

The College of Visual and Performing Arts

Jeffrey Bellantoni, Dean

Wanda Ebright, Associate Dean and Director of Graduate Studies

Anna Fredericks, Student Services Director

The College of Visual and Performing Arts provides professional programs for students preparing for careers in the arts and contributes to the arts education of all Winthrop University students. It is one of only seventeen university arts programs in the nation accredited in all of the arts domains.

The College draws on the extensive resources of the University and the Charlotte region of the Carolinas to provide an outstanding milieu conducive to the development of arts professionals. Visual and Performing Arts students have transformative and inspiring experiences in a first-class environment that includes advanced technology laboratories in all the arts, contemporary dance studios, traditional and experimental theatre spaces, an unparalleled music conservatory, and studios in the diverse disciplines of the visual arts. The arts degree programs combine the best of the time-honored academy traditions and the most current and prescient ideas in the arts with the liberal arts education of a comprehensive university.

All professional programs have strong general education components designed to strengthen student understanding of the relationship of the arts to the broader contexts of history and culture as well as the social and physical sciences.

Programs of the College of Visual and Performing Arts serve to enrich the cultural opportunities for all Winthrop University students and the citizens of the Charlotte region of South Carolina and North Carolina.

The College has four departments: Fine Arts, Design, Music, and Theatre and Dance. Each department offers students a wide variety of major concentrations as well as minor programs for those students with primary interests in disciplines outside of the College. Minors include include art, art history, arts management, dance, music, music technology, photography, theatre, and visual design studies.

The College of Visual and Performing Arts offers the following majors which are described in detail under the departmental headings:

Bachelor of Arts: art, art education (K-12 certification), art history, dance, dance education, (K-12 certification) music, music technology, theatre (performance, design/technical theatre, and musical theatre), and theatre education (K-12 certification)

Bachelor of Fine Arts: Studio Arts with single discipline concentration (15 credits) or dual discipline concentration (30 credits): ceramics, jewelry and metals, painting, photography, printmaking, or sculpture; additional subject areas (or courses) outside these disciplines include drawing, interdisciplinary studio, and video; interior design and visual communication design (graphic design and illustration)

Bachelor of Music: performance and composition

Bachelor of Music Education: choral certification (K-12) and instrumental certification (K-12)

Graduate Degree Programs:

Master of Arts: Arts Administration

Master of Fine Arts: Studio Art

Master of Music: Conducting and performance

Master of Music Education

Master of Arts in Teaching: Initial certification (K-12) in art, dance, music, and theatre through the College of Education

Graduate Certificate: Arts Administration

The ABC Project

The Arts in Basic Curriculum (ABC) Project is a statewide collaborative initiative begun in 1987 whose goal is to ensure that every child in South Carolina, from pre-school through college levels, has access to a quality, comprehensive education in the arts, including dance, theatre, music, visual arts, media arts, design and creative writing. ABC is cooperatively directed by the South Carolina Arts Commission, the South Carolina Department of Education, and the College of Visual and Performing Arts at Winthrop University. Since 1993, the ABC Project has collaborated with the South Carolina Department of Education to create academic standards in visual and performing arts, starting with Frameworks in 1993 to the most recent 2017 South Carolina College- and Career-Ready Standards for Visual and Performing Arts Proficiency. From the 2017 standards work, the ABC project coordinated the South Carolina College and Career Readiness in the Arts Task Force which created the a Profile of the South Carolina High School Graduate in the Arts. The ABC strategic plan outlines an arts curriculum taught by certified arts teachers and integrated by other subject area teachers, administrators, professional artists, arts organizations, and community resources, and provides a forum for the development of strategic arts initiatives. Through its work throughout South Carolina schools, ABC serves as the foundation for a broad advocacy coalition for arts education reform in South Carolina.

The Office of Communications and Community Engagement

The Office of Communications and Community Engagement acts as a link between the College of Visual and Performing Arts (CVPA) and local and regional communities by supporting and promoting CVPA events and projects, facilitating and coordinating several outreach programs resulting in a strengthening of the College's public relations, visibility and mission. For more information about the CVPA Office of Communications and Community Engagement, please visit www.winthrop.edu/arts.

