Volleyball Rules

Intramural Sports

NFHS rules will be used with some in-house modifications.

Rule One: The Game, Court, Players

Section One: General Provisions

A. Eligibility
   1. This activity will be conducted according to the eligibility rules set forth in the Intramural Sports Participant Guide.
   2. All participants must present their own Winthrop photo identification card (Winthrop ID) to the Sport Supervisor at the playing site prior to participating in each Intramural Sports contest. Sport Programs will not accept any other form of identification (i.e., driver’s license, passport, social media profile photos, etc.). Players without a Winthrop-issued ID will not be permitted to play.
   3. The participation by an ineligible player will subject the offending team to forfeiture of the contest and possible removal from the league.

B. Players
   1. The game shall be played between two teams of six (6) players each.
   2. A team may begin a game with a minimum of four (4) players.
   3. A team may have a maximum of 12 players on the roster. Players who have not participated may be removed from the team roster prior to the roster freeze date (see IMLeagues).
   4. The jurisdiction of the Sport Programs staff begins when a team or player enters the facility and ends when the team or player leaves the property. During this time, participants are expected to treat all Sport Programs staff, opponents and Recreational Services property with respect.
   5. The use of alcohol and/or tobacco is strictly prohibited.

C. Sportsmanship Rating
   1. Participants and spectators are expected to demonstrate positive sportsmanship towards other teams and staff members at all times. At the conclusion of each game, teams will be assigned a sportsmanship rating that reflects the team’s overall conduct for that night.
   2. In order to be eligible for the playoffs, a team must have a sportsmanship rating average of at least 3.00 at the conclusion of the regular season.
   3. During the playoffs, teams who receive a sportsmanship rating below three (3) will be placed on probation. A second rating below three (3) during the same playoffs will result in forfeiture for the offending team.

A four (4) is given when the team cooperates fully with the Sport Programs staff and the opponent. If necessary, the team captain speaks calmly with Sport Programs staff regarding questions or rule interpretations.

A three (3) is given when the team displays a few lapses in sportsmanship but receives no unsportsmanlike conduct penalties. The captain remains in control of the team at all times without being prompted by staff.

A two (2) is given when the team displays somewhat frequent lapses in sportsmanship, and the team captain does very little to assist in alleviating the problem. This is the highest sportsmanship rating a team can receive after being assessed an unsportsmanlike conduct penalty.

A one (1) is given when the team receives one ejection and/or multiple unsportsmanlike conduct penalties. The team captain has little or no control over the team, is part of the problem and/or is unwilling to work with staff. This is the rating a team receives for a game ended due to unsportsmanlike conduct penalties alone.
