(s): C or better in ACCT 306 and 2.75 GPA.

501. Estate Planning (3).
Wills, real estate, life insurance, and the federal income and estate gift laws.
Prerequisite(s): ACCT 280. ACCT 281 recommended.

502. Corporate Tax (3).
Concepts and methods of determining tax liability of corporations. Topics include ordinary income, capital gains and losses, net operating loss, reorganizations and contemporary problems in corporate taxation.
Prerequisite(s): ACCT 306.

505. Advanced Accounting Topics (3).
Special accounting topics not covered in other accounting courses. Examples of topics covered are business combinations, investments, leases, pensions, EPS, revenue recognition and the cash flow statement.
Prerequisite(s): Grade of C or better in ACCT 306.

506. Not for Profit Accounting (3).
Fund accounting and the financial presentation and disclosure requirements of governmental and other not for profit agencies.
ACCOUNTING - ANTHROPOLOGY

Prerequisite(s): Grade of C or better in ACCT 306.

509. Auditing Principles and Procedures (3).
Internal control, test of transactions, direct tests of financial statement balances and statistical sampling, with emphasis on the auditor's decision-making process.
Prerequisite(s): Grade of C or better in ACCT 306.

510. Advanced Cost (3).
Study of the conceptual and procedural aspects of cost accounting.
Prerequisite(s): Grade of C or better in ACCT 309.

AFRICAN AMERICAN STUDIES (AAMS)

300. Introduction to African American Studies (3).
Interdisciplinary course including history and literature components.
Notes: Offered in the fall.

320. Racial, Cultural and Ethnic Influences on Identity Development (3).
This course examines how race, ethnicity and culture influence the development of personal identity of self. Historical and contemporary models of ethnic, cultural and/or racial identity formation will be examined. Diversity in the developmental process and outcomes of identity formation for African Americans will be emphasized.
Prerequisite(s): AAMS 300 or PSYC 101 and WRIT 101.
Notes: Offered in summer.

ANTHROPOLOGY (ANTH)

201. Introduction to Cultural Anthropology (3).
An exploration of cultures throughout the world stressing variability in family, political and economic patterns, religion and worldview.
Notes: Offered in the fall, spring and summer.

202. Introduction to Physical Anthropology (4:3-3).
A study of the evolutionary history of humans. The course examines the anatomy, behavior and ecology of fossil and living primates and the extent of modern human diversity.
Notes: Lab Fee: $20. Offered in the spring.

203. Introduction to Language and Culture (3).
A study of the cultural and social dimensions of language and how language usage varies from culture to culture and context to context.
Notes: Offered in the spring of odd years.

301. Cross-Cultural Perspective of Human Experience (3).
Notes: Offered in the spring of even years.

321. Cultures of Latin America (3).
A study of selected contemporary peoples of Latin America in the context of present social, political and economic changes. Special attention is given to the problems of peasantry.
Notes: Offered in the fall of even years.

323. Cultures of Africa (3).
A study of African cultures which includes family life, government, economics, education and religion.
Notes: Offered in the fall of odd years.

325. Chinese Culture (3).
An exploration of contemporary Chinese culture that is national in scope but allows a more in-depth look at selected dimensions of Chinese life.
Notes: Offered in the spring of odd years.

340 A, B, C. Cooperative Education Experience (1) (2) (3).
Provides on-the-job training in a professional field related to a student's major or career interests.
Prerequisite(s): Overall GPA 2.5 and minimum of 24 earned undergraduate semester hours. Placement objectives must be approved by Department Chair prior to enrollment.
Notes: For Anthropology minors only. Courses may be repeated for credit; however, a maximum of 3 hours may be applied toward a minor in Anthropology. A grade of S or U is recorded.

341. Fieldwork in Cultural Anthropology (3).
An experience in learning how to do research
in cultural anthropology. Students learn research techniques, do fieldwork, and analyze and interpret the results.

Notes: Offered in the spring of even years. Intensive Writing course.

350. Special Topics in Anthropology (3).
In-depth consideration of a specific topic of particular concern in anthropology. Course will be offered under various topics, such as witchcraft and healing, and conflict resolution. It may be repeated under different topics.

Notes: Offered in the fall and alternate years in the summer.

351. Cross-Cultural Topics (3).
In-depth consideration of a specific topic of particular concern in anthropology. The topics offered will be cross-cultural and international in scope. The course may be repeated under different topics.

Notes: This course fulfills Area V of General Education Distribution requirements. Offered in the fall and alternate years in the summer.

ART (ARTS)

101. Two-Dimensional Design I (3:7).
Introduction to creative design elements, line, form, space, texture, color and basic technical skills, providing a foundation for subsequent art courses.

Notes: Lab Fee: $10. Offered in fall, spring and summer.

102. Three-Dimensional Design I (3:7).
Comprehensive exploration of form, volume and space involving design, media, tools and technique.

Notes: Lab Fee: $25. Offered in fall, spring and summer.

120. Drawing I (3:7).
Introduction to drawing concentrating on the fundamentals of line, value, perspective and composition as applied primarily to representational drawing from observation.

Notes: Lab Fee: $10. Offered in fall, spring and summer.

121. Figure Drawing (3:7).
Introduction to drawing the human figure with emphasis on development of basic drawing skills of gesture, proportion, contour and action.

Prerequisite(s): ARTS 120.

Notes: Lab Fee: $15. Offered in fall and spring.

201. Two-Dimensional Design II (3:7).
Continued investigation of design and color with emphasis on understanding two-dimensional form, space, and creative visual organization.

Prerequisite(s): ARTS 101, 102.

Notes: Lab Fee: $10. Offered in fall, spring and summer.

Continued study of space, form and media with emphasis on sculpture and design.

Prerequisite(s): ARTS 102.

Notes: Lab Fee: $25. Offered in fall, spring and summer.

220. Drawing II (3:7).
An expansion of beginning drawing with increased emphasis on composition and concept using achromatic and color drawing media.

Prerequisite(s): ARTS 120.

Notes: Lab Fee: $10. Offered in fall, spring and summer.

221. Life Drawing and Anatomy (3:7).
Drawing the human form. Study of anatomy and structure of the body. Experimentation in various media.

Prerequisite(s): ARTS 121.

Notes: Lab Fee: $15. Offered in fall and spring.

271. Graphic Arts Production Practicum (2:0:5).
Coordinated with technically-oriented programs, this course introduces skills and procedures associated with the Graphic Arts industry. Available as off-campus offering only.

Prerequisite(s): Permission from Chair or Designee.

Notes: A grade of S or U is recorded. Offered in fall and spring.

276. Introduction to Illustration (3:0:7).
Introduction to the materials with techniques used in the field of commercial illustration. Emphasis on technical skill and accurate rendering of subject matter via traditional drawing media.

Prerequisite(s): ARTS 101, 120.

Notes: Lab Fee: $10. Offered in spring.
277. Introduction to Graphic Design (3:0:7).
Introduction to concepts and techniques used in Graphic Design field. Emphasis on dynamic organization of 2-D layouts utilizing shape, type and image, as well as the development of professional presentation skills.
Prerequisite(s): Foundation Portfolio Review or permission of Area Coordinator.
Notes: Lab Fee: $10. Offered in fall and spring.

278. Introduction to Typography (3:0:7).
Investigation of typographic elements stressing spatial organization, concept and presentation skills. With an historical study of letterforms and their application in visual communications.
Prerequisite(s): Foundation Portfolio Review or permission of Area Coordinator.
Notes: Lab Fee: $10. Offered in fall and spring.

Use of personal computer in the context of visual design professions. Introduces student to skills needed to creating effective and expressive images in a desktop publishing environment.
Prerequisite(s): Foundation Portfolio Review or permission of Area Coordinator.
Notes: Lab Fee: $25. Offered in fall and spring.

311. Photo Communication (3:7).
In this course the practices of the working photojournalist are studied and skills expected of an entry-level newspaper photographer are developed. Topics include the use of camera and flash equipment for typical jobs, accurate note-taking for cut-lines, ethics as they impact the news media and an introduction to some of the major figures in the history of photojournalism. A portfolio of projects is produced, illustrating personal camera skills, as well as the ability to find pictures to accompany news stories.
Notes: Lab Fee: $50. Offered in fall.

Continuation of the drawing sequence with emphasis on mixed media techniques and thematic development.
Prerequisite(s): ARTS 220.
Notes: Lab Fee: $10. Offered fall or spring and as needed.

Exploration of the drawing approach. Creative use of composition, rendering techniques and the artist's point of view.
Prerequisite(s): ARTS 221.
Notes: Lab Fee: $15. Offered in fall and spring.

332. Sculpture I (3:7).
Introduction to the techniques and design problems of sculpture. Experiences with appropriate processes and materials.
Prerequisite(s): ARTS 102.
Notes: Lab Fee: $25. Offered in fall, spring and summer.

333. Sculpture II (3:7).
Study and development of the concept of form in space using primarily one material, employing various techniques.
Prerequisite(s): ARTS 332.
Notes: Lab Fee: $25. Offered in fall, spring and summer.

Introduction to screen printing techniques including tusche drawing, stencil and photo screen printing.
Prerequisite(s): ARTS 101, 120.
Notes: Lab Fee: $20. Offered in fall and spring.

Introduction to relief printing techniques in black and white including lino-cut and woodcut.
Prerequisite(s): ARTS 101, 120.
Notes: Lab Fee: $20. Offered in fall and spring.

Introduction to basic techniques in intaglio printmaking including hard- and soft-ground etching, dry point, engraving, aqua tint and collagraph.
Prerequisite(s): ARTS 101 and 120.
Notes: Lab Fee: $20. Offered in fall and spring.

342. Painting I (3:7).
Introduction to painting with emphasis upon professional approach to content, expression, materials and media techniques.
Prerequisite(s): ARTS 101 and 120.
Notes: Lab Fee: $10. Offered in the fall, spring and summer.
ARTS

343. Painting II (3:7).
Emphasis upon the development of an individual point of view. Individual problems in representational and nonrepresentational painting.
Prerequisite(s): ARTS 342.
Notes: Lab Fee: $10. Offered in the fall, spring and summer.

351. Ceramics I (3:7).
Introduction to the techniques and processes used in the creation of clay forms.
Notes: Lab Fee: $45. Offered in the fall, spring and summer.

352. Ceramics II (3:7).
Studio course introducing exploratory experiences in potters wheel and glazing techniques.
Prerequisite(s): ARTS 351.
Notes: Lab Fee: $45. Offered in the fall, spring and summer.

Study of metals and the processes involved in designing and executing works in metal and related materials.
Notes: Lab Fee: $25. Offered in fall and spring.

Continued experience with designing and producing works in metal and related materials.
Prerequisite(s): ARTS 355.
Notes: Lab Fee: $25. Offered in fall and spring.

370. Basic Photography (Small-Format) (3:0:7).
With instruction in the 35mm single lens reflex (SLR) camera, metering, film development and printing in black and white, this course emphasizes the use of composition and light. Skills are begun towards the development of ‘camera-vision’, where pictures effectively communicate a personal interest with a broad range of subjects. Students must have a 35mm SLR camera with manual functions.
Notes: Lab Fee: $50. Offered in the fall, spring and summer.

This intermediate course builds on the technical skills and creative investigations begun in ARTS 370. Including serial imagery and the relationships between language and photography, assignments lead to alternative forms of presentation such as installations and artists’ books. Technical instruction is provided on color slides, push-processing film, infra-red film and in the basic use of the medium-format camera. Black and white fiber printing papers are used extensively in conjunction with color toners. Students must have a tripod for this course.
Prerequisite(s): ARTS 370 or ARTS 311 with permission of instructor.
Notes: Lab Fee: $50. Offered in fall, spring and summer.

All Art studio courses (3:7) numbered above 375 have a prerequisite of junior status and the successful completion of the specialization portfolio review or permission of the Chair of the Department of Art and Design.

375. Illustration (3:0:7).
Further development of skills learned in ARTS 276. Emphasis on effective use of color and various media. Specific and directed communications projects are used to foster conceptual problem-solving skills.
Prerequisite(s): ARTS 276.
Notes: Offered in fall.

376. Illustration II (3:0:7).
Building on skills developed in ARTS 375, further exploration and discussion of various illustration techniques and approaches, and their application within publishing fields.
Prerequisite(s): ARTS 375; Passage of Specialization Portfolio Review.
Notes: Lab Fee: $10. Offered in spring.

Introduction to tools, processes and technologies used in graphic arts professions. Course material is covered through exercises, projects and field experiences.
Prerequisite(s): Passage of Specialization Portfolio Review.
Notes: Lab Fee: $25. Offered in spring.

Application of communication design principles learned in ARTS 277 and ARTS 278. Use of design elements, typography and image to produce dynamic, content-responsive layouts.
Prerequisite(s): ARTS 277, 278,281; Passage of Specialization Portfolio Review.
Notes: Lab Fee: $10. Offered in fall.
ARTS

379. Graphic Design II (3:0:7).
Through further application of visual communication design principles, the course emphasizes alternative approaches to solving visual problems. Exercises encourage conceptual investigation and creative approaches to problem solution.
Prerequisite(s): ARTS 378.
Notes: Lab Fee: $10. Offered in spring.

Design and organization of printed word and letterforms in combination with other graphic elements. Exploration of experimental typographic forms, interpretive design and Typo-Photo relationships.
Prerequisite(s): ARTS 378.
Notes: Lab Fee: $15. Offered in spring.

381. Corporate Identity (3:0:7).
Comprehensive study and production of corporate identity systems, including the design and development of logos, identity standards and related collateral materials.
Prerequisite(s): ARTS 378.
Notes: Offered in fall.

386. Digital Illustration (3:0:7).
Studies in advanced computer illustration techniques using object and pixel-based image production software. Problems center on both 2-and 3-D renderings for illustrative and professional applications.
Prerequisite(s): ARTS 281.
Notes: Offered in fall.

420. Drawing IV (3:7).
Further continuation of the drawing sequence with emphasis on conceptual and compositional solutions to advanced drawing problems.
Prerequisite(s): ARTS 320.
Notes: Lab Fee: $10. Offered in fall, spring and summer.

432. Sculpture III (3:7).
Study and development of kinetic forms in space with emphasis on contemporary materials and methods.
Prerequisite(s): ARTS 333.
Notes: Lab Fee: $25. Offered in fall and spring.

433. Sculpture IV (3:7).
Study of the figure as a form in space.
Prerequisite(s): ARTS 432.
Notes: Lab Fee: $25. Offered in fall and spring.

Introduction to basic techniques in stone and plate lithography.
Prerequisite(s): ARTS 336 or ARTS 337.
Notes: Lab Fee: $25. Offered in fall and spring.

Continued study in printmaking media with emphasis on more advanced traditional and contemporary techniques.
Prerequisite(s): ARTS 335, 336, or 337.
Notes: Lab Fee: $20. Offered in fall and spring.

442. Painting III (3:7).
Emphasis on the student's personal creative expression and the continuing development of painterly skills.
Prerequisite(s): ARTS 442.
Notes: Lab Fee: $10. Offered in the fall, spring and summer.

443. Painting IV (3:7).
Continuation of the narrowing of focus to develop an individual expression.
Prerequisite(s): ARTS 442.
Notes: Lab Fee: $10. Offered in the fall, spring and summer.

Continuing explorations in hand and wheel throwing techniques. Exploratory experiences in clay body formulation and compounding glazes.
Prerequisite(s): ARTS 352.
Notes: Lab Fee: $45. Offered in the fall, spring and summer.

452. Ceramics IV (3:7).
Intermediate course study in either hand built or wheel thrown forms with an emphasis on the relationship between form and decoration.
Prerequisite(s): ARTS 451.
Notes: Lab Fee: $45. Offered in the fall, spring and summer.

