

JOIN **FACULTY SPARK TANK**

Starting
Fall 2025

Fall Topic: Teaching in the era of AI

**Meeting First
Thursday of each
month at 11 am**

**Location:
DIGS 220**

What is Faculty Spark Tank? It's a faculty learning community (FLC)

- A dynamic and supportive faculty learning community.
- A space to share innovative teaching techniques and best practices.
- A forum to discuss challenges and brainstorm solutions collaboratively.
- A source of inspiration and motivation to enhance your teaching.
- An opportunity to connect with colleagues from across disciplines.
