The **Estimated Degree Progress bar** is a visual approximation of the student's progress toward their degree. It included courses and other milestones that are required by the academic catalog.

The **Degree block** shows an overview of the specific requirements that you need to complete your degree. It includes your minimum GPA requirements, academic standing, major requirements check, minimum hour check, Cultural Events check, catalog, and overall hours required for degree completion.

The **major requirement block** will not be checked until everything in the block, including any concentration courses, are completed.

Program requirements are dependent on the student's catalog year.

Incomplete, Withdrawn, Repeated and Failed Courses

ARTT 300 Sophomore Portfolio Review

**Withdrawn, Repeated, and Failed** courses pertain to any course that a student has failed, withdrawn from, or any original attempts at a course that has been retaken. **Incompletes** are courses that have not been completed, for a valid reason, that the instructor reserves the right to raise the grade for if the incomplete work is completed within one year, or an earlier date specified by the instructor.