Advanced work in jewelry and metals.
Prerequisite(s): ARTS 356.
Notes: Lab Fee: $25. Offered in fall and spring.
**456. Jewelry and Metals IV: Forming (3:7).**
A design and practical exploration of forging and forming techniques used in the production of jewelry and metalwork.
Prerequisite(s): ARTS 455.
Notes: Lab Fee: $25. Offered in fall and spring.

**470. Color Photography (3:7).**
Developing an aesthetic awareness and technical proficiency with the creative potential of color photography, this course concentrates on making prints from color negatives. Color composition, color temperature, the use of filters and flash, are all investigated. The course aims to develop a use of color photography as a means of personal expression, as well as build skills for working professionally. Students must have a flash for this course.
Prerequisite(s): ARTS 101, 120, 201, 371.
Notes: Lab Fee: $70. Offered in fall.

**472. Editorial Photography (3:0:7).**
This course investigates the relationship between the individual and the social environment. Students photograph people at work and in locations that emphasize the subject's role in society. The course includes making work suitable for newspapers, magazines and annual reports and culminates in a documentary project arranged by the student. Required equipment for this course includes a wide-angle lens and a flash.
Prerequisite(s): ARTS 371 or by portfolio review and permission of the instructor.
Notes: Lab Fee: $50. Offered in spring.

**473. Large-Format Photography (3:0:7).**
Working primarily with 4x5" view cameras (but also having access to the 8x10" camera), students learn to use the descriptive power of the large-format negative for personal expression and creative purpose. A grounding in exposure control through the Zone System enables students to improve their understanding of the relationship between subject brightness and print tonal range. Students must have a view camera and suitable tripod for this course.
Prerequisite(s): ARTS 101, 120, 201, 371.
Notes: Lab Fee: $50. Offered in fall.

**474. Studio Lighting for Photography (3:0:7).**
This course gives the students a working knowledge of strobe and tungsten lighting, as used in table-to photography, portraiture and photographing interior architecture and the human figure. It includes the methods for calculating light intensities when properly lighting a 3-dimensional object, as well as exploring creative techniques commonly exploited in studio work. Students must own a Sekonic L-408 Multimaster light meter (which provides flash, ambient light and spot readings).
Prerequisite(s): ARTS 470.
Notes: Lab Fee: $50. Offered in spring.

**475. Alternative Processes in Photography (3:0:7).**
Photographic printing paper can be a rich material, capable of extraordinary tonal scale in and with a character of rare beauty. This course comprises the making of photographic paper by mixing light-sensitive emulsions and applying them to quality drawing paper by hand. Some of the historic processes are investigated, including Cyanotype, Van Dyke, Gum Bichromate, Platinum and Palladium. Later in the course students select one process with which to make a unified series of prints.
Prerequisite(s): ARTS 281, 470, 473 (or ARTS 473 as a co-requisite).
Notes: Lab Fee: $70. Offered in spring.

**476. Illustration III (3:0:7).**
Emphasizes conceptual and stylistic development of imagery related to applied illustration projects.
Prerequisite(s): ARTS 376.
Notes: Lab Fee: $10. Offered as needed.

**477. Three-Dimensional Graphic Design (3:0:7).**
Application of communication graphics to three-dimensional form. Emphasis on product packaging, promotion, environmental graphics, signage and other formats.
Prerequisite(s): ARTS 379.
Notes: Lab Fee: $25. Offered once per year.

**478. Experimental Typography (3:0:7).**
Investigation of typography as an innovative art form. Emphasis on letterform imagery and experimental formats.
Prerequisite(s): ARTS 379, 380.
Notes: Lab Fee: $10. Offered once every two years.
Included are investigations of several electronic media presentation formats.
Prerequisite(s): ARTS 281, Passage of Specialization Portfolio Review; or permission of Area Coordinator.
Notes: Lab Fee: $25. Offered in fall.

480, 481. Special Topics in Art (1) (1).
Extended individual opportunities in studio art beyond existing departmental curriculum.
Prerequisite(s): Permission of the Chair of the Department of Art and Design.
Notes: Offered once per year.

482, 483, 484. Special Topics in Art (3) (3) (3).
Extends individual opportunities in studio art beyond existing departmental curriculum limits.
Prerequisite(s): Permission of the Chair, Department of Art and Design.
Notes: Lab Fee: $25. Offered once per year.

483-485. Special Topics in Non-Western Art (3).
Prerequisite(s): Specialized study in one or more of the following: Art and Architecture of Africa, the South Pacific, North America Indian, Japan, China, India, Caribbean and Latin American and Native Americans of the Americas.
Notes: Offered once a year.

486. Senior Project Proposal (1:1:0).
Focus on the preparation of a project proposal which serves as the basis for research in ARTS 487.
Prerequisite(s): Senior Standing (studio).
Notes: Offered in fall.

487. Senior Project. (3:7)
Students pursue solutions to a visual communications problems individually proposed in ARTS 486.
Prerequisite(s): ARTS 486.
Notes: Offered in spring.

532. Sculpture V (3:7).
Development of design and technical skills in the student's specific area of interest.
Prerequisite(s): ARTS 433.
Notes: Lab Fee: $25. Offered in fall and spring.

533. Sculpture VI (3:7).
The conception and production of a unified professional body of work appropriate to a one-artist exhibition of sculpture.
Prerequisite(s): Permission of instructor.
Notes: Lab Fee: $25. Offered in fall and spring.

Advanced study in printmaking media with a concentration of image formulation through advanced techniques and multi-color printing.
Prerequisite(s): ARTS 437.
Notes: Lab Fee: $25. Offered in fall and spring.

542. Painting V (3:7).
A continuation of the study of painting to develop professional, painterly skills through individual expression.
Prerequisite(s): ARTS 443.
Notes: Lab Fee: $10. Offered in fall, spring and summer.

543. Painting VI (3:7).
Advanced study offering a thorough grounding in the discipline of painting.
Prerequisite(s): ARTS 542.
Notes: Lab Fee: $10. Offered in fall, spring and summer.

551. Ceramics V (3:7).
Advanced study to develop a personal approach to the ceramic object. Exploration of glaze calculation and application.
Prerequisite(s): ARTS 452.
Notes: Lab Fee: $45. Offered in fall, spring and summer.

552. Ceramics VI (3:7).
Advanced work in ceramics culminating in the production of a body of work of professional standard. Study of kiln construction and portfolio photographic documentation.
Prerequisite(s): ARTS 551.
Notes: Lab Fee: $45. Offered in fall, spring and summer.

Design and production of both fashion and fine jewelry with an emphasis on mixed media.
Prerequisite(s): ARTS 455.
Notes: Lab Fee: $25. Offered in fall and spring.

Advanced study in fine and fashion jewelry/metals.
Prerequisite(s): ARTS 555.
ARTS - ART EDUCATION

572. Fashion Photography (Medium-Format) (3:1:6)
This course combines creative photography techniques used in the fashion industry with the financial aspects of making a living as a working photographer. Projects are designed to imitate assignments a studio photographer would typically receive, stressing individual creative solutions for a project, working to a deadline, and staying within a client's budget. Students must own a medium-format camera with flash synchronization capability.
Prerequisite: ARTS 474.
Notes: Lab Fee: $50. Offered in fall.

Designed for seniors, this course provides an opportunity to investigate a single topic of personal interest. By working closely with the instructor, the student's project is devised, executed, and in the process a conceptual framework is developed. To accompany the project students learn to write an artist's statement, how to complete a grant application for a fine-art project or develop a detailed budget for a commercial project proposal.
Prerequisites: ARTS 473, 474, and 472 or 475 or 572, and senior status.
Notes: Lab Fee: $50. Offered in fall.

574. Photography Thesis Exhibition (3:0:7)
This course is dedicated to the production of a project for a one-person exhibition, which the student installs at the end of the semester. Building on the experience of ARTS 573, the student investigates a single topic, which may be a new project, a continuation of the earlier project, or a refined version of it. The exhibition (typically 12-15 pieces of work) is accompanied by a written artist's statement.
Prerequisite: ARTS 573.
Notes: Lab Fee: $50. Offered in spring.

577. Advanced Problems in Advertising Design (3:7)
Research and conceptualization of visual media in package design including industrial and food packages.
Prerequisite(s): ARTS 477 or 478.
Notes: Lab Fee: $25. Offered in fall and spring.

578. Professional Portfolio and Practices (3:0:7)
The development of a professional design portfolio. Course also covers preparation of a resume, professional standards and practices, legal issues, and other items relevant to a practicing design professional.
Prerequisite(s): ARTS 486.
Notes: Lab Fee: $50. Offered in spring.

580, 581. Special Topics in Art (1) (1)
Extends individual opportunities in studio art beyond existing departmental curriculum limits.
Prerequisite(s): Permission of chair, Department of Art and Design.
Notes: May be retaken for additional credit. Offered in fall, spring and summer.

582, 583. Special Topics in Art (2) (2)
Extends individual opportunities in studio art beyond existing departmental curriculum limits.
Prerequisite(s): Permission of chair, Department of Art and Design.
Notes: Offered in fall, spring and summer. May be retaken for additional credit.

584, 585. Special Topics in Art (3) (3)
Extends individual opportunities in studio art beyond existing departmental curriculum limits.
Prerequisite(s): Permission of chair, Department of Art and Design.
Notes: Lab Fee: $50. Offered in fall, spring and summer. May be retaken for additional credit.

584H. Special Topics in Art (3)
Extends individual opportunities in studio art beyond existing departmental curriculum limits.
Prerequisite(s): Permission of chair, Department of Art & Design.
Notes: Lab Fee: $50. Offered in fall, spring and summer. May be retaken for additional credit.

ART EDUCATION (ARTE)

391. Principles of Teaching Art (3:2:2)
An examination of various research-based programs of instructional planning, methodology, classroom management, and evaluation of teaching and learning in art, K-12.
Prerequisite(s): Admission to Teacher Education.
Corequisite(s): ARTE 392, EDUC 390.
Notes: Offered in fall semester.
ART EDUCATION-ART HISTORY

450. Honors: Selected Topics in Art Education (3).
Independent research on a selected topic in art education, culminating in an honors thesis or project.
Prerequisite(s): 18 semester hours of education and art education and consent of the Department Chair.
Notes: Offered in the fall, spring and summer.

482, 483, 484. Special Topics in Art Education (3) (3) (3).
An in-depth study of selected topics or problems in Art Education.
Prerequisite(s): Permission of the Chair of the Department of Art and Design.
Notes: Offered in fall, spring and summer.

547. Art for Classroom Teachers (3:5).
Introduction to the aims, philosophies and creative studio experiences relevant to teaching art in the elementary school.
Prerequisite(s): Education major or permission of instructor. Admission to Teacher Education Program.
Notes: Lab Fee: $10. Offered in fall, spring and summer.

Curriculum development for art educators at the various levels (K-12).
Prerequisite(s): Permission of instructor. Admission to Teacher Education Program.
Notes: Lab Fee: $10. Offered in fall, spring and summer.

549. Foundations of Art Education (3:3:1).
The development of objectives for art education based on the personal and historical references in philosophy and psychology. A critical examination of traditional and contemporary bases.
Prerequisite(s): Permission of instructor. Admission to Teacher Education Program.
Notes: Lab Fee: $10. Offered in fall, spring and summer.

550. Principles of Teaching Art (3).
Study and application of skills of planning, instruction, management and assessment of students of art. Includes a review of the ethical and legal responsibilities of art teachers.
Prerequisite(s): Permission of instructor. Admission to Teacher Education Program.
Notes: Lab Fee: $20. Offered in fall, spring and summer.

580. Current Issues in Art Education (3).
Intensive examination and analysis of current issues in contemporary art education.
Prerequisite(s): Permission of instructor.
Notes: Offered in fall, spring and summer.

592. Field Experience in Teaching Art (1:0:8).
Laboratory experience equivalent to 28 half days designed to lead art students through an exploration and examination of various research-based programs of instructional planning, methodology, classroom management, and evaluation of teaching and learning.
Prerequisite(s): ARTE 590.
Corequisite(s): ARTE 591 and EDUC 390.

ART HISTORY (ARTH)

175. Introduction to Art History from Prehistory Through The Middle Ages (3).
Survey of art and architecture in the major civilizations of Egypt, the Ancient Near East, Greece, Rome, Byzantium, Medieval Europe, India, China, Japan, and Africa.
Notes: Offered in fall and spring.

176. Introduction to Art History from the Renaissance to the Present (3).
Survey of art and architecture in Western Civilizations, from the Renaissance to the present.
Notes: Offered in fall and spring.

281. Arts of Africa, the Americas, Oceania (3).
A survey of the traditional art and architecture of the peoples of Africa, North and South America, and the South Pacific, with an emphasis on placing the arts within their social and cultural context.
Notes: Offered once per year.

282. Arts of China, Japan, and India (3).
A survey of the art and architecture of the peoples of China, Japan, and India with an emphasis on their cultural context and historical interconnections.
Notes: Offered once per year.

A cooperative education experience to provide training for the Art History major in a professional environment. A minimum of 6 hours of cooperative education may be
applied toward the Bachelor of Fine Arts degree.
Prerequisite(s): Passage of Sophomore Portfolio Review or special permission of the Chair of Art and Design.
Notes: Offered in the fall, spring and summer.

375. Ancient Art (3).
Survey of art and architecture from Prehistoric times through the Fall of the Roman Empire.
Prerequisite(s): ARTH 175 or permission of instructor.
Notes: Offered once every two years.

376. Medieval Art (3).
Survey of art and architecture from the Early Christian era through the Gothic period.
Prerequisite(s): ARTH 175 or permission of instructor.
Notes: Offered once every two years.

377. Renaissance & Baroque Art of Southern Europe (3).
Study of art and architecture, focusing on Italy and Spain, from the Renaissance through the early Eighteenth Century.
Prerequisite(s): ARTH 176 or permission of instructor.
Notes: Offered once every two years.

378. Renaissance & Baroque Art of Northern Europe (3).
Study of art and architecture in Northern Europe from the Renaissance through the early Eighteenth Century.
Prerequisite(s): ARTH 176 or permission of instructor.
Notes: Offered once every two years.

379. The History of Photography (3:3:0).
This course surveys the history of photography from its technical origins up to contemporary times, tracing its perception as a purely mechanical or documentary process in the early 19th century, through its elevation to the status of ‘fine art’ today. Class discussions on topics related to the course material and guest lectures by practising photographers will be included as time permits.
Prerequisite(s): ARTH 176.
Notes: Offered every 3 years in fall.

381. Arts of Africa (3).
A survey of the visual arts and architecture of Africa from pre-historic times to the present which places these arts within a framework of the historical and cultural contests in which they were made.
Notes: Offered once per year.

382. Arts of the Americas (3).
A survey of the visual arts and architecture made by people of Pre-Columbian Central and South America, prehistoric North America, and the traditional and contemporary arts of Native Americans of North America.
Notes: Offered once every two years.

450. Honors: Selected Topics in Art History (3).
Independent research on a selected topic in art history, culminating in an honors thesis of professional quality.
Prerequisite(s): Permission of the Chair, Department of Art & Design.
Notes: Offered once per year.

476. Art History Methods (3).
Study of the methods, research techniques, literature, and resources used in art historical inquiry and writing.
Notes: Offered as needed.

477. Women in Art (3).
Consideration of the images of women portrayed through art. The impact of feminism on art, and contributions of women artists, designers, and architects to the history of art.
Notes: Offered once per year.

478. The Rise of Modernism (3).
Study of art and architecture in Europe and America from the late 18th century through the early 20th century.
Prerequisite(s): ARTH 176 or permission of instructor.
Notes: Offered once every two years.

479. Twentieth Century Art (3).
Study of art and architecture from the early 20th century to the present, with a focus on Europe and America.
Prerequisite(s): ARTH 176.
Notes: Offered in fall and spring.

480, 481, 482. Special Topics in Art History (3) (3).
Study of a special problem in the history of art from antiquity to modern times, such as the individual artist, genre, theme, artistic
ART THEORY-BIOLOGY

movement or museum study.
Prerequisite(s): ARTH 175 and 176 or permission of the instructor.
Notes: Offered once per year.