Winthrop University Galleries

Winthrop University Galleries present up to 18 professional, faculty, and student exhibitions annually and offers accompanying educational programs, visiting artists, and opening receptions to inspire and enrich the lives of Winthrop students, faculty, staff, and regional audiences. Students also gain hands-on experience working as gallery assistants. WUG has enjoyed regional recognition and continues to strive to serve the campus and community by promoting academic excellence and human understanding through visual art and design. Exhibitions and events are always free and open to the public. There are three galleries in two buildings; the Rutledge and Elizabeth Dunlap Patrick Galleries in Rutledge Building and Lewandowski Student Gallery in McLaurin Hall.

Academic Advising

Academic advising is an integral part of the learning process in the College of Visual and Performing Arts. The role of the academic adviser is to assist the student in making appropriate decisions about academic programs and career goals, provide academic information about Winthrop University and degree programs, and suggest appropriate involvement in on-campus, off-campus, and experiential opportunities.

Freshmen are assigned an adviser during their first semester. Students have a responsibility to schedule regular appointments with the faculty advisor.

The Student Services Director of the College of Visual and Performing Arts facilitates the advisement activities for undergraduate students. The Director's contact information is:

Mission

The Department of Fine Arts prepares students to become professionals in the fields of studio art, art history, and art education. Combining practical experience, lecture and research skills, students build a foundation for a lifetime of creative and intellectual inquiry, personal growth and civic responsibility.

Introduction

The Department of Fine Arts offers both the Bachelor of Arts degree in art, art history, and art with teacher certification, as well as the professional Bachelor of Fine Arts degree in Studio Arts with single discipline concentration (15 credits) or dual discipline concentration (30 credits) in the areas of ceramics, jewelry and metals, painting, photography, printmaking, or sculpture. Additional subject areas (or courses) outside these disciplines include drawing, interdisciplinary studio, and video. The department also offers the Master of Fine Arts in Studio Art degree.

Winthrop University is an accredited institutional member of the National Association of Schools of Art and Design (NASAD). Administrative and faculty offices and faculty and graduate student studios are located in McLaurin Hall. Lecture and studio classes are located in Rutledge Building, with a limited number of classes in McLaurin Hall.

Fine Arts Scholarships and Awards

The Department of Fine Arts offers scholarships to incoming freshmen and transfer students who plan to major in fine arts. Scholarships are available in visual arts, art history, and art with teacher certification. These awards are based upon a review of student work as an indication of artistic and academic ability. Most incoming scholarship awards are given through participation in the Portfolio Competition generally held in early October of each year. For more information, contact the department office or consult the department website.

Minor in Art, Art History, and Photography

The Department of Fine Arts offers minors in art, art history, and photography, primarily for students who are working toward a baccalaureate degree in a program other than fine arts. For the specific requirements of the minors from the Department of Fine Arts, see the section on minors, page 136.

Bachelor of Arts in Art

The Bachelor of Arts in Art degree offers a student the firm foundation in studio and art history coursework that may lead to advanced study in arts programs in academic or secular professions.

Note: No more than 36 hours in any one subject (or course designator) may apply to the BA degree.

See pages 15-17 for additional degree requirements

Bachelor of Fine Arts (Single or Dual Discipline)

The Bachelor of Fine Arts degree is a professional degree designed for students who wish to pursue the visual arts as a profession or for the student wishing to pursue graduate study. Studio Art areas with single discipline concentration (15 credits) or dual discipline concentration (30 credits) include ceramics, jewelry and metals, painting, photography, print-making, or sculpture. Additional subject areas (or courses) outside these disciplines include drawing, interdisciplinary studio, and video.

B.F.A. students must enroll and participate in ARTT 300, Sophomore Portfolio Review, by the end of the second year or before completion of 75 credit hours.

Entering students who display exceptional ability, evident in a portfolio of work reviewed by a faculty committee, may proceed to ARTS 200-level course(s). The faculty committee will determine whether any courses may be exempted. Students will take replacement ARTS Elective course(s) to fulfill the required hours in the major.

The student must complete a minimum of 21 semester hours of ARTS courses in residence at Winthrop University.

