**Registration Holds**

Having a registration hold on your account will prevent you from registering for upcoming semesters.

- These are typically applied following the last day to Withdraw or S/U.
- Your balance must be below $1,000 to register for courses.

**Fee Payment Deadline**

Deadline dates vary, access the Billing Schedule on the SFS Webpage under Payment Deadlines. Students must do one of the following by the Fee Payment Deadline in order to protect their course schedule from being dropped:

- Tuition & Fees covered in full by Financial Aid and/or Outside Loans
- Tuition & Fees paid in full
- Enroll in a Payment Plan and make the first payment

**Frequently Asked Questions**

**How do students view their Winthrop eBill?**

E-Bills are e-mailed to the student’s Winthrop e-mail address according to the billing schedule located on the SFS webpage. Students may also view their current charges, payments, any anticipated Financial Aid, download Statements, and enroll in Payment Plans by logging into Wingspan then clicking Account Summary and Payments (to the upper left). Students should direct questions to SFS.

**What happens if payments are not made or arranged by the Fee Payment Deadline?**

A late fee may be imposed and, if not paid, the student’s course schedule will ultimately be dropped. Students will then have to re-register for classes and pay their fees. However, Winthrop cannot guarantee that students will be able to re-register for the same courses they were previously enrolled in.

**What if I have a balance at the end of the term?**

*Registration & Transcript holds* are applied to student accounts following the last day to Withdraw or S/U from courses. Your balance must be below $1,000 to register for the next semester, and $0 to acquire transcripts.

**How do I make a payment?**

Pay online through Account Summary & Payments on Wingspan or the SFS Cashiers Window (21 Tillman Hall). SFS does NOT accept credit card payments at the payment window, by mail, or telephone.