483-485. Special Topics in Non-Western Art (3).
Specialized study in one or more of the following: Art and Architecture of Africa, the South Pacific, North American Indian, Japan, China, India, Caribbean and Latin American and Native Americans of the Americas.
Notes: Offered once per year.

ART THEORY (ARTT)

110. Introduction to the Visual Arts (1).
A comprehensive introduction to the professional, social, historical, and personal perspectives of the visual arts.
Prerequisite(s): Concurrent enrollment in one or more of the following: ARTS 101, 102, 120 or 220 or 121.
Notes: Offered in fall.

298. Art Appreciation (3).
Survey of trends in art, traditional and contemporary styles.
Notes: Does not count toward art and design major or minor. Offered in fall, spring, and summer.

A cooperative education experience to provide training for the ART major in a professional environment. A maximum of 6 hours of cooperative education may be applied toward the Bachelor of Fine Arts degree.
Prerequisite(s): Passing of Sophomore Portfolio Review or special permission of the Chair of Art and Design.
Notes: Offered in fall, spring and summer.

An introductory study and application of professional practices and common guidelines within the art museum and gallery environment including the care and handling of art objects, interpretation, facility design and exhibition organization and design.
Prerequisite(s): ARTS 101 and 102; ARTH 175 and 176; and WRIT 102.
Notes: Offered in fall, spring and summer.

395. Art Criticism (3).
An intensive writing course with emphasis on art, design, architecture, and art criticism.
Prerequisite(s): WRIT 101-102 and ARTH 175-176.
Notes: Offered in fall and spring. Intensive Writing course.

499. Senior Review (1).
B.F.A. students, except for those in Visual Communication Design and Interior Design concentrations, review career and job possibilities and develop application and interview skills for employment or graduate study.
Prerequisite(s): Senior standing.
Notes: Offered in the fall and spring.

BIOLOGY (BIOL)

101. Human Biology (3).
A consideration of selected aspects of the functioning of the human body and of bioethical issues related to human health, heredity and reproduction.
Notes: Offered in the fall, spring and summer.

106. Environment and Man (3).
A study of natural and human environments, effects of humans on the environment and environmental limits and future options.
Notes: Offered in the fall, spring and summer.

150. Elements of Living Systems (3:3-0).
A course for non-science majors that introduces the unifying principles of biology. The course will cover various levels of organization from molecules to ecosystems. Topics include ecology, energy use and acquisition, biodiversity, evolution, genetics and cells.
Notes: Offered in fall and spring.

151. Investigations into Living Systems (1:0-3).
A 1-hour laboratory course for non-science majors that combines the application of scientific method with lab exercises illustrating the unifying principles of biology. Topics include scientific method, data collection, statistical analysis, behavior, ecology, genetics and cells.
Corequisite(s): BIOL 150.
Notes: Lab Fee: $35. Offered in fall and spring.
203. Principles of Biology Laboratory (1:0:3).
Laboratory for Biology 204.
Corequisite(s): BIOL 204.
Notes: Lab fee: $30.

204. Principles of Biology (3:3:0).
An overview of biology, focused on the cell, genetics, evolution, ecology, and animal behavior.
Corequisite(s): Biology 203.

205. General Botany (4:3:3).
A comprehensive study of fundamental structures and functions of plants with detailed consideration of representatives of the major divisions.
Prerequisite(s): BIOL 204.
Notes: Lab Fee: $25. Offered in the fall and spring.

A grade of C or better in BIOL 300 is required to enroll in all Biology courses numbered above 300 (except BIOL 303, 304, 305, 306, 340, 461, and 463).

The application of scientific method to investigations in biology, including hypothesis formulation, experimental design, data analysis, and report preparation.
Prerequisite(s): BIOL 203, 204 and either BIOL 205 or BIOL 206; WRIT 102; CHEM 105 and CHEM 107; MATH 101 or MATH 140 or any MATH course with MATH 101 as a prerequisite; students must have a minimum GPA of 2.00 in 200-level BIOL courses taken, and a minimum grade of C in CHEM 105, CHEM 107, and WRIT 102.
Notes: Lab Fee: $30. Intensive Writing and Oral Communication course. Offered in the fall and spring.

303. Field Botany (4:2:4).
A study of plants in their natural environment with field trips and collection, analysis, identification and preservation of plant specimens.
Notes: Lab Fee: $30. Offered every fall and summer of odd years.

304. Insect Field Studies (4:3:3).
A study of insects in their natural environment, including field trips, collections, observation, identification and specimen preparation.
Notes: Lab fee: $30. Offered in summer of even years.

An introduction to the study of the structure and function of human organ systems. 305 covers digestive, respiration, circulatory, excretory, and reproductive systems. 306 covers the skeletal, nervous, and sensory systems.
Prerequisite(s): WRIT 102 and completion of general education MATH requirement.
Notes: Lab Fee: $30. Offered in the fall, spring and summer.

310. Microbiology (4:3:3).
An introductory survey of microbial activities, environment, diversity and economic importance. Bacterial and viral activities are emphasized.
Prerequisite(s): BIOL 204, 205, 206, 300 or NUTR 521; and CHEM 106, 108.
Notes: Lab Fee: $30 each. Offered in the fall and spring.

An in-depth study of cellular structure, function and chemical composition. The laboratory seeks to develop skills in standard laboratory techniques in cellular, molecular, physiological and environmental studies.
Prerequisite(s): BIOL 204, 205, 206, 300; CHEM 106 and 108.
Notes: Lab Fee: $35. Offered in the spring.

317. Genetics (3).
A study of the historical and contemporary aspects of the science of heredity with stress upon patterns and modes of inheritance.
Prerequisite(s): BIOL 204, 205, 206, 300; and CHEM 106, 108.
Notes: Offered in the fall and spring.

318. Experimental Genetics (1:0:3).
Laboratory exercises dealing with fundamental concepts as well as recent advances in genetics.
Prerequisite(s): BIOL 204, 205, 206, 300, 317; CHEM 106, 108.
Notes: Lab Fee: $30. Offered in the fall of even years.
An introduction to the study of vertebrate tissues, including techniques for slide preparation.
Prerequisite(s): BIOL 204, 205, 206, 300; and CHEM 106, 108.
Notes: Lab Fee: $30. Offered in the fall.

A study of the ordered processes by which living systems, from cells to multicellular organisms, become structurally and functionally organized.
Prerequisite(s): BIOL 204, 205, 206, 300; and CHEM 106, 108.
Notes: Lab Fee: $30. Offered in the spring of even years.

A study of how human organ systems are integrated and the cellular and subcellular control mechanisms involved in the maintenance of homeostasis. Laboratory is an equal mix of physiological experimentation and anatomical dissection.
Prerequisite(s): BIOL 204, 205, 206, 300; and CHEM 106, 108.
Notes: Lab Fee: $30. Offered in the spring.

340 A, B, C. Cooperative Education Experience (1) (2) (3).
Provides on-the-job training in a professional field related to a student's major or career interests.
Prerequisite(s): Overall GPA 2.5 and minimum of 24 earned undergraduate semester hours. Placement objectives must be approved by Department Chair prior to enrollment.
Notes: For Biology majors only. A maximum of 3 hours may be applied toward a major in Biology. Credit will not be allowed for both BIOL 461/463 and 340. A grade of S or U is recorded for these courses. Offered in the fall, spring and summer.

403. Ecology (4:3:3).
A study of the pattern of relations between organisms and their environment including principles applicable to populations, biotic communities, ecosystems and biosphere.
Prerequisite(s): BIOL 204, 205, 206, 300; and CHEM 106, 108.
Notes: Lab Fee: $30. Offered in the fall.

450. Honors: Selected Topics in Biology (4).
In-depth independent inquiry into a selected biological subject.
Prerequisite(s): BIOL 204, 205, 206, 300; and CHEM 106, 108.
Notes: Lab Fee: $35. Offered in the fall, spring and summer.

461, 463. Academic Internships in Biology (1) (3).
An opportunity for biology majors to earn credit for experience gained through apprenticeship work under the supervision of trained professionals.
Prerequisite(s): Open only to students majoring in biology with a GPA of 2.0 in both major and overall. Prior approval from the department and Dean of the College of Arts and Sciences is required.
Notes: Credit will not be allowed for both BIOL 461/463 and 340. A grade of S or U is recorded for these courses. Offered in the fall, spring and summer.

471. Undergraduate Research in Biology (3).
Students participate in scholarly research with a faculty member. Requires approval of Department Chair.
Prerequisite(s): BIOL 204, 205, 206, 300; and CHEM 106, 108.
Notes: Lab Fee: $35. Offered in the fall, spring and summer.

480. Integration of Biological Principles (3).
A series of lectures, reports, and discussions of biological principles taught in the core courses for the biology major. Historical development of unifying concepts will be analyzed.
Prerequisite(s): BIOL 204, 205, 206, 300; one course from each of the four biology areas; and CHEM 106, 108; senior standing.
Notes: Offered in the fall and spring.

491, 492. Departmental Seminar (0) (0).
Presentations of biological research by invited speakers.
Prerequisite(s): BIOL 204, 205, 206, 300; and CHEM 106, 108.
Notes: A grade of S or U is recorded for these courses. Both offered in the fall and spring.

505. Primate Biology (3).
A study of the morphology, behavior, ecology and evolutionary relationships of primates including prosimians, monkeys, apes and hominids.
Prerequisite(s): BIOL 204, 205, 206 and 300; CHEM 106 and 108; or ANTH 202 and
permission of instructor.
Notes: Offered every odd year in fall.

An introduction to the biology of invertebrate animals with emphases on their physiology, anatomy and evolutionary relationships.
Prerequisite(s): BIOL 204, 205, 206 and 300; CHEM 106 and 108.
Notes: Lab Fee: $35. Offered every even year in fall.

A course covering the evolution, distribution, ecology and physiology of all classes of fish, amphibians, reptiles, birds and mammals.
Prerequisite(s): BIOL 204, 205, 206 and 300; CHEM 106 and 108.
Notes: Lab Fee: $30. Offered every odd year in spring.

A lecture and field course in bird evolution, ecology, behavior and field identification.
Prerequisite(s): BIOL 204, 205, 206 and 300 or permission of instructor.
Notes: Lab Fee: $30. Offered in summer.

513. Organic Evolution (3).
A study of the mechanism of change in the genetic constitution of populations over time with consideration of historical progress toward our present understanding.
Prerequisite(s): BIOL 204, 205, 206, 300 and 317; CHEM 106 and 108.
Notes: Offered in fall.

A study of the ways by which human activity alters natural ecosystems and affects human health.
Prerequisite(s): BIOL 204, 205, 206 and 300; CHEM 106 and 108.
Notes: Lab Fee: $35. Offered in spring.

517. Human Genetics (3).
A comprehensive study of human genetics, especially covering the area of single gene defects, chromosome disorders, cancer, multifactorial inheritance, immunogenetics, behavior and populations.
Prerequisite(s): BIOL 204, 205, 206, 300 and 317; CHEM 106 and 108.
Notes: Offered every odd year in fall.

518. Animal Behavior (3).
A study of the mechanisms and patterns of animal activity, including principles of sociobiology.
Prerequisite(s): BIOL 204, 205, 206 and 300; CHEM 106 and 108.
Notes: Offered every even year in spring.

520. Entomology (4:2:4).
A study of the morphology, physiology, ecology and behavior of insects with emphasis upon recognition of major insect groups and techniques for preservation and identification.
Prerequisite(s): BIOL 204, 205, 206 and 300; CHEM 106 and 108.
Notes: Lab Fee: $30. Offered every odd year in fall.

521. Cytogenetics (4:3:3).
A comprehensive study of the chemical and physical properties of chromosomes and their behavior and role in inheritance.
Prerequisite(s): BIOL 204, 205, 206, 300 and 317; CHEM 106 and 108.
Notes: Lab Fee: $30. Offered every even year in fall.

522. Immunology (4:2:4).
A study of immunity, of the nature and molecular aspects of the immune response, and of antibodies in the laboratory.
Prerequisite(s): BIOL 204, 205, 206 and 300; CHEM 106 and 108.
Notes: Lab Fee: $35. Offered in spring.

524. Advanced Botany (3).
Relationship of morphology and physiology to environmental factors that limit plant distribution and growth.
Prerequisite(s): BIOL 204, 205, 206 and 300; CHEM 106 and 108.
Notes: Offered every even year in spring.

525. Mycology (4:3:3).
Survey of major fungal taxons with emphasis on field collection, identification, structural and functional studies; and methods of laboratory culture and experimentation.
Prerequisite(s): BIOL 204, 205, 206, 300 and 310; CHEM 106 and 108.
Notes: Lab Fee: $30. Offered odd years in spring.

526. Applied Microbiology (4:3:3).
Examination of the technological and natural uses of microorganisms in medicine, food
industry, agriculture and other fields of applied science.
Prerequisite(s): BIOL 204, 205, 206, 300 and 310; CHEM 106 and 108.
Notes: Lab Fee: $30. Offered every even year in spring.

A survey of the population biology of plants and animals. Emphasizes the assessment and analysis of demographic factors (age, size and community interactions) that determine the abundance, distribution and diversity of natural populations.
Prerequisite(s): BIOL 300.
Notes: Lab Fee: $30. Offered every odd year in the fall.

Introduction to theory and methods used in studying biological and materials science-specimens by scanning and/or transmission electron microscopy.
Prerequisite(s): BIOL 204, 205, 206 and 300; CHEM 106 and 108, and CHEM 301, 302, 303, 304 or CHEM 310 and 311.
Notes: Lab Fee: $50. Offered every odd year in spring.

540. Special Topics in Biology (3).
A detailed examination of specific subjects in biology.
Prerequisite(s): BIOL 204, 205, 206 and 300; CHEM 106 and 108; or graduate status; or permission of instructor.
Notes: May be retaken for credit when different subjects are taught. Offered on demand.

556. Molecular Genetics and Recombinant DNA Techniques (4:3:3).
A molecular study of the processes of gene expression and replication in procaryotic and eucaryotic organisms and an examination of the recombinant DNA techniques used in genetic engineering.
Prerequisite(s): BIOL 204, 205, 206, 300, 317; and CHEM 106, 108.
Notes: Lab Fee: $50. Offered in spring of even years.

BUSINESS ADMINISTRATION (BADM)

180. Contemporary Business Issues (3).
An introduction to management issues emphasizing the integrative aspects of the functional areas of business. This course will serve as a foundation for a student's business education.
All BADM courses numbered above 299 have a prerequisite of junior status, an overall GPA of at least 2.00 and a grade of C or better in WRIT 102.

340 A, B, C. Cooperative Educational Experience (1) (2) (3).
Provides on-the-job training in a professional field related to a student's major or career interests.
Prerequisite(s): Overall GPA 2.5 and minimum 24 earned undergraduate semesters hours (12 earned at Winthrop University).
Notes: For Business Administration majors only. Courses may be repeated for credit; however, a maximum of 3 hours may be applied toward a degree in Business Administration. A grade of S or U is recorded for this course. Offered in fall, spring and summer.

371. Introduction to Entrepreneurship (3).
Through a hands-on laboratory experience, this course investigates the resources available for developing a feasibility study to be used in the formation of a new business venture.

372. Entrepreneurial Financing and Venture Capital (3).
The focus of this course is on entrepreneurial financing including the raising and managing of venture capital. Risk management, financial planning and forecasting are tools to develop proforma statements.
Prerequisite(s): BADM 371 and ACCT 280.

400. International Field Experience (3:3:0).
On-site study of businesses, government institutions, and financial markets within dominant and emergent international trade groups of nations.
Prerequisite(s): Senior or graduate status.
Notes: Only BADM Majors.