Foundation Portfolio Review

Foundation Review Requirements: Except for the B. A. in Art History degree, a review of student proficiency in Foundational Studies is required of Department of Fine Arts majors, including B.A.-Art, B.A.-Art Education with Teacher Certification, and all B.F.A. concentrations. All must enroll in the Foundation Review (ARTT 200) prior to enrollment in ARTS courses numbered 399 and above. Required of all first year Art majors.

Sophomore Portfolio Review

The Sophomore Portfolio Review is designed to measure the suitability of B.F.A. students for advanced-level studio courses and B.A. in Art with Teacher Certification students for content skills. Students enrolled in the B.F.A. program must select a studio emphasis in Fine Arts and make application for admittance to that area usually during the second semester of their sophomore year. For formal admission into the junior year B.F.A. professional programs, a student must have met the following criteria: (1) completion of the recommended lower level curriculum requirements, having earned not less than a 2.5 grade point average in ARTS, ARTT and ARTH courses, (2) approval of portfolios by the Departmental Portfolio Review Committees, and (3) passage of Sophomore Portfolio Review.

In general, the Sophomore Portfolio Review will measure anticipated success in the discipline by looking for signs of independence, thoroughness of research and discipline, and transfer of skills and knowledge. While students may have been successful in earning grades in previous course work by meeting minimum standards, completing work on time, and participating in class activities, it should be realized that the Sophomore Portfolio Review is based on the assessment of the work in the portfolio alone.

The Sophomore Portfolio Review will take place in April of the Sophomore-level year and in August and January just prior to the beginning of the fall and spring semesters. The student is responsible for obtaining the Sophomore Portfolio Review application packet and attending the mandatory meeting as posted by the departmental office. After passage, a student may not change a B.F.A. emphasis without passing a Sophomore Portfolio Review in the new emphasis of choice. Non-B.F.A. students above the sophomore level may not change into the B.F.A. program without permission of the department chair. Students should communicate with the departmental office for more information.

Transfer Students

In order to comply with NASAD (National Association of Schools of Art and Design) standards, the Department of Fine Arts policy includes a portfolio review of art work produced in studio courses at other schools. This is required of all transfer students who wish to receive studio credit for similar courses. The purpose of a transfer portfolio review is to determine the proper level of placement into the degree program of choice. The review is conducted by a faculty committee at the start of the student's initial semester.

The Department of Design offers the professional Bachelor of Fine Arts degree in two areas, Interior Design and Visual Communication Design. Winthrop University is an accredited institutional member of the National Association of Schools of Art and Design (NASAD) and the Interior Design program is accredited by the Council for Interior Design Accreditation (CIDA). Administrative and faculty offices and studios are located in McLaurin Hall.

Design Scholarships and Awards

Scholarships are available for students majoring in both Interior Design and Visual Communication. Dean's Meritorious Scholarships (DMS) are intended for new incoming and transfer students. DMS are awarded based on a review of student design work by a faculty committee. Additionally, endowed foundation scholarships and awards are available and are awarded to continuing students and graduating seniors based on a variety of criteria. The specific criteria for the award(s) and amount varies depending on the program of study and classification of the award. Decisions as to the awarding of a scholarship are typically made beginning in January of the year that a student begins study at Winthrop, with the possibility of some additional awards being distributed just prior to the Fall semester. Contact the department office or consult the department website for more information.

Transfer Students

Content and sequencing of applied design programs vary greatly among institutions, and coursework having similar titles may or may not be comparable in content. A portfolio review of design work produced in studio courses at other (non-articulated) schools is required of transfer students who intend that work to apply toward their degree at Winthrop. The purpose of a transfer portfolio review is to determine the applicability and proper level of placement into the degree program of choice. The review is conducted by a faculty committee at the start of the student's initial semester. Transfer students are advised to request a copy of the department's Portfolio Review Requirements for further details.

Bachelor of Fine Arts

The Bachelor of Fine Arts degree is a professional degree intended for students who wish to pursue careers in applied design professions or for the student who later wishes to pursue graduate study. Degree programs include Interior Design or Visual Communication Design, which consists of concentrations in Graphic Design and Illustration. The department additionally offers an Interactive Media track of study as part of the Digital Information Design program housed within the College of Business. (For more information on the Interactive Media degree program, refer to the DIFD program information, found under the College of Business Administration, page 78.)

