

ACADEMIC PROGRAM INNOVATION

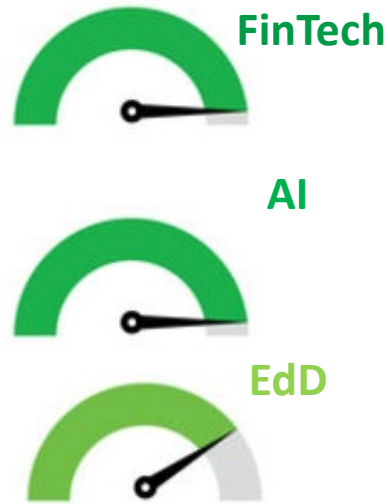

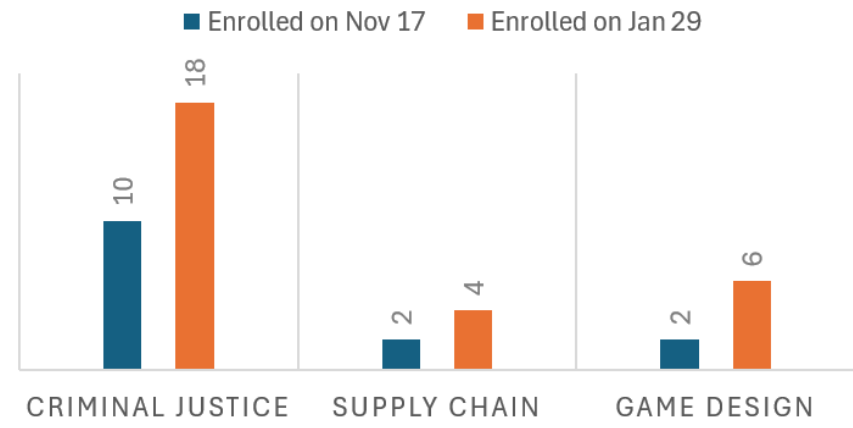

Start: Sept 2024

Finish: June 2025

Budget: \$190,000

Actual YTD: \$190,000

UNOFFICIAL ENROLLMENT DATA

RISK/MITIGATION

Failure to secure SACSCOC approval the Ed.D. could delay its implementation by a year to Fall 2026. Reviews of the Prospectus and the Level-Change portfolios of paperwork are currently being reviewed in order to hopefully avoid any problems after submission in March.

Q2 HIGHLIGHTS

- ✓ Unofficial enrollment data in the new programs all continue to grow. NOTE that these are not the “official” enrollments which are codified once per year during the Fall semester.
- ✓ Artificial Intelligence (AI) and the Ed.D. in Leadership and Innovation received both CHE CAAL and full commission approvals.
- ✓ Bachelor of Science in Software Engineering has been built in the CourseDog System and approved by the Computer Science Department.

Q3 OBJECTIVES

- ✓ Gain final SACSCOC approval notification for AI and initial SACSCOC approval the Ed.D. in Leadership and Innovation.
- ✓ Secure signed job offer from AI faculty member.
- ✓ Secure Winthrop faculty approval for Software Engineering by CBT, CUC, AC, and Faculty Conference.
- ✓ Market and recruit for new programs during on-campus events.
