THE BYLAWS OF THE GRADUATE FACULTY ASSEMBLY OF WINTHROP UNIVERSITY

(Ratified by Faculty Conference 4-21-75 and 9-27-77; amended 4-12-77, 4-05-79, 4-09-81, 4-20-88, 2-28-92, 2-13-98, 8-20-04, 4-24-09)

Article I - Name

The name of this organization shall be the Graduate Faculty Assembly of Winthrop University, hereinafter referred to as the Assembly.

Article II - Responsibilities

Section 1 The Assembly shall be responsible for: (1) its own organization and procedures as provided in these *Bylaws*; (2) the Winthrop University graduate academic programs, policies, and regulations, within limitations prescribed by the Faculty Conference of Winthrop University; and (3) such additional matters as shall be referred to it by the Faculty Conference of Winthrop University, by the President of Winthrop University, or by the Vice President of Academic Affairs of Winthrop University.

Section 2 The Assembly shall create and instruct subordinate councils and committees, standing and select, and shall periodically review the major decisions of its subordinate bodies.

Section 3 The Assembly shall be the principal legislative body of the graduate faculty. All actions of the Assembly shall be subject to review by the President of the University. Any disapprovals shall be communicated to the graduate faculty with reasons therefore, within thirty days. By a majority vote, the Assembly may charge the Chair of Graduate Faculty Assembly to communicate concerns regarding such disapprovals to the Board of Trustees. (8-25-09)

Article III - Membership

Section 1 Upon recommendation of the Graduate Council, the Assembly shall establish criteria for membership in graduate faculties. The application form with stated criteria is available in the Graduate School Office. The academic deans shall nominate for membership in the Assembly those persons who qualify under those criteria and the Dean of the Graduate School shall be responsible for reviewing the application for conformity with the established criteria. The Graduate Council will vote on the appointment and announce the outcome to the Graduate Faculty Assembly. Performance of limited graduate duties on a temporary basis does not in itself constitute eligibility for membership in the Assembly. (Amended by Faculty Conference, 4-09-81, 8-20-04, 4-24-09, 4-17-15)

Section 2 The criteria for membership in the Graduate Faculty Assembly are:

- A. Hold highest degree awarded in discipline. In some cases, experience and high production may substitute for the degree.
- B. Have one year of graduate-level service to the institution to be a combination of teaching, scholarly research/contributions to the field, and service. The year of graduate-level service need not occur in consecutive semesters; teaching could also constitute a wider set of pedagogical activities, such as managing theses or graduate-level research projects, participating in curriculum or course development, advising graduate students, or committee

APPENDIX I: FACULTY GOVERNANCE

work; credit from previous institutions may be counted. Graduate-level classes are defined as 600-level courses or 500-level courses with graduate students enrolled.

- C. Submit a recommendation, including a statement or comments and a signature, from the department chair, dean of the appropriate college, and the Graduate Council.

When a graduate faculty member is preparing for post-tenure review or in the sixth year after the initial granting of graduate faculty status, the faculty member will submit documentation of continued teaching, research and contributions on the graduate level to the Dean of the Graduate School. The Graduate Council will vote on the application and announce the outcome to the Graduate Faculty Assembly. This documentation will consist of completing a new application form to demonstrate continued engagement with graduate level teaching, research, and/or contributions to the field. New eligibility requirements will not pertain to Winthrop faculty with graduate faculty status granted prior to August 2009.

Article IV - Officers

Section 1 The Chair of the Assembly shall be elected biennially at a spring meeting by the Assembly from among its own membership. Only tenured faculty members of the Graduate Faculty Assembly are eligible to serve as Chair of the Assembly. A vacancy in the office shall be filled by election of the Assembly for the unexpired term. Deans, the Chair of the Graduate Council, and untenured members of Graduate Faculty Assembly shall be ineligible to serve as Chair. (Amended 4-24-09, 4-17-15)

Section 2 The electoral procedure for the Chair is as follows:

- A. **Nomination:** Graduate Council will nominate at least two persons and circulate these names to the faculty prior to the meeting at which the election will be held. Additional nominations may be made from the floor with consent of the nominee.
- B. **Voting:** In an election in which there are more than two candidates for one position or multiple candidates for multiple positions, voters shall rank the candidates in order of preference, with the favorite candidate receiving rank 1, the second favorite receiving rank 2, and so on. Ballots in such elections not marked with numerical ranks, or in which a numerical rank is not assigned to each candidate, shall be discarded.
- C. **Absences:** Balloting will be done during the Graduate Faculty Assembly meeting. Those faculty members who are absent may cast their ballots in the office designated by the secretary of Graduate Faculty Assembly before noon of the following business day.
- D. **Custody and counting:** Custody and counting of ballots shall be the responsibility of the secretary of Graduate Faculty Assembly, who will tally the votes with the assistance of a member of Graduate Council and a faculty monitor designated by the Rules Committee of the Faculty Conference. Neither the faculty monitor nor the Graduate Council member may be a candidate in that election.
 - D.1. In an election in which there are two candidates for a single position, a simple majority is required to elect a candidate.
 - D.2. The following method of tallying votes (referred to as “the Kerley method”) is used