Students may take courses in their intended major prior to being accepted to that major; however, students may not register for studio courses numbered above INDS 300 or VCOM 300 without passing the Specialization Portfolio Review. The student must maintain a minimum cumulative grade-point average of 2.00 or better in program coursework taken at Winthrop. The student must complete a minimum of 21 semester hours of program courses in residence at Winthrop University.

Specialization Portfolio Review (DESF 300)

The Specialization Portfolio Review is designed to measure the suitability of B.F.A. students for advanced-level program courses. Requirements for the Review vary by degree program but in general, to be eligible for the review, students must have completed (or have in progress) the courses required for the review and must have achieved a final course grade of C+ (or better) in all studio courses required for the review. In general, the Specialization Portfolio Review will measure anticipated success in the degree by looking for signs of independence, thoroughness of research and discipline, and transfer of skills and knowledge. While students may have been successful in earning acceptable grades in coursework by meeting individual class standards, it should be understood that the Specialization Portfolio Review is based on the qualities of the work as it is presented in the student's portfolio during the Review.

Students register to take the Specialization Portfolio Review (DESF 300) in the same semester in which they anticipate completing the courses required for the review. The Review is offered three times per year, at the conclusion of Fall, Spring, and Summer terms. Passage of the Specialization Portfolio Review constitutes acceptance into the major and allows the student to enroll in studio program courses numbered above the 300 level. After passing the review, a student may not change a B.F.A. concentration without passing a Specialization Portfolio Review in the new concentration of choice. Non-B.F.A. students above the sophomore level may not change into the B.F.A. program without passage of the review for the intended area. Students should communicate with the department office for more information. Studio courses numbered above INDS 300 and VCOM 300 have a prerequisite of successful completion of the Specialization Portfolio Review for that program.

Mission

It is the mission of the Department of Music at Winthrop University to offer nationally accredited music programs that provide students with opportunities to explore their intellectual and creative potentials through liberal arts, music education, and music performance degrees to prepare them for a life of professional, academic, and community service.

Introduction

The Department of Music offers three undergraduate degree programs: the Bachelor of Music degree in performance or composition, the Bachelor of Music Education degree with concentrations in choral or instrumental music, and the more general Bachelor of Arts degree in music or music technology. In addition, the department offers both the Master of Music and Master of Music Education degrees, as described in the *Winthrop University Graduate Catalog*.

Winthrop University is an accredited institutional member of the National Association of Schools of Music. The department offers professional instruction in musicianship, performance, and pedagogy for students planning careers in music. Opportunities for musical experiences are provided for the general college student as well.

The Department of Music is housed in the Conservatory of Music. The adjacent 3,500 seat Byrnes Auditorium has an historic 70-rank, four-manual pipe organ by Aeolian-Skinner, renovated in 2009. The facilities in the Conservatory include Barnes Recital Hall, practice rooms, faculty offices, studios, classrooms, and rehearsal rooms.

The Music Library, located in 235 Dacus Library, has a full-time music librarian and a staff of assistants who help students in the use of scores, recordings, and audio-visual technology. The Computer Music Laboratory, located in O14, Dacus Library, includes facilities and equipment for composition and sound design.

For more information on the Department of Music, please visit www.winthrop.edu/cvpa/music/.

Admission

To be admitted as a music major, a student must perform an entrance audition that demonstrates background in applied music sufficient to meet the performance requirements of first-year applied music study at the collegiate level. Students may be admitted as music majors on "condition" which must be removed by the end of two semesters of study for the student to continue as a music major. In addition, all entering music majors take a basic music skills examination. Entrance auditions and placement tests are given during the spring semester and summer orientation sessions.

For a complete listing of requirements for admission to the Teacher Education Program, consult the Riley College of Education section of this catalog, page 83.

Entrance Audition

Bachelor of Music Degree. Entrance audition requirements for specific performance areas of applied music study may be found on the departmental website. Students auditioning for the B.M. degree are expected to demonstrate technical facility and musicianship which distinguish the student as one who can fulfill the rigorous performance requirements in this professional program.

Bachelor of Music Education and Bachelor of Arts Degrees. Entrance audition requirements for the B.M.E. and B.A. degrees may be found on the departmental website. Students should be prepared to demonstrate their performance ability effectively by performing compositions of different styles.