450. Honors: Selected Topics in Business Administration (3).
Notes: Offered on demand.

491. Internship in Entrepreneurship (3).
The internship in entrepreneurship provides opportunities for students to integrate course work into practical work settings. This course applies the academic and conceptual to the practical; students supervised by faculty, will
work a minimum of 150 hours during a semester or summer term.
Prerequisite(s): 2.0 GPA and must have completed BADM 371 and one additional entrepreneurship option course. For Business Majors only.
Notes: Permission of instructor required. A grade of S or U is recorded.

492. Internship in International Business (3:3:0).
The internship in international business provides opportunities for student to integrate course work into practical work settings. This course applies the academic and conceptual to the practical; students supervised by faculty, will work a minimum of 150 hours during a semester or summer term.
Prerequisite(s): Two from MGMT 539, MKTG 529, FINC 514, ECON 521; Business majors only.
Notes: Permission of instructor required.

525. Entrepreneurial Strategy (3).
This course focuses on the challenges and opportunities associated with control, growth and transition of developing businesses. The course identifies the critical factors that lead to success or failure and utilizes them in evaluation of present business situations.
Prerequisite(s): BADM 372 or graduate status.

553. International Business (3).
Prerequisite(s): MGMT 321, MKTG 380.

This course focuses on the management of e-commerce and its major opportunities, limitations, issues and risks. Since e-commerce is interdisciplinary, professionals in any functional area will find it of interest.
Prerequisite(s): MGMT 341 or MGMT 661.

581. Special Topics in Business Administration (3).
A study of a topic in the area of business administration.
Prerequisite(s): Determined by instructor.
Notes: Course maybe repeated for credit.

595. Research in Business Administration (3).
Prerequisite(s): Permission of dean, College of Business Administration.
Notes: May be retaken for additional credit.

CHEMISTRY (CHEM)

101. Applying Chemistry to Society (3).
Applying Chemistry to Society is a course designed to familiarize the student with the basic principles of chemistry and how these principles to the world around us.
In the following listing of courses, the lecture and laboratory courses are listed separately. Concurrent registration on the same grade and credit basis or prior passing of corequisite courses is required. Concurrent dropping or withdrawal of corequisite courses, if necessary, is also required.
A student may not receive credit in both of the following pairs of courses: CHEM 310 and either CHEM 301 or CHEM 302, CHEM 311 and either CHEM 303 or CHEM 304.

105. General Chemistry I (3).
An introductory chemistry course for those who intend to major in the sciences. Three lecture hours and one recitation per week.
Prerequisite(s): One unit of high school algebra and SAT MATH score of 500.
Corequisite(s): CHEM 107.
Notes: Offered in the fall, spring and summer.

106. General Chemistry II (3).
An introductory chemistry course for those who intend to major in the sciences.
Prerequisite(s): A grade of C or better in all of the following: CHEM 105, CHEM 107.
Corequisite(s): CHEM 108.

107-108. General Chemistry Laboratory (1:0:3)
Prerequisite(s): CHEM 107 is prerequisite to CHEM 108.
Corequisite(s): CHEM 105-106.
Notes: Lab Fee: $35. Offered in the fall, spring and summer.

117. Introductory Environmental Chemistry (3:3:0).
A lecture course to develop a fundamental chemical understanding of modern environmental issues involving air, water, toxic substances, and energy.
301. Organic Chemistry I (3).
Study of the structure, preparation and chemical and physical properties of organic compounds.
Prerequisite(s): A grade of C or better will be required in all of the following: CHEM 106, CHEM 108.
Corequisite(s): CHEM 303.
Notes: Offered in fall and summer.

302. Organic Chemistry II (3).
Study of the structure, preparation and chemical and physical properties of organic compounds.
Prerequisite(s): A grade of C or better in the following: CHEM 301.
Corequisite(s): CHEM 304.
Notes: Offered in the spring.

303-304. Organic Laboratory (1:0:3) (1:0:3).
Corequisite(s): CHEM 301-302.
Notes: Lab Fee: $35. A student may not receive credit for CHEM 311 (or equivalent) and either CHEM 303 or 304. Offered in the fall, spring and summer.

305. Chemical Hygiene and Safety (1:1-0).
A course in chemical hygiene and safety. Topics covered include chemical storage, chemical hygiene plans, labeling, response procedures, MSDS's, clean-up techniques, right-to-know requirements, TLV's, chemical hazards, and lab safety procedures.
Prerequisite(s): C or better in each of the following: CHEM 105-108, CHEM 301-304.
Notes: Offered in spring.

312. Introductory Chemometrics (1).
A short course that introduces the statistical/mathematical evaluation of chemical measurements to include statistics, linear and nonlinear calibration techniques, error propagation, sampling statistics, modeling, experimental design, and Fourier transforms.
Corequisite(s): CHEM 313.

313. Quantitative Analysis (3).
A study of some of the classic and modern techniques of quantitative chemical analysis and their theoretical bases.
Prerequisite(s): A grade of C or better will be required in all of the following: CHEM 106, CHEM 108.
Corequisite(s): CHEM 314, CHEM 312.
Notes: Offered in the fall.

314. Quantitative Analysis Lab (1:0:3).
A laboratory course to apply modern analysis technology.
Prerequisite(s): A grade of C or better in all of the following: CHEM 106, CHEM 108.
Notes: Lab Fee: $35. Offered in the fall.

317. Environmental Chemistry (3).
A study of modern environmental chemistry topics: CFC's and ozone depletion, photochemical smog, acid rain, particulates, greenhouse effect, indoor air pollution, asbestos, radon, pesticides, PCB's, PAH's, dioxins, water quality and treatment, heavy metals in soils, and energy sources.
Prerequisite(s): A grade of C or better in all of the following: CHEM 106, CHEM 108.
Notes: Offered in the fall.

330. Introductory Inorganic Chemistry (3).
Introduction to principles of inorganic chemistry including electronic structure of atoms, theories of structure and bonding, and descriptive chemistry of the elements.
Prerequisite(s): A grade of C or better in all of the following: CHEM 105, CHEM 106, CHEM 107, CHEM 108.
Notes: Offered in the fall.

332. Inorganic Chemistry Laboratory (1:0:3).
Synthesis and characterization of inorganic compounds including main group, transition metal, and organometallic species.
Prerequisite(s): A grade of C or better in all of the following: CHEM 105, CHEM 106, CHEM 107, CHEM 108.
Corequisite(s): CHEM 330.
Notes: Lab Fee: $35. Offered in the fall semester.

340 A, B, C. Cooperative Education Experience (1) (2) (3).
Provides on-the-job training in a professional field related to a student's major or career interests.
Prerequisite(s): 2.5 GPA and minimum of 24 earned undergraduate semester hours.
Placement objectives must be approved by Department Chair prior to enrollment.
Notes: For chemistry majors only. Courses may be repeated for credit. Hours do not count toward required hours in Chemistry. A grade of S or U is recorded. Offered in the fall, spring and summer.

351. Independent Study (1) (2) (3).
Independent study at the sophomore/junior
level.  
Prerequisite(s): CHEM 105.  
Notes: Lab Fee: $35. A grade of S or U is recorded. Offered in the fall, spring and summer.

407. Physical Chemistry I (3).
A calculus-based study of the theoretical foundations of chemistry.  
Prerequisite(s): A grade of C or better in all of the following: MATH 202, PHYS 202 or PHYS 212.  
Corequisite(s): CHEM 409, CHEM 313, CHEM 314.  
Notes: Offered in the fall.

408. Physical Chemistry II (3).
A calculus-based study of the theoretical foundations of chemistry.  
Prerequisite(s): A grade of C or better in all of the following: MATH 202, PHYS 202 or PHYS 212, CHEM 313, CHEM 314, CHEM 407.  
Corequisite(s): CHEM 410.  
Notes: Offered in the fall.

409-410. Physical Chemistry Laboratory (1:0-3) (1:0-3).  
Corequisite(s): CHEM 407-408.  
Notes: Lab Fee: $35. Offered in the fall and spring.

450. Honors: Selected Topics in Chemistry (3).
An in-depth independent inquiry into a selected topic in Chemistry.  
Prerequisite(s): Permission of the Chairperson.  
Notes: Offered in fall and spring.

461, 462, 463. Academic Internships in Chemistry (1) (2) (3).  
Prerequisite(s): Open only to students majoring in chemistry. Prior approval from the Department Chair and Dean of the College of Arts and Sciences is required.  
Notes: A grade of S or U is recorded. Offered in fall, spring and summer.

490. Seminar (1).  
Prerequisite(s): 12 hours of CHEM and consent of the instructor. May not be taken more than three times for credit.  
Notes: Offered in the fall.

491. Department Seminar (0).  
A department seminar program in which outside visitors present seminars on current research or on another relevant topic.  
Prerequisite(s): C or better in each of the following: CHEM 105-108, CHEM 301-303.  
Notes: Offered in fall and spring.

492. Department Seminar (0).  
A department seminar program in which outside visitors present seminars on current research or on another relevant topic.  
Prerequisite(s): C or better in each of the following: CHEM 105-108, CHEM 301-303.  
Notes: Offered in fall and spring.

493. Department Seminar (0).  
A department seminar program in which outside visitors present seminars on current research or on another relevant topic.  
Prerequisite(s): C or better in each of the following: CHEM 105-108, CHEM 301-303.  
Notes: Offered in fall and spring.

502. Instrumental Analysis (3).  
A study of contemporary methods and techniques of analysis of inorganic and organic materials.  
Prerequisite(s): A grade of C or better in all of the following: CHEM 313, CHEM 314, CHEM 301, CHEM 303.  
Corequisite(s): CHEM 302, CHEM 304, CHEM 503.  
Notes: Offered in fall and spring.

503. Instrumental Analysis Laboratory (1:0:3).  
Prerequisite(s): CHEM 303 and 314.  
Corequisite(s): CHEM 502.  
Notes: Lab Fee: $35. Offered in spring.

504. Instrumental Data Interpretation (1:0:3).  
Interpretation of spectral, chromatographic and electrochemical data.  
Prerequisite(s): A grade of C or better in all of the following: CHEM 302, CHEM 304, CHEM 313, CHEM 314.  
Corequisite(s): CHEM 502 and 503.  
Notes: Lab Fee: $35. Offered in spring.

515. Special Topics in Chemistry (3).  
Topics in chemistry selected by the instructor. May be repeated for credit.  
Prerequisite(s): Junior status and permission.
CHEMISTRY

517. Advanced Environmental Chemistry (4:3:3).
A course to develop an in-depth understanding of the molecular basis for contemporary environmental problems involving air, water, soil, energy generation, and toxic substances. Laboratory work requires demonstrated competence with advanced analytical instrumentation, field sampling, data analysis, and modeling.
Prerequisite(s): A grade of C or better in: CHEM 302, CHEM 304, CHEM 313, CHEM 314.
Notes: Offered in spring or fall. May be retaken for additional credit.

A comprehensive study of the biochemical and physiological fundamentals of nutrition.
Prerequisite(s): CHEM 301, CHEM 303 with C or better. Open to nutrition majors only. Permission of instructor.
Notes: Offered in fall.

522. Nutritional Biochemistry Laboratory (1:1:3).
A laboratory course to be taken in conjunction with the nutritional biochemistry lecture course, CHEM 521.
Corequisite(s): CHEM 521.
Notes: Offered in the fall and spring.

523. Biochemistry I (3).
A study of the structure, chemistry and macromolecular interactions of biochemical systems; enzyme mechanisms and kinetics, bioenergetics, intermediary metabolism, principles of biochemical techniques and molecular genetics.
Prerequisite(s): A grade of C or better in all of the following: CHEM 302 and CHEM 304.
Corequisite(s): CHEM 525.
Notes: Offered in fall.

524. Biochemistry II (3).
A study of the structure, chemistry and macromolecular interactions of biochemical systems; enzyme mechanisms and kinetics, bioenergetics, intermediary metabolism, principles of biochemical techniques and molecular genetics.
Prerequisite(s): A grade of C or better in the following: CHEM 323.
Notes: Offered in spring.

525. Biochemistry Laboratory Techniques (1:0:3).
Laboratory emphasizes modern biochemical techniques of protein purification, assaying enzyme activity and enzyme kinetics.
Prerequisite(s): CHEM 302 and CHEM 304 with a C or better.
Corequisite(s): CHEM 523.
Notes: Lab Fee: $35. Offered in spring.

526. Advanced Investigative Biochemistry Laboratory (2:0:6).
An advanced lab course in advanced biochemical protein techniques. The work centers on laboratory investigations in an area of modern research interest that will require students to learn and to demonstrate a mastery of multiple protein techniques.
Prerequisite(s): C or better in each of the following: CHEM 302, CHEM 304, CHEM 523, CHEM 525.
Corequisite(s): CHEM 524.
Notes: Offered in spring of odd years.

527. Biochemical Toxicology (3).
An in-depth study of the biochemical, molecular, and cellular mechanisms through which toxicants alter cellular homeostasis, produce toxicity and alter organ function.
Prerequisite(s): CHEM 523. Permission of the instructor.
Notes: Offered as needed.

530. Inorganic Chemistry (3).
An intermediate level study of atomic and molecular structure, bonding, crystals, coordination compounds and selected topics.
Prerequisite(s): A grade of C or better in all of the following: CHEM 313, CHEM 314, CHEM 330, CHEM 332, CHEM 407, CHEM 409.
Corequisite(s): CHEM 408, 410 and 502.
Notes: Offered every even year in spring.

541. Chemical Kinetics (1).
An advanced course in the fundamental principles of chemical kinetics in homogeneous liquid and gaseous systems and at solid surfaces.
Prerequisite(s): CHEM 407 and 409.
Corequisite(s): CHEM 408, CHEM 410.
Notes: Offered in spring of odd years.

542. ab Initio Methods in Computational Chemistry (1:0.67:1).
An advanced course that focuses on the principles and techniques of ab initio computational chemistry—Hartree-Fock
and density functionality. Students will use these methods to calculate a number of chemical thermodynamic properties. 

Prerequisite(s): CHEM 302, CHEM 304, CHEM 407, CHEM 409.

Corequisite(s): CHEM 408, CHEM 410.

Notes: Offered in spring.

551. Research (3).

Prerequisite(s): CHEM 407, 409 and permission of instructor.

Notes: Lab Fee: $35. A grade of S or U is recorded. Offered in fall, spring and summer. May be retaken for credit a maximum of three times for additional credit.

552. Research (3).

Prerequisite(s): CHEM 551 or equivalent.

Notes: Lab Fee: $35. A grade of S or U is recorded. Offered in fall, spring, and summer.

553. Independent Study in Chemistry (3:0:9).

Directed advanced research.

Prerequisite(s): Permission of chair, Department of Chemistry and CHEM 552.

Notes: Lab Fee: $35. Offered in fall, spring and summer.

560. Atomic Spectroscopy (1).

An advanced course that focuses on the principles and techniques of modern atomic spectroscopy, to include signal generation in atomic spectroscopy, signal-to-noise concepts, the range of techniques and instrumentation used in atomic spectroscopy, methods of analysis, and horizon techniques in atomic spectroscopy.

Prerequisite(s): CHEM 302, CHEM 313, CHEM 407, CHEM 502.

Notes: Offered in spring/even years.

561. Gas Chromatography (1).

An advanced course that focuses on the principles and techniques of modern gas chromatography, to include separation theory, stationary phases, column technology, GC inlets, injection techniques, detectors, thermodynamic retention modeling, and temperature/pressure effects.

Prerequisite(s): CHEM 302, CHEM 313, CHEM 407, CHEM 502.

Notes: Offered in spring of even years.

562. Molecular Spectroscopy (1).

An advanced course that focuses on the principles and techniques of modern molecular spectroscopy, to include signal generation in molecular absorption and luminescence spectroscopy, signal-to-noise concepts, the range of techniques and instrumentation used in molecular absorption and luminescence spectroscopy, methods of analysis and horizon techniques in molecular spectroscopy.

Prerequisite(s): CHEM 302, CHEM 313, CHEM 407, CHEM 502.

