FOCUS OF OUR WORK

We have compiled our **Fourth Staff Conference Annual Report** to summarize milestones and successful accomplishments for the year.

Over the past year, the focus has been:

- Promoting and advocating for the welfare, interest, and diversity of all staff;
- Promoting staff engagement and providing opportunities to increase staff participation; and
- Promoting communication.

These areas of focus support our mission and build upon our work.

We encourage you to read about all that we have achieved together-- as Winthrop staff!

2017-18 MILESTONES & ACCOMPLISHMENTS

- Staff Assembly added educational elements about its six standing committees to Staff Conference and overhauled the Elections and Nominations Committee to expand its mission and address **diversity and inclusion**, major aspects of the Winthrop Plan (3.1).
- Staff Assembly created a **treasurer position** and **budget plan** to allocate funds for the year. This ensures staff are being fiscally responsible, another tenet of the Winthrop Plan (5).
- In Sept. 2017, Staff Assembly **added visual aides to its Staff Conference meetings to emphasize relevant information**, which are later added to the website. Meeting highlights were also added to Staff Stuff, all to keep staff better informed.
- In Oct. 2017, Staff Assembly provided the Office of Accessibility a forum to award its new **Staff Advocate of the Month Award**. This recognizes a staff member who has gone above and beyond for students using the Office of Accessibility's services. The 2018 recipient was Residence Life's Dawn Sayer.
- Staff Assembly **established the Staff Feedback Committee** **in Feb. 2018** to collect questions submitted to Staff Conference and follow up, monitor, or further research them. This committee covers the same areas assigned to the Faculty Committee on University Priorities and Faculty Committee on University Life.
- In Feb. 2018 Staff Assembly representatives began working with Faculty Conference leadership to establish a **Faculty/Staff Ombuds Office**. A draft of the proposal was presented to Staff Assembly and Faculty Conference as well as to the provost and president for feedback. The proposal was just vetted by the university's legal counsel and presented for a vote of endorsement at Staff Assembly and Faculty Conference. **This is a landmark partnership between faculty and staff.**
- With continued support from the President's Office, Staff Conference awarded the second **Staff Member of the Year Award** at the annual Faculty/Staff/Retirees Ceremony. The 2018 recipient was the Graduate School's Daniela Aguilar. The award system: gives staff a larger outlet to show their good work and be recognized for it; and **boosts employee morale**, an emphasis of the administration.