Music Scholarships

The Department of Music that offers a broad range of music scholarship opportunities for qualified freshmen and transfer students who demonstrate a high level of achievement in music performance and plan to major in music. All scholarships are selected through competitive auditions and are renewable for a period of up to four years (2-4 years for transfer students). Additional information on music scholarships is available on the website.

Performance Requirements for Graduation

Bachelor of Music Degree. Majors in the B.M. program must present a half-recital in the junior year and a full recital in the senior year.

Bachelor of Music Education Degree. Students in the B.M.E. program must present a half-recital in the senior year.

Bachelor of Arts Degree. There is no recital requirement for graduation in the Bachelor of Arts curriculum. B.A. students must enroll in applied music for at least six semesters.

Keyboard Skills Examination

B.M.E. majors and B.M. performance majors must take a keyboard skills examination at the end of the sophomore year. B.M. students may satisfy this requirement through successful completion of MUSA 282 (Piano Class IV). B.M.E. students who do not successfully complete the examination by the end of the sophomore year may not enroll in junior-level music courses.

Jazz Studies Focus Program

The Jazz Studies Focus Program is designed for undergraduate music majors who wish to pursue a focus in jazz studies in their degree program. It consists of performance-oriented courses that introduce the student to learning jazz repertory on his/her major instrument, playing jazz standards, improvising through guided performance practices, exploring jazz theory and nomenclature, and experiencing writing for jazz combos and large jazz ensembles. For more information on the Jazz Studies Focus Program, consult the *Undergraduate Music Student Handbook*.

Performance Focus Program

The purpose of the Performance Focus program is to offer those undergraduate students enrolled in music degree programs other than music performance, and who meet the quality standards of a performance major, an option to earn a Performance Focus while being enrolled in a Bachelor of Arts in Music or Bachelor of Music Education Choral or Instrumental degree program. More information on this program is available in the latest edition of the *Undergraduate Music Student Handbook*.

Minors in Music and Music Technology

Students may earn a minor in music or music technology if they are majoring in an area other than music. For the specific requirements for the minor in music, see the section on minors, page 136.

Sophomore Review

The purpose of the Sophomore Review is to evaluate all music performance and music education candidates for eligibility for entry into junior level courses. These students will stand for the Sophomore Review during their fourth semester as a music major (normally the second semester of their sophomore year, or the semester during which they will complete 60 semester hours). This review will be administered by the Music Education Committee or the appropriate applied music committee in the Department of Music. Successful completion of the Sophomore Review is required before a student will be permitted to enroll in junior-level music education courses (i.e., MUST 317, 590, and 300-level applied music) or applied study (i.e., MUSA 311_).

Bachelor of Arts in Music

It is the purpose of the Bachelor of Arts degree with a major in Music to provide students with a general music education within a liberal arts setting. Students will acquire and expand their knowledge of musicianship and performance which serve to develop their creative and musical potentials.

Bachelor of Music Education in Music with a Concentration in Choral Certification

It is the purpose of the Bachelor of Music Education degree with Choral Certification to provide students with a comprehensive music program of study where they will have the opportunity to develop their creative and musical potentials; acquire skills in and expand their knowledge of performance, musicianship, analysis and synthesis; and to prepare them for a career in music education or for advanced study in music. This degree leads to certification as a PK-12 elementary or choral music educator.

Bachelor of Music Education in Music with a Concentration in Instrumental Certification

It is the purpose of the Bachelor of Music Education degree with Instrumental Certification to provide students with a comprehensive music program of study where they will have the opportunity to develop their creative and musical potentials; acquire skills in and expand their knowledge of performance, musicianship, analysis and synthesis; and to prepare them for a career in music education or for advanced study in music. This degree program leads to certification as a PK-12 elementary, band or orchestral music educator.

The Department of Theatre and Dance offers the Bachelor of Arts Degree in Theatre (with concentrations in theatre performance, design and technical theatre, or musical theatre) and the Bachelor of Arts degree in Dance. Teacher certification options are available in both theatre and dance. The programs prepare students for a variety of career opportunities and/or graduate study. Winthrop University is an accredited institutional member of the National Association of Schools of Theatre (NAST) and the National Association of Schools of Dance (NASD).

