RESIDENCE LIFE COMMUNITY AGREEMENT

Mission:

The Department of Residence Life, is dedicated to supporting and encouraging the personal development and academic success of each student in our residential community through purposeful programs and services that complement the total educational experience at Winthrop University.

Educational Priorities:

- **Academic Excellence** - Residential students will be members of an environment that promotes learning outside of the classroom through faculty interactions and an emphasis on university resources while also supporting the connection between academic and personal growth.
- **Self-Development** - Residential students will develop communication skills and conflict management skills needed to effectively navigate challenges and opportunities while taking ownership of their choices.
- **Community Commitment** - Residential students will engage in meaningful interactions and build diverse relationships to develop appreciation for shared experiences and a respect for their community.
