Kimberly R. Wright, Student Services Coordinator

The College of Visual and Performing Arts provides professional programs for students preparing for careers in the arts and contributes to the arts education of all Winthrop University students.

The College of Visual and Performing Arts is one of only fifteen university arts programs in the nation fully accredited in all of the arts domains. The College draws on the extensive resources of the University and the Charlotte region of the Carolinas to provide an outstanding milieu conducive to the development of arts professionals. Our students have transformative and inspiring experiences in a first-class environment that includes advanced technology laboratories in all the arts, contemporary dance studios, traditional and experimental theatre spaces, an unparalleled music conservatory, and studios in the diverse disciplines of the visual arts. The arts degree programs combine the best of the time-honored academy tradition and the most current and prescient ideas in the arts with the liberal arts education of a comprehensive university.

All professional programs have strong general education components designed to strengthen student understanding of the relationship of the arts to the broader contexts of history and culture as well as the social and physical sciences.

Programs of the College of Visual and Performing Arts serve to enrich the cultural opportunities for all Winthrop University students and the citizens of the Charlotte region of South Carolina and North Carolina.

The College has three departments: Art and Design, Music, and Theatre and Dance. Each department offers students a wide variety of major concentrations as well as minor programs for those students with primary interests in disciplines outside of the College. The College of Visual and Performing Arts offers the following majors--these are described in detail under the departmental headings:

Bachelor of Arts Degree: art, art education, art history, dance, dance education, music, theatre (performance and design/technical theatre), and theatre education

Bachelor of Fine Arts Degree: art (ceramics, general studio, interior design, painting, photography, printmaking, sculpture, visual communication design)

Bachelor of Music Degree: performance

Bachelor of Music Education Degree: choral certification (K-12), instrumental certification (K-12)

Graduate Degree Programs:

Master of Arts: art education, arts administration

Master of Fine Arts: art and design

Master of Music: conducting (wind and choral), performance

Master of Music Education

Master of Arts in Teaching: initial certification in music and art through the College of Education

The ABC Project

The Arts in Basic Curriculum (ABC) Project is a statewide collaborative initiative begun in 1987, whose goal is to ensure that every child in South Carolina, from pre-school through college levels, has access to a quality, comprehensive education in the arts, including dance, drama, music, visual arts, and creative writing. Cooperatively directed by the South Carolina Arts Commission, the South Carolina Department of Education and the College of Visual and Performing Arts at Winthrop University, the ABC Project has developed collaborative efforts leading to a certification program for dance teachers, establishment of the South Carolina Center for Dance Educational at Columbia College, development of South Carolina Visual and Performing Arts Framework, and the South Carolina Visual and Performing Arts Curriculum Standards. The project "blueprint" for arts education outlines a curriculum to be taught by qualified arts teachers and reinforced by other subject area teachers, administrators, professional artists, arts organizations and community resources and provides a forum for the development of strategic arts initiatives, and serves as the foundation for a broad advocacy coalition for arts education reform in South Carolina.

The Office of Community Arts

Each semester, the College of Visual and Performing Arts offers a new season of artistic experiences at Winthrop University with programs of performances, exhibitions, forums, and events for adults, young people, and families rich with innovation, experimentation, and enlivening entertainment. Students are welcome to audition for a selection of performances in music and theatre and dance.

The role of the Office of Community Arts is to act as a link between the College and the community while assisting the promotion of events. The office provides the community with several outreach projects such as Medal of Honor in the Arts, and thematic programs of events, all of which provide students with opportunities of varying natures.

Academic Advising

Academic advising is an integral part of the learning process in the College of Visual and Performing Arts. The role of the academic adviser is to assist the student in making appropriate decisions about academic programs and career goals, provide academic information about Winthrop University and degree programs, and suggest appropriate involvement in on-campus, off-campus, and experiential opportunities.

Freshmen are assigned an adviser during their first semester. Students have a responsibility to schedule regular appointments with the faculty adviser.

The Student Services Coordinator of the College of Visual and Performing Arts is a full-time academic adviser to assist all CVPA students:

The Department of Art and Design offers both the Bachelor of Arts degree in art, art history, and art education, as well as the professional Bachelor of Fine Arts degree with concentrations in ten areas. In addition, the department offers the Master of Fine Arts degree and the Master of Arts degree in art education and art administration.