Theatre and Dance Scholarships

Scholarships are available in both Theatre and Dance. These awards, ranging from \$500 to the full cost of tuition per year, are based upon audition or portfolio review as an indication of artistic ability. There are Producers Circle Scholarships for continuing students in amounts from \$200 to \$1000 per year. The Blair E. Beasley, Jr. Directing Scholarship is awarded to a student who demonstrates excellence in directing. The Martie Curran Scholarship is awarded to an exceptional theatre major. The Mary Howey Deckle Scholarship is awarded to one exceptional theatre student. The Lyssa Rauch Scholarship is awarded to an exceptional theatre education senior or graduate student. The York County Ballet Dance Scholarship is awarded to an exceptional dance major. The City of Rock Hill Christmasville Dance Scholarship is awarded to a continuing dance major.

Graduation Requirements

Students must attain a minimum cumulative grade point average of 2.00 in courses taken at Winthrop University. Students must complete a minimum of 12 semester hours in either DANA/DANT courses (B.A. degree in Dance), or THRT/THRA courses (B.A. in Theatre) in residence at Winthrop, and must attain a minimum cumulative grade point average of 2.00 in the major program. Dance and Theatre majors must earn a grade of C- or better in all courses in their major program. Dance majors are required to take at least one technique class each semester.

In addition to the required program, students must select and complete a minor and achieve a minimum cumulative grade-point average of 2.00 in all courses counted toward the minor. Within the 120 hours required for this degree, the student must include a minimum of 40 semester hours in courses numbered above 299.

Minor in Theatre or Dance

The Department of Theatre and Dance offers minors in both theatre and dance. For the specific requirements of the minors, see the section on minors, page 136.

*A grade of C or better must be earned and cannot be taken on the S/U basis.

In addition to the requirements for their major, students must meet requirements for the Teacher Education Program which include the requirements for Admission to Teacher Education, Entry to the Professional Stage, and Program Completion. For information on these requirements, consult the Student Academic Services in the Riley College of Education.

Passage of the **PRAXIS II** Series content area examinations is required prior to entry into the professional stage for all candidates in the teacher education program. For the most current PRAXIS information required for test(s) in your content area, visit the South Carolina Department of Education website: <https://ed.sc.gov/educators/certification/>.

Dance Education students may have to travel farther than students in other content areas for their field experience and/or internship because there are a limited number of dance education programs with certified teachers in school districts surrounding the Winthrop University campus. The Richard W. Riley College of Education and the Department of Theatre and Dance work together to place students with mentor teachers in appropriate dance education programs. Please consider the need to travel, relocate, and/or make special housing arrangements during the field experience and/or internship semesters.

The department offers the Internship I placement during the fall semester only, requiring students to complete Internship II placement during the following spring semester. Students should plan their academic progress carefully in conjunction with faculty supervisors.

READ 345* or 346*	Content Area Read/Write	3
Electives		0-6
Total		120

*A grade of C or better must be earned and cannot be taken on the S/U basis.

In addition to the requirements for their major, students must meet requirements for the Teacher Education Program,

which include the requirements for Admission to Teacher Education, Entry to the Professional Stage, and Program Completion. For information on these requirements, consult the Student Academic Services in the Riley College of Education.

Passage of the PRAXIS II Series content area examinations is required prior to entry into the professional stage for all candidates in the teacher education program. For the most current PRAXIS information required for test(s) in your content area, visit the South Carolina Department of Education website: <https://ed.sc.gov/educators/certification/>.

Theatre Education students may have to travel farther than students in other content areas for their field experience and/or internship because there are a limited number of theatre education programs with certified teachers in school districts surrounding the Winthrop University campus. The Richard W. Riley College of Education and the Department of Theatre and Dance work together to place students with mentor teachers in appropriate theatre education programs. Please consider the need to travel, relocate, and/or make special housing arrangements during the field experience and/or internship semesters.

The department offers the Internship I placement during the fall semester only, requiring students to complete the Internship II placement during the following spring semester. Students should plan their academic progress carefully in conjunction with faculty supervisors.

See pages 15-17 for additional degree requirements

Bachelor of Arts in Theatre: Musical Theatre Concentration

General Education Courses		Semester Hours
ACAD 101	Principles of the Learning Academy	1
Shared Skills and Proficiencies
