Approval of Minutes:
- Staff Assembly minutes of February 6 were approved.
- Staff Conference minutes of February 20 were approved.

Daphne Sears, Program Assistant, Facilities Design & Development was introduced and welcomed. She is taking the place of Jessica Cassel who left Winthrop.

Julia had no Special Events submissions.

Jackie presented the Treasurer’s report. Our annual budget is $1200. We have spent $75. This amount was for the cookie exchange. The person that decorated the cookies did not submit their invoice until the new fiscal year resulting in the amount coming from this year’s budget.

Pam Varraso turned in a proposal for Maria to present to the President regarding the Come See Me Festival funds. Since this is a campus/community wide event, she would like the funds to come from the President. She has obtained some donations from the community for this event. Pam has approached Neil Miller to see if he can become involved with this and assist next year. If we provide the funds, it would be $700 from our budget, which we cannot afford.