Winthrop University is an accredited institutional member of the National Association of Schools of Art and Design (NASAD) and the Interior Design Program is accredited by the Council for Interior Design Accreditation (formerly FIDER). Administrative and faculty offices and studios, the Lewandowski student gallery, and graduate student studios are located in McLaurin Hall. Lecture and studio classes are held in Rutledge Building, primarily, with a few, limited number in McLaurin Hall and Roddey Hall.

Art and Design Scholarships and Awards

General scholarships are available in both visual arts and interior design. These awards, ranging from \$250 up to \$1,800, are based upon a review of student work as an indication of artistic ability.

Minor in Art and Design or Art History

The Department of Art and Design offers a minor in art and in art history, primarily for students who are working toward a baccalaureate degree in a program other than art and design. For the specific requirements of the minors in art and design, see the section on minors.

The total hours in the degree will vary from 132 to 134 depending on the credit hours required to meet foreign language requirements. No more than 36 hours in any one subject (or course designator) may apply to the BA degree.

Bachelor of Fine Arts

The Bachelor of Fine Arts degree is a professional degree designed for students who wish to pursue the visual arts as a profession or for the student wishing to pursue graduate study. Students seeking teacher certification in addition to the BFA degree should declare this intent to the department by the first semester of the sophomore year. Areas of concentration include (1) ceramics, (2) general studio, (3) visual communication design (consisting of a graphic design track and an illustration track), (4) interior design, (5) painting, (6) photography (consisting of a fine art track and a commercial track), (7) printmaking, and (8) sculpture (including jewelry and metals).

Students may take courses in any concentration prior to being admitted to the concentration; however, students may not register for studio-based courses above ARTS 375 or INDS 299 without submission and acceptance of a specialization portfolio.

Entering students who display exceptional ability, evident in a portfolio of work reviewed by a faculty committee, may proceed to ARTS 200-level course(s). The faculty committee will determine whether any courses may be exempted. Students will take replacement ARTS Elective course(s) to fulfill the required hours in the major.

The student must maintain a minimum cumulative grade-point average of 2.00 or better in courses taken at Winthrop and included in the subtotal semester hours of the required program. A minimum grade of "C" is required for all ARTS, ARTH, ARTT, INDS, and VCOM required courses in the Bachelor of Fine Arts degree. The BFA student may not progress to the next sequential course(s) without satisfying any portfolio review requirements (for "C" grades) and with the earning of any "D" or "F" grades in these designator subjects. The student must complete a minimum of 21 semester hours of ARTS, VCOM, and/or INDS courses in residence at Winthrop University. At least one-half of all courses in studio art are recommended from an area of concentration as determined by a student's adviser.

Within the hours required for this degree, the student must include a minimum of 40 semester hours in courses numbered above 299 and must complete PLSC 201 or ECON 103.

Foundation Portfolio Review

The Foundation Portfolio Review is required only of BFA students who earn a "C" grade in any foundation studio course (ARTS 101, 102, 120, 201, 202, 220, INDS 201). Portfolios submitted for review must consist of art work from the subject area(s) within which a "C" grade was earned.

Students who pass or do not pass Foundation Review will continue into the sophomore level courses of their intended area of concentration. While students may have been successful in course work in meeting minimum standards, completing work on time, and participating in class activities, it should be realized that the Foundation Review is based on the assessment of the work in the portfolio alone.

The Foundation Portfolio Review will be conducted each August and January just prior to the beginning of the fall and spring semesters. The Foundation Portfolio Review may also be held at other times at the discretion of the department chair. Following this review, students should meet with their faculty advisers.

Specialization Portfolio Review

Students enrolled in the BFA program must select a concentration in Art and Design and make application for admittance to that area during the second semester of their sophomore year. For formal admission into the junior year professional programs, a student must have met the following criteria: (1) completion of the recommended lower level curriculum requirements, having earned not less than a 2.5 grade point ratio on a scale of 4.0 in all Art and Design work completed, and (2) approval of portfolios by the Departmental Portfolio Review Committees.

The Specialization Portfolio Review is designed to measure the suitability of BFA students for advanced-level studio courses. To be eligible for the review, students must have passed Foundation Portfolio Review, if applicable, have completed (or have in progress) the required Sophomore-level courses leading to the specialization, and have attained a minimum GPA of 2.5 in art and design courses to date. In general, the Specialization Portfolio Review will measure anticipated success in the discipline by looking for signs of independence, thoroughness of research and discipline, and transfer of skills and knowledge. While students may have been successful in earning grades in previous

COLLEGE OF VISUAL & PERFORMING ARTS--FINE ART/GENERAL STUDIO

course work by meeting minimum standards, completing work on time, and participating in class activities, it should be realized that the Specialization Portfolio Review is based on the assessment of the work in the portfolio alone.