Notes: Offered in fall of even years.

563. Liquid Chromatography (1).

An advanced course that focuses on the principles and techniques of modern liquid chromatography, to include separation theory, instrumentation, stationary and mobile phases, column technology, injection techniques, detectors and chiral separations.

Prerequisite(s): CHEM 302, CHEM 313, CHEM 407, CHEM 502.

Notes: Offered in spring of odd years.

564. Mass Spectrometry (1).

An advanced course that focuses on the principles, techniques and applications of modern mass spectrometry, to include ion trap MS, electrospray LC/MS, time of flight mass spectrometry, ICP-MS and MALDI.

Prerequisite(s): CHEM 502, CHEM 503.

Notes: Offered in fall of odd years.

565. Chemometrics (1).

A course in chemometric methods, theory and techniques.

Prerequisite(s): CHEM 313.

Notes: Offered in spring odd years.

566. Sample Preparation (1).

An advanced course that focuses on the principles and techniques involved in sample collection and treatment, including standard reference materials, sampling of mixtures, dissolution and digestion, extraction and dialysis, purge and trap, supercritical fluid extraction and flow injection analysis.

Prerequisite(s): CHEM 302, CHEM 313, CHEM 407, CHEM 502.

Notes: Offered in fall of odd years.

567. NMR Spectroscopy (1).

An advanced course in modern NMR Spectroscopy covering relaxation measurements, two-dimensional NMR techniques and multinuclear NMR.

Prerequisite(s): CHEM 408, CHEM 410, CHEM 502, CHEM 503.
CHEMISTRY-COMPUTER SCIENCE

Notes: Offered in fall of even years.

570. Chemical Synthesis (2:0:6).
An advanced lab course in chemical synthesis and characterization. Emphasis is on specialized techniques for synthesizing organic and inorganic compounds.
Prerequisite(s): C or better in each of the following: CHEM 302, CHEM 304, CHEM 313, CHEM 314, CHEM 330, CHEM 332, CHEM 407 and CHEM 409.
Corequisite(s): CHEM 502 and CHEM 503
Notes: Offered in spring of even years.

CHINESE (CHIN)

Notes: Lab Fee: $15. Offered in the fall.

102. Elementary Chinese (4).
Prerequisite(s): Students who elect to take a 101 language course must receive at least a C (or S) in that language course before continuing on to 102 of that language.
Notes: Lab Fee: $15. Offered in the spring.

201. Intermediate Chinese (3:3-1).
The four basic language skills will be emphasized (understanding, speaking, writing, and reading). Cultural material, whenever appropriate, will be included to augment class discussions.
Prerequisite(s): CHIN 102 or permission of instructor.
Notes: Offered on demand.

A continuation of the skills learned in Chinese 201. The study of Chinese culture is also emphasized.
Notes: Offered on demand.

CLASSICS (CLAS)

105. Current Use of Greek and Latin in English (3).
Word study and vocabulary building.
Notes: Offered on demand.

106. Classical Mythology (3).
Study of major Greek and Roman myths and their relevance in modern times.
Notes: Offered on demand.

COMMUNITY VOLUNTEER SERVICE (CMVS)

201. Introduction to Community Volunteer Service (3).
A study of the theoretical, historical, and practical aspects of volunteerism with emphasis on community service addressing regional problems and needs.
Notes: Offered on demand.

COMPUTER SCIENCE (CSCI)

101. Introduction to Computers and Information Processing (3:1.5:3).
This course constitutes a survey of computers and their uses. In the laboratory, students use microcomputers to learn software packages such as word processing, spreadsheets, database, e-mail, and accessing the Internet.
Notes: Degree credit will not be given for both CSCI 101 and CSCI 105 or CSCI 101 and 110. Offered in the fall, spring and summer.

105. Introduction to Microcomputer Applications (1:0:3).
A course that is the laboratory component of CSCI 101/CSCI 110. The course is intended for transfer students who have completed the equivalent of the lecture component of CSCI 101/CSCI 110, but who need instruction in the laboratory component.
Notes: Degree credit will not be given for both CSCI 101 and 105 or CSCI 110 and 105. Offered in the fall, spring and summer.

110. Introduction to Computers and Programming (3:2:3).
An introductory course in which no prior computing or programming experience is assumed. This course is more appropriate than CSCI 101 for students with no prior programming experience who might take CSCI 207. It is also appropriate for students desiring a more technical course than CSCI 101.
Corequisite(s): MATH 101 or any course that requires MATH 101 as a prerequisite.
Notes: Degree credit will not be given for both CSCI 101 and CSCI 110 or CSCI 105 and CSCI 110. Offered in the fall and spring.

151. Overview of Computer Science (3:2:2).
This course is oriented toward mathematics and science majors. A wide range of topics in Computer Science will be studied.
207. Introduction to Computer Science I (4:3:2).
An introduction to problem-solving methods, algorithm development, and a high-level programming language. Procedural and data abstraction are emphasized early in the course. Students learn to design, code, debug, and document programs using proper preprogramming techniques.
Prerequisite(s): CSCI 101 or 110 or 151 (110 or 151 recommended), or high school equivalent, and MATH 101 or any MATH course that requires MATH 101 as a prerequisite.
Notes: Students expecting to take CSCI 208 should take MATH 261 with CSCI 207.

208. Introduction to Computer Science II (4:3:2).
A continuation of CSCI 207. The course continues the development of procedural and data abstraction and introduces the student to elementary data structures (lists, stacks, queues, and trees), file structures, and algorithm analysis. Students design, code, debug, and document programs using proper techniques.
Prerequisite(s): A grade of C or better in CSCI 207; MATH 261 or 300.
Notes: Offered in summer on sufficient demand.

211. Introduction to Assembly Language and Computer Architecture (3).
A study of the basic techniques of assembly language programming and an introduction to the conventional machine level of computers. The course includes the study of the function and operations of the assembler, the study of the architecture and operations of processors, and the interface to high-level languages.
Prerequisite(s): CSCI 208, MATH 261 or 300.
Notes: Offered in spring.

271. Algorithm Analysis and Data Structures (3).
The study of the structure of data and the efficient manipulation of such structure. Algorithm analysis and design and the appropriate use of recursion are emphasized.
Prerequisite(s): A grade of C or better in CSCI 208; MATH 261 or 300, MATH 201 or 105.
Notes: Offered fall and spring.

The following one-hour courses, CSCI 291, 292, 296, 297, and 298, provide students with a vehicle for learning a specific programming language. Each student must write a series of programs in the language, and be knowledgeable in the details of the language. Each course is self-paced and supervised.

291. The COBOL Language (1).
Prerequisite(s): A grade of C or better in CSCI 208.
Notes: Offered in fall.

292. The FORTRAN Language (1).
Prerequisite(s): A grade of C or better in CSCI 208.
Notes: Offered on demand.

294. Local Operating Systems and Programming Languages (1).
A course for students with transfer credit for a course in the principles and methods of programming. The course presents information about local computer systems that is necessary for the student to be able to use those systems effectively.
Prerequisite(s): Permission of Instructor.
Notes: Offered on demand.

297. The Ada Language (1).
Prerequisite(s): A grade of C or better in CSCI 208.

Students may not enroll in CSCI courses numbered above 299 unless they have at least a 2.00 grade-point average, at least 54 semester hours and a grade of C or better in WRIT 102.

An introduction to the concepts and methods of constructing the hardware and software of a computer system. The course emphasizes the study of the digital logic components, the microprogramming language that supports a machine language, and exposure to advanced computer architectures.
Prerequisite(s): A grade of C or better in CSCI 211.
Notes: Offered in fall.

325. File Structures (3).
The study of external storage devices and file organization techniques for such devices. The course includes an in-depth treatment of the space and time efficiency of each file organization studied.
Prerequisite(s): MATH 261 or 300, and a grade of C or better in CSCI 208.
Notes: Offered in fall.
COMPUTER SCIENCE

327. Social Implications of Computing (2).
A study of the social influences of technology (computers) on society. Topics include computing ethics, professional responsibility, intellectual property, privacy, access, and the law.
Prerequisite(s): Junior standing and either a BADM major or BADM/CIFS concentration or permission of the department chair.
Notes: Offered in spring.

340 A, B, C. Cooperative Educational Experience (1) (2) (3).
Provides on-the-job training in a professional field related to a student’s major or career interests. Credit of 1, 2 or 3 semester hours for a minimum of 15, 30 or 40 hours per week for a minimum of 14 weeks. This course may not be counted as a Computer Science elective in the Bachelor of Science degree program in Computer Science. Co-op students are required to register for this course each semester they are working.
Prerequisite(s): 2.5 GPA and permission of the Chair of the Department of Computer Science and Quantitative Methods.
Notes: For Business Administration majors only. Courses may be repeated for credit; however, a maximum of 3 hours may be applied toward a degree in Business Administration. A grade of S or U is recorded.

371. Theoretical Foundations (3).
Relations and functions; elementary graph theory, automata and language theory; computability theory.
Prerequisite(s): MATH 261, CSCI 208.
Notes: Offered in spring.

381. Numerical Algorithms (3).
A survey of numerical methods for solving elementary mathematical problems. The course includes finding roots of equations, numerical integration and differentiation, interpolation and extrapolation, spline functions, and solving simultaneous equations.
Prerequisite(s): CSCI 208 and MATH 201.
Notes: Available on sufficient demand.

391. Programming in Visual Basic (1).
An introduction to the Visual Basic programming system.
Prerequisite(s): CSCI 271 or 325 or permission of instructor.

392. Programming in Java (1).
An introduction to the Java programming language.
Prerequisite(s): CSCI 271 or 325 or permission of the instructor.

Advanced C++ language topics and programming techniques not covered in previous courses.
Prerequisite(s): CSCI 271 or CSCI 325.

A survey of the function of an operating system and the concepts necessary for the design of an operating system. Students are required to program a part of a subsystem.
Prerequisite(s): A grade of C or better in CSCI 211.
Notes: Offered in spring.

431. Organization of Programming Languages (3).
The study of different types of languages and the run-time behavior of programs. Students are introduced to language design and translation and are given a detailed treatment of lexical analysis.
Prerequisite(s): CSCI 211, 271 and 371.
Notes: Offered in fall.

The study of the geometry, mathematics, algorithms, and software design techniques of computer graphics. Students are required to program parts of a graphics application package.
Prerequisite(s): MATH 101 or 103 or 201, MATH 261 or 300, and a grade of C or better in CSCI 208.

This course is to acquaint the student with significant uses to which computer graphics commonly is applied and to develop an understanding of 2D and 3D geometry used in computer graphics.
Prerequisite(s): A grade of C or better in CSCI 208 and in one of MATH 105, or 201 or 300.
Notes: Available on sufficient demand.

455. Network Processing (3).
An introduction to the concepts, configurations, and methods of communication between computer systems. Uses the OSI model to study the functions and implementations of network systems. Students are provided in-depth experience with several
existing network systems, and study the problem of developing programs to operate across a network.
Prerequisite(s): CSCI 271 or 325.

461. Translator Construction (3).
A formal treatment of programming language translation and compiler design concepts. Students are required to write a compiler for a small block-structured language.
Prerequisite(s): CSCI 431.
Notes: Available on sufficient demand.

471. Undergraduate Research in Computer Science (3).
Students participate in scholarly research with a faculty member.
Prerequisite(s): Permission of department chair.

475. Software Engineering I (3).
The study of the basic principles of structured systems analysis and software requirements specification. Data flow diagrams, object-oriented analysis, and current charting techniques are emphasized in creating specification documents.
Prerequisite(s): CSCI 271 or 325.
Notes: Offered in fall.

476. Software Engineering II (3).
The study of formal software design principles emphasizing an engineering approach to the software development process. Students are required to participate in a team project. The project is the design, development, testing, and implementation of a software system.
Prerequisite(s): CSCI 475.
Notes: Offered in spring.

481. Special Topics in Computer Science (3).
An intensive investigation and analysis of a computer science problem or topic.
Prerequisite(s): Determined by the instructor.
Notes: Available on sufficient demand.

This course will study the design of internal controls necessary for information systems and the testing necessary to assure the data integrity of the system. Audit techniques, especially computerized audit software, will be analyzed and audit approaches designed. Audit work plans and measures of asset safeguarding will be prepared and evaluated.
Prerequisite(s): ACCT 280 and MGMT 341 or MGMT 661.
Notes: Cannot be used as a BS in Computer Science Area VIII elective.

555. Database Processing (3:3:0).
The study of the fundamental concepts and principles of database systems and processing. Several database models are considered with emphasis on the relational model. The student creates, loads, and accesses a database using at least two existing database management systems.
Prerequisite(s): CSCI 271 or 325.
Notes: Offered in spring.

570. Parallel Computing (3).
Survey of the architectures and algorithms to support Parallel Programming. Students will learn to program a parallel system for a variety of problem topics.
Notes: Available on sufficient demand.

581. Special Topics in Computer Science (3).
A study of a topic in the area computer science.
Prerequisite(s): Permission of chair.
Notes: Course may be repeated for credit.

CRITICAL ISSUES SYMPOSIUM (CISM)

The Critical Issues Symposium is required for all first-time entering freshmen. It is intended to develop critical reasoning and small group discussion skills and to introduce students to differing perspectives on major contemporary issues. Classes will meet once a week in small groups with a seminar director.

DANCE APPLIED TECHNIQUE (DANA)

101. Beginning Modern Dance (1:2).
Notes: Offered in the fall and spring.

102. Intermediate Modern Dance (1:2).
Prerequisite(s): DANA 101 or equivalent.
Notes: Offered in the spring.

104. Beginning Ballet (1:2).
Notes: Offered in the fall and spring.

Survey of principles organizations use in marketing goods, services, ideas, and people.
MARKETING-MASS COMMUNICATION

Hands-on integrated project using marketing concepts to help students see the interrelation and interdependence of various business functions.
Prerequisites: ACCT 280.

435. Promotion Management (3).
Contemporary theory and practice of marketing communications including integration of promotion mix elements. Focus on planning/execution of advertising, PR, personal selling, sales promotion, POP, and electronic communication strategies.
Prerequisite(s): MKTG 380.

437. Marketing Strategy (3).
A "Capstone" marketing course integrating buyer behavior, the marketing mix, economics, accounting, finance, and the strategic marketing decision-making process under a variety of environmental conditions.
Prerequisite(s): MKTG 333 and 3 from MKTG 332, 337, 435, 533, 535 and FINC 311.

491. Internship in Marketing (3).
The internship in marketing provides opportunities for students to integrate course work into practical work settings. This course applies the academic and conceptual to the practical; students supervised by faculty, will work a minimum of 150 hours during a semester or summer term.
Prerequisites: 2.5 GPA and must have completed MKTG 333 and an additional Marketing option course. For Business Majors only.
Notes: Permission of instructor required. Will not satisfy the HLSM internship requirement.

492. Field Experience in Marketing (3).
This field experience in marketing provides undergraduate students with the opportunity to integrate marketing course work into a practical, client-service context. Students will form an actual marketing organization and work together as a professional team to achieve a client's objectives. Close interaction with the client will be required, as will a formal presentation and demonstration of results.
Prerequisites: MKTG 380, MKTG 435, MKTG 333 and GPA 3.0 or higher. Course also limited to MKTG or IMCO majors only. Students may not take both MKTG 491 and 492.

533. Marketing Research (3).
Study of quantitative and qualitative marketing research methods and how various research techniques are used in marketing decision making. Students have an opportunity to conduct simple research studies.
Prerequisites: MKTG 380; QMTH 205, 206.

535. Sales Management (3).
Sales force management including selection, training, compensation, motivation and evaluation of the sales organization.
Prerequisite: MKTG 380.

539. Marketing for Global Competitiveness (3:3:0).
Prepares managers for the challenges of competing in a global marketplace.
Prerequisite(s): MKTG 380.
Notes: Offered in fall, spring and summer.

