Entire permit must be on vehicle.

Apply permit to outside, bottom left of rear window.

Convertible vehicles and camper top trucks must affix permit on outside of lower driver side windshield.

Motorcycles must register at Campus Police department, but will not receive a permit.

This symbol designates where you can find the emergency call boxes located on campus. Once you push the button, you are automatically connected to the Campus Police Department. The dispatcher will ask for your name and the nature of the emergency. A campus police officer will immediately be sent to the location for assistance.

To ensure visitors to campus have some available parking, additional visitor parking has been designated. Please be aware that vehicles with WU parking decals will be ticketed if parked in visitor spaces.

**This map is intended only as a guide to designated parking areas on the Winthrop University Campus. Construction and/or special events may require temporary redesignation of certain parking areas. Always note signs and follow the instructions of campus police officers.**