Specialization Portfolio Review will take place in April of the Sophomore-level year and in August and January, as needed. The Specialization Portfolio Review Pass allows the student to enroll in studio courses above the numbers ARTS 375, VCOM 324, and INDS 299. After passage, a student may not change a BFA concentration without passing a Specialization Portfolio Review in the new concentration of choice. Non-BFA students above the sophomore level may not change into the BFA program without permission of the department chair. Students should communicate with the departmental office for more information. All ARTS studio courses numbered above 375 and VCOM studio courses above 324 have a prerequisite of junior status and the successful completion of the specialization portfolio review or permission of the Chair of the Department of Art and Design.

Transfer Students

A portfolio review of art and design work produced in studio courses at other schools is required of all transfer students. The purpose of a transfer portfolio review is to determine the proper level of placement into the degree program of choice, and the review is conducted by a faculty committee at the start of the student's initial semester. Transfer students are advised to request a copy of the department's Portfolio Review Requirements for further details.

Note: For BA and BFA majors and Art minors, all ARTS studio courses (3:7) numbered above 375, all INDS studio courses (3:7) numbered above 299, and all VCOM studio courses (3:7) numbered above 324 have a prerequisite of junior status and the successful completion of the specialization portfolio review or permission of the Chair of the Department of Art and Design.

Mission

It is the mission of the Department of Music at Winthrop University to provide opportunities for music students to develop their creative and musical potentials, prepare music students for professional careers in music, continue its historic leadership role in music education in the region, serve the campus community by offering musical experiences and the opportunity to develop musical knowledge and skills to non-music majors, serve the larger community through programs of national distinction, be responsive to change, and be committed to on-going self-evaluation.

Introduction

The Department of Music offers three undergraduate degree programs: the Bachelor of Music degree in performance, the Bachelor of Music Education degree with concentrations in choral or instrumental music, and the more general Bachelor of Arts degree in music. In addition, the department offers both the Master of Music and Master of Music Education degrees, described in the *Winthrop University Graduate Catalog*.

Winthrop University is an accredited institutional member of the National Association of Schools of Music. The department offers professional instruction in musicianship, performance, and pedagogy for students planning careers in music. Opportunities for musical experiences are provided for the general college student as well.

The Department of Music is housed in the Conservatory of Music. The adjacent 3,500 seat Byrnes Auditorium has a 70-rank, four-manual pipe organ by Aeolian-Skinner. The facilities in the Conservatory include the 212-seat Barnes Recital Hall, practice rooms, faculty offices, studios, classrooms, and rehearsal rooms.

The Music Library, located in 334 McLaurin Hall, has a full-time music librarian and a staff of assistants who help students in the use of scores, recordings, listening stations, ear training programs, and video equipment available there. The Computer Music Laboratory, located in Byrnes Auditorium, Room 203B, includes facilities and equipment for composition. The Electronic Keyboard Laboratory is also located in Byrnes Auditorium, Room 203A.

For more information on the Department of Music, please visit www.winthrop.edu/music/.

Admission

To be admitted as a music major, a student must perform an entrance audition that demonstrates background in applied music sufficient to meet the performance requirements of first-year applied music study at the collegiate level. Students may be admitted as music majors "on condition". "On condition" must be removed by the end of two semesters of study for the student to continue as a music major. In addition, all entering music majors take a placement test in music fundamentals. Entrance auditions and placement tests are given during the summer orientation sessions and at the beginning of each semester before classes begin.

For a complete listing of requirements for admission to the Teacher Education Program, consult the College of Education section of this catalog.

COLLEGE OF VISUAL & PERFORMING ARTS--MUSIC

Entrance Audition

Bachelor of Music Degree. Entrance audition requirements for specific performance areas of applied music study may be obtained by writing to the Chair, Department of Music. Students auditioning for the BM degree are expected to demonstrate technical facility and musicianship which distinguish the student as one who can fulfill the rigorous performance requirements in this professional program.

Bachelor of Music Education and Bachelor of Arts Degrees. Entrance auditions for the BME and BA degrees do not require specific repertory. Students should be prepared to demonstrate their performance ability effectively by performing compositions of different styles.

Music Scholarships

The Department of Music offers music scholarships to freshmen and transfer students who plan to major in music. All scholarships are selected through competitive auditions and are renewable for a period of up to four years (2-4 years for transfer students).

All music scholarships qualify students for an out-of-state tuition waiver. Information on music scholarships is available from the Chair, Department of Music.