MASS COMMUNICATION (MCOM)

101. Mass Media and the Information Age (3).
Critical analysis of the media of mass communication, their content, the sources and biases of their content, limitations of the media and effects of the media. Primarily for non-majors.
Notes: Offered in fall.

205. Introduction to Mass Communication (3).
Introduction to the major fields of mass communication with emphasis on advertising, broadcasting, newspapers, magazines, and public relations, and the history of each.
Notes: Offered in fall and spring.

241. Media Writing (3:2:2).
The study of and practice in writing for print and broadcast media.
Prerequisite(s): MATH 101 or 140, B or better in WRIT 101 or 102 or written permission of the department chair, 2.0 cumulative GPA and keyboard proficiency as tested by the department.
Notes: Lab Fee: $25. Offered in fall and spring.

302. International Communication (3).
Examination of the flow of information throughout the world, and the communication systems that deliver it both within countries and across international borders. Helps build appreciation of cultural diversity and how differences in culture, forms of
government and information delivery systems affect worldwide communication.
Prerequisite(s): Junior standing.
Notes: Offered in fall in odd years.

325. Broadcast Journalism (3:2:2).
Journalistic writing for the broadcast media with emphasis on writing and production procedures.
Prerequisite(s): Grade of C or better in MCOM 241.
Notes: Lab Fee: $25. Offered in fall and spring.

331. Editorial Interpretation (3).
Analyzing topics and writing editorials, columns and other opinion articles for print and broadcast media with emphasis on persuasive use of language.
Prerequisite(s): C or better in MCOM 241 or permission of instructor.
Notes: Intensive Writing course. Offered at variable times.

Editing skills for the copy editor with emphasis on news judgment, news style, newspaper layout, legal considerations, and picture editing.
Prerequisite(s): C or better in MCOM 241.
Notes: Lab Fee: $25. Offered in fall and spring.

340. Publication Production (3:2:2).
Production techniques and methods for printed publications with attention to communication theory and effects of printed pieces, typography, illustration and printing limitations and cost factors.
Prerequisite(s): C or better in MCOM 241 and 2.0 or higher GPA.
Notes: Lab Fee: $25. Offered variable times.

341. Advertising Principles (3).
Study of advertising theory and techniques in print and electronic media with emphasis on the relationship between marketing and the creative process.
Notes: Offered in fall and spring.

Reporting principles and news writing techniques applied to writing publishable stories from campus and community sources; laboratory exercises.
Prerequisite(s): C or better in MCOM 241.
Notes: Lab Fee: $25. Intensive Writing course. Offered in fall.

343. Feature Writing (3).
Techniques of writing feature stories for newspapers and magazines. Students will write stories for possible publication.
Prerequisite(s): C or better in MCOM 241 or permission of instructor.
Notes: Lab Fee: $25. Intensive Writing course. Offered in the spring.

Development, writing, direction and production of basic television program types; laboratory practice with student written scripts.
Prerequisite(s): MCOM 241 with a C or better.
Notes: Lab Fee: $25. Offered in fall and spring.

349. Advertising Copy and Layout (3:2:2).
Theory and practice of writing advertising copy for print and electronic media, conceptualizing television commercials and laying out print advertisements.
Prerequisite(s): MCOM 341 or permission of the instructor.
Notes: Lab Fee: $25. Offered in fall.

Development of American journalism and mass media and their relationship to American society with emphasis on socio-cultural and political aspects.
Prerequisite(s): HIST 212.
Notes: Offered variable times.

370. Public Relations Principles (3).
Study of communications to influence public opinion, solving public relations problems, practice in developing a public relations campaign.
Notes: Offered in fall and spring.

377. Community Journalism (3).
Study of non-metropolitan, grassroots press, with special emphasis placed on the role of the editor/publisher in the local community.
Prerequisite(s): Junior standing and 2.00 GPA.
Notes: Offered in spring in odd years.

410. Mass Media Law (3).
Legal problems of defamation, privacy, copyright, obscenity, anti-trust, and the regulation of advertising and broadcasting.
Prerequisite(s): Junior standing and a 2.00 GPA.
Notes: Offered in fall and spring.

42. Ethics and Issues in Mass Communication (3).
Ethical problems and issues in newspapers, broadcasting, broadcast journalism, advertising, and public relations. Career development information and strategies.
Prerequisite(s): Senior standing and 2.0 GPA.
Notes: Intensive Writing course. Offered in fall and spring.

Study and practice of advanced methods for gathering, writing and editing broadcast news.
Prerequisite(s): C or better in MCOM 241, 325 and 346.
Notes: Lab Fee: $40. Offered in fall.

441. Reporting Public Affairs (3).
Instruction and practice in reporting all areas of public affairs, including government and the courts. Use of precision journalism techniques and investigative reporting of special in-depth subjects.
Prerequisite(s): PLSC 202 and C or better in MCOM 241.
Notes: Intensive Writing course. Offered in the spring.

444. Media Management (3).
Management theories and practices as applied to broadcast and print media organizations, unique characteristics of media organizations, operating philosophies, leading media organizations, legal issues and regulations, and related topics.
Prerequisite(s): 12 hours of MCOM and minimum 2.0 GPA or permission.
Notes: Offered in spring in odd years.

446. Advanced Television Production (3:2-2).
Planning, writing and producing programming for television.
Prerequisite(s): C or better in MCOM 241, 325 and 346.
Notes: Lab Fee: $40. Offered in fall and spring.

447. Broadcast Programming, Sales and Promotion (3).
Study of the importance of these critical areas in broadcasting and how they interact.
Prerequisite(s): C or better in MCOM 241.
Notes: Offered in fall in even years.

450. Honors: Special Topics in Mass Communication (3).
An independent inquiry in depth into a selected topic in mass communication.
Prerequisite(s): Written proposal, 18 hours of MCOM and approval of the Department Chair.
Notes: Individually arranged.

461, 462, 463. Mass Communication Internship (1) (2) (3).
Practical applications of mass communication theory and skills through professional practice at newspapers, radio and television stations, advertising and public relations agencies and related sites supervised by department faculty.
Prerequisite(s): MCOM 241 and 6 hours from MCOM 325, 331, 333, 341, 342, 343, 346, 347, 348, 370, 377, 410, 425, 441, 446, 447 and 471 with a grade-point average of 2.0 or higher in these courses, or permission of Chair. Open only to mass communication majors.
Application to the department and approval by the Department Chair and Dean of the College of Arts and Sciences are required before registering for the course.
Notes: A student may not receive more than three hours credit in MCOM 461, 462, 463. A grade of S or U is recorded for these courses. Individually arranged.

471. Public Relations Writing and Production (3:2;2).
Preparing public relations messages, including news releases, public service announcements, press kits, audiovisual presentations, fliers, pamphlets, brochures, newsletters, direct mail, and corporate advertising. Planning special events and news conferences.
Prerequisite(s): MCOM 241 or 370 with a grade of C or better.
Notes: Lab Fee: $25. Intensive Writing course. Offered in spring.

491, 492, 493. Independent Study (1) (2) (3).
Independent study guided by a faculty member.
Prerequisite(s): 18 hours of MCOM with a 3.0 or higher GPA and an overall 2.75 or higher GPA; written proposal and approval of Department Chair.
Notes: May be repeated. A grade of S or U will be assigned. Individually arranged.

495. Special Topics in Mass Communication (3).
Selected topics of current significance.
MASS COMMUNICATION-MATHEMATICS

Prerequisite(s): Junior standing.
Notes: May be repeated for credit if topics vary. Offered occasionally.

510. Magazine Editing and Production (3).
Theory and techniques of magazine editing and production; editorial objectives and formulas, issue planning, article selection, layout, illustration, typography, printing and circulation. Magazine project required.
Prerequisite(s): Junior standing and 2.0 GPA.
Notes: Offered at variable times

551-553. Special Topics in Mass Communication (1) (2) (3).
Prerequisite(s): Permission of instructor.
Notes: May be retaken for additional credit. May count only as elective hours for Mass Communication majors and minors. Offered occasionally.

MATHEMATICS (MATH)

101. Precalculus Mathematics I (3).
Preparation for the study of calculus, including linear functions, polynomials, rational functions, exponential and logarithmic functions.
Prerequisite(s): Intermediate high school algebra.
Notes: Credit will not be allowed for MATH 101 and MATH 103. Offered in the fall, spring, and summer.

103. Algebra and Trigonometry (4).
A semester course designed specifically for the students in science and mathematics majors to prepare for the study of calculus, including topics in MATH 101 and further study in trigonometry.
Prerequisite(s): High school Algebra II and a satisfactory score on the departmental mathematics diagnostic test.
Notes: Credit will not be allowed for MATH 103 and MATH 101. Offered in fall and spring.

104. Trigonometry for Calculus (1).
This course is designed to be taken concurrently with MATH 101 or MATH 201. Content includes basic properties and identities of trigonometry, Euler’s formula, double angle identities and inverse functions.
Prerequisite(s): Permission of Mathematics Dept.
Corequisite(s): MATH 101 or MATH 201.
Notes: Offered in fall and spring.

105. Calculus for the Managerial and Life Sciences (3).
Calculus from a non-theoretical perspective, including rates of change, the derivative, maximizing and minimizing functions, exponential and logarithmic functions, indefinite and definite integrals.
Prerequisite(s): MATH 101 or 103.
Notes: Credit will not be allowed for MATH 105 and MATH 201. Offered in fall, spring and summer.

140. Introductory College Mathematics (3).
Elementary set theory and logic, probability and statistics, including set operations, Venn diagrams, truth tables, conditional probability and the binomial and normal distributions.
Notes: Offered in fall, spring and summer.

141. Finite Probability and Statistics (3).
Elementary topics in probability and statistics, including descriptive statistics, the binomial and normal distributions, estimation, hypothesis testing, simple linear regression and correlation.
Prerequisite(s): MATH 101 or 140 or a course with MATH 101 as a prerequisite.
Notes: Offered in fall, spring and summer.

201. Calculus I (3).
Limits, continuity, and the definition of the derivatives; techniques of differentiation, graphing, maximum/minimum and related rate problems; definite integrals and the fundamental theorem of calculus.
Prerequisite(s): Successful score on the departmental diagnostic test, or MATH 103, or MATH 101 and MATH 104. MATH 104 may also be taken as a corequisite.
Notes: Credit will not be allowed for MATH 105 and MATH 201. Offered in fall, spring and summer.

202. Calculus II (3).
Applications of integration, transcendental functions, techniques of integration, improper integrals, sequences, series, and power series.
Prerequisite(s): MATH 201.
Notes: Offered in fall, spring and summer.

261. Foundations of Discrete Mathematics (3).
Introduction to various numeration systems, including binary and hexadecimal; elementary set theory, logic and combinatorics; recursion,
mathematical induction, elementary matrix operations and Boolean algebra.
Prerequisite(s): MATH 101 or equivalent.
Notes: Offered in fall, spring and summer.

Theory and practice of elementary school arithmetic.
Prerequisite(s): MATH 140.
Notes: Restricted to Elementary, Middle-School, Special, and Early Childhood Education majors. Offered in fall, spring and summer.

292. Geometry for the Prospective Elementary Teacher (3).
Informal theory and practice of plane and solid geometry.
Prerequisite(s): MATH 291 or permission of the instructor.
Notes: Offered in fall, spring and summer.

300. Linear Algebra (3).
Matrices and the solution of systems of linear equations; elementary theory of vector spaces and linear transformations; determinants, eigenvalues, and eigenvectors.
Prerequisite(s): MATH 201 and 3 additional hours of MATH courses.
Corequisite(s): MATH 202.
Notes: Offered in fall and spring.

301. Calculus III (3).
Conic sections and polar coordinates; vectors in two and three dimensions, including lines and planes; calculus of vector-valued functions; functions of several variables and partial derivatives.
Prerequisite(s): MATH 202.
Notes: Offered in fall and spring.

301H. Honors Calculus III (3).
Sequences, series and power series; conic sections; vectors in two and three dimensions, including lines and planes; calculus of vector-valued functions. Enrollment restricted to freshmen only.
Prerequisite(s): Satisfactory score on AP Calculus AB exam or permission of the Chair.
Notes: Offered in fall.

302. Calculus IV (3).
Applications of partial derivatives, Lagrange multipliers, multiple integration, line integrals, surface integrals, Green's theorem, the divergence theorem, and Stokes' theorem.
Prerequisite(s): MATH 301.
Notes: Offered in spring.

302H. Honors Calculus IV (3).
Functions of several variables, partial derivatives and their applications; Lagrange multipliers; multiple integration, line and surface integrals; Green's theorem, the divergence theorem and Stokes' theorem.
Prerequisite(s): MATH 301H.
Notes: Offered in spring.

305. Introduction to Differential Equations (3).
Techniques for the solution of first and second order ordinary differential equations, and linear systems of first order ordinary differential equations.
Prerequisite(s): MATH 202.
Notes: Offered in spring of alternate years.

340 A, B, C. Cooperative Education Experience (1), (2), (3).
Provides on-the-job training in a professional field related to a student's major or career interests.
Prerequisite(s): Overall GPA 2.5 and minimum of 24 earned undergraduate semester hours. Placement objectives must be approved by Department Chair prior to enrollment.
Notes: For Mathematics majors only. Courses may be repeated for credit; however, a maximum of 3 hours may be applied toward a degree in Mathematics. Offered in fall, spring, and summer.

351. Introduction to Modern Algebra (3:3:1).
Standard topics in the theory of groups and rings, including symmetric, dihedral, and cyclic groups, equivalence relations, integral domains, and group and ring homomorphisms. Emphasis is placed on the proper construction of mathematical proofs.
Prerequisite(s): MATH 300 and MATH 301.
Notes: Offered in spring.

355. Combinatoric Methods (3).
Applications of counting methods to mathematical modeling and problem solving.
Prerequisite(s): MATH 300.
Notes: Offered in spring of alternate years.

375. Optimization Techniques (3).
Mathematical modeling using linear programming and other methods of optimization.
Prerequisite(s): MATH 300 or MATH 261 or permission of the instructor.
Notes: Offered in spring of alternate years.
450H. Honors: Selected Topics in Mathematics (3).  
In-depth study in a mathematical topic.  
Prerequisite(s): 18 hours of MATH courses and permission of Chair or instructor.  
Notes: Offered on request.

503. Vector Calculus (3).  
Vectors, tensors, differential forms, covariant differentiation, curvature and elementary differential geometry.  
Prerequisite(s): MATH 301.  
Notes: Offered on demand.

509. Real Analysis I (3).  
Topics in the study of functions of a real variable, including limits, continuity, differentiability, sequences, series.  
Prerequisite(s): MATH 522.  
Notes: Offered in spring.

520. Foundations of Geometry (3).  
Topics in Euclidean and non-Euclidean geometry, including incidence geometry, congruence, similarity, area theorems, circles and spheres.  
Prerequisite(s): MATH 300.  
Notes: Offered in fall.

522. Elements of Set Theory and Introduction to Topology (3).  
Fundamentals of set theory and point-set topology, including functions, Cartesian products, topological spaces, open and closed sets, metric spaces, connected and compact spaces.  
Prerequisite(s): MATH 351.  
Notes: Offered in fall.

535. Numerical Analysis (3).  
Analysis of algorithms, including polynomial approximation of real functions, numerical differentiation and integration and manipulation of matrices.  
Prerequisite(s): MATH 300 and MATH 301 or permission of chair, Department of Mathematics.  
Notes: Offered on demand.

541. Probability and Statistics I (3).  
Probability theory from an axiomatic viewpoint, including combinatorics, discrete and continuous random variables and multivariate distributions.  
Prerequisite(s): MATH 302.  
Notes: Offered in fall.

542. Probability and Statistics II (3).  
Statistical inference from a mathematical viewpoint, including the central limit theorem, point and interval estimation and regression.  
Prerequisite(s): MATH 541.  
Notes: Offered in spring of alternate years.