APPENDIX I: FACULTY GOVERNANCE

to determine the results of an election in which there are more than two candidates for one position or multiple candidates for multiple positions. This method counts the ballots in a series of rounds. Each round eliminates one candidate.

D.3. Before tallying the votes in each round, the following alterations shall be made to the ballots:

- (1) Gaps in the rankings on a ballot (caused, for example, by the elimination of a candidate) shall be removed by moving lower-ranked candidates up in their rankings. For example, if there were five candidates in an election and the ballot had the candidates ranked 2, 1, 4, 5, then this ballot would be changed to rank the candidates 2, 1, 3, 4.
- (2) If all of the candidates ranked on a ballot have been eliminated in previous rounds, then that ballot shall be discarded.
- (3) If a voter has assigned the same rank to two different candidates in the same election, the ballot shall be discarded when all candidates ranked higher than those assigned the same rank have been eliminated.

D.4. The number of ballots giving each candidate a rank of 1 shall be tallied.

D.5. The candidate receiving the least number of rank 1 ballots shall be eliminated from the election. The ballots giving a rank of 1 to the eliminated candidate shall be altered to remove the eliminated candidate, and these ballots shall be added to the tallies of the remaining candidates using Steps D.3 and D.4.

D.6. Ties:

- (1) If, in step D.5, two or more candidates tie for the least number of rank 1 ballots, this tie shall be broken by the number of rank 2 ballots for each candidate. The candidate having the lowest number of rank 2 ballots shall be eliminated. If there is a tie in both rank 1 and rank 2 ballots, the number of rank 3 ballots shall be used to break this tie, and so on.
- (2) If there is a tie in the number of rank 1 ballots after only two candidates remain, the faculty monitor shall break the tie by the flip of a fair coin, or otherwise by equal chance.

E. **Notification and results:** As soon as votes are tabulated, both winning and losing candidates will be notified of the outcome by the Secretary of the Graduate Faculty Assembly. Complete election results will then be distributed to the faculty by the Secretary of the Graduate Faculty Assembly. (Amended 4-24-09)

Section 3 The Chair of the Graduate Council shall be the presiding officer of the Assembly when the Chair is absent or chooses not to preside. (Amended 4-20-88)

At least one meeting shall be held each semester, and special meetings shall be held at the call of the Chair of the Assembly or of the Graduate Council or of ten percent of the members of the Assembly. (Amended 4-24-09)

Section 2 A quorum shall consist of 25 members of Graduate Faculty Assembly.

A. At the beginning of each meeting of the chair of Graduate Faculty Assembly shall determine if a quorum is present. If a quorum is not present, the conference shall be able to conduct business subject to the following conditions:

It shall have the authority to act on recommendations from a college to change graduate curricular requirements as specified in Article XII below . Such actions, with the exception of decisions on graduate petitions, shall be communicated promptly to the graduate faculty and may be modified or reversed by the Assembly. Meetings of the Graduate Council and its subordinate committees shall be announced to the graduate faculty members in advance and, except when considering graduate petitions, shall be open to all members of the Assembly. Following each meeting of the Graduate Council, a report of its actions shall be communicated promptly to the members of the Assembly. (Amended 9-27-77, 4-20-88, 4-24-09, 4-17-15)

Section 2 The Graduate Council shall be responsible for recommending to the Assembly a suitable schedule of regular council meetings, for calling special meetings of the Assembly, for inviting guests to meetings of the Assembly, and for recommending to the Assembly appropriate changes in the organization and procedure of the entities established under the authority of these *Bylaws*.

The terms of the voting members of the Graduate Council shall be staggered as determined by regulations adopted by the Assembly. If a member ceases to serve, his or her successor shall be appointed or elected for the unexpired term only. A voting member may not serve more than two complete terms in succession. No faculty member shall be eligible to serve as a voting member unless he/she has served two years as a graduate faculty member at Winthrop University immediately preceding his or her service. The Chair of Graduate Council must have at least two years as a graduate faculty member as well as one year service on Graduate Council. (Amended 4-17-15)

Two graduate students representing the graduate student body at Winthrop University shall be members of the Graduate Council. One of the student members shall be appointed from one college and the other appointed from another college for their terms of service.