Performance Requirements for Graduation

Bachelor of Music Degree. Majors in the BM program must present a half-recital in the junior year and a full recital in the senior year.

Bachelor of Music Education Degree. Students in the BME program must present a half-recital in the senior year.

Bachelor of Arts Degree. There is no recital requirement for graduation in the Bachelor of Arts curriculum. BA students must enroll in applied music for at least six semesters.

Keyboard Skills Examination

BME students and BM performance majors must take a keyboard skills examination at the end of the sophomore year. This requirement (for BM students only) may be satisfied by successful completion of MUSA 282 (Piano Class IV). Students who do not successfully complete the examination by the end of the sophomore year may not enroll in junior-level music courses.

Minor in Music

Students may earn a minor in music if they are majoring in an area other than music. For the specific requirements for the minor in music, see the section on Minors.

S/U Option

Music majors are not permitted to utilize the S/U option when registering for music courses.

Minimum Grade Requirement

Music majors must receive a minimum grade of C in every music course (MUSA or MUST) used to meet requirements for a music degree.

The Department of Theatre and Dance offers the Bachelor of Arts Degree in Theatre (with emphases in theatre performance or design and technical theatre) and the Bachelor of Arts degree in Dance. Teacher certification options are available in both theatre and dance. The programs prepare students for a variety of career opportunities and/or graduate study. Winthrop University is an accredited institutional member of the National Association of Schools of Theatre (NAST) and the National Association of Schools of Dance (NASD).

Entrance Requirements

While admission to the BA degrees in Dance and Theatre does not require a formal audition or work review, it is recommended that prospective students in dance or theatre performance complete a placement audition prior to their first semester of enrollment in the program. Similarly, students entering the design and technical theatre emphasis should schedule an interview with the department chair. Audition and interview dates may be scheduled by contacting the Chair, Department of Theatre and Dance.

Theatre and Dance Scholarships

Scholarships are available in both Theatre and Dance. These awards, ranging from \$100 to \$500, are based upon audition or portfolio review as an indication of artistic ability. There are Producers Circle Scholarships for continuing students in amounts from \$100 to \$500 per year. The Florence A. Mims Scholarship is awarded to an exceptional senior theatre student. The Herbert L. Dean Dance Scholarship is awarded to an exceptional junior or senior dance student. The Blair E. Beasley, Jr. Directing Scholarship is awarded to a student who demonstrates excellence in directing.

Graduation Requirements

Students must attain a minimum cumulative grade point average of 2.00 in courses taken at Winthrop University. Students must complete a minimum of 12 semester hours in either DANA/DANT courses (BA degree in Dance), or THRT/THRA courses (BA in Theatre) in residence at Winthrop, and must attain a minimum cumulative grade point average of 2.0 in the major program.

In addition to the required program, students must select and complete a minor and achieve a minimum cumulative grade-point average of 2.0 in all courses counted toward the minor. Within the 124 hours required for this degree, the student must include a minimum of 40 semester hours in courses numbered above 299. Dance majors are required to take at least one technique class each semester.

Minor in Theatre or Dance

The Department of Theatre and Dance offers minors in both theatre and dance. For the specific requirements of the minors, see the section on minors.

In addition to the requirements for their major, students must meet requirements for the Teacher Education Program which include the requirements for Admission to Teacher Education, Entry to the Professional Stage, and Program Completion. For information on these requirements, consult the Student Academic Services in the Riley College of Education.

The PRAXIS II Test, Principles of Learning and Teaching (PLT) is required prior to graduation. Students may take either K-6, 5-9, or 7-12 grade levels.

Dance Education students may have to travel farther than students in other content areas for their field experience and/or internship because there are a limited number of dance education programs with certified teachers in school districts surrounding the Winthrop University campus. The Richard W. Riley College of Education and the Department of Theatre and Dance work together to place students with mentor teachers in appropriate dance education programs. Please consider the need to travel, relocate, and/or make special housing arrangements during the field experience and/or internship semesters.

The PRAXIS II Test, Principles of Learning and Teaching (PLT) is required prior to graduation. Students may take either K-6, or 5-9, or 7-12 grade level.

Theatre Education students may have to travel farther than students in other content areas for their field experience and/or internship because there are a limited number of dance education programs with certified teachers in school districts surrounding the Winthrop University campus. The Richard W. Riley College of Education and the Department of Theatre and Dance work together to place students with mentor teachers in appropriate theatre education programs. Please consider the need to travel, relocate, and/or make special housing arrangements during the field experience and/or internship semesters.