543. Introduction to Stochastic Processes (3).  
A survey of stochastic processes and their applications to probabilistic modeling. Topics will include discrete and continuous time Markov processes, Poisson process and time-series analysis.  
Prerequisite(s): MATH 300 and 541.  
Notes: Offered in spring of alternate years.

545. Statistical Theory and Methods II (3).  
Analysis of linear models, including both regression and ANOVA models. Contingency tables are also studied.  
Prerequisite(s): MATH 541.  
Notes: Offered alternate years in spring.

Survey of statistical methodology applied to problems from the sciences with emphasis on the area of Health and Human Nutrition. Statistical tests will be reviewed and applied to current issues.  
Prerequisite(s): MATH 141 or permission of instructor.  
Notes: Offered in fall and summer.

547. Introduction to Categorical Models (3).  
An introduction to the analysis of categorical data. Topics will include methods for comparison of binomial proportions, r x c contingency tables and logistic and loglinear modeling.  
Prerequisite(s): MATH 542.  
Notes: Offered in spring of alternate years.

550. Special Topics in Mathematics (3).  
In-depth study of a mathematical topic.  
Prerequisite: Permission of instructor.  
Notes: May be repeated for credit once for each topic.

551. Algebraic Structures (3).  
Theory of rings and fields, with special attention to PID's, UFD's, Euclidean domains and modules.  
Prerequisite(s): MATH 351 or equivalent.  
Notes: Offered alternate years in fall.
MATHEMATICS-MODERN LANGUAGES

553. Theory of Numbers (3).
Divisibility, primes, congruences, special functions, continued fractions and rational approximations.
Prerequisite(s): MATH 351 or equivalent.
Notes: Offered in spring of alternate years.

MATHEMATICS EDUCATION (MAED)

391. Principles of Teaching Mathematics (3).
Study and application of skills of planning, instruction, management and assessment of students in mathematics. Includes a review of the ethical and legal responsibilities of mathematic teachers.
Prerequisite(s): MAED 548, Admission to Teacher Education Program.
Corequisite(s): MAED 392, EDUC 390.
Notes: A grade of S or U is recorded. Offered in fall.

392. Field Experience in Teaching Mathematics (1:0:8).
Students will spend a minimum of 8 hours per week in the classroom under the supervision of a mathematics education professor and will work with a mentor teacher in preparation for the final internship experience.
Prerequisite(s): Admission to Teacher Education.
Corequisite(s): MAED 391, EDUC 390.
Notes: A grade of S or U is recorded. Offered in fall.

A study of the secondary mathematics curriculum (7-12). This course addresses specific instructional needs and techniques related to the teaching of secondary mathematics concepts.
Prerequisite(s): Admission to Teacher Education Program.
Notes: Intensive Writing course. Offered in spring.

MODERN LANGUAGES (MLAN)

330 A, B, C. Language and Cultural Studies Abroad (3-6).
Under the direction of a Winthrop University professor, students pursue intensive studies of language at a foreign university. Excursions are organized to places of cultural interest.
Prerequisite(s): Completion of FREN/SPAN/GERM 101-102 or equivalent.
Notes: A=French; B=Spanish; C=German.

350. Writing and Research in Foreign Literature (3).
Introduction to writing critical essays on French, German, and Spanish literature; including instruction and practice in locating, reading and writing critical essays.
Prerequisite(s): WRIT 102.
Notes: Offered variable times.

391. Principles of Teaching Modern Languages in Middle and Secondary Schools (3).
Study and application of skills of planning, instruction, management and assessment of students in Modern Languages. Includes a review of the ethical and legal responsibilities of modern language teachers.
Prerequisite(s): Admission to Teacher Education Program.
Corequisite(s): MLAN 392, EDUC 390.
Notes: Offered in fall semester.

392. Field Experience in Teaching Modern Languages (1:0:8).
Students will spend a minimum of 8 hours per week in the classroom under the supervision of a modern language education professor and will work with a mentor teacher in preparation for the final internship experience.
Prerequisite(s): Admission to Teacher Education.
Corequisite(s): MLAN 391, EDUC 390.
Notes: A grade of S or U is recorded. Offered in fall.

530 A, B, C. Language and Cultural Studies Abroad (3-6).
Under the direction of a Winthrop University professor, students pursue intensive studies of language at a foreign university. Excursions are organized to places of cultural interest.
Prerequisite(s): Completion of FREN/SPAN/GERM 101-102 or equivalent.
Notes: A=French; B=Spanish; C=German.
MUSIC APPLIED (MUSA)

Applied Music Courses (1,2,3). Prerequisite:
Completion of undergraduate entrance audition for music majors and minors. All students enrolled in applied music must attend the weekly noon recital and weekly repertory class during the fall and spring semesters.

The following numbers are used for all major instruments. All applied music is assigned through the Chair of the Department of Music.
111, 112, 211, 212, 311, 312, 411, 412*

* May be repeated for additional credit.

Lab Fees for Applied Music courses are assessed as follows:
One hour lesson $100
One half-hour lesson $ 70
One hour optional lesson for BA and BME students $275

Music majors who study a secondary instrument register for MUSA 110 with the appropriate suffix. Non-majors who participate in ensembles may be permitted to register for MUSA 101 with the appropriate suffix, if space is available.

Alphabetic suffixes for Applied Music Courses:
A. Piano  S. Saxophone
B. Organ  T. Trumpet
C. Harpsichord U. Trombone
D. Voice  V. Horn
E. Violin W. Euphonium
F. Viola Y. Tuba
G. Cello Z. Percussion
J. String Bass
K. Guitar
M. Flute
N. Oboe
Q. Clarinet
R. Bassoon

Music Ensembles. Music Ensembles are open to all Winthrop University students, regardless of major. Auditions, where required, are scheduled during each registration period. Ensembles may be repeated for credit.

151. Winthrop Glee Club (1:3).
A large, mixed ensemble which can also function as a Men’s Glee Club and Women’s Glee Club.
Prerequisite(s): Permission of the instructor is required even though there is no audition.
Notes: Offered in fall and spring.

152. Winthrop Chorale (1:4).
A 40-voice choir that can tour throughout the Southeast. Two major concerts each year.
Notes: Auditions are held during Orientations and registrations. Offered in fall and spring.

153. Jazz Voices (1:3).
Vocal jazz ensemble of 16 singers and instrumentalists performing historic jazz and contemporary arrangements.
Notes: Audition required. Offered in fall and spring.

154. Chamber Singers (1:2).
A small vocal ensemble performing music drawn from five centuries, including Renaissance madrigals, Baroque cantatas, Classical church music, 19th-century part songs, and contemporary music.
Prerequisite(s): Audition required.
Notes: Offered in fall and spring.

157. Symphonic Band (1:4).
A large wind and percussion ensemble that performs at least two formal concerts per year.
Prerequisite(s): Permission of the instructor is required.
Notes: Offered in fall and spring.

158. Wind Ensemble (1:2).
A select ensemble of wind and percussion instruments performing primarily new and demanding works for the medium.
Prerequisite(s): Audition required.
Notes: Offered in fall and spring.

159. Jazz Ensemble (1:3).
A select band performing the jazz repertory ensemble for large jazz bands.
Prerequisite(s): Audition required.
Notes: Offered in fall and spring.

160. String Ensemble (1:2).
An ensemble formed from available string players during any given semester. Practice outside the designated coaching sessions is required.
Prerequisite(s): Audition required.

161. Rock Hill Chamber Orchestra (1:3).
Performs chamber works for strings and other instruments.
Notes: Offered in fall and spring.
162. Jazz Combos (1).
A small group jazz setting of acoustic and electric instruments concentrating on the study and performance of improvisation in contemporary jazz and popular musical styles.
Prerequisite(s): Audition required.
Notes: Offered in fall and spring.

163. Percussion Ensemble (1:3).
A full percussion ensemble performing all styles of percussion literature from the standard repertory and from other cultures.
Notes: Offered in fall and spring.

164. Flute Choir (1:2).
A full flute choir formed from available players during any given semester. Practice outside the designated coaching sessions is required.
Prerequisite: Audition required.
Notes: Offered in fall and spring.

165. Brass Ensemble (1:2).
Brass ensembles formed from available players during any given semester. Practice outside the designated coaching sessions is required.
Prerequisites: Audition required.
Notes: Offered in fall and spring.

166. Chamber Ensemble: Vocal (1:2).
Various small vocal ensembles formed from available singers during any given semester. Practice outside the designated coaching sessions is required.
Prerequisite(s): Audition required.

167. Chamber Ensemble (1:0:1).
Various chamber ensembles formed from strings, winds, percussion, guitar and keyboards during any given semester.
Prerequisite(s): Permission of the Chair.

168. Guitar Ensemble (1:2).
Various small guitar ensembles formed from available guitarists during any given semester. Practice outside the designated coaching sessions is required.
Prerequisite(s): Audition is required.
Notes: Offered in fall and spring.

169. Collegium Musicum (1:2).
A chamber ensemble formed from available players during any given semester performing a variety of early music on original instruments. Practice outside the designated coaching sessions is required.
Prerequisites: Audition required.
Notes: Offered in the fall.

171-172. Voice Class (1:2) (1:2).
An introduction to the fundamentals of singing with practical application of principles. Open to nonmajors.

181-182. Piano Class (1:2) (1:2).
Beginning courses in basic keyboard skills including reading from notation, scales, modes, improvisation, and harmonization.
Notes: Open to non-majors if space is available. Offered in fall and spring.

185. Guitar Class (1:2).
An introduction to the fundamentals of playing the guitar with practical application of principles.

Continued study of vocal fundamentals with emphasis on practical application.
Prerequisite(s): MUSA 172 or permission of the instructor.

281-282. Piano Class (1:2) (1:2).
A continuation of MUSA 181-182 but with more emphasis on piano literature, sightreading, harmonization and transposition.
Prerequisite(s): MUSA 182 or permission of the instructor.
Notes: Offered in fall and spring.

291. Woodwind Methods (1:2).
Basic techniques of playing and teaching woodwind instruments.

293. String Methods (1:2).
Basic techniques of playing and teaching stringed instruments.

295. Brass Methods (1:2).
Basic techniques of playing and teaching brass instruments.

297. Percussion Methods (1:2).
Basic techniques of playing and teaching percussion instruments.

331. Composition I (2:1).
A detailed study of composition designed to develop a basic skill or craft in the manipulation of musical materials. Extensive outside preparation.
Prerequisite(s): MUST 211 or consent of the instructor.
332. Composition II (2:1).
A continuation of the development of skills acquired in MUSA 331.
Prerequisite(s): MUSA 331.

370. Opera Production (1).
Participation and experience in an opera production. The work performed will vary with the semester.
Prerequisite(s): MUST 321 and audition or permission of the instructor.

382. Kinesiology (3:2:2).
The study of human movement.
Prerequisite(s): BIOL 305-306 OR
Corequisite(s): BIOL 305-306.
Notes: Offered in spring and every even
summer.

383. Motor Learning and Motor Development
(3).
This course investigates the principles of
development and the principles of learning as
they relate to the acquisition of motor skills.
Notes: Offered in fall.

384. Exercise Physiology (3:2).
This course will examine how the human
body, from a functional and health-related
standpoint, responds, adjusts, and adapts to
acute exercise and chronic training. Basic
skills of imparting health-related fitness
information will also be presented.
Prerequisite(s): Or corequisite with BIOL 305
or 306.
Notes: Offered in fall and every odd
summer.

391. Principles of Teaching Physical
Education, Curriculum & Methodology for
Grades 9-12 (3).
The content is specific to the students’
subject matter field and addresses specific
instructional needs and techniques. Specifi-
cally, this course focuses on development and
delivery of physical education programs
designed for students in grades 8-12.
Prerequisite(s): Admittance to Teacher
Education, PHED 348 and PHED 349.
Corequisite(s): PHED 394 and EDUC 390.
Notes: Offered in fall.

393. Practicum in Coaching (1:1:1).
This course is designed to provide field
experiences to the junior and senior coaching
minor student. The 40 hour experience will
be in a coaching setting with a focus on
preparing and supervising athletes in all areas
of sport competition.
Prerequisite(s): Nine hours completed in the
coaching minor to include PHED 361 or
PHED 561 and permission from the coaching
minor coordinator.
Notes: A grade of S or U is recorded.
Offered in fall and spring.

394. Field Experience in Teaching Physical
Education (1:0:8).
Students will spend 8 hours per week in the
classroom under the supervision of a physical education professor and will work with a mentor teacher, in preparation for the final internship experience.

Prerequisite(s): Admission to Teacher Education Program and EDUC 310.
Corequisite(s): PHED 391 and EDUC 390.
Notes: A grade of S or U is recorded. Offered in fall.

395. Fitness/Wellness Program Application (1).
This course is designed to give appropriate field experiences to the junior Physical Education major in the fitness/wellness option. The 30 hour experience will occur in the cognate area and will require the student to demonstrate planning and instructional skills in a fitness/wellness setting.
Prerequisite(s): PHED 264 or permission of instructor.

408. Special Problems in Physical Education (1).
Independent study in Physical Education and related areas.
Notes: Offered as needed.

450. Honors: Selected Topics in Physical Education and Allied Fields (3).
Prerequisite(s): Seventeen hours in physical education and permission of the Department Chair.
Notes: Offered on demand.

460. Special Topics in Physical Education: Coaching Basketball (1:1:1).
This course is designed to allow the prospective coach an opportunity to review basic skills and strategies in coaching basketball.
Prerequisite(s): Experience in basketball or permission of instructor.

462. Special Topics in Physical Education: Coaching Volleyball (1:1:1).
This course is designed to allow the coach, or prospective coach, an opportunity to review basic skills and strategies, and to investigate intermediate and advanced volleyball techniques and strategies.
Prerequisite(s): Experience in volleyball or permission of instructor and junior status.

464. Special Topics in Physical Education: Coaching Baseball/Softball (1:1:1).
This course is designed to allow the prospective coach to review the current theories, trends, and training techniques in the teaching and coaching of baseball and fast-pitch softball.
Prerequisite: Experience in baseball or softball or permission of instructor.
Notes: Offered in fall only.

465. Special Topics in Physical Education: Strength Training and Conditioning (1:1:1).
This course is designed to allow the prospective coach an opportunity to review current techniques, theories, and practices of conditioning and strength training for various sports.
Prerequisite: Junior Status.
Notes: Offered in spring only.

466. Special Topics in Physical Education: Coaching Soccer (1:1:1).
This course is designed to allow the coach, or prospective coach, an opportunity to review basic skills and strategies, and to investigate intermediate and advanced soccer techniques and strategies.
Prerequisite(s): Sophomore status; experience in soccer or permission of instructor.

471. Organization, Administration and Evaluation of Physical and Fitness Education (3).
The planning, organizing, directing and evaluating of physical and fitness education; and the measurement of students and/or clients in the affective, cognitive and psychomotor domains.
Notes: Offered in fall.

476. Facilities Management and Design (3).
This course will investigate the role and responsibilities of facility management and design in sport. Emphasis will be placed on fiscal management, facilities operation, risk management and the design process.
Notes: Restricted to SPMA and PHED majors or permission of chair. Offered in spring.

This course will examine the appraisal of health-related fitness and exercise programming for individuals who are healthy, at risk, injured and unhealthy individuals.
Prerequisite(s): PHED 382 Kinesiology and PHED 384 Exercise Physiology, and BIOL 305 and BIOL 306 Fundamentals of Human Anatomy and Physiology.
Notes: Offered in fall and spring.
482. Effective Leadership in Outdoor Education (3).
Through this course the students will gain skills and knowledge to enable them to become effective leaders in outdoor settings. This information includes program design and trip planning, decision making, emergency procedures, leadership styles, goal setting, facilitation, risk management and ethics.
Prerequisite(s): PHED 307.

495A. Internship: Fitness Wellness (8).
This course will provide applied experiences for developing skills of the professional in fitness/wellness roles. Primary component is a field based experience for a minimum of 400 hours.
Prerequisite(s): Junior status and completion of all cognate courses.
Corequisite(s): PHED 496A.

