

Office of Residence Life

We are eager to welcome you to campus for Fall 2021!

Please read this email in its entirety for critical check-in and COVID-19 compliance information.

You are receiving this email because you will be living on campus. We will be following a staggered check-in process. **The dates for move in are August 19 and 20 for new students and August 21 and 22 for returning students.** You can select an open time slot as you follow the Eaglesnest Pre Check-in procedures below. The sooner you complete those steps, the greater your chance of getting your preferred appointment time.

Centralized check in begins at the south entrance of the Winthrop Coliseum along Lake Drive proceeding to the Shack. Pay close attention to signage as it will direct you towards the stations for check-in.

Step-by-Step Eaglesnest Pre Check-in Procedures

Please follow these steps as soon as possible:

1. Log onto Wingspan > Eaglesnest Housing
2. Click on the "Residence Hall Pre Check-In Process."
3. Complete the following steps **IN ORDER**. Access to each step is contingent on completion of the previous step. Note: If you cannot access the Pre Check-In Process (students moving on campus for the first time this year), you will need to acknowledge the COVID-19 Housing Addendum first.
4. The final step of the Residence Hall Pre Check-In Process will consist of selecting your appointment time. Appointment times are on a first come, first served basis.
 1. Upon completing the last step, **you will receive a confirmation email** confirming that you have completed the Pre Check-In procedures. **KEEP THAT EMAIL**, as it will have your check-in appointment information. It is important that you complete this process as soon as possible.

Your confirmation email will have more specific details about how to check-in and how to upload your COVID-19 test or completed vaccination results to the Patient Portal.

REQUIRED Action Items to Complete Prior to Your Scheduled Check-in Date

Residence Life and Health Services have modified check-in requirements to ensure students are compliant with COVID-19 health and safety regulations for the residence halls. For your health and the health and safety of the community, you **MUST** comply with one of two options described below before 5:00 PM, 48 hours prior to your scheduled move-in time to be allowed to move into your 2021-22 housing assignment. **Please CAREFULLY READ your confirmation email IN ITS ENTIRETY for your respective upload requirements.**

- 1. Option 1. Completed full COVID Vaccination with two-week immunity period.** Upload the completed front of your vaccination card to the [Patient Portal](#) no later than 5:00 PM, 48 hours before your scheduled move-in date and time. If you have already completed vaccination, upload your vaccination card now. In addition to helping protect you from potential serious illness, vaccination contributes to the overall health and wellbeing of our Winthrop community. Provided you are symptom free, fully vaccinated students will experience fewer restrictions on campus, as well as avoid the potential of having to quarantine and miss classes or work if exposed.
- 2. OR Option 2. Evidence of a negative COVID-19 test.** If not fully vaccinated, you are **REQUIRED** to have a COVID-19 test administered no more than five (5) days prior to your scheduled move-in date. The COVID-19 test results must be upload to the [Patient Portal](#) **NO LATER** than 5:00 PM, 48 hours before your scheduled move-in date. Only PCR or rapid antigen test results will be accepted; antibody tests will not be accepted. If you test positive you must upload the positive test result in the Portal and schedule a Health Services phone triage appointment. Under 'reason' select COVID-19. After speaking to a nurse, you must also contact Residence Life to reschedule your move-in date.

Follow Pre Check-in Procedures on Eaglesnest (instructions above), including:

- Quarantine and isolation plan. Students are required to leave campus for quarantine and isolation, so it is important to have a plan in place ahead of time.
- Sign up for a check-in appointment date/time for August 19, 20, 21 or 22. **It is important you complete these steps prior to August 10, 2021.**

Additional Information and Updates

- For complete details and any updates on residence hall move-in (including appropriate COVID-19 test dates), visit the [Residence Life move-in web page](#).

- For general information and updates on COVID-19 testing visit Health and Counseling Services [website](#).

Thank you for reading this complete email. If you have questions, please email Residence Life residencelife@winthrop.edu.

We look forward to seeing you soon!

Sincerely,

Department of Residence Life