495B. Internship: Athletic Training (8).
This course provides applied experiences under the supervision of an NATA certified trainer. This is a field based experience requiring a minimum of 400 hours.
Prerequisite(s): Senior status and completion of all cognate courses.
Corequisite(s): PHED 496B.

496A. Capstone for Fitness Wellness Leaders (2).
This course will examine current issues in fitness/wellness as they relate to leadership in these area. The course will focus on current trends and issues in fitness/wellness areas, presentation of a professional portfolio and internship experience.
Prerequisite(s): Junior status and completion of all cognate courses.
Corequisite(s): PHED 495A.

496B. Capstone: Administration of Athletic Training Programs (2).
The capstone course is a culminating experience for students in the field of athletic training. This course focuses on administration of athletic training programs.
Prerequisite(s): Completion of all athletic training course requirements.
Corequisite(s): PHED 495B.
Notes: Offered in spring and summer.

All courses in the College of Education numbered above 499 have a prerequisite of junior status or permission of the dean of the College of Education.

512. Seminar on Contemporary Leaders and Organizations in Health, Physical Education and Recreation (2).
Study of current issues and contemporary leaders through preliminary study and attendance at the South district or National AAHPERD Convention.
Notes: Offered in spring. May be retaken for additional credit.

515. Computer Utilization in Physical Education (3).
This course is designed to familiarize students with computer administrative functions of word processing, data based management and electronic spreadsheet, as well as appropriate computer software in classroom applications.
Prerequisite(s): CSCI 101, EDUC 275 or permission of instructor.
Notes: Offered on demand.

548. Psychology of Sport and Physical Activity (3).
An analysis of the psychological factors involved in sport and physical activity with emphasis on performance enhancement.
Prerequisite(s): PSYC 101.
Notes: Offered in spring and fall.

563. Advanced Athletic Training (3).
A study of the conditioning of athletes, therapy techniques, examination of injuries, rehabilitative exercises, professional ethics, special taping, emergency care of athletic injuries and legality.
Prerequisite(s): PHED 382, 362 and 384 or permission of instructor.
Notes: Offered in fall.

564. Recognition and Assessment of Athletic Injuries (3).
This course will focus on student competency in assessment of athletic injuries including use of appropriate terminology and knowledge of tests used to identify specific injuries to various body parts.
Prerequisite(s): PHED 563.
Notes: Offered in spring.

565. Rehabilitation of Sports Injuries (3).
A systematic approach to development of rehabilitative exercise programs, indications/contraindications and techniques of exercise and exercise progression in relation to prevention, reconditioning and return to play guidelines.
Prerequisite(s): PHED 564.
571. Theory of Coaching (3).
Introduction to the philosophy, principles and techniques of coaching with emphasis on the psychological and sociological processes.
Notes: Offered in fall.

PHYSICAL EDUCATION-PHYSICS

201. General Physics I (4:3:3).
Basic concepts and principles of physics, including mechanics, heat, sound, electricity, magnetism, and optics. Primarily a course for students in the life and health sciences. Prerequisite(s): A grade of C or better in MATH 101.
Notes: Lab Fee: $35. A student may not receive credit for both PHYS 201 and 211 and for both PHYS 202 and 212. Offered in fall.

212. Physics with Calculus II (4:3:3).
A calculus-based introductory physics course primarily intended for students in the physical and mathematical sciences. The course covers mechanics, wave motion, thermodynamics, electromagnetism, optics and some modern physics. Prerequisite(s): A grade of C or better in PHYS 211.
Notes: Lab fee: $35. Offered in the fall.

An introductory course in physics and chemistry primarily intended for education majors, incorporating the science curriculum standards of South Carolina. Restricted to ECED, ELED and SPED majors. Prerequisite(s): MATH 140. Corequisite(s): PHYS 251.
Notes: Offered in fall, spring and summer.

251. Matter and Energy Laboratory (1:0:3).
A laboratory to accompany PHYS 250. Restricted to ECED, ELED and SPED majors. Prerequisite(s): MATH 140. Corequisite(s): PHYS 250.
Notes: Lab fee: $35. Offered in fall, spring and summer.

253. Astronomy (3).
A descriptive astronomy course for the liberal arts student covering the solar system, stars, galaxies, and cosmology. Notes: Offered in spring.

256. Musical Acoustics (3).
An introductory musical acoustics course covering production, propagation and basic properties of musical sounds as well as musical instruments, auditorium acoustics and sound reproduction media. Notes: Offered as needed.

301. Modern Physics (3).
An introductory modern physics course covering relativity, early quantum theory and basic quantum mechanics with selected applications to atomic, nuclear, solid state, and particle physics. Prerequisite(s): A grade of C or better in
PHYSICS-POLITICAL SCIENCE

PHYS 202 or PHYS 212.
Notes: Offered in fall.

315. Circuit Analysis (3:2:3).
An intermediate level circuit analysis course that covers DC and AC circuits and their design using semiconductor devices.
Prerequisite(s): A grade of C or better in PHYS 212 or PHYS 202 and MATH 202.
Notes: Offered as needed.

321. Materials Science (3).
An introduction to the synthesis, structure, properties, and technical performance of engineering metals, ceramics, and polymers and semiconductors and superconductors.
Prerequisite(s): A grade of C or better in the PHYS 202 or PHYS 212 and CHEM 106.
Notes: Offered in spring.

Introduction to the principles of particle and rigid body mechanics with engineering applications. Force systems, equilibrium conditions, simple structures, and machines will be analyzed.
Prerequisite(s): A grade of C or better in PHYS 211.
Notes: Offered as needed.

A study of kinematics and kinetics of particles and rigid bodies. Major topics covered are Newton's second law, work-energy and impulse-momentum principles, energy and momentum conservation laws and applications of plane motion of rigid bodies.
Prerequisite(s): A grade of C or better in PHYS 331.
Notes: Offered as needed.

350. Thermodynamics (3).
An intermediate level thermodynamic course that covers the basic concepts of heat and temperature, the laws of thermodynamics with application to simple thermodynamic systems, processes, and thermal properties of substances.
Prerequisite(s): A grade of C or better in MATH 202 and PHYS 201 or PHYS 211 or CHEM 106.
Notes: Offered as needed.

351, 352, 353. Independent Study in Physics (3) (3) (3).
Directed study of topics in physics which are not available through the regular curriculum.
Prerequisite(s): Permission from the Department Chair and PHYS 202 or 212.
Notes: Offered in fall, spring and summer.

POLITICAL SCIENCE (PLSC)

201. American Government (3).
National governmental institutions and the political processes which shape public policy. Meets state requirements for course on the U.S. Constitution.
Notes: Offered in fall, spring and summer.

Notes: Offered in fall and spring.

207. Comparative Politics (3).
An introduction to the discipline of comparative politics. The course will explore the theoretical components of governments of the world and will prepare students for upper level area studies.
Notes: Offered in fall and spring.

220. Introduction to Public Administration (3).
A survey of the major topics in the study of American public administration, including organization theory, personnel management, financial management, and administrative law.
Notes: Offered variable times.

260. The United Nations (3).
Notes: Satisfies Oral Communication Requirement. Offered in spring.

305. The National Executive (3).
Study of the contemporary U.S. Presidency and the Executive Branch.
Prerequisite(s): PLSC 201 with a grade of C or better, or permission on instructor.

306. Congress (3).
Congress and its principal activities, including an analysis of the way in which Congress

260
makes public policy.
Prerequisite(s): PLSC 201 with a grade of C or better, or permission of instructor.

307. American Parties and Practical Politics (3).
Political parties, interest groups and citizen politics.
Prerequisite(s): PLSC 201 with a grade of C or better, or permission of instructor.
Notes: Offered variable times.

310. The Judiciary (3).
The courts as decision-making bodies in the political process. Their relationship to the legal profession, interest groups and other parts of government.
Prerequisite(s): PLSC 201 with a grade of C or better, or permission of instructor.
Notes: Offered variable times.

The substantive law of separation of powers; powers among the branches of government and between national and state governments. Emphasis on legal, political and historical contexts and processes.
Prerequisite(s): PLSC 310 or permission of instructor.
Notes: Offered variable times.

312. Constitutional Law: Civil Rights and Civil Liberties (3).
The substantive law of rights and liberties, with an emphasis on the political freedoms of speech and press, religious freedom, freedom from discrimination, and due process rights in criminal law.
Prerequisite(s): PLSC 310 or permission of instructor.
Notes: Offered variable times.

313. Public Opinion and Political Participation (3).
The nature, formation and measurement of public opinion, including the kinds of political participation, and the ways that public opinion, political participation, and public policy influence one another.

Notes: Offered variable times.

314. Media and Politics (3).
The effects of the mass media on American politics including its role in campaigns,

institutions and public policy.
Prerequisite(s): PLSC 201 with a grade of C or better, or permission of instructor.

315. Urban Politics (3).
The operation of government in metropolitan areas.
Prerequisite(s): PLSC 201 with a grade of C or better, or permission of instructor.
Notes: Offered variable times.

318. Politics of the American South (3).
Focuses on the unique politics of the South. It places southern politics in its theoretical and historical context and examines the central role of race in southern politics as well as regional importance to national politics.
Prerequisite: PLSC 201 with a grade of C or better or permission of instructor.
Notes: Offered Fall or Spring on a biennial basis.

320. Public Budgeting (3).
A practical focus upon public finance that includes a comparison of alternative budget formats, key analytical techniques and budgetary politics.
Prerequisite(s): PLSC 201 with a grade of C or better, or permission of instructor.
Notes: Offered variable times.

321. Public Policy and Policy Analysis (3).
A study of policy formulation and adoption at various governmental levels and of methodologies used to measure policy impacts.
Prerequisite(s): PLSC 201 with a grade of C or better, or permission of instructor.
Notes: Offered variable times.

325. Environmental Politics (3).
A study of the creation and implementation of major national and international environmental policies, and the varied social and political movements engaged environmental politics.
Notes: Offered in spring.

335. Government and Politics of Latin America (3).
Examination of contemporary political issues, political forces, and governmental institutions in Latin America.
Prerequisite(s): PLSC 205 and PLSC 207 or permission of instructor.
Notes: Offered variable times.
POLITICAL SCIENCE

336. Post Soviet Politics (3).
An introduction to the government and politics of the nations of the former Soviet Union with particular emphasis on the politics of reform. The latest scholarship will be utilized, as will the enduring classics in the field.
Prerequisite(s): PLSC 205 or PLSC 207 or permission of instructor.
Notes: Offered alternate fall semesters.

337. Women and Global Politics (3).
Examines the role of women in the sphere of global politics. Course assumes some knowledge of the basic issues confronting women in contemporary global context.
Prerequisite(s): WMST 300 or PLSC 205 or PLSC 207 or permission of instructor.

Examination of historical and contemporary political issues, political forces, and governmental institutions in Africa.
Notes: PLSC 205 or PLSC 207 or permission of instructor.

345. European Politics (3).
A study of governmental systems, cultures, and enduring problems of Western and Central Europe.
Prerequisite(s): PLSC 205 or PLSC 207 or permission of the instructor.
Notes: Offered alternate fall semesters.

350. Scope and Methods (3).
Introduction to methodology, the research process, the relationship of theory to research and the conduct of research involving research techniques and simple numerical analysis.
Notes: Intensive Writing course. Offered in spring.

351. Ancient and Medieval Political Thought (3).
Survey of the history of Western political thought from the Ancient Greeks through the Middle Ages.
Prerequisite(s): WRIT 102 or permission of instructor.

352. Modern and Contemporary Political Thought (3).
Survey of the major political ideas of the modern era from the Enlightenment through Postmodernism.
Prerequisite(s): WRIT 102 or permission of instructor.

355. Political Ideologies (3).
A critical study of the ideologies important to the formulation and development of the political systems in the modern world.
Prerequisite(s): WRIT 102 or permission of instructor.

Prerequisite(s): Prior approval by an assigned faculty member and the Department Chair and PSYC 101.
Notes: A grade of S or U is recorded. Offered in fall, spring and summer.

498. Senior Seminar in Psychology (3).
An advanced capstone seminar for seniors emphasizing an in-depth review and update of core topics and current issues in psychology, including the comprehensive assessment of core skills and knowledge from the major.
Prerequisite(s): For psychology majors only.
Notes: Offered in fall and spring.

503. Abnormal Psychology (3).
Introduction to the disorders of behavior.
Prerequisite(s): PSYC 101.
Notes: Offered in fall, spring and summer.

504. Psychology of Women (3).
Intensive study of the research and issues in psychology that pertain specifically to women.
Prerequisite(s): PSYC 101.
Notes: Offered in fall and spring.

505. Physiological Psychology: Biological Foundations of Behavior (3).
Study of the human nervous system and its relation to behavior and experience.
Prerequisite(s): PSYC 301 or permission of chair, Department of Psychology.
Notes: Offered in spring.

506. Psychological Measurements (3).
Study of the construction, evaluation and application of individual and group tests and the analysis and interpretation of their results.
Prerequisite(s): PSYC 101 or EDUC 300.
Notes: Offered in fall.

507. Social Psychology: The Individual and Other People (3).
Examination of the intrapersonal and interpersonal factors that influence human social behavior.
Prerequisite(s): PSYC 101.
Notes: Offered in fall, spring and summer.

The human viewed as a system that processes information. Topics include sensory processes, memory, language and thinking.
Prerequisite(s): PSYC 301 or permission of chair, Department of Psychology.
Notes: Offered in fall, spring and summer.

Review of the theoretical concepts and major variables relevant to animal and human motivation and conditioning.
Prerequisite(s): PSYC 301 or permission of chair, Department of Psychology.
Notes: Offered in fall.

510. Behavior Analysis and Behavior Change (3).
Study of application of behavior management techniques in educational, clinical and domestic settings.
Prerequisite(s): PSYC 101.
Notes: Offered in fall and spring.

512. The Exceptional Child (3).
Study of individuals with special problems in cognitive, emotional or motor ability.
Prerequisite(s): PSYC 101.
Notes: Offered in fall.

513. Introduction to Theory and Fundamentals of Clinical Practice (3).
Survey of theoretical issues and training in professional skills useful to pursuing a career in applied areas of psychology.
Prerequisite(s): At least Junior standing; PSYC 101, 503 or 514; or permission of instructor.

514. Theories of Personality (3).
Advanced integrative study of the most important theories of personality.
Prerequisite(s): One course in PSYC numbered above 299.
Notes: Offered in fall and spring.

515. Health Psychology and Behavioral Medicine (3).
Study of the biological, social and psychological factors that combine to influence human health and health practices. Models and methods of identification, prevention and treatment applicable to behavioral medicine will be reviewed.
Prerequisite(s): PSYC 101 and 505 or equivalent, or graduate standing in psychology or an allied profession.
Notes: Offered in fall.

516. Industrial and Organizational Psychology (3).
Introduction to psychology in industry, business and other large organizations.
Prerequisite(s): PSYC 101.
Notes: Offered once per year.

520. Contemporary Issues in Psychology (3).
In-depth consideration of a topic of particular concern within modern psychology. May be offered under various topics.
Prerequisite(s): PSYC 101.
Notes: Offered on demand. May be retaken for additional credit under different topics.

QUANTITATIVE METHODS (QMTH)

Concepts of probability theory, sampling, descriptive statistics, and statistical estimation.
Prerequisite(s): MATH 101 and CSCI 101, 105, or 110.
206. **Applied Statistics II (3).**

Concepts of hypothesis testing, regression and correlation analysis, Chi-Square analysis, quality control, and decision theory.

Prerequisite(s): QMTH 205.

---

**READING (READ)**

100. **Reading and Related Study Skills (3).**

A program for self-improvement in comprehension, vocabulary and related study skills.

Notes: Cannot be counted toward meeting graduation requirements. Offered on demand. A grade of S or U is recorded for this course.
